Does this feel good?

Hey, Sensei...

Y-Yeah...

強気洋ロリに搾られる12P (ハーフだけどね)

お力魔嬢は Make-believe Princess

Not that I dislike that about you.

Ahaha!♡ That's no good!

What kind of a teacher gets off with his own student's loli pussy? You're the worst!

How can you say that...?!

ハーフロリに迫られちゃったら... Noise ち○ボ差し出すしかないじゃん

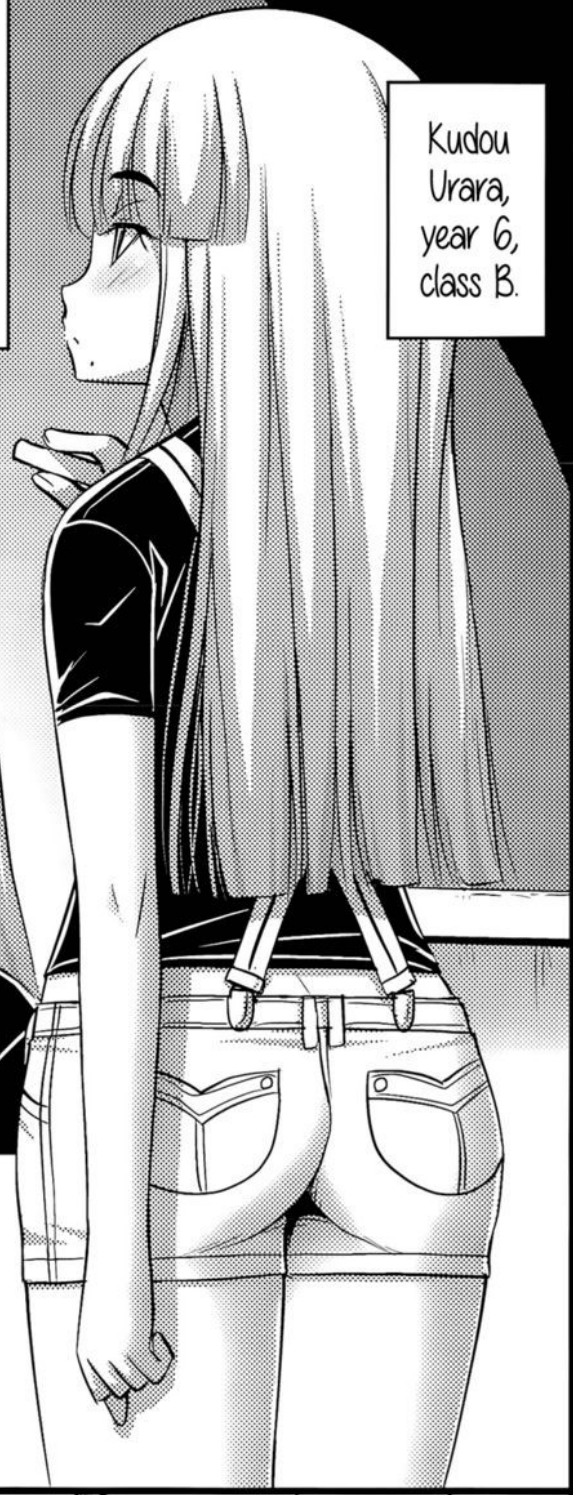

Evidently, she has some northern European blood flowing in her veins. She has white skin and long legs. She's as beautiful as a doll, and she's cute to boot.

Kudou Urara, year 6, class B.

Hence why her mother has so much sway over the PTA.

Add that to the fact she comes from a wealthy family, so she's pretty much what you would call a princess.

