Sorry, can I borrow your umbrella when I go home?

No way!! Seriously!?

Whoa! It's really loud!

兄想う妹、そして僕、突然は又、突然に...?

I wonder if my brother is okay...?

Whoaaa! It's really coming down!

Ah, wait right here, I'll go grab some towels.

Thanks for letting us stay.

It's rough out there!

Uwaa
aaaaah!

Okay.

Man, the opening of my bag is soaked.

Yeah.

It's just up the stairs.

I'll make some tea, so you guys can just wait in my room.

Whew! I'm beat.

Ah, now that you mention it... It was the right, wasn't it?

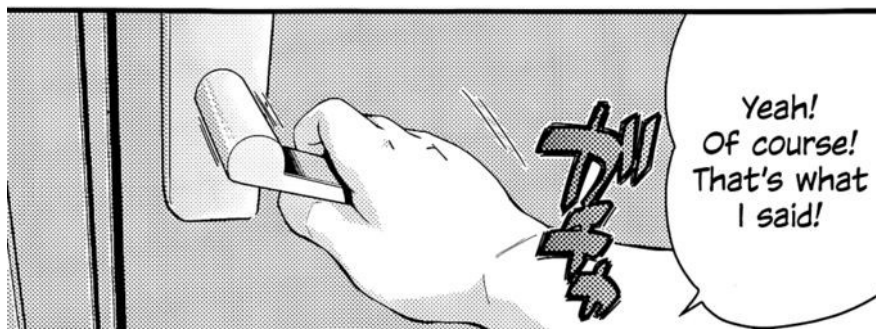

Uuh, which one was it again?

My shirt is sticking to me. How disgusting.

Watch where you're going, my little sister's room is on the right!

Just take it off.

Yeah! Of course! That's what I said!

Ah,

Hey,

this part?

Fwaaah...

Well, we walked into the wrong room by mistake, and seeing these girls' panties was just so tempting...

Yep. Just can't resist the call of panties.

