Does this mean I'm in a position to meet and fuck grade schoolers offline?!

But, y'know!

A lot of the kids in my class love you too!

No way...!!

That's right~ Why, you don't like it that a grade schooler loves you, sensei?

N-No... That's not...

Wait... Whuh...? Shiro-chan...? You're in elementary school...?

C-Come with me...! I'll lead you to the changing room!

I'm the one who loves you the most, Sensei~!

'Kay!

John-sensei~!

If both parties consent, then it's okay, right? Fufufufu!

She did say she loved me, fufufufu...

I wonder what outfit she's gonna pop out of that dressing room wearing...

While setting up.

Isn't Chimakaze-chan the cutest! My older sister made this outfit for me~!

It's way too sexy and cute!

Look, I'm Chimakaze-chan~!

You're so cute it makes me feel like I'm in heaven, Shiro-chan! Seriously!!

It's perfect! I'm so happy!

You startled me, I almost thought the real Chimakaze-chan was standing right in front of me!

Sensei praised me!

Isn't she a little too defenceless, though?!

I mean, your skirt's so short, and your midriff is showing. If you don't like it, you can change back, you know?

But the people here are gonna be giving you lewd looks all day, aren't you embarrassed that they might see your boobs and such?

Ehehe! Chimakaze-chan is super cute, after all!

Wow~! Your sister is really good at making clothes~!

She's 100% oblivious of sex.

Chimakaze-chan really loves you too, y'know~?!

I'm Chimakaze-chan and I'm gonna help out my beloved Sensei!!

As a man, it's disappointing,

but I'll watch over Shiro-chan like a responsible adult so she won't end up hating me.

Attributing a sexual meaning to a child's pure adulation was a huge mistake... Huh.

Which means... when she said she loved me, she didn't mean it that way...

Comic Ranget is now open!

I'll make sure Shiro-chan remembers this day fondly.

