Listen, Erika.

You and I...

We have tests tomorrow, you know..?

And I'm kinda busy studying for them right now.

Wah~ You're so studious~

And in the first place...

Could you somehow stop...

Coming in my room as you please?

And you never lock the door, either~

So it's Mom's fault...

Eeh~

But Auntie said it's fine~

Come on!

Trick or treat!

Uhh, yeah...

I don't have any.

If you don't give me candy, I'm gonna prank you~!

What are you talking about?

Hey, hey~
Never-mind that~
Now, what do you have for me?

Agh, man!

Stop right there!

Looks like I'll have to trick you, then~

You're too close!

Ehh~

I'm a guy too, you know? So think about me a little..!

And button your shirt properly!

Now listen here!
Sure, we've known each other since we were kids, but don't stick to me like that!

S- Sorry...

Ah...

たた

Eh? Did I really never tell you?!

WHAAT?!

I-I was wrong, huh... Sorry.

Yeah, it was just some old childhood promise...

We were in kindergarten back then, right...

How embarrassing...

I haven't heard a thing about that!

Sorry- But...

AWAI

YAWAWA

Now that I think about it, I was being really stupid, wasn't I?!

You sure you don't wanna stop me?

...Hey.
If you don't resist at all, I'm not gonna stop.

Fueh...

Huh?
Trick or treat?

Y-Yuuki, you have to say it too!
That Halloween thing!

So I want you to play a prank on me, Yuuki...