That's not the problem-

Stop

Ah

Hah

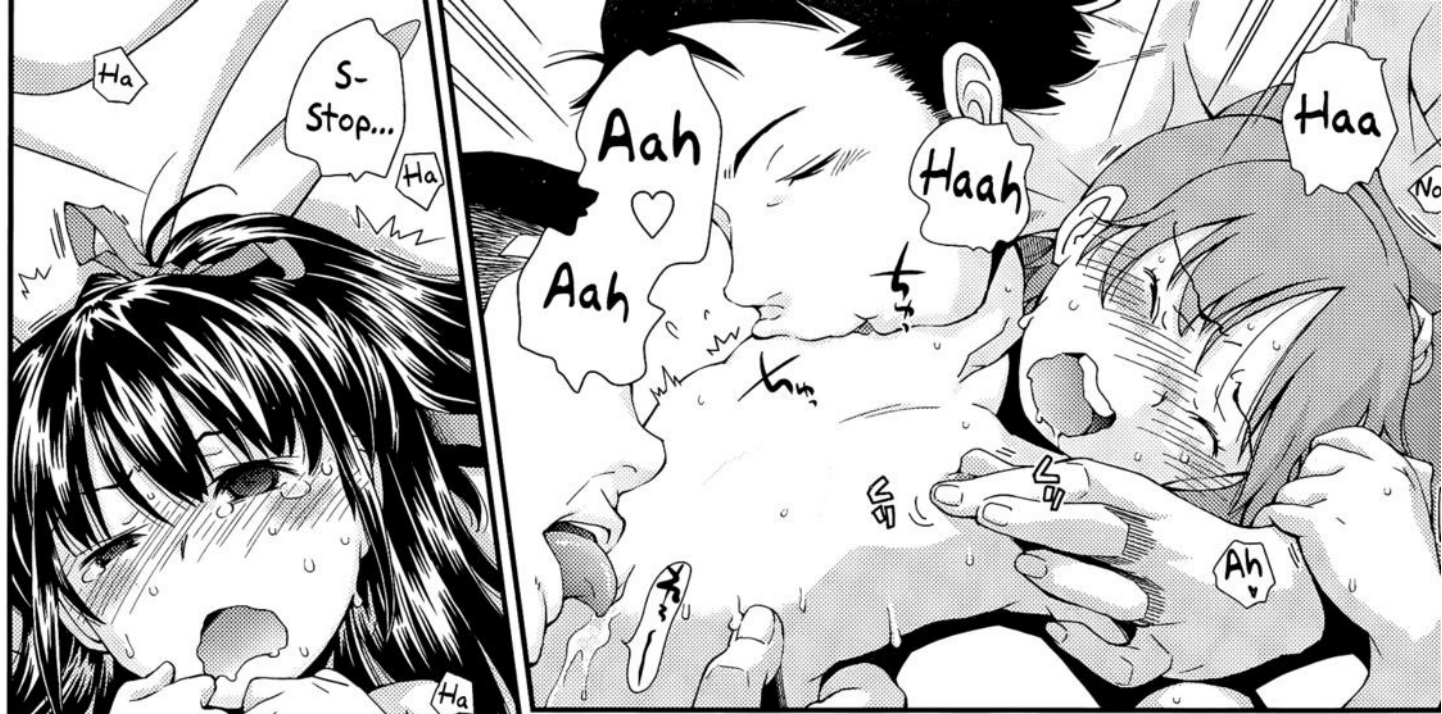

No!

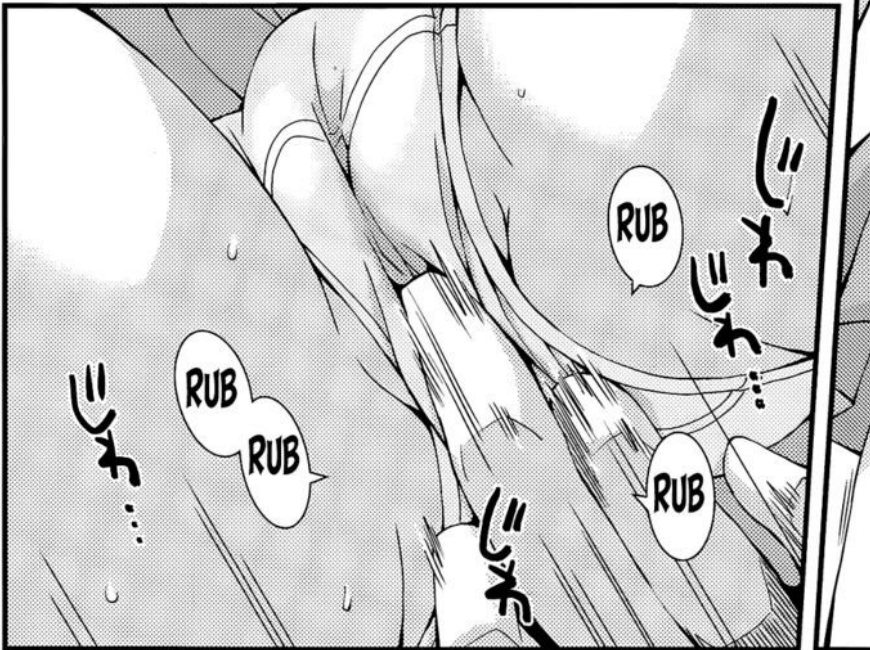

here ...

