What the... Don't decide it that easily.

So what's the problem if we're a little early?

Mm~? But it's already decided that we're doing it...

I'm pretty sure this is a topic a girl should take a bit more seriously.

You serious?

Is how many children we want.

So, what we need to think about now...

Right?

Hey, now...

UM M~?

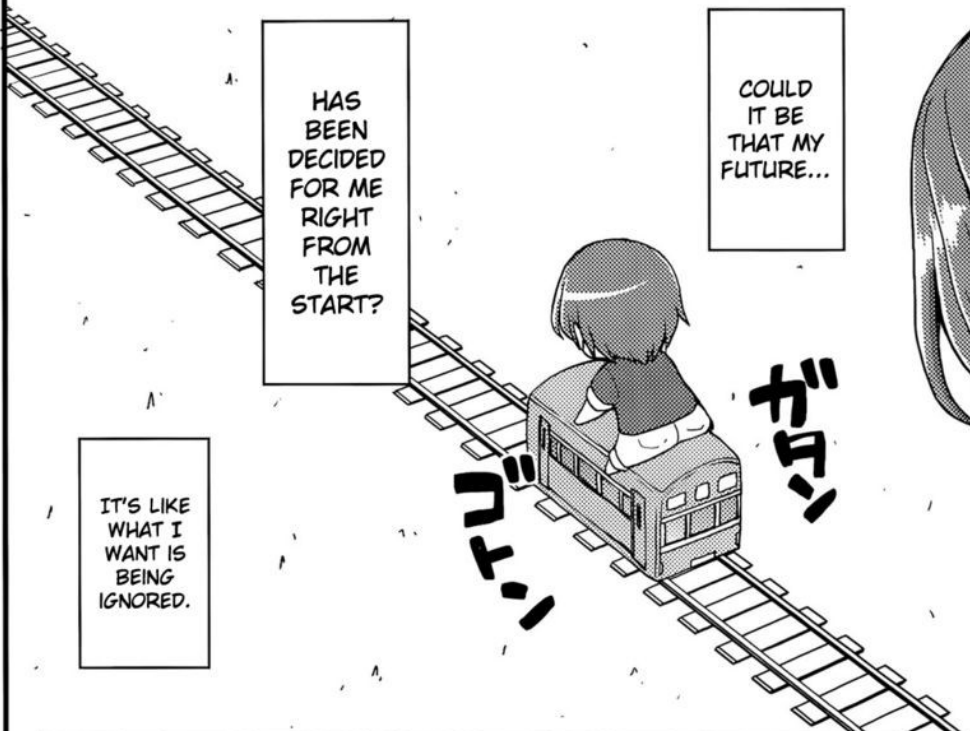

THAT SHE
FELL IN
LOVE
WITH
ME.

AND I'M
REALLY
HAPPY...

WE'RE
CLEARLY
ON THE
SAME
WAVE-
LENGTH,
AND I CAN
RELAX
AROUND
HER.

AS FAR
AS I
REMEMBER,
THE TWO OF
US HAVE
ALWAYS
BEEN
TOGETHER.

HAS
BEEN
DECIDED
FOR ME
RIGHT
FROM
THE
START?

COULD
IT BE
THAT MY
FUTURE...

IT'S LIKE
WHAT I
WANT IS
BEING
IGNORED.

BUT

TIMES

A NORMAL
RELATION-
SHIP LIKE
THAT...!

DOES
MY
FUTURE
REALLY
HAVE
NOTHING
LIKE
IT?!

WHERE
EVEN
HOLDING
HANDS IS
EMBAR-
RASSING?

DO I
REALLY
HAVE
NO
CHANCE?

WILL I
NEVER
EXPERIENCE
A PURE
RELATION-
SHIP WITH
A GIRL...

AND SHE SHOWS NO RELUCTANCE TOWARDS THIS STUFF...

And while we're at it, let's have a baby~
♥

わん

Alright! Let's have sex!

What do you mean, while we're at it...

THIS GIRL...

"Hard"? That was an instant reply!

But I'm not!

I thought about it hard...

きんぽ!!

Natsuki... Are you really not embarrassed at all?

You're a girl, aren't you?

Mm~ Let's see~

IF IT'S COME TO THIS, I MUST PROVOKE HER...

Okay... Let's do this today.

Sounds like a plan~! Let's do it!

AW RII GHT!!

I'll have you take off your clothes and put a collar on you!

Then I'll take you for a walk and violate you outdoors!

I'm fine with it, you know.

Eh? Why wouldn't I?

And don't go along with it, damn it!

AA AR GH!

There's no way I'd actually do that!

...Damn it, you're so...

I trust you~

You can do anything you want to me, Yuki-kun.

EHE~

Are you fine with me being your only choice?

What the hell...

You're not supposed to do this stuff in at a time like this~

What's with you~ You're so mean~

At least try to act a little nervous, you little-!

You tick me off!

IT'S
NOT
LIKE
I DON'T
LIKE
HER.

NATSUKI'S
ANNOYING
LIKE THIS,
BUT...

Ah...

EVEN IF
WE HADN'T
KNOWN
EACH OTHER
SINCE
CHILDHOOD,
I'M SURE
WE WOULD'VE
ENDED UP
LIKE THIS
ANYWAYS.

Awa-
wah...

Ahn...
It's going
in...

WELL,
I KNOW
I WOULD
HAVE
FALLEN
FOR HER,
AT
LEAST.

Don't scrub it like tha...

Woah...
You're so wet and sticky down here, it's like a flood...

Just how wet can you get?

You're... going all the way to my womb...

If you... do that...

How much do you love this stuff?

You got like this in seconds...

But... I mean...

Don't...
blow on

If it...
feels
good...

Then
it's
fine...
isn't
it?

That's...
true,
but...

I'd like
it more...
if you
put it
inside...
I think.

You're looking at a place even I've never seen before...

Uu~

Huh~ So this is what it looks like...

Your deepest parts...

This feels so weird...

I mean, you're yearning for my body right now, Yuki-kun...

But... even though it's a bit embarrassing...

I'm also really happy.

...Man... She's really...

Ugh

きん

THUMP

That's it.

I see... Yes...

ぽんっ

So all's well.

Now that I think about it, that must be it.

In fact, I made my choice in the beginning...

Yes, I chose this!

Hm?

わん

I think...

I don't really get it, but...

ん

WH... WHAT HAPPENED TO THE PATH I CHOSE...

Our baby, I mean~ ♡

You were thinking about a name, right?

And just in time, because we might have gotten one just now~
