SOME-THING'S BEEN OFF ABOUT MY CAT LATELY...

SEE!? SHE KEEPS HUMPING ME!

I DON'T THINK IT'S JUST THAT.

Even house cats go into heat.

Anyway, when a female goes into heat, stress builds up in their genitals.

If you gently use a cotton swab to stimulate her genitals—

This is the first time I've ever seen a case this severe...

It is a bit odd to see a kitten doing that.

THIS VIDEO WAS POSTED RECENTLY.

Here we go! Hmm... It seems the same thing has been happening to dogs and rabbits and such.

It'd be nice if it were only a peculiarity of this one cat, but...

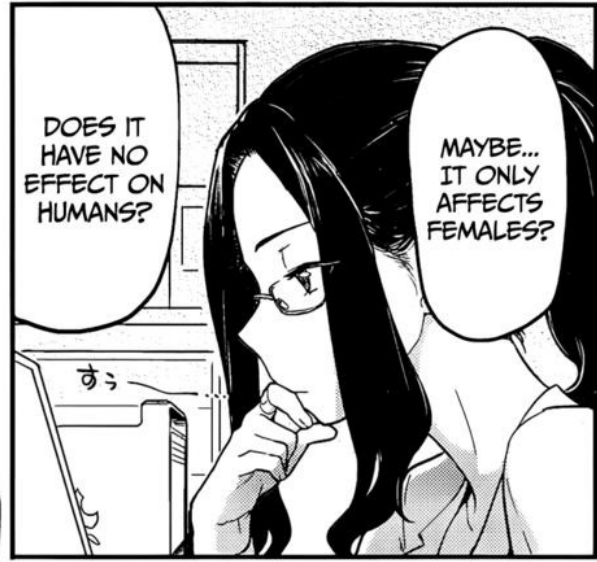

You don't mind? Thanks, Oshikawa-kun.

WANT SOME HELP?

Now that I think of it, it's been quite a while since I've had sex, hasn't it?

DOES IT HAVE NO EFFECT ON HUMANS?

MAYBE... IT ONLY AFFECTS FEMALES?

ふわん

もぞ

もぞ

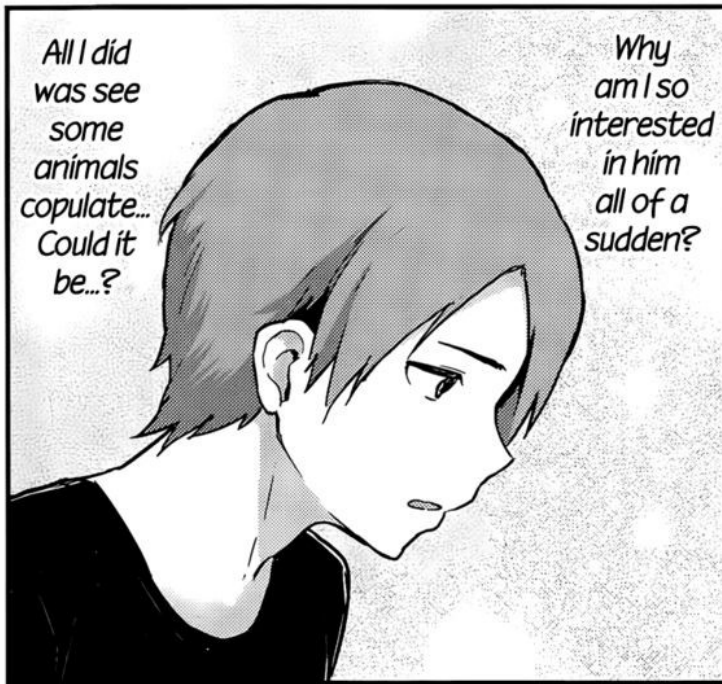

There's no way I could do that! What the hell am I thinking!?

No, what am I thinking!?! Oshikawa-kun's my employee!

WH-WHAT IS IT?

Stare....

All I did was see some animals copulate... Could it be...?

Why am I so interested in him all of a sudden?