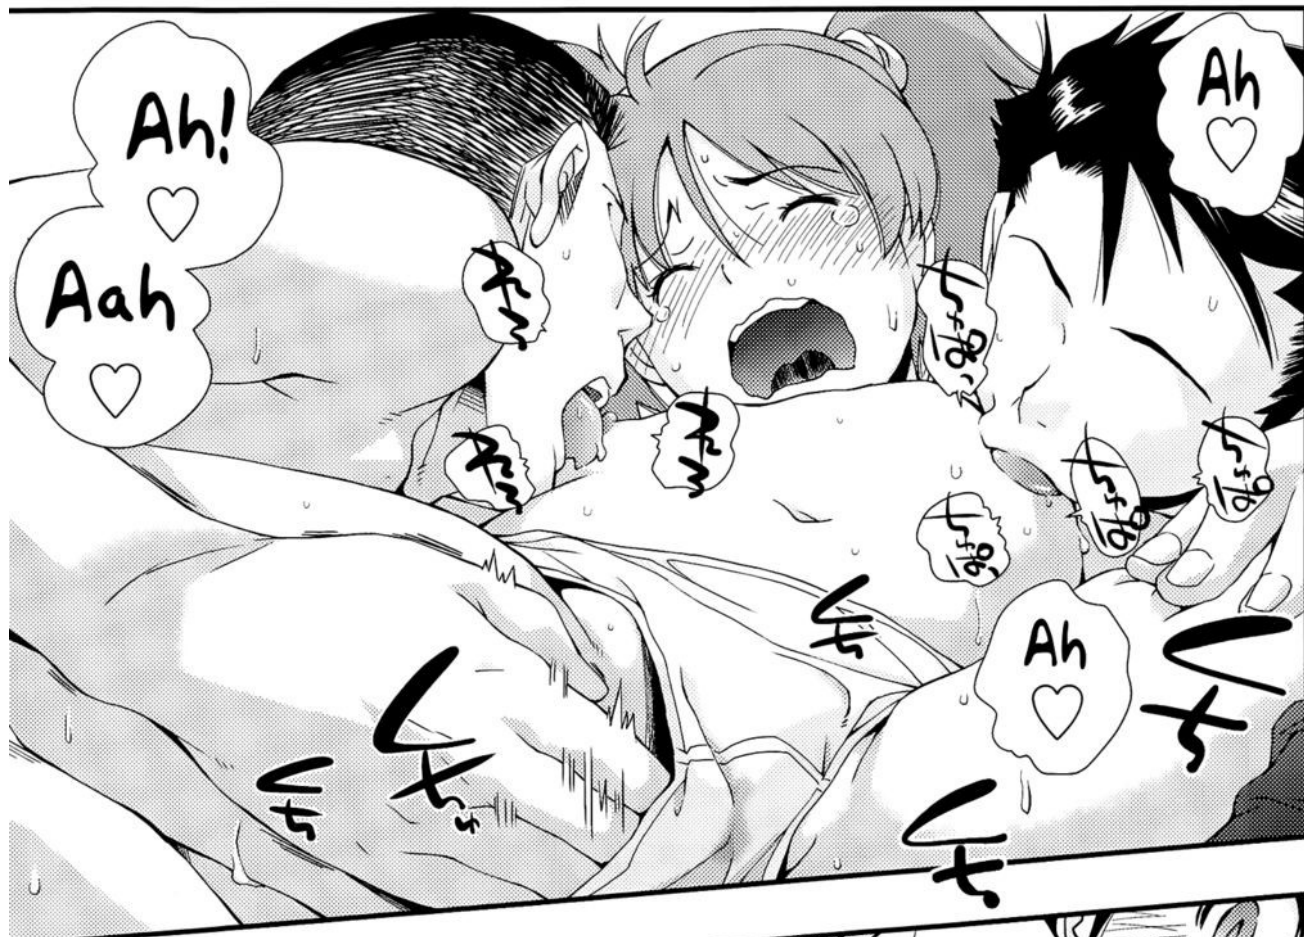

Don't worry, we're not going to lay a hand on your sister!

