

Human Fish Tank

DOCTOR FISH IS
A KIND OF FISH THAT
CAN FEED ON
HUMAN SKIN.
IT LIVES ON
WARM WATER
AT 33..38 DEGREES
(91..100 FAHRENHEIT)
AND BECAUSE ITS
MOUTH IS SHAPED
LIKE A SUCTION CUP,
WHEN PECKING IT WILL
SUCK OFF DEAD SKIN
CELLS.

ALL IT
TAKES IS
SMEARING
A SENSITIVE
SPOT WITH
A LITTLE OF
FISH FOOD,
AND THEN
DOZENS
OF FISHES
WILL COME
TINGLE AND
STIMULATE
THAT PLACE.

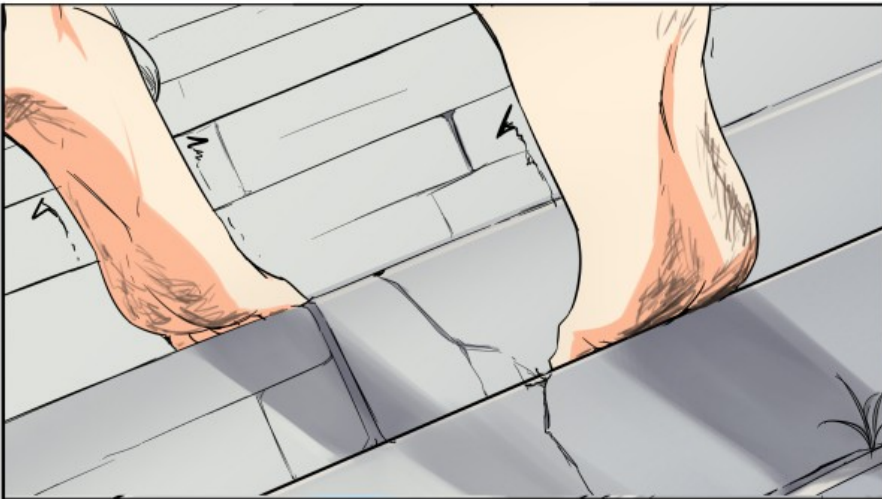

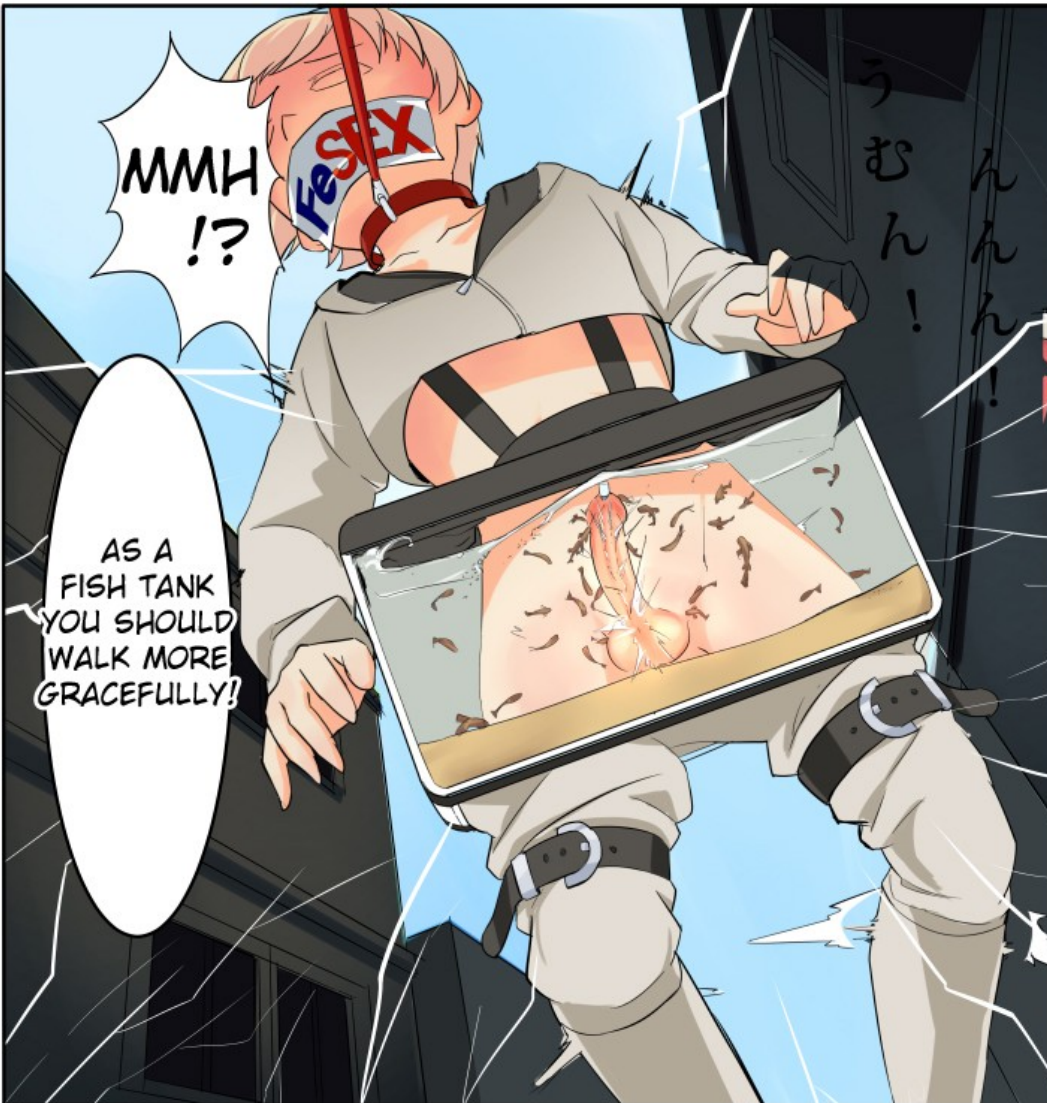

AFTER ONLY 200 STEPS (HEIGHT OF A 12 FLOOR BUILDING) YOU'RE ALREADY TIRED?

COME ON!

EVEN IF YOU MAKE THOSE BEGGING EYES I'M NOT GIVING YOU A REST.

MMH !?

AS A FISH TANK YOU SHOULD WALK MORE GRACEFULLY!

うむん！
んん！
んん！

TOO SLOW!

A LONG, THIN VIBRATOR WAS INSERTED INTO HIS DICK. ON TOP OF STIMULATING HIM, IT ALSO PREVENTS ANY SORT OF EJACULATION.

MMH!

HMPH!