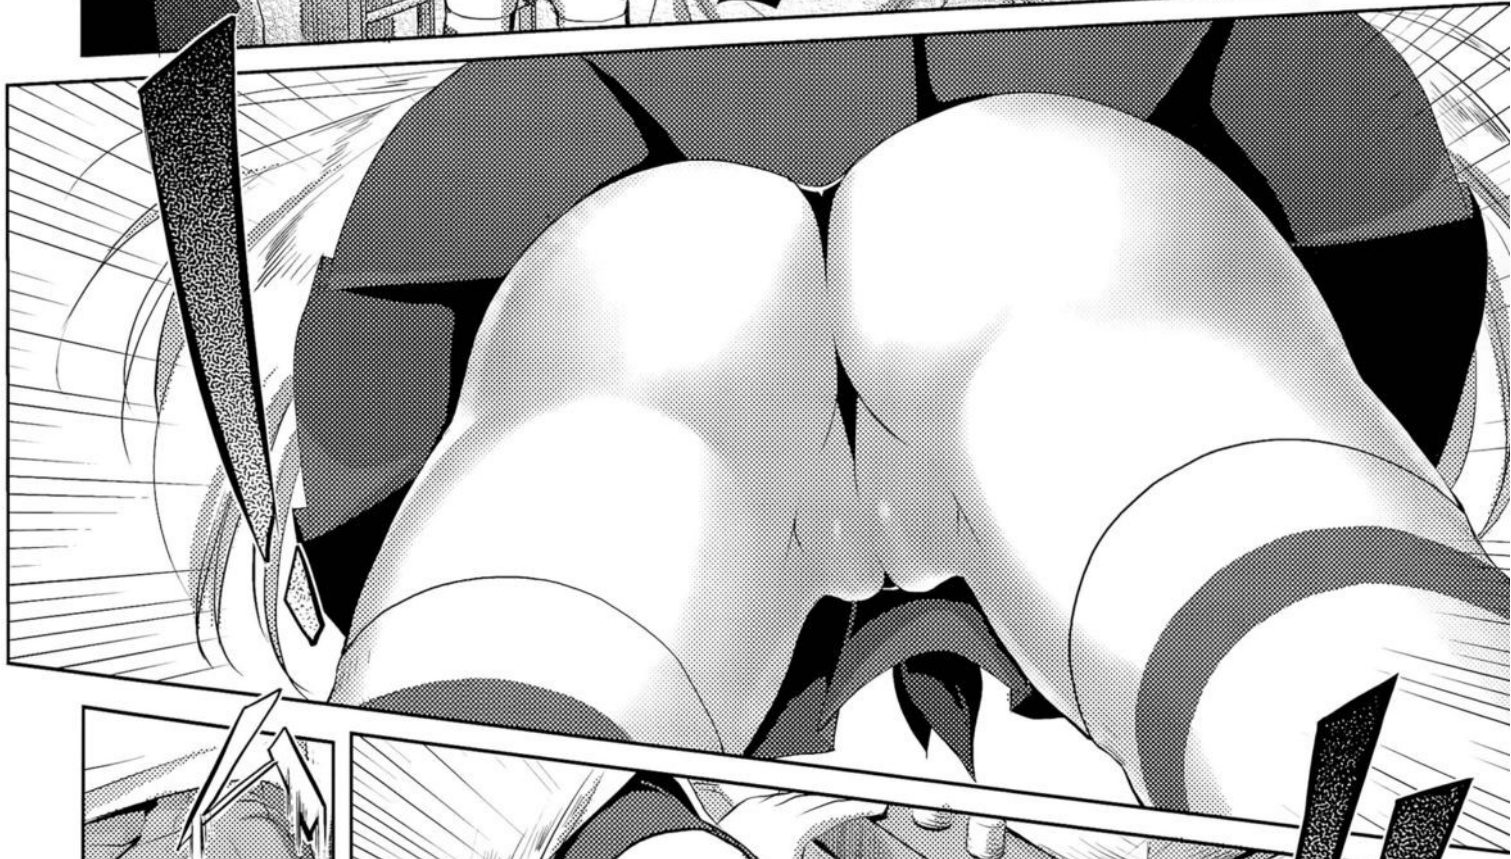

You sure are hyper, huh! Well, Chimakaze-chan, help me out a lot!

I will! I will! I will!!

Sensei! Look! Look! I'm Chimakaze-chan! Chimakaze-chan! Look, Chimakaze-chan!

Chimakaze-chan will do her best for you, Sensei~!

my brain's gonna get anaemia if my blood keeps rushing to my dick!

It's a huge help having a competent salesgirl, but...

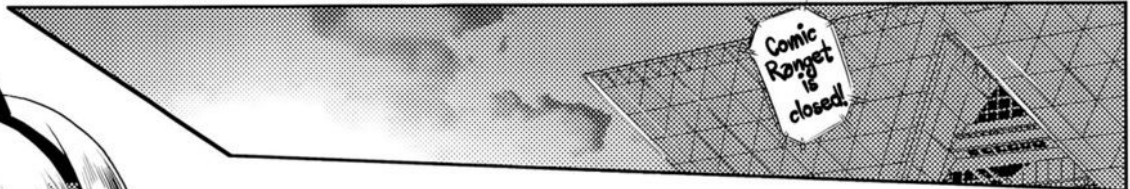

Ehehe! I always help out my sister when she goes to her trade fairs~!

There's a lolli Chimakaze cosplay!

Ah!

You've got a lot of practice as a salesgirl, huh~!

Oh! A re-supply?

ses...?

While closing up.

We sold out without incident... You might be dead tired, Shiro-chan, but we made it...

As thanks, I'll treat you to your favourite food and drive you home.

But before all that, Shiro-chan! Hurry up to the changing room before it clo-!

But she has to get changed... What should I do...?

I remember a married couple I know saying kids run out of battery and fall asleep in a snap.

...She's still asleep.

"I was wiping your sweat."

Like:
"I was just changing you."

...If she wakes up partway through, I'll just come up with an excuse.

I want to lick them.

She doesn't know the first thing about sex, so she'd have no idea what I'm actually doing.

It's so silky and delicious!!

Nmh!♡
Mhnh!

Oh!
Once the flavour gets thinner, your mouth is attacked by the smooth texture of her boobs.

Thanks for the mea~!!!

Her child nipples smell like a mixture of sweat and fabric.

It has the same smooth texture as a freshly pounded rice cake.

What do Chimakaze's panties look like from the front?

...Still no sign of her waking up.

They're super wedged in!!

Don't make such a cute little girl wear something that covers so little!! This is criminal!! Shiro-chan's sister!!

Oh...! ♡

Ooh...! ♡

おっ...♡

The feeling of making Shiro-chan mine was intense...! ♡

Phew~!♡ I came as much as an ero-manga character. ♡

You fell asleep at the convention centre, so I brought you to a nearby room where you could change.

Where are we...?

But you just wouldn't wake up, so I was getting kinda nervous...

Mh~...

That should do it...

You're drenched in sweat, why don't we take a bath together?

I've gotta scrape all the semen out of her!