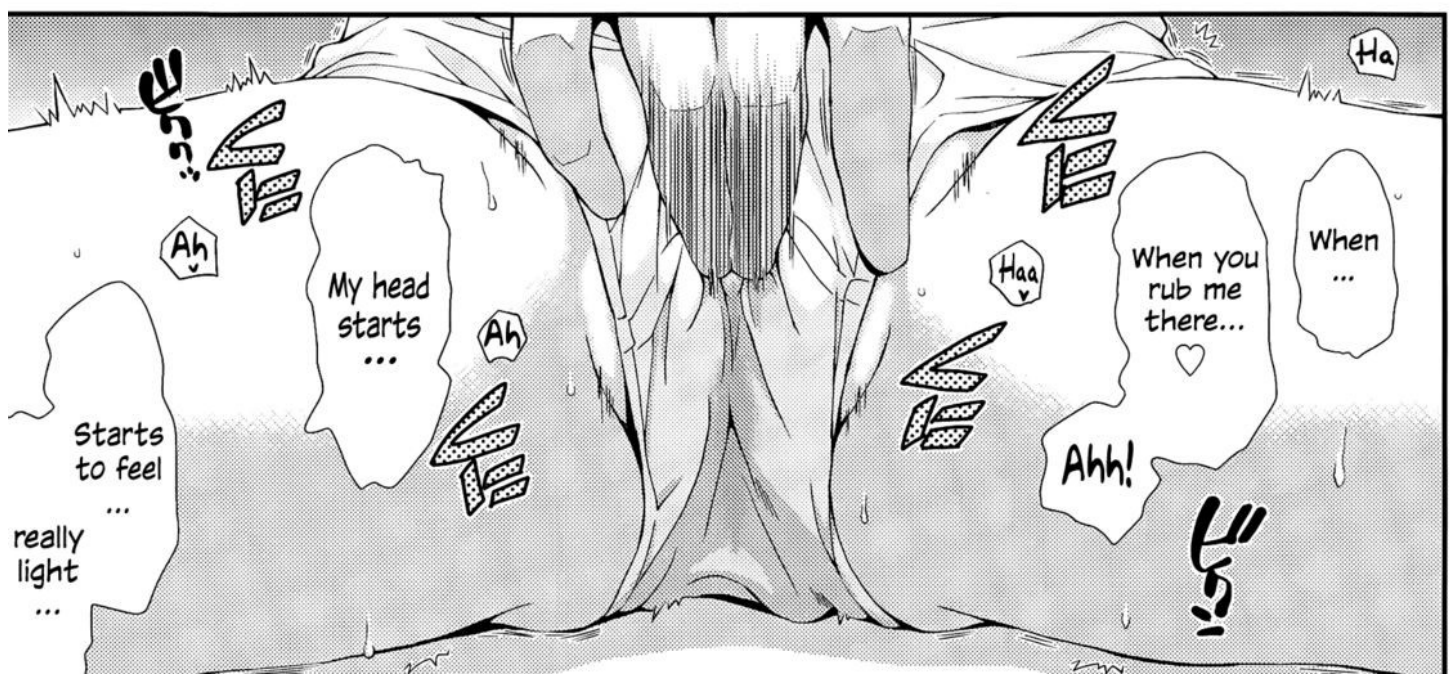

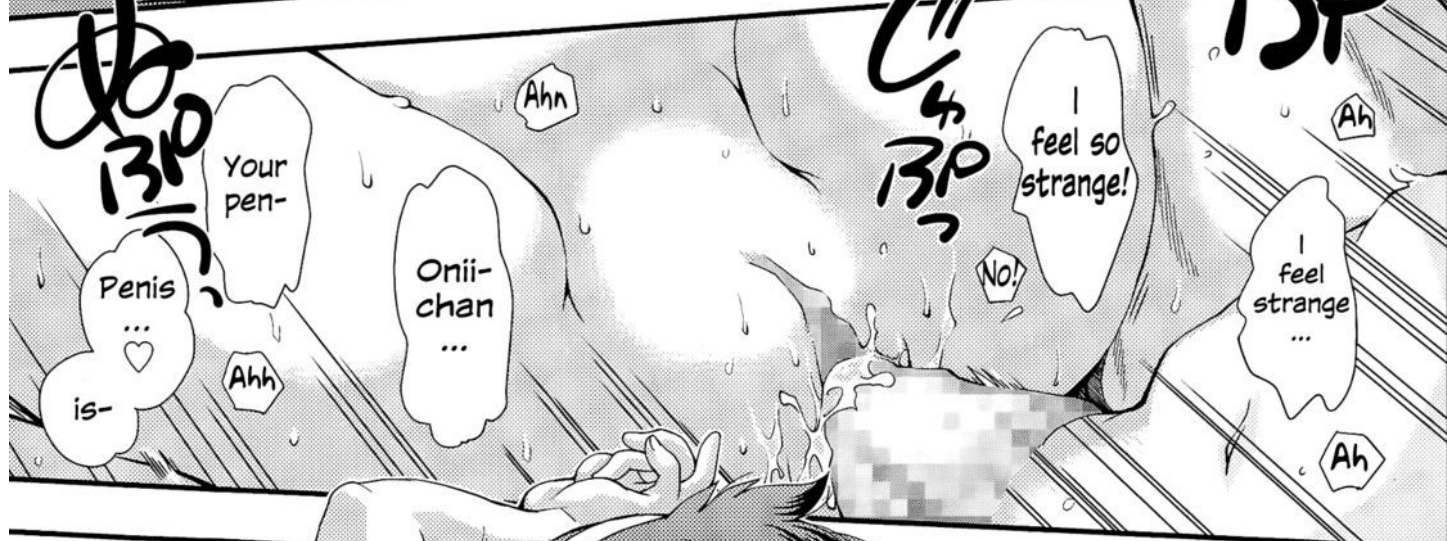

The hell? Miyashita decided to get it on with his sister, huh?

Damn it. Guess there's no helping it.

Aah

Aah

Onii-cha...

Ahh Eek

Haa

Haa

Ah

Ah