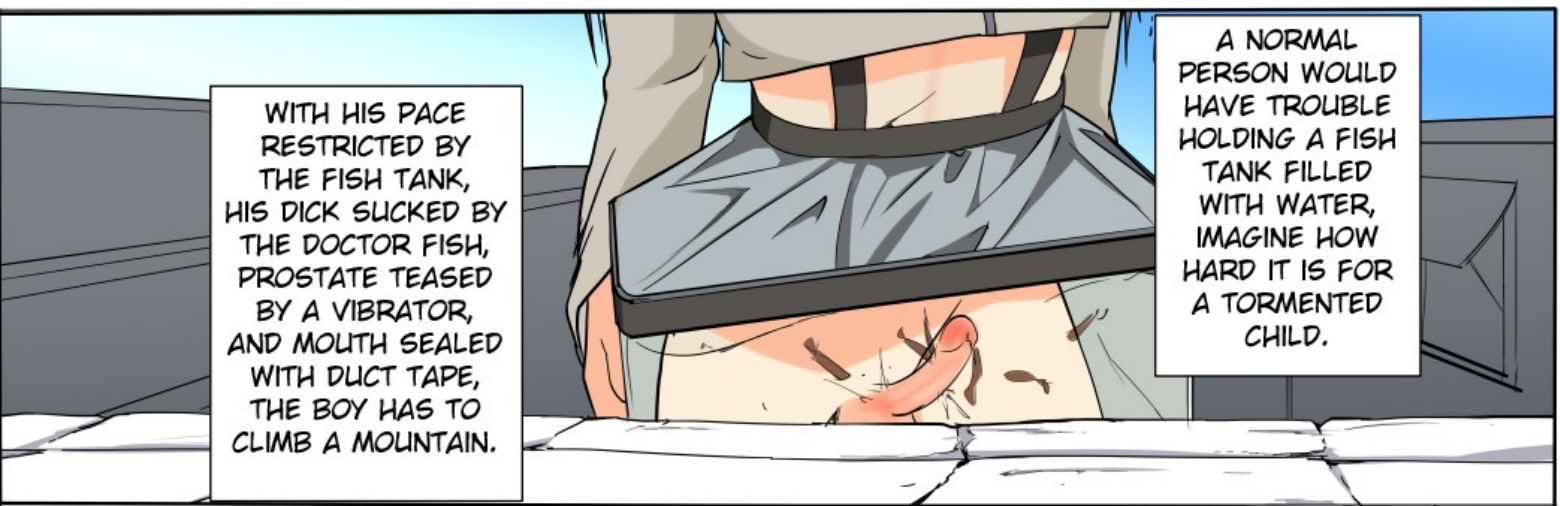

EVEN MORE CRUEL IS THE POWERFUL VIBRATOR STIMULATING THE PROSTATE DIRECTLY FROM INSIDE. IT'S ENOUGH TO MAKE A BOY IN PUBERTY LIKE HIM LOSE HIS MIND.

FeSEX

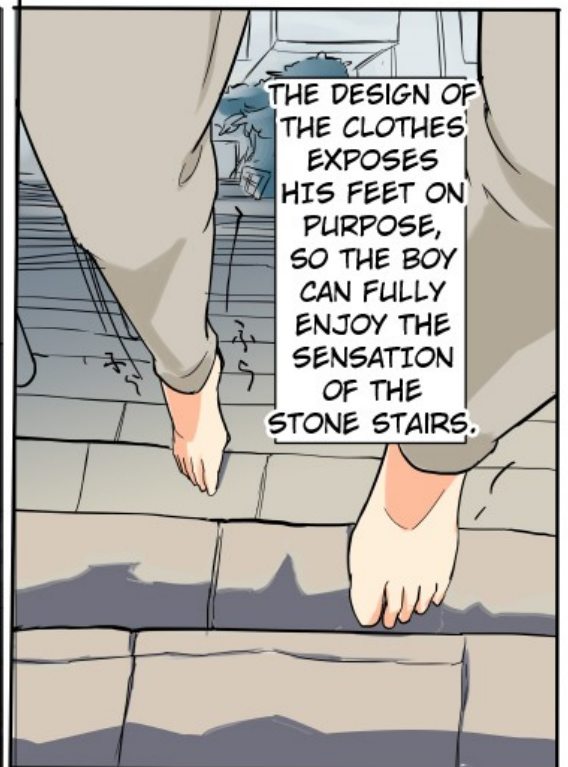

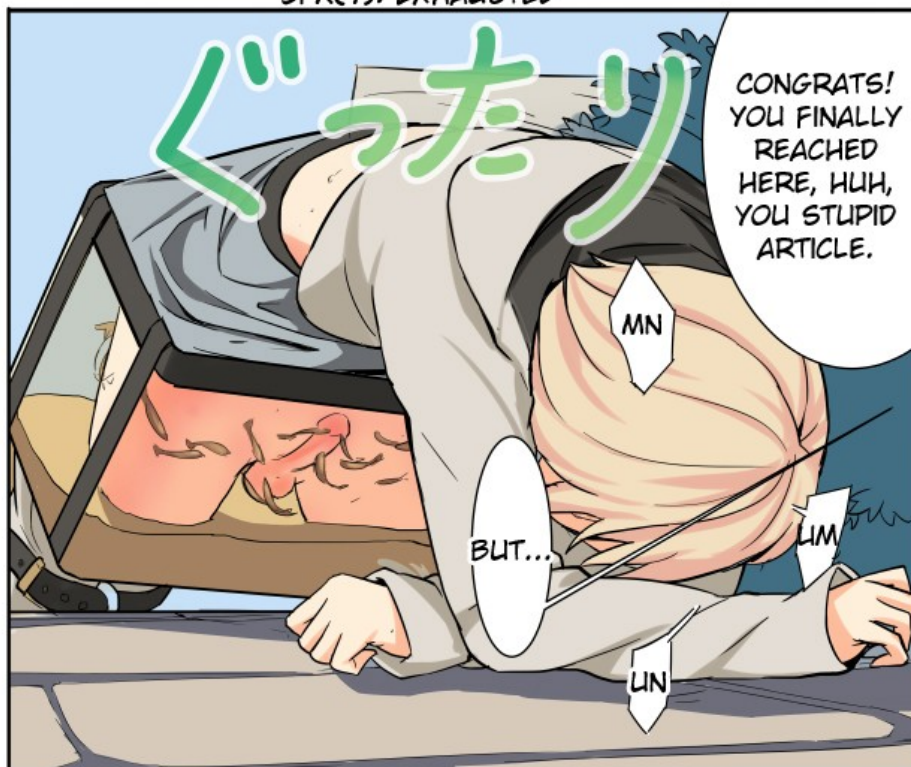

STO-!!

HMM
NNN
NNM!

