

新年早々怪奇現象勃発...!?

My
body...
feels
weird...
I...
I can't
move..?!

Wha...
What's
going
on...

Someone...
placed a
weight on
me or
some-
thing...

It's
like...

And...

And I'm...
not
breathing
normally,
either...

I'm
suffo-
cating..!

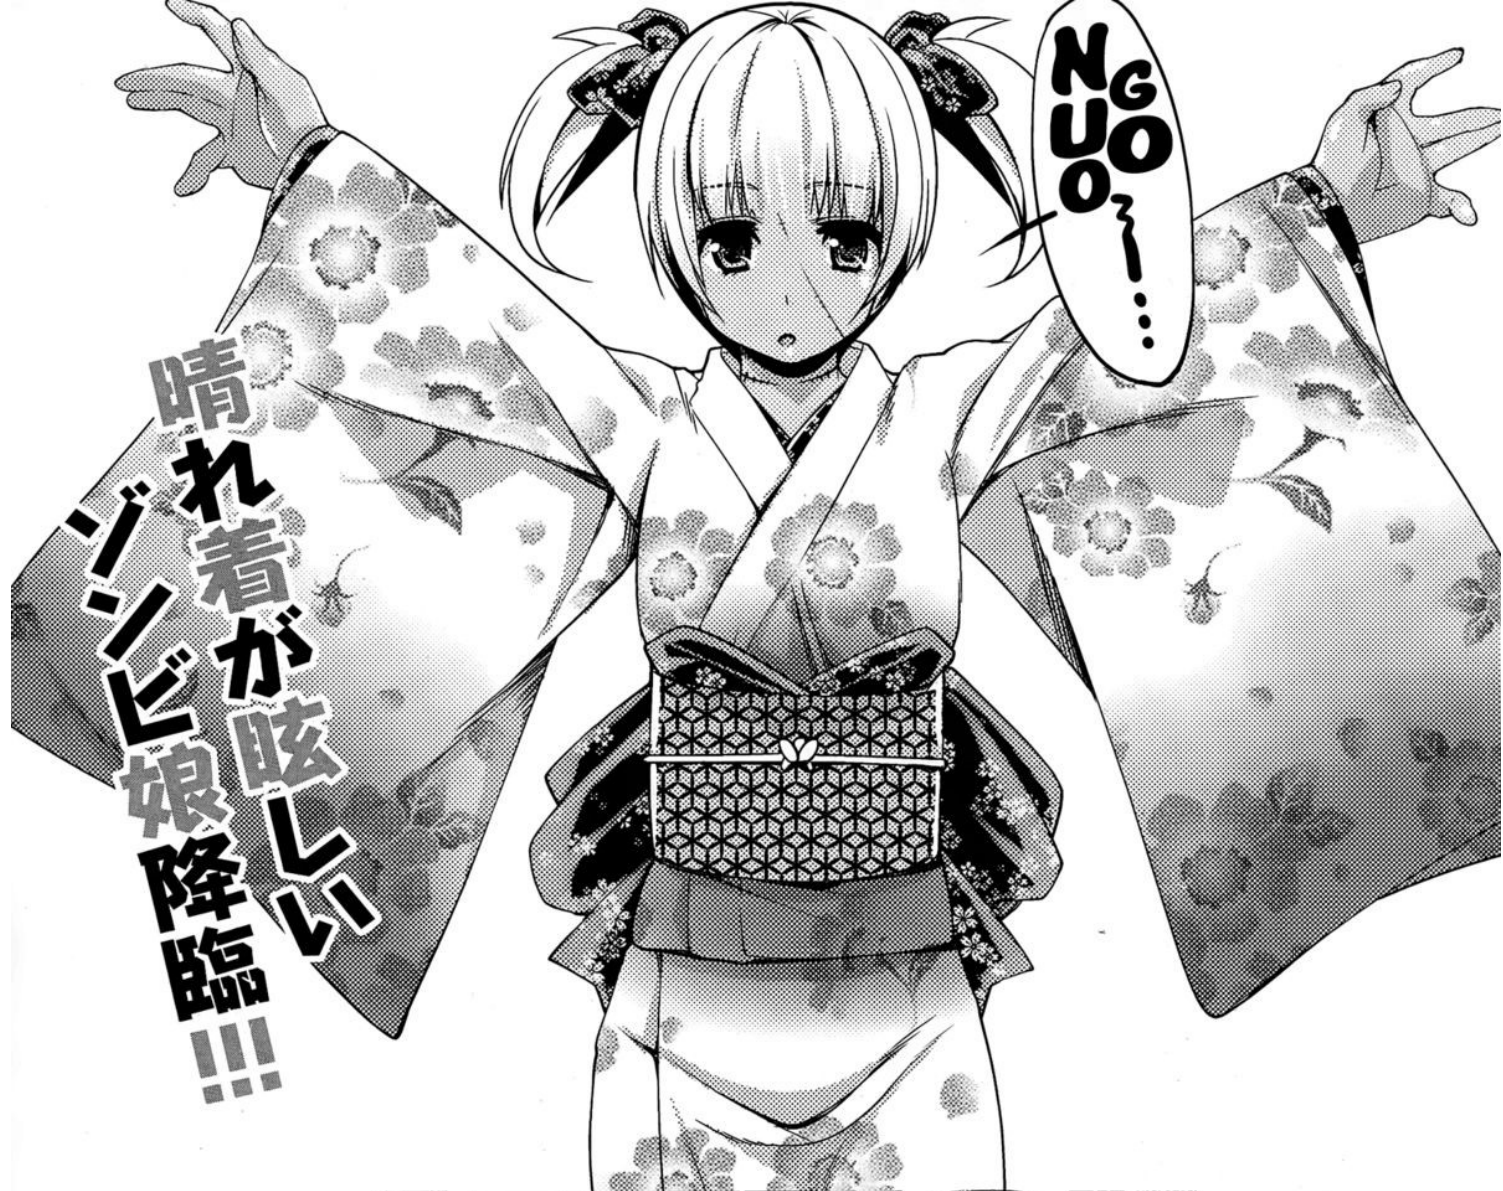

My limbs
feel so
heavy...

What
a great
start
for a
new
year..!

The

Zombie thinks you should just breathe through your nose.

I would... but it looks like I can only breathe through my mouth when I'm asleep.

Aahh... I really thought I was a goner...

Yeah. Zombie cosplayed... People took a lot of pictures...

And the shrine visit on the way home... Zombie did by her zombie self.

Phew... So?

How was Comiket? You took care of this year's first shrine visit on the way back, didn't you?

Zombie has to return this kimono by noon today... And Zombie wants to wear it while going to the shrine with you.

But if we're going, we should go now...

Hey, after you've had a good night's sleep...

Yes... Zombie wants to go with you.

Wanna do another shrine visit with me?