What? No! It felt so good with Onii-chan!

Now you get to play with us, lil' sis!

Don't worry, it'll feel mostly the same with us~!

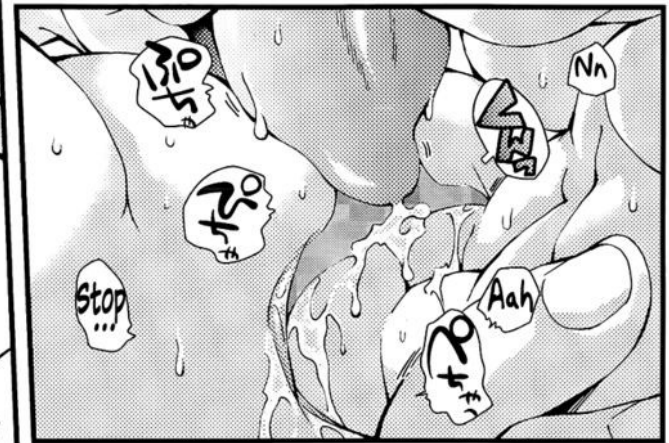

Hey, Miyashita, switch with me!

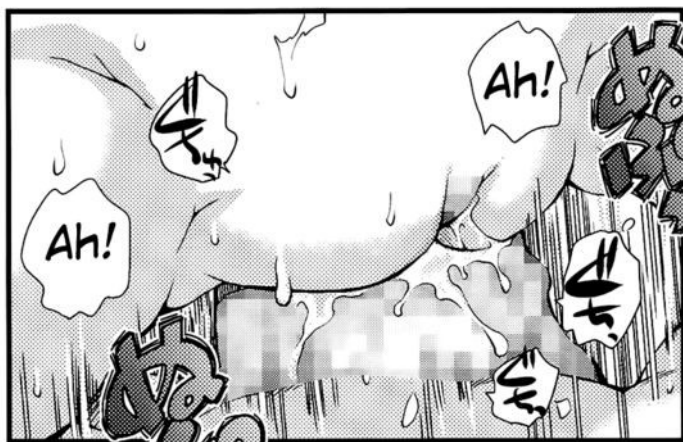

Huh? What?

