Good evening lovely man ♥  
If you don't mind, would you like to join us tonight? ♥  
I ..... wasn't satisfied at all with my  
husband's small fish penis, so I .....♥

I want to be dominated  
by a real male who looks  
tough and violent like you♥

can you see? ♥  
The tattoo on my chest...♥  
I'm a lowly sow ♥  
I'm an inferior race,  
so it's proof that I have no complaints  
even if I'm raped by a black man♥

Please let me forget about my husband  
with your big black cock...! ♥

Andre ♥  
Don't pull me so hard ♥

You want to show off a female impregnated with your seed .....♥  
You're such an asshole ♥

Should I do it here? ♥  
Okay ..... ♥

Hey everyone ♥

I, Yoriko Matsunaka, am an unfaithful wife who has been having sex with a black man's big cock in spite of her husband's presence! ♥

This baby was conceived by a new black man after I aborted the baby I was carrying with my husband ♥

I also got a loyalty tattoo on my tongue, so I can't even kiss my husband anymore♥

Please watch the worst pregnant sow being punished with a big black cock! ♥

I'm glad you picked me up, but...  
I only have sex with black people unless  
there's something really wrong♥

If you've been wandering around this neighborhood,  
you know the meaning  
of tattoos, right?

Are you asking me to judge  
you after seeing your dick? ..... (w)  
What's that small dick (w)

You may have been confident,  
but it's nothing compared to a black man's cock (w)

I'm going to have sex with a black guy. Come with me? ♥

You are too miserable as it is,  
so you can at least jerk off watching us have sex ♥ (w)

You might ejaculate just by looking at it (w)

\* (w) = lol

Long time no see everyone♥

You're still doing drugs~♥  
I am also (w)

I'm sorry to start so soon,  
but..

I want you to kill my  
fucking baby with your  
big black cock, okay?♥

I didn't think he'd grow up to be this big (w)  
I can't have an abortion with medicine anymore,  
so I'm begging you (w)

\* (w) = lol