Alm

Buh... I was so looking forward to... meeting you, Sensei...
When I... fall asleep, it feels so good, I... can't wake... uh...

That's wh...ye... on school excursion days... I only go in the afternoon...

That's how
much I love
you...!
♡

Ehe

I didn't
want to
oversleep,
so I forced
myself to
wake up
early...

You did so
well despite
your lack of
sleep.

Oh, god,
the guilt is
overpow-
ering...

But my
boner still
won't go
down...!!

But it was so breezy and easy to walk in~

Oh! And it's covered in sweat! We have to wipe it, otherwise, you'll get a rash!

Mmh... Then

That's because your panties were digging into it!

My cunny's prickly.

Are you itching anywhere?

...Was it 'cause of the panties.

Huh?

As thanks for today, I'll do whatever you ask. ♡

'Kay.

かほ

Sensei! Clean me up! ♪

Can you push with your stomach?

Oh no!

ま ♡

Such a pretty pink, it's almost the same colour as her skin... ♡

If I gave her cunnilingus, clueless as she is, she wouldn't know what it is, right?

I managed to flush all of it out with the shower head...

Oh~ It's coming out...

Wah!?

Okay! The prickly?

They say Th... licking where it hurts makes it heal faster, y'know...?

I'll lick all that prickly pain away.

Sensei, is it weird that it tickles, but it also doesn't...?

My cunny... was prickly, but this sliminess feels really good...
♡

I'll answer you later, let me lick you a bit more!

Weird...

But that's where I pee from...

Thanks to you, everything went smoothly today!!

So next time we meet, you call the shots, Shiro-chan.

Really really?!

Yeah, whatever you want to do, just name it.

That was deli... I mean, I finished making it better.

Eeh...

Yeah... But~...

It's getting late, you should get changed.

The cunnilingus was consensual, so I don't feel guilty about that...

If I can atone at least a little bit for the horrible act of raping her in her sleep, then...

So cute!♥ Does she want me to give her sweets?

To...!

わあー!!

I want Sensei to..

Then!!

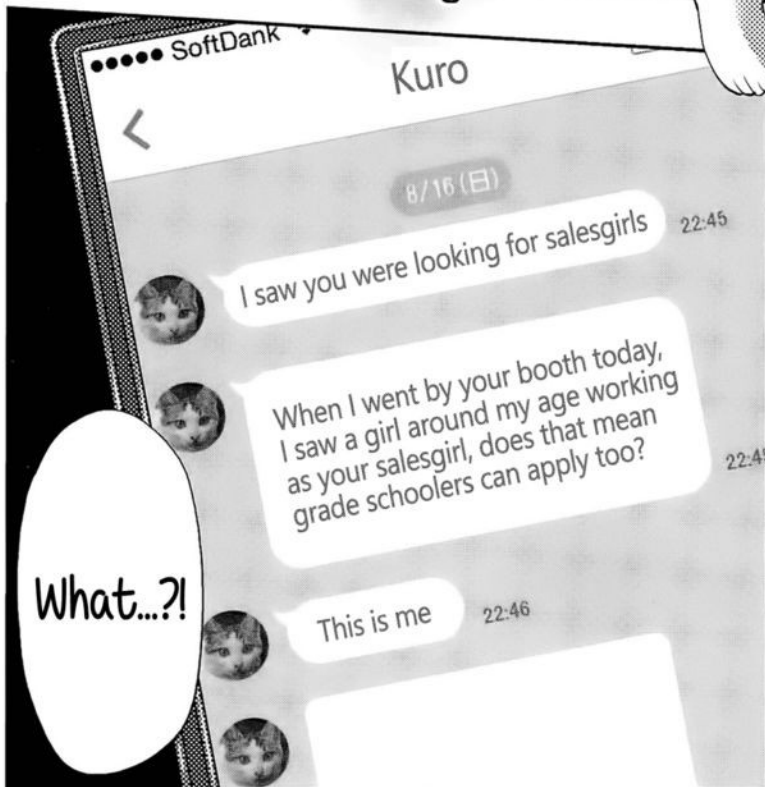

Licky-lick my cunny like before!!

licky-lick my cunny!

I saw you were looking for salesgirls 22:45

When I went by your booth today, I saw a girl around my age working as your salesgirl, does that mean grade schoolers can apply too? 22:46

This is me 22:46

What...?!

Who's texting me this late?

I vow to never get hard again, even if I get assaulted by a loli slut...

I knew full well that the only thing that comes out of fiddling a kid is guilt.

Bye, Sensei!

Good-bye...