FeSEX

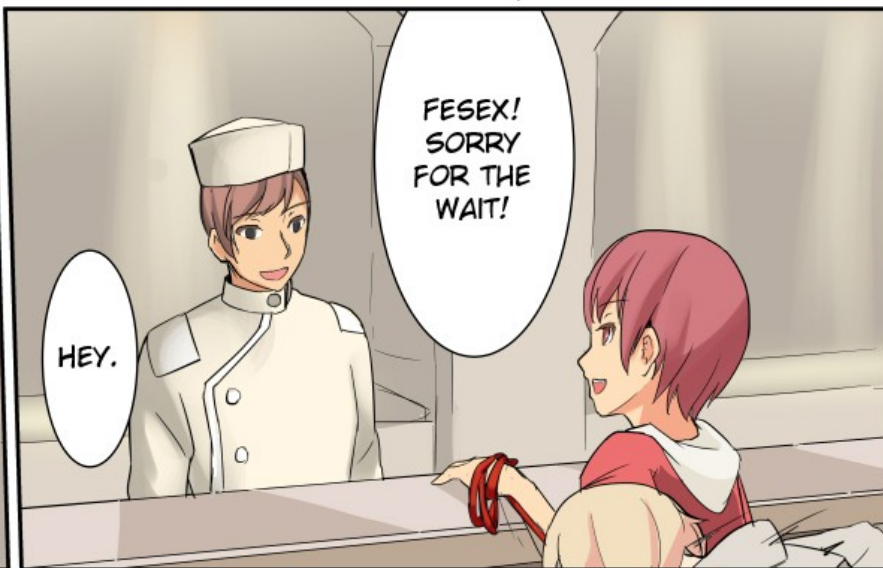

SFX(?): EXHAUSTED

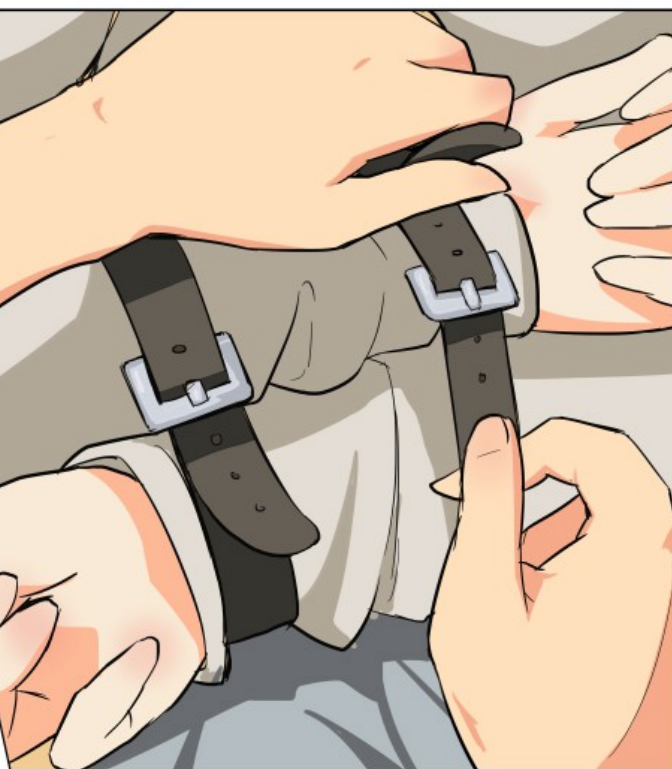

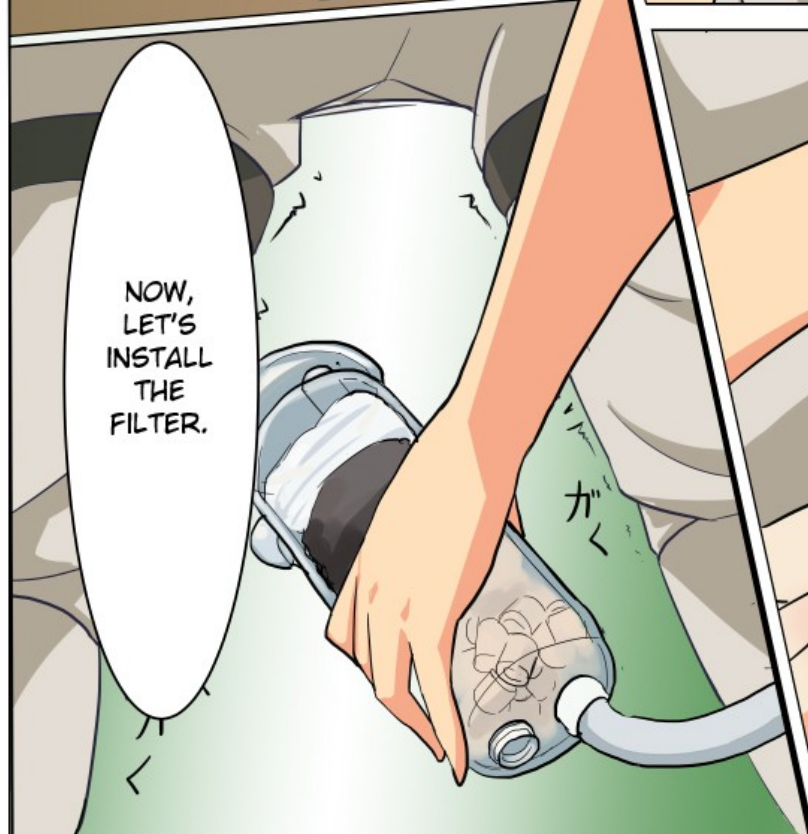

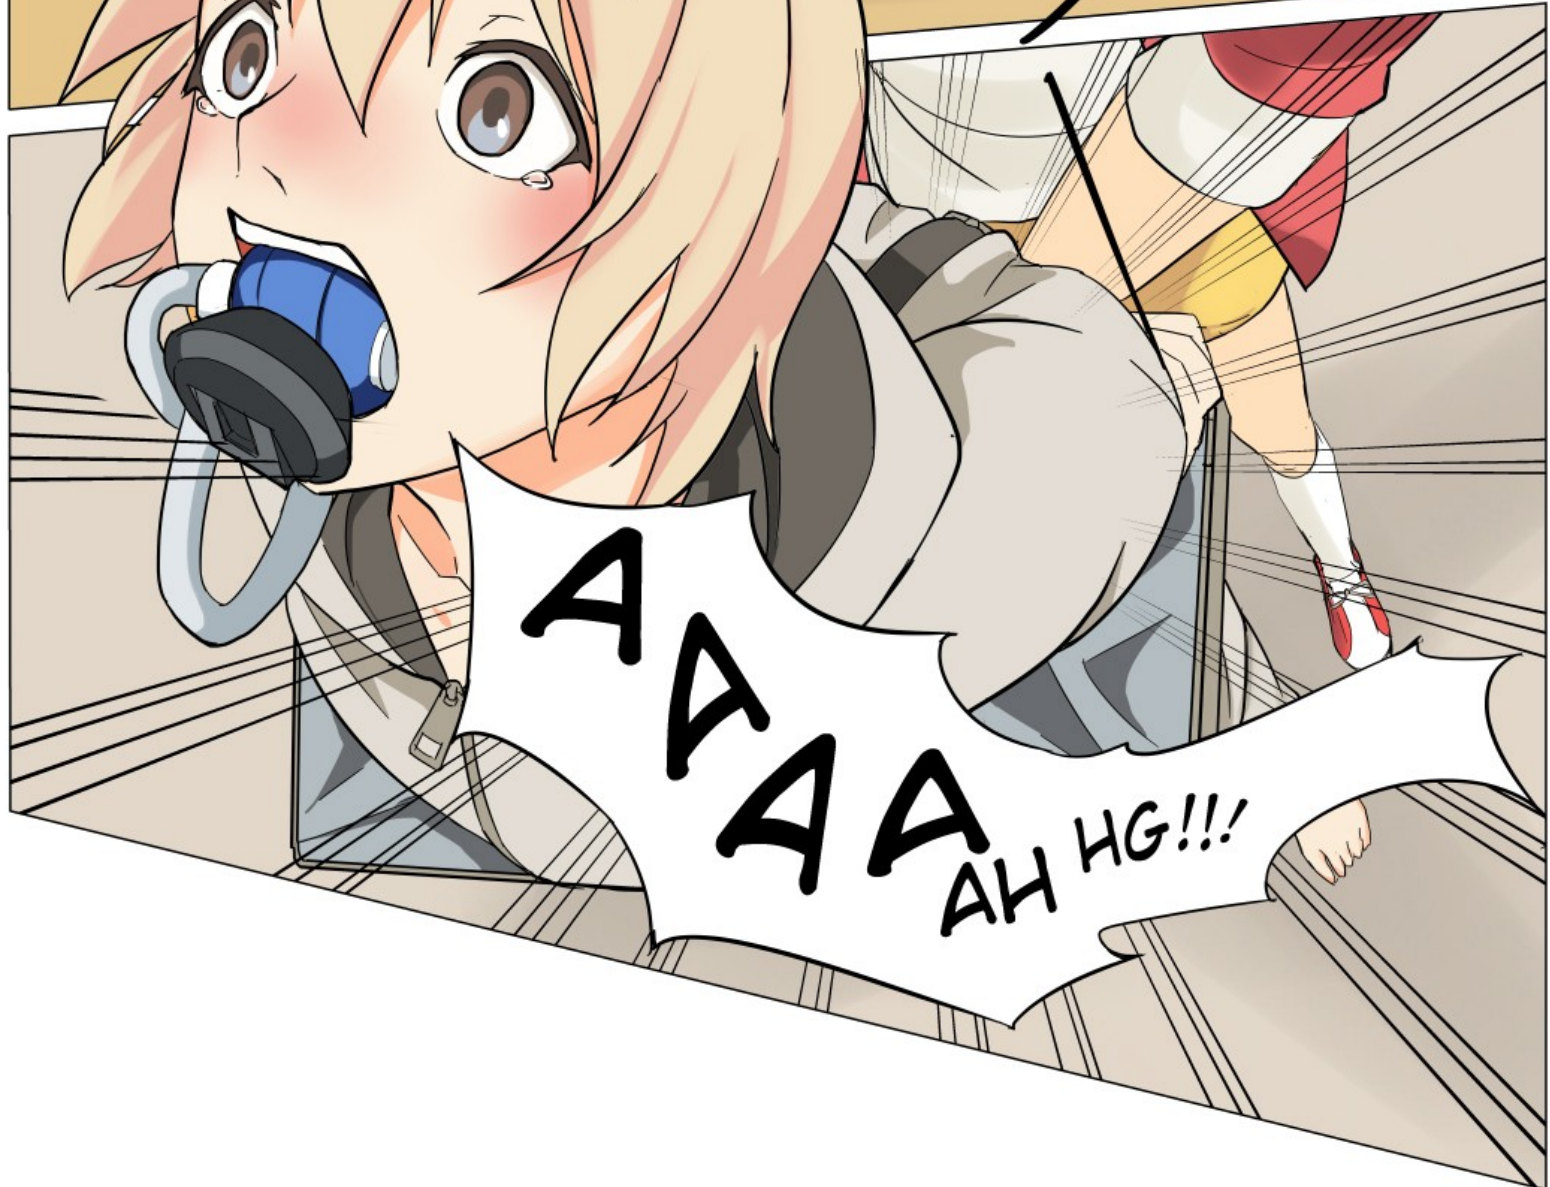

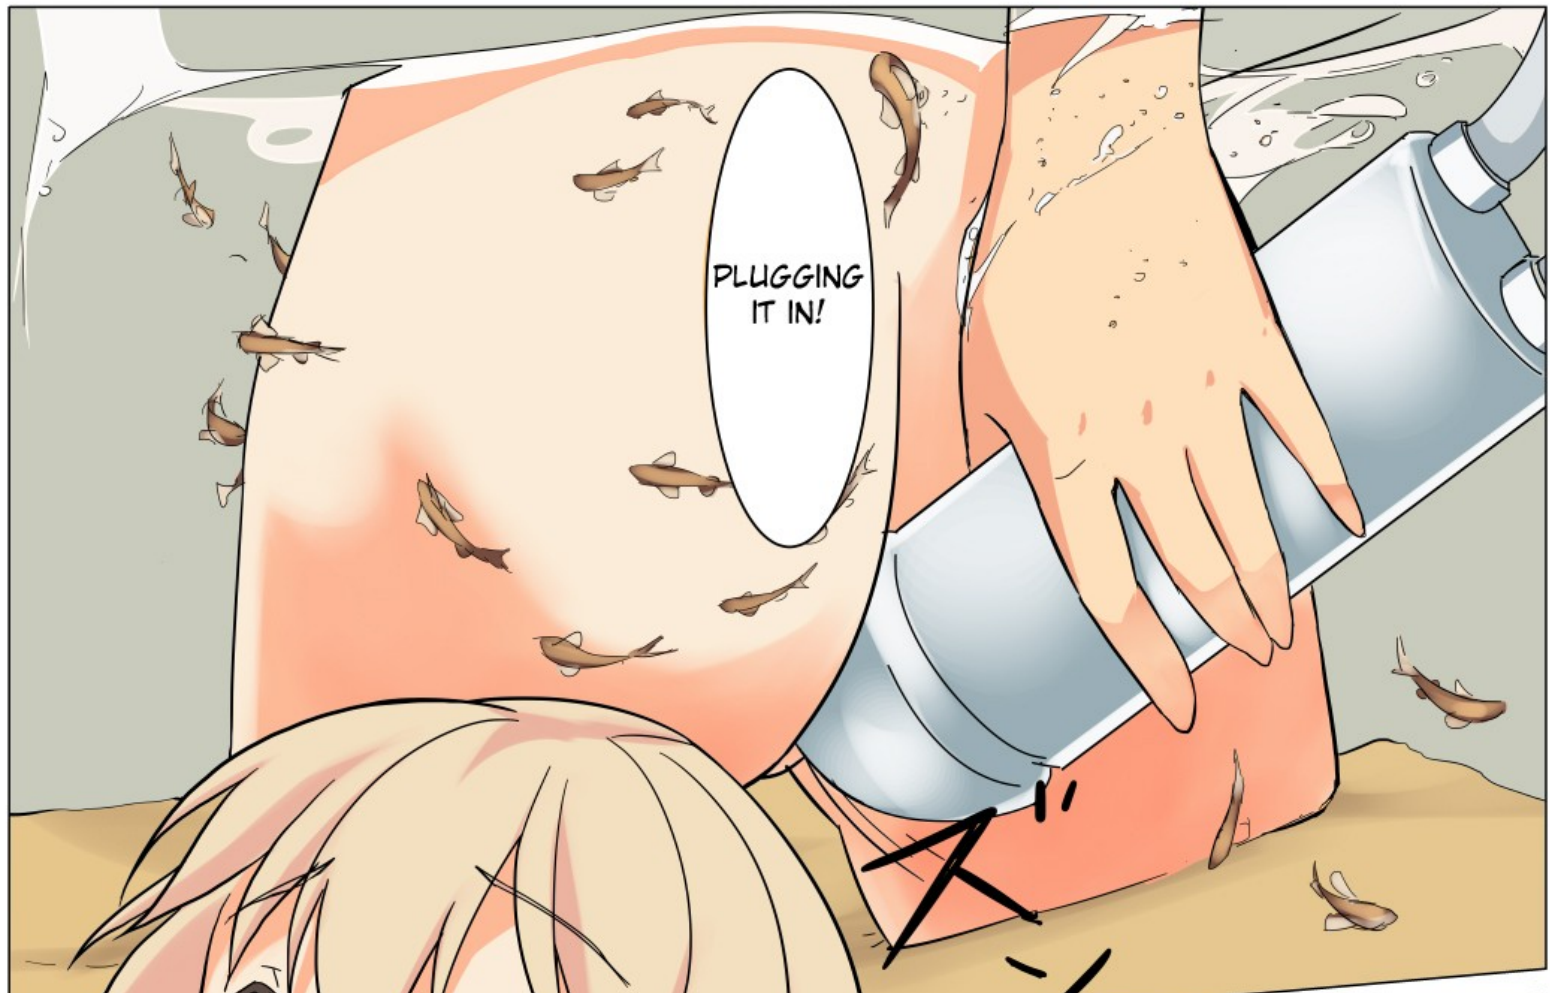

