

SIGNS: SHIGURE CLINIC, RECEPTION

You could tell easily, Sae-chan.

Aha ...

Come in.

The only one who comes to visit is Yuki-chan

Yeah

right ?

SAE AND YUKI

Sae-chan ...

I don't want to see anyone from class.

I'm fine with that.

But

Isn't that right?

Yuki-chan is my one and only friend.

Sae-chan didn't have either of her arms.

Pull back my sheet.

Eh... Okay.

Yuki-chan

But everyone else is your friend too, right...?

Yeah ...

I have a rough idea.

What will it be like when I pull them back?

Yeah

Even though you were looking lower, you weren't for the shoulder.

Maybe not even tomorrow. Not yesterday, not today. There was a lot I wanted to ask, but I didn't

How is it? This time there's nothing below my stomach.

What do you think I should lose next?

I go to visit Sae-chan every day.

Yuki-chan Look

Did you do that

yourself?

どキ

Sae-chan...

A question just slipped out of my mouth.

どキ

Rather than being cut off

it looked like it had melted.

I just got rid of it on my own.

or anything.

Yep, without surgery

Do you understand what that means?

"Cast away to become complete."

Why...

would you do something like that?

I don't have any friends or hobbies. I don't even have anything in this room.

I don't have anything I'm good at to begin with.

they suffer.

Because humans covet things like money and whatnot

I have nothing to be dissatisfied with.

How?

Get rid of...

I decided to try that out.

how happy could I become?

So if I try getting rid of my body

I don't.

Do you really not need anything?

I just thought about it

Really anyone can do it, you know?

Then... I don't have to come anymore?

and just like that ...

But she was looking at me through a gap.

Sae-chan looked like a pill bug.

Sae-chan, Sae-chan

I was a bit relieved at that.

I'm sorry, let's make up.

かほ。

Th...  
Thank  
you.

If Yuki-  
chan is  
here, I  
don't  
need  
anything.

Rather  
than  
sur-  
prise,  
I felt  
relief.

It's fine if you have  
at least one thing  
to cherish, right?'

That's true, but...

You've seen my naked body, haven't you?

This is a bit embarrassing...

I wonder if Sae-chan is trying to eat me.

Huh, is this...

It probably be painful.

I don't taste good, you know...?

But

I wanted to get beyond that and be at peace.

the idea that we seek and seek only to acquire suffering.

Yuki-chan

めき!!

めき!!  
If I throw away everything but you, I'll be happy.

めき!!  
...it was no good. I'm not that strong. I wanted Yuki-chan.
