PROFILE

Sunami Maya

A teenage girl in high school. She always dresses well, but has a bit of a careless personality. She always tries to be cute in front of the one she loves though, totally different from her true character.

After being discovered by some molesters and trained, she now always gets excited by the chance of being raped by strangers on the train. She also turns out to be a very energetic and perverted girl. Because having sex makes her feel good... maybe.

And even though her rape scene was witnessed by her classmate Satou-san, they still end up having a sexual relationship (public play). In some way, maybe this means she was still able to confess her love to him.

初の痴漢物です。
見直すといろいろ突っ込みどころが多いですね(笑)
また描く機会があれば頑張りたいと思います。
夏バテにならないよう皆さんも気をつけましょう。
