No, Daddy! Miku's friend is staying the night right now.

N...no! I wasn't really doing any..

Show me too! There's nothing wrong with a friendly daddy and mommy making love to each other.

More importantly-

Gulp...

You perverted little slut. Do you get like this from anyone touching you?

Gak

You think I'd get this excited... from just anyone... touching me?

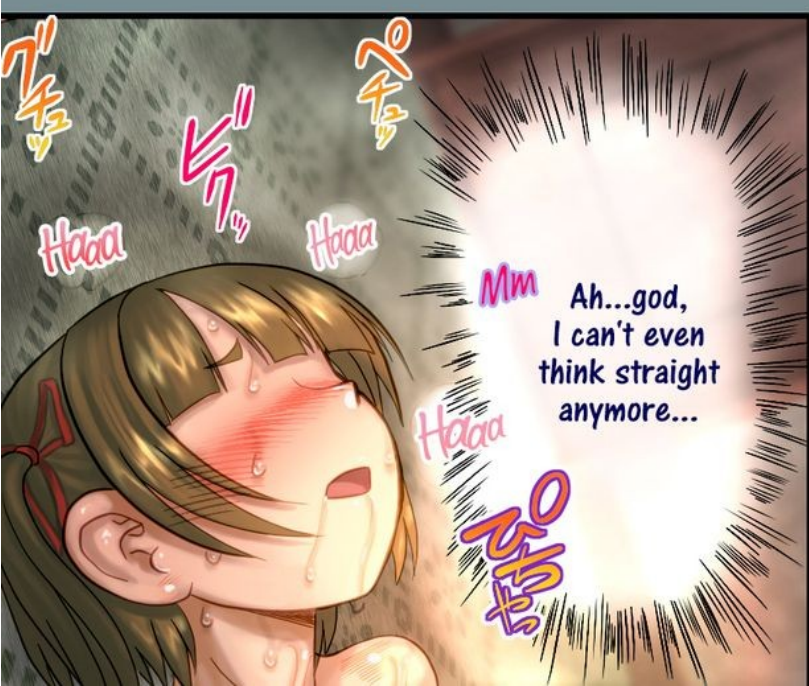

Hmm, try demonstrating for me then!

And if a girl did the same thing to you, you wouldn't react at all, no matter who it is?

Obviously.

What's with that quiet and gentle way of licking?

Mm Ah...god, I can't even think straight anymore...