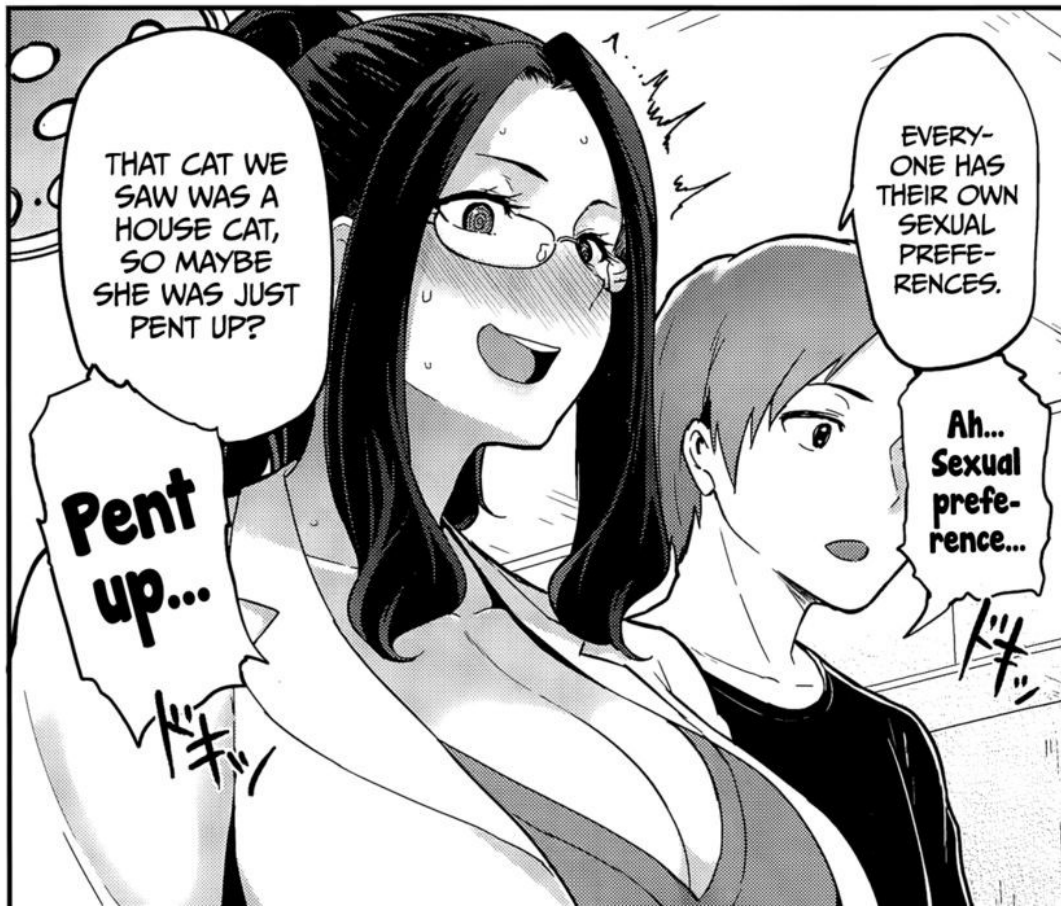

I'm alone with a man in the clinic late at night...

Ah! R-Right! Twitch

SO... YEP, LOOKS LIKE IT'S INFLUENCED BY STRESS.

THAT CAT WE SAW WAS A HOUSE CAT, SO MAYBE SHE WAS JUST PENT UP?

Pent up...

EVERYONE HAS THEIR OWN SEXUAL PREFERENCES.

Ah... Sexual preference...

Maybe my biological clock's ticking... I've always been a workaholic, but...

Hoh...

Cock...♡
Cock...
♡

Haha...

Haha...

Aah...
I want to
hurry up
and go home
so I can
schlick like
crazy.

This is
agoniz-
ing.

But...
I just

Thanks

There's

there? **!!!**

Boin

I think you
deserve a
r-reward.
♡

Aren't you a bit jealous of animals? They can do it anywhere.

M M PL

I'm sorry I'm so old, but...

DOCTOR!? WH-WHAT ARE YOU DOING!?

You can do whatever you like, Oshikawa-kun.

That's proof that you want to breed with me, isn't it?

Haa

Haa

I'll do something nice for you.

If you're getting turned on too,

Shiver Shiver

Ah!

おっおっおっ

Mm

Oh my, your penis is already getting hard!

HAUU!!
HAU-UUH!!

What do you want to do?
Do you want to get off by shooting your semen into my body?