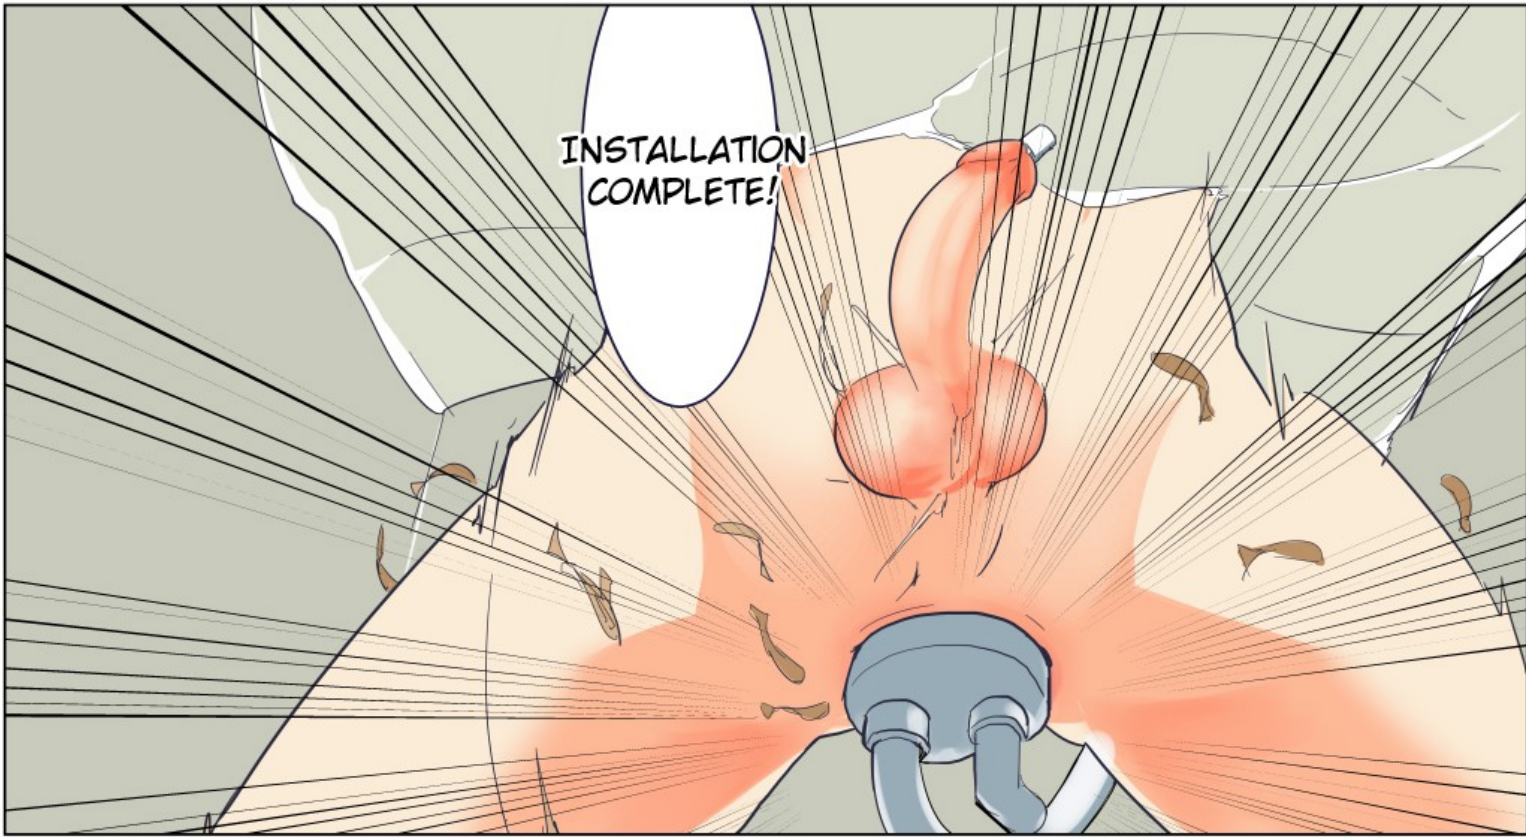

(2 HOURS LATER)

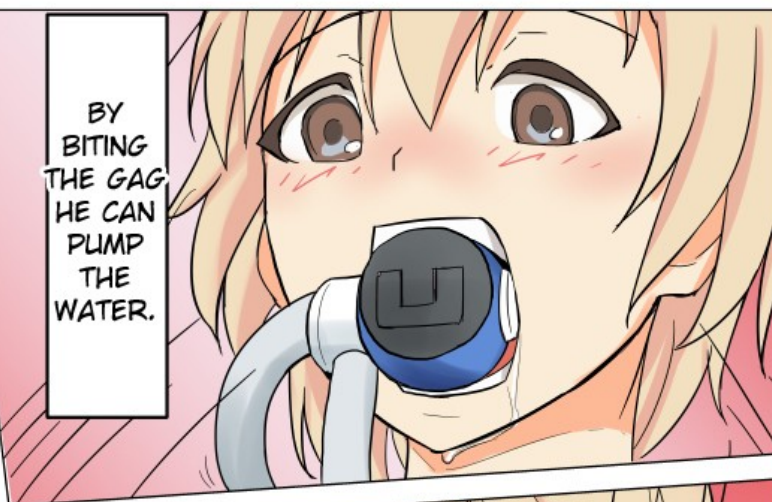

INSTALLATION
COMPLETE!

THE
FILTER
WAS MADE
TO LOOK
LIKE AN
EXTREMELY
THICK
PENIS.