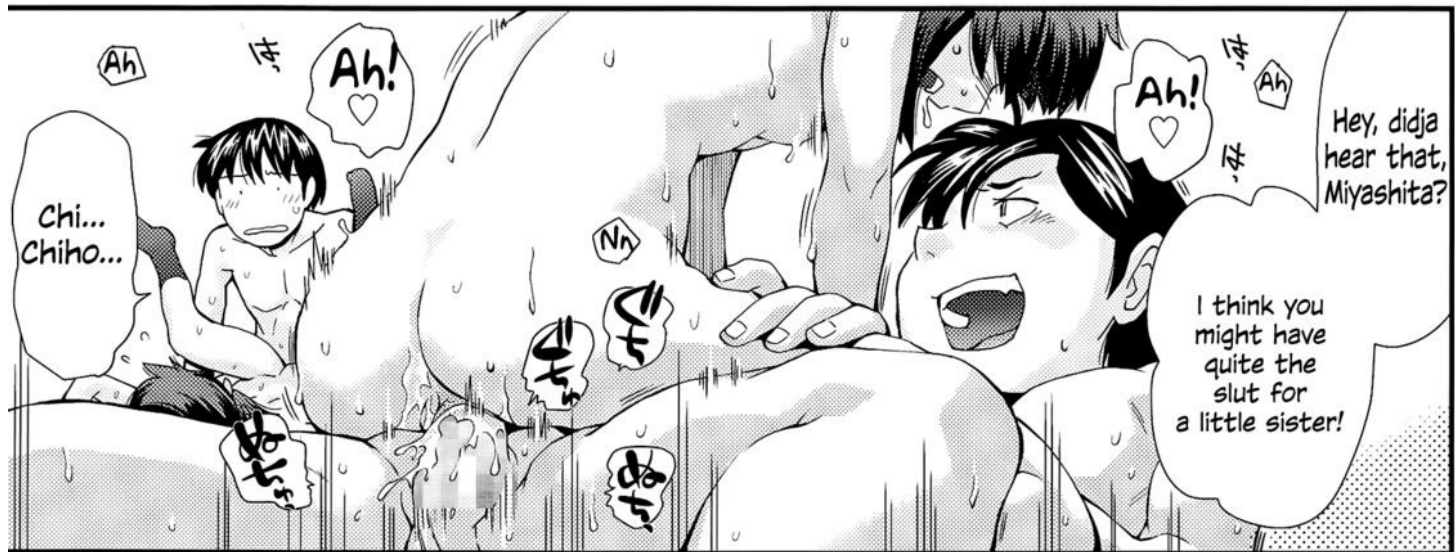

You do it with that glasses girl over there, alright?

Don't gimme that! Fucking your sister is seriously bad, you know!

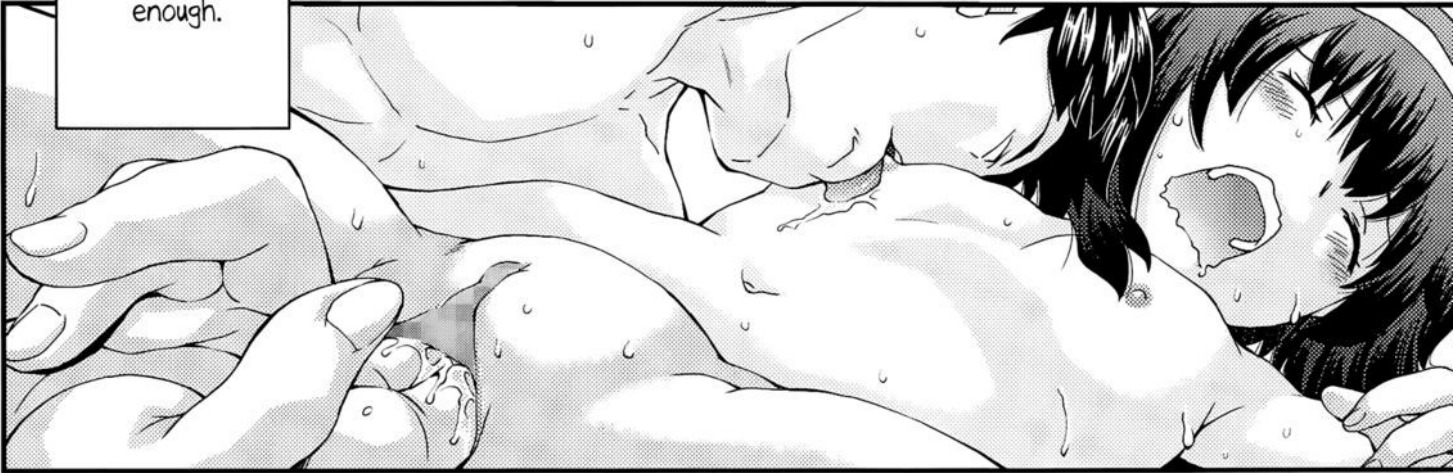

After these guys leave I'll do it with her once again.

And again tomorrow if I get home from school quick enough.

End

Well, I'll cross that bridge when I get there.

Umm...
Uhh...

If that happens, then...

Will these girls never come over again?

Or will the police show up here?