Oh, right.
I was busy trying
not to die just
now, so I didn't
notice...

Okay...
Sounds
good...

I don't feel like
dealing with huge
crowds of people or
walking for hours,
so let's go to
some boring shrine
in the neighbor-
hood.

Yeah,
you
do!

Does
Zombie
make
you
arou-
sed..?

Ooh!
I might
just assault
you right
here and
now~!♪

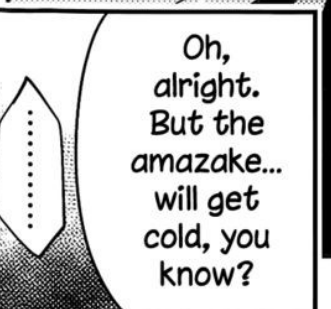

Do you
want
to...
rape a
zombie?

You're
looking
super
cute!

But that
looks
really
good on
you.

If a zombie gets kissed during a year's first shrine visit... she must be raped... It's a zombie custom...

I-I see. You zombies have it rough, huh.

Now... It's time for zombie rape... Right here and now...

You're wrong...

And aren't I the one kinda being raped here?

But won't we catch a cold like this..?

Is that so... Zombies have some complicated traditions, don't they.

This thing will soon proceed to violate Zombie's sexual organs... so Zombie will be the one raped...

It's okay... Zombie is already dead... so she can't catch a cold...

