It only took 9 months for one of our “newest” members to have something released, motherfucker would never upload stuff he translated.

I finished TL quite awhile back but kept putting off the upload because my internet is in the bin.

**Shoku**

My first try at type/moansetting in H. Turned out pretty decent I guess, hope you like it!

**Axalon**

*Lead QC*

Tight outfits on sexy girls are nice.

**Inkblot**

*Quality Check*

I confused this for Marui Maru at first. Plump girls... there's nothing like 'em.