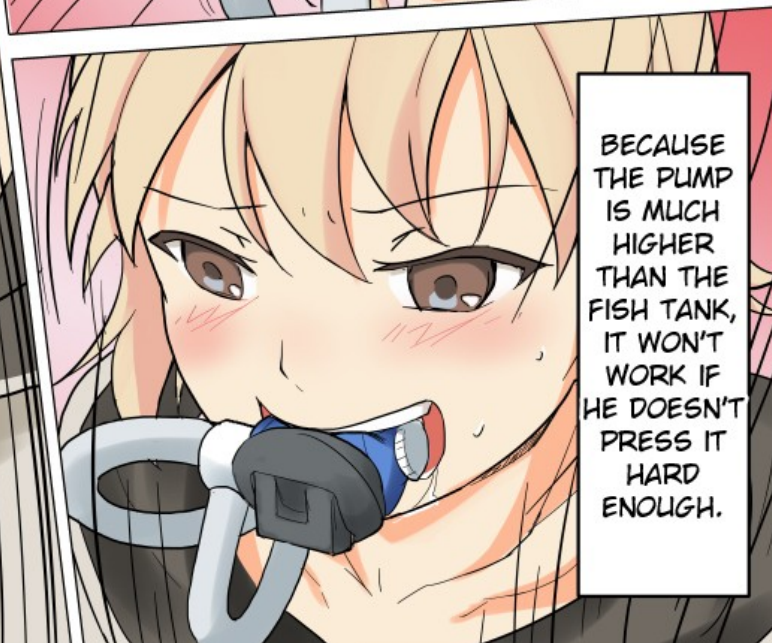

WITH THIS,
HIS BODY HAS
REALLY BECOME
A FISH TANK
DEVICE.
HIS RIGHT TO
DEFECATE HAD TO
BE SACRIFICED
TO KEEP THE FILTER
INSERTED, BUT
FISH TANKS DON'T
NEED TO GO TO
THE TOILET
ANYWAY.