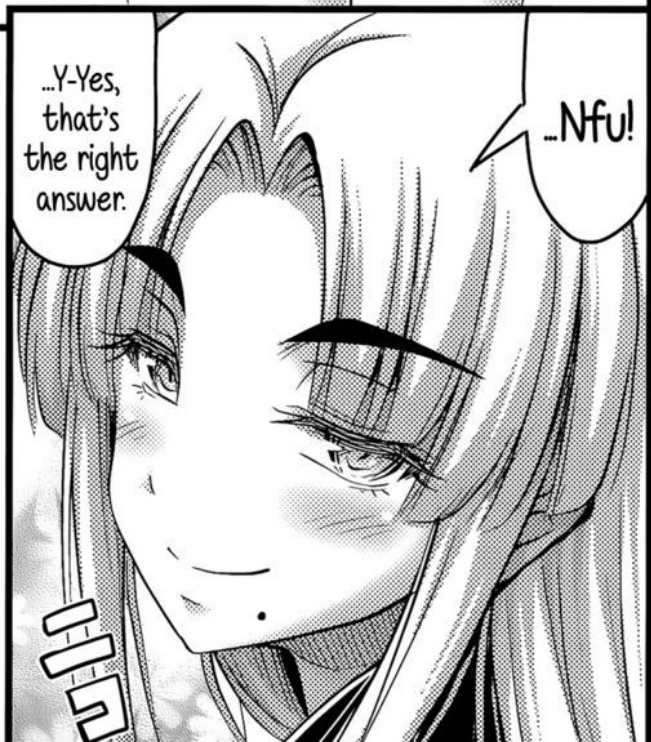

Mh?

Glance

Not good... I got mesmerized looking at her.

Cough

...Y-Yes, that's the right answer.

...Nfu!

I can't say it here...

Could we talk in private after school?

Oh, what is it, Urara?

On what?

I'd like your advice on something.

Sensei.

Aah... She really is cute...

Knowing we're alone is making me sort of excited.

...So, what was it you wanted to talk about?