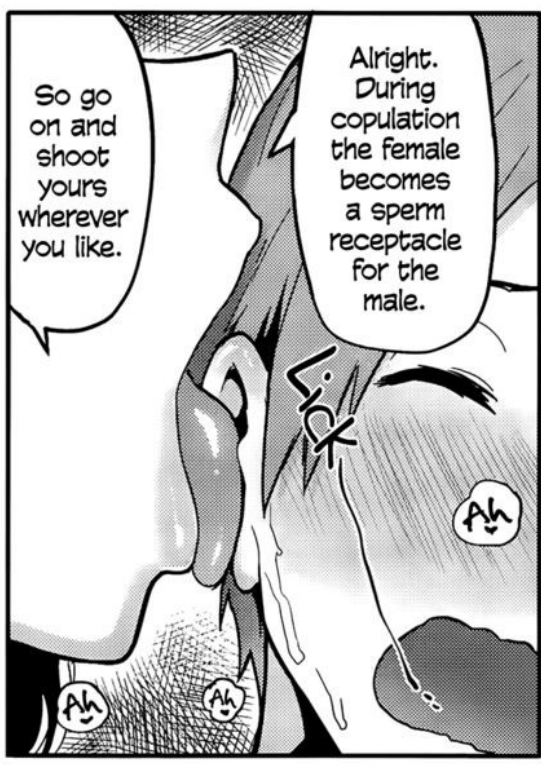

IF I CAN DO WHAT I WANT, THEN... THEN...!!

R-REAL-LY!?

Of course.

Your dick's so burly, Oshikawa-kun! It's totally my type!

So go on and shoot yours wherever you like.

Alright. During copulation the female becomes a sperm receptacle for the male.

THEN... YOUR MOUTH...

This isn't a delusion, right? This man is setting my most basic instincts aflame!

Haa

Haa

Why did I never notice it before?

My body's getting hot... Yeah, this is definitely...

Why is my chest pounding like never before?

If that's the case...

Shove your cock right into my pussy!

Haa

Haa

Please, Oshikawa-kun...

There's no way I can't accept him, is there!?

どい

my body started preparing to accept your semen!

I've never felt this good beforeee! As soon as you put your dick in—

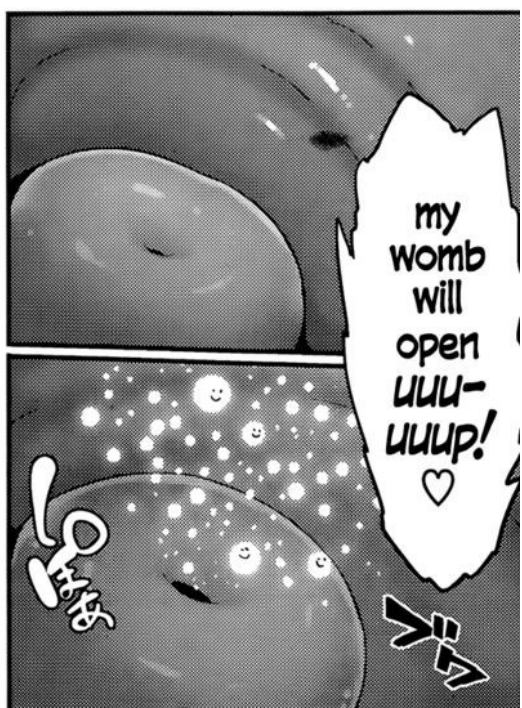

Your penis is desperate to shoot out its sperm...

SERIOUSLY!? I HOPE MY CATS ARE OKAY.

WONDER IF IT'S A NEW KIND OF VIRUS?

AAH, YEAH, I'VE HEARD OF IT. IT ONLY AFFECTS FEMALES, RIGHT?

HEY, DIDJA HEAR? THERE'S SOME DISEASE GOING AROUND MAKING PETS GO INTO HEAT LIKE CRAZY!

WHAT WOULD YOU DO?

BUT IF IT HAPPENED TO YOU...

YOU REALLY ARE A WORRY-WORT.

But what if there were a person with a funny physical makeup who could actually catch it?

SOUNDS LIKE IT ONLY SPREADS THROUGH DIRECT CONTACT, SO IT SHOULD BE OKAY.

I wonder if humans can catch it?

kinda want to do it right here.

Umm, darling... l...