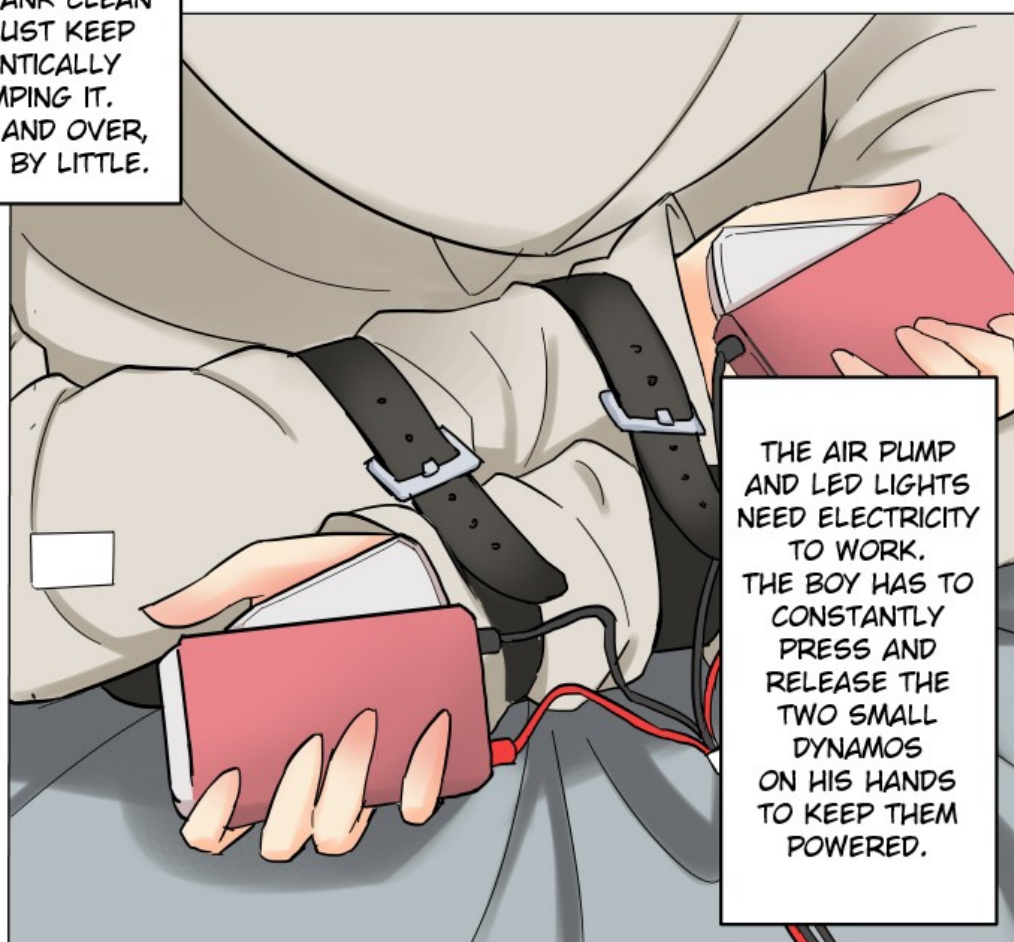

EVEN IF HE OPENS HIS MOUTH AS MUCH AS POSSIBLE, THE QUANTITY OF WATER HE PUMPS EACH TIME IS LIMITED. EACH TIME THE AMOUNT IS SMALL, BUT IN ORDER TO MAINTAIN THE FISH TANK CLEAN HE MUST KEEP FRANTICALLY PUMPING IT. OVER AND OVER, LITTLE BY LITTLE.

BY BITING THE GAG HE CAN PUMP THE WATER.

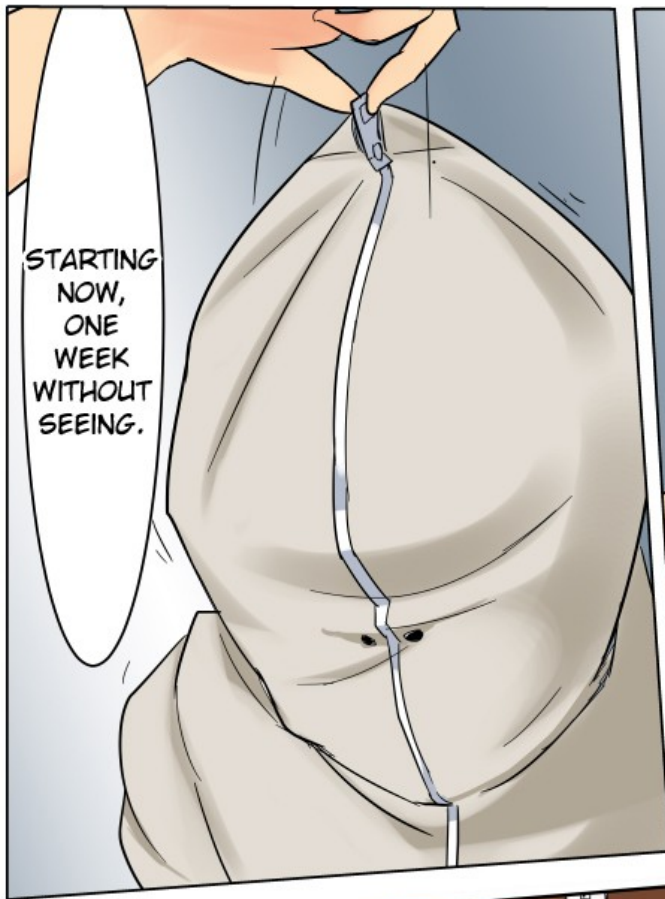

BECAUSE THE PUMP IS MUCH HIGHER THAN THE FISH TANK, IT WON'T WORK IF HE DOESN'T PRESS IT HARD ENOUGH.

THE AIR PUMP AND LED LIGHTS NEED ELECTRICITY TO WORK. THE BOY HAS TO CONSTANTLY PRESS AND RELEASE THE TWO SMALL DYNAMOS ON HIS HANDS TO KEEP THEM POWERED.