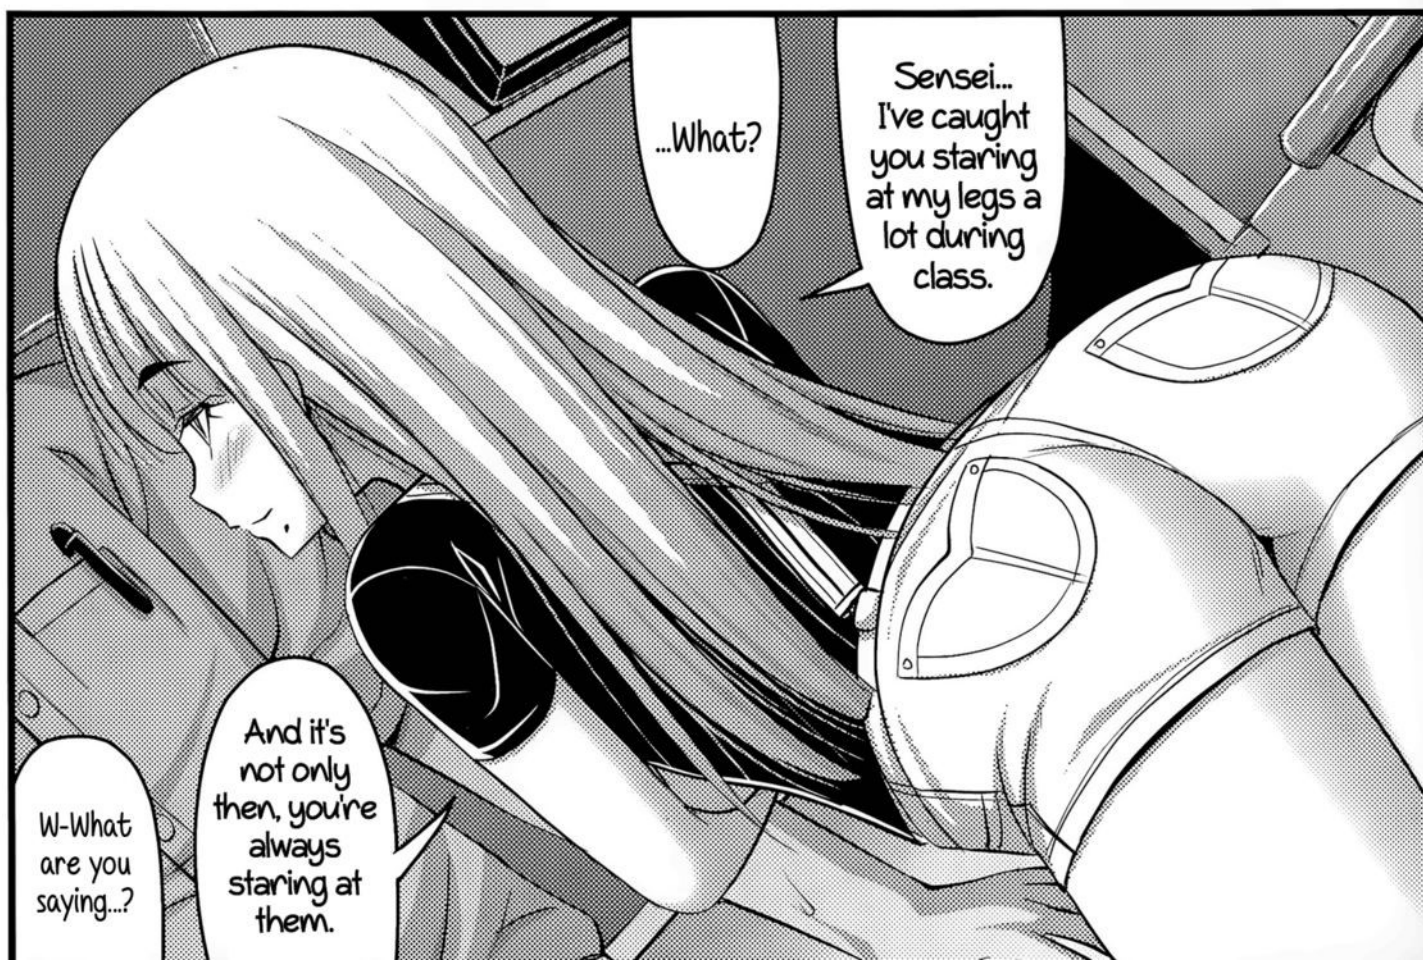

After school...

Idiot! What are you getting nervous for?!

...S-Sure.

I'll see you after school, then.

...What?

Sensei... I've caught you staring at my legs a lot during class.

W-What are you saying...?

And it's not only then, you're always staring at them.

I'll tell my mama on you.

D-Don't be crazy!

I would never ogle at one of my pupils!

Frankly, it's disgusting.

Could you please stop?

And as her teacher, I must have been at just the right place and time...

Whatever I want... you say?

That's just how it is at this school.

Any teacher Urara's mother sets her sights on is removed from the school.

She desired my body.

It seems her sexual development had recently been sparked quite impertinently and triggered an interest for these sorts of things.

You're right about everything!! I'll do whatever you want!!

Please! Anything but that!

ノック!

Here,
play with
my boobs,
Sensei.

You want
to make me
feel better,
don't you?

フム

I'm still incredulous
that Urara's letting me
see under her clothes,
I thought for sure
I would never, by
any means, be able
to do so.

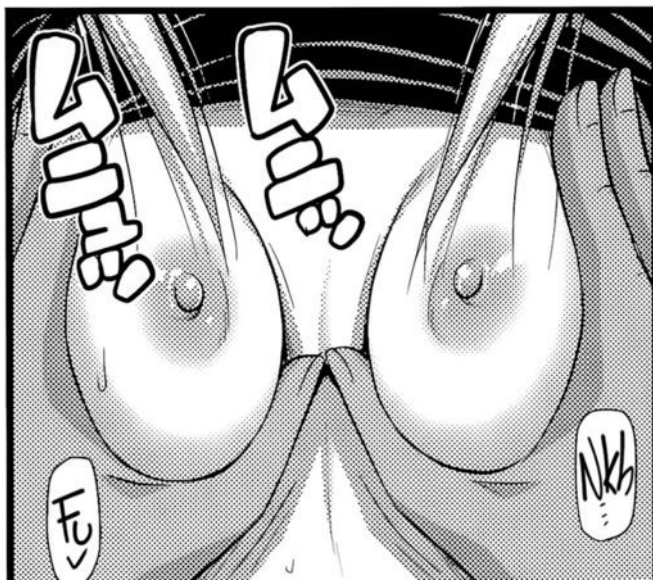

She's still a
child, so the size
of her breasts is
fittingly modest,
but their white
colour makes
them striking...