It's been forever since you last gave me a blow-job...

So this is too much..!

This is too good...

Oh man...

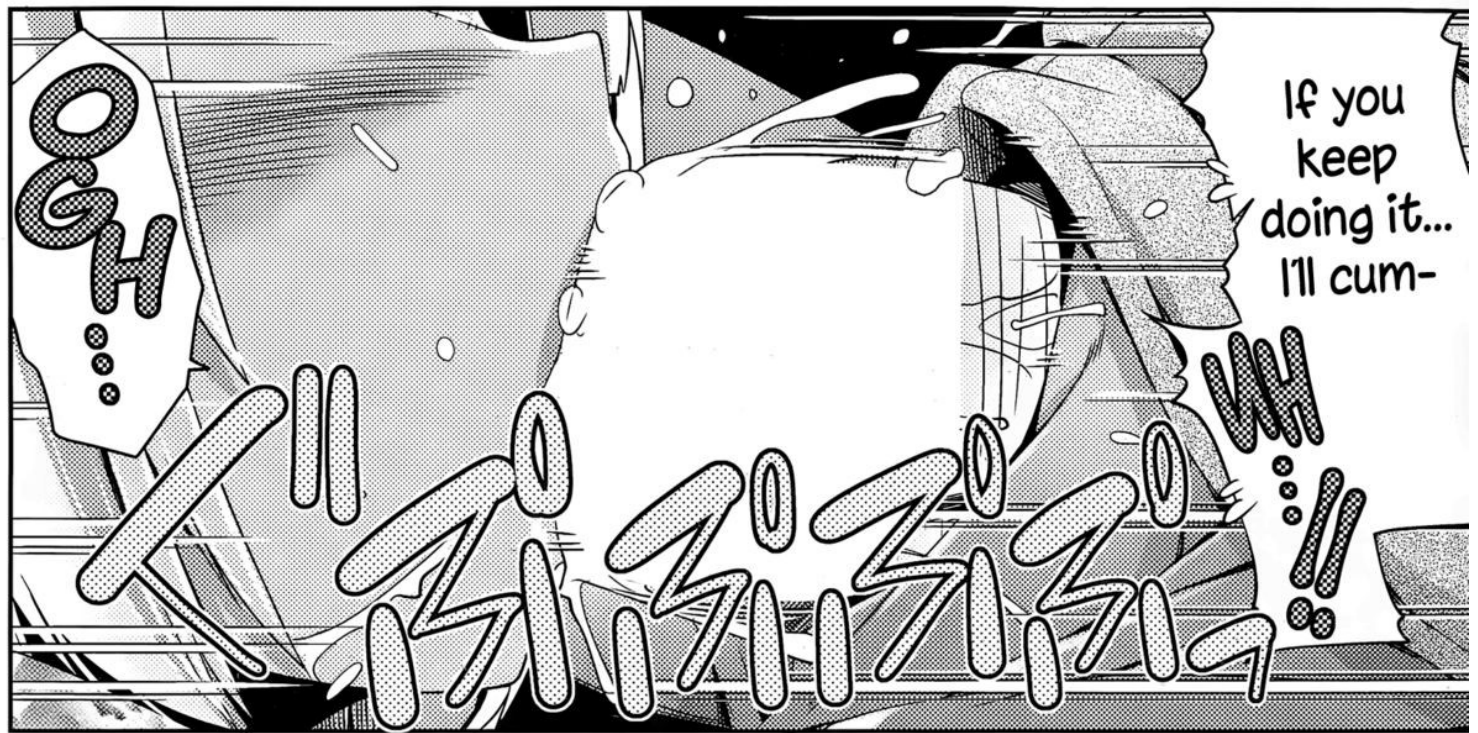

Yeah... Shit...

Does Zombie's tongue... feel good?

Fuh...

Hn...

It feels crazy good..!

Hya... ah...
It's
rubbing...
Zombie's...
zombie
slit...

Can I...
put it in already..?
Just this
rubbing is making
me want to spurt
out my human
juices...

Yeah...
Zombie
wants it
in too...
Come...

And
Zombie's
clitoris...
is also
getting
scrubbed...