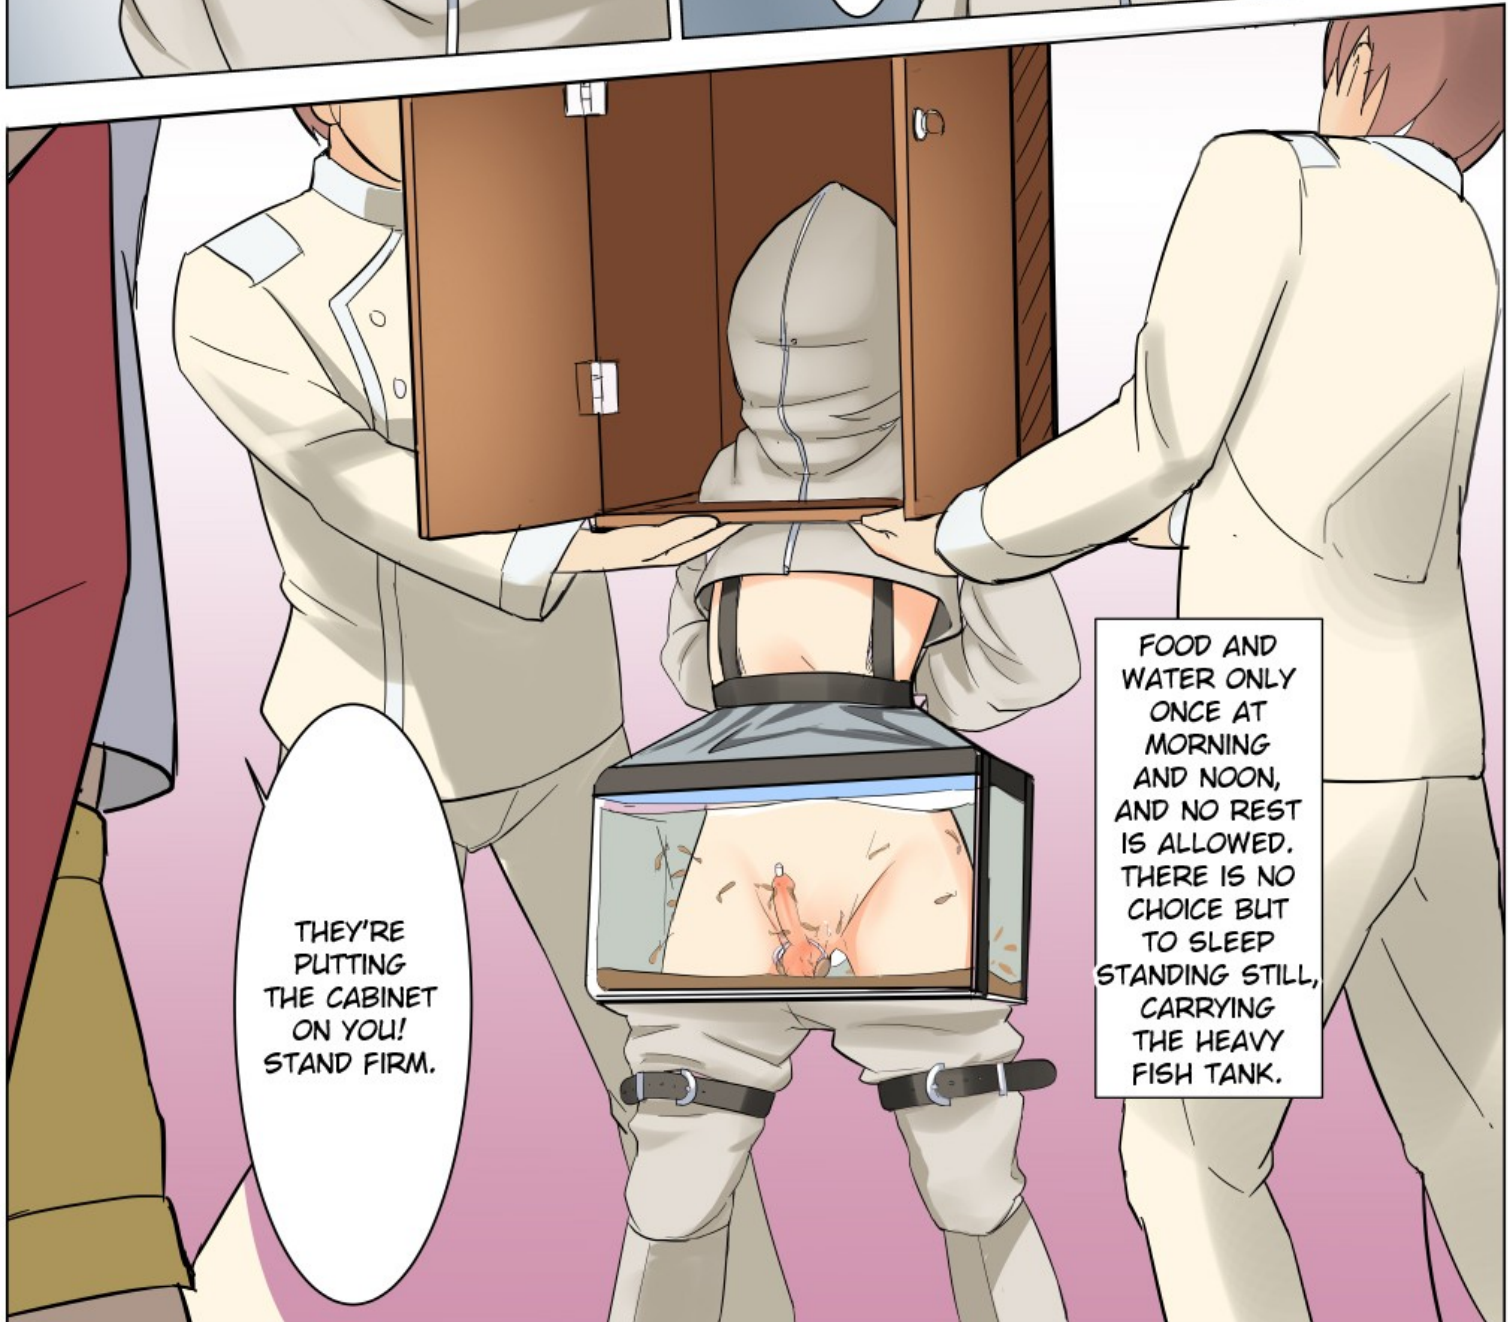

TL: THE -AIR- PUMP ARE THE LITTLE TUBES IN THE LAST PANEL, THE ONE IN HIS MOUTH IS A -WATER- PUMP.

STARTING
NOW,
ONE
WEEK
WITHOUT
SEEING.

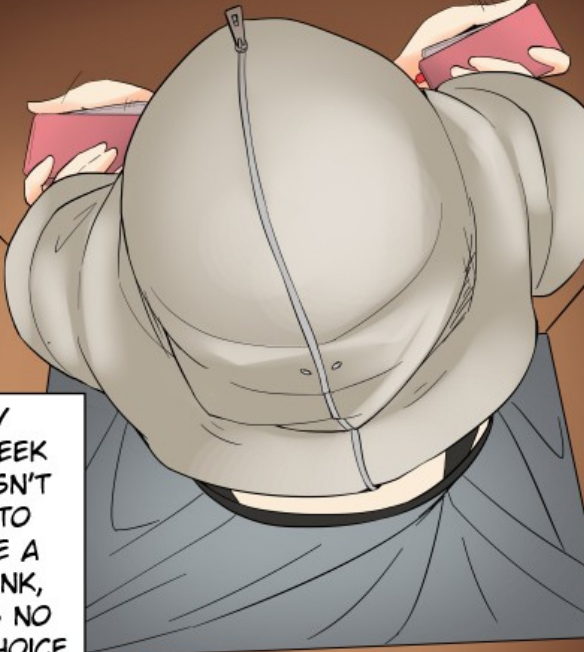

WELL
THEN,
GOOD
LUCK
THIS
WEEK!

THEY'RE
PUTTING
THE CABINET
ON YOU!
STAND FIRM.

FOOD AND
WATER ONLY
ONCE AT
MORNING
AND NOON,
AND NO REST
IS ALLOWED.
THERE IS NO
CHOICE BUT
TO SLEEP
STANDING STILL,
CARRYING
THE HEAVY
FISH TANK.

THE DOCTOR FISH LIVE IN WATER WARMER THAN 35 CELSIUS, SO THE BOY HAS TO WARM THE FISH TANK FOR THEM, USING HIS BODY AS A HEATER.

TO DO THAT, HE WAS PLACED INSIDE THIS SULTRY CABINET, CONSTANTLY BITING ON THE PUMP GAG AND WORKING THE DYNAMOS TO BREAK A SWEAT. EVEN IF HE BECOMES EXHAUSTED, HE CAN'T ABANDON HIS JOB THE MIDDLE OF THE WAY.

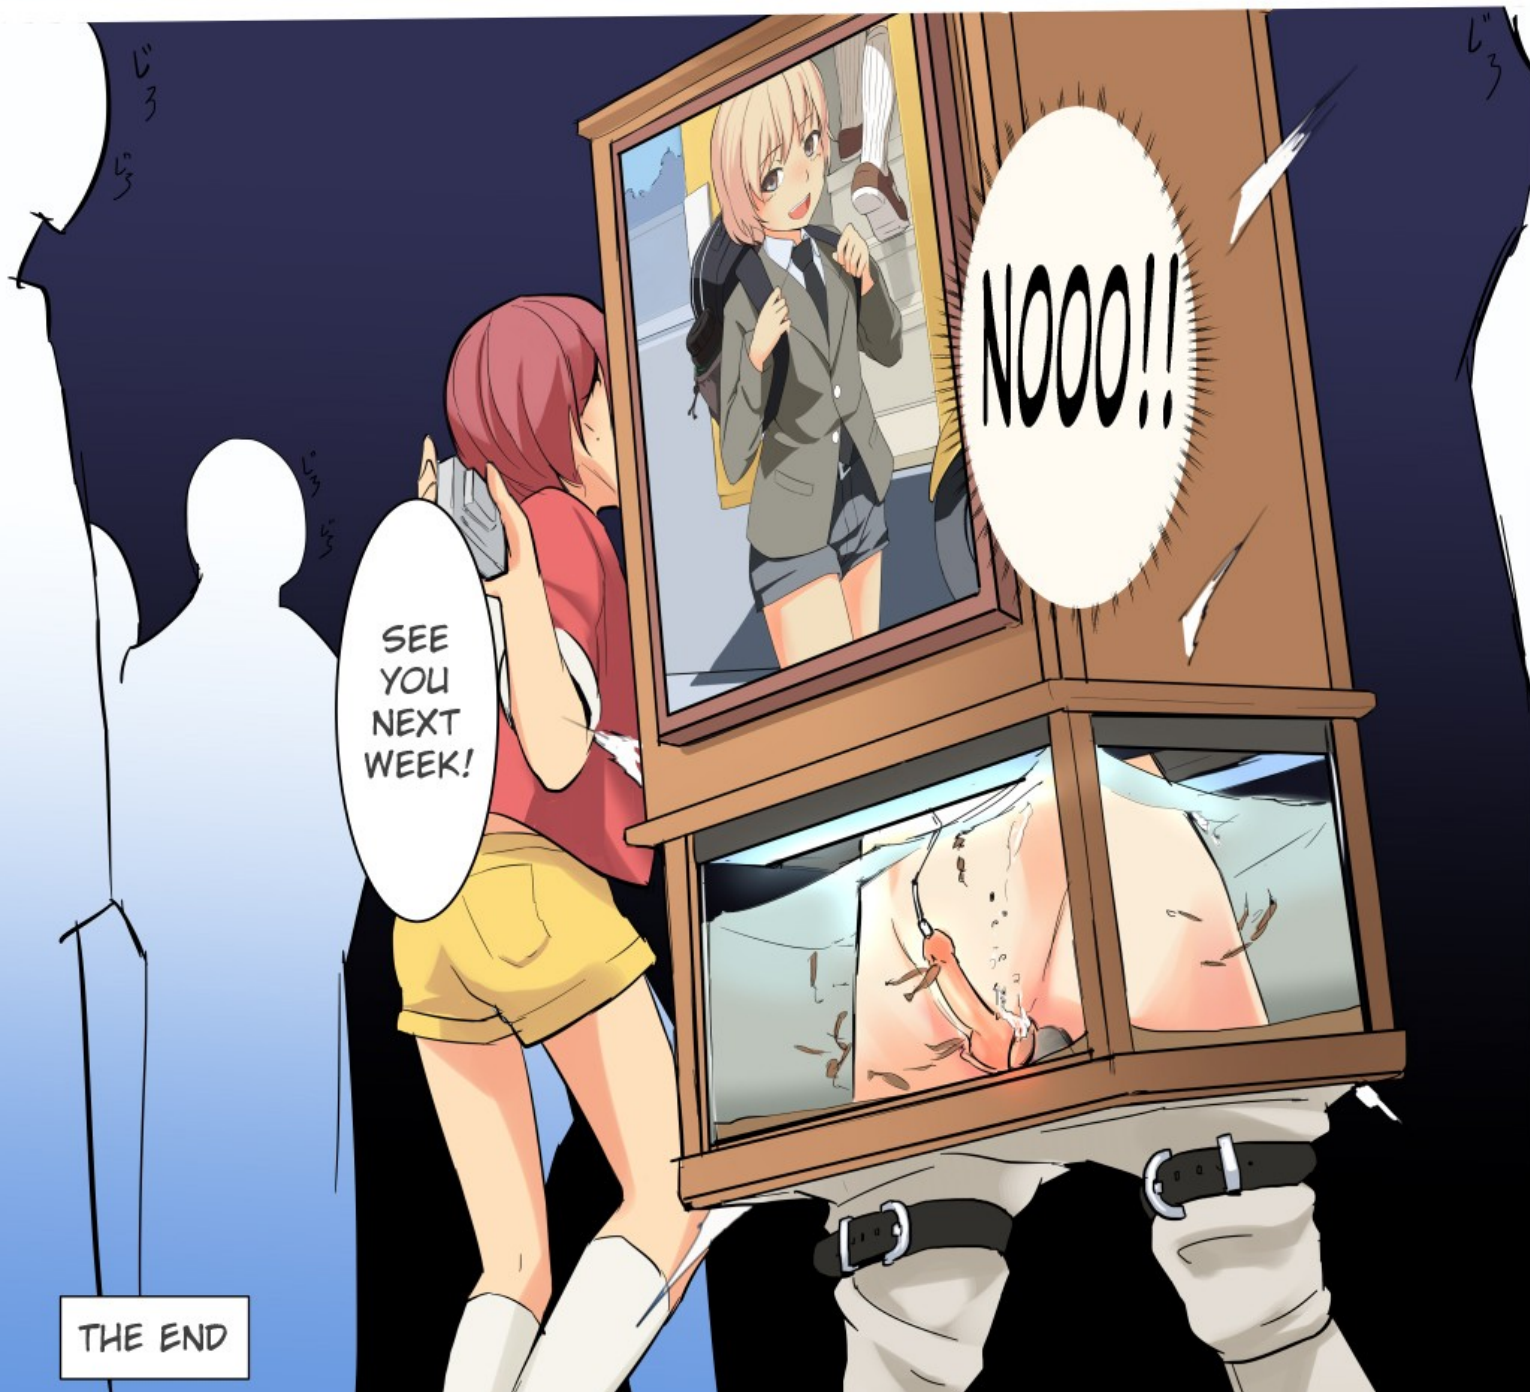

IF BY NEXT WEEK HE DOESN'T WANT TO BECOME A FISH TANK, THERE'S NO OTHER CHOICE BUT TO GAIN POPULARITY WITH THE GUESTS. JUST ABOUT 500 GUESTS WILL DO.

HE CAN'T EVEN SEE HIMSELF, BUT THE GUESTS NEARBY WON'T STOP LEERING AT HIM.

LET ME
TELL YOU
A SECRET,
YOU KNOW THAT
SCHOOL PHOTO
YOU DIDN'T WANT
ANYONE TO SEE?
IT'S HANGING
ON THE CABINET
RIGHT NOW!

SEE
YOU
NEXT
WEEK!

NOOO!!

THE END
