

White Cherry-blossom Academy.

A historied institution surrounded amply by the beauty of nature.

Good morning.

What's up!

And being no exception, I'm cordial with my fellow classmates.

I would say my day to day life is quite enjoyable.

It being a boarding school, the students spend their lives together until graduation.

Although, recently, there's been something bothering me.

Something Fun

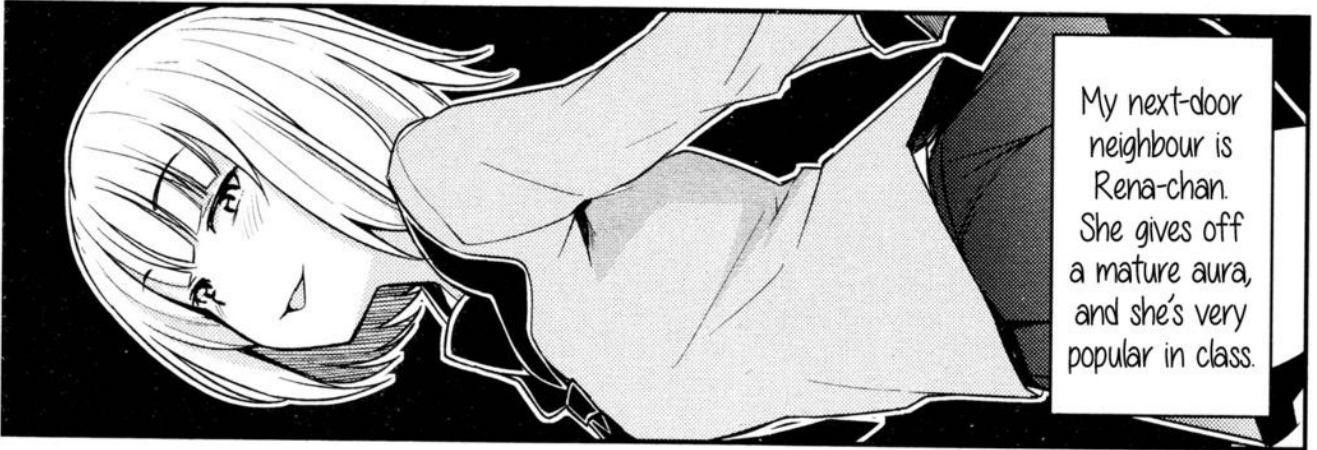

I heard those same noises yesterday. I wonder what's making them...

At night, after everyone's gone to sleep, I can hear strange sounds coming from the room next to mine...

It has to do with the dormitory we all share.

My next-door neighbour is Rena-chan. She gives off a mature aura, and she's very popular in class.

I heard noises, so I...

Rena-chan, is everything all right?

Wha...
What's
going on
here...?

Were we
too loud?

So
sorry,
Marina-
chan~!
♡

Rena-chan
and year
three's
Japanese
teacher...?

Huh...?
Huh...?

How
about it?
Wanna join
us, Marina-
chan?

All the
students
are doing
it~

Oh, you
didn't
know?

Oh!
Were you
caught off
guard?

Se...
Sex?!

Yeah, we
became sex
friends the
other day, and
we've been
having sex
at night.

I'm sure we'll be fine.

Now come inside so we can keep going.

Oops, she ran away.
Now what are we gonna do if she blabs about this to someone else?

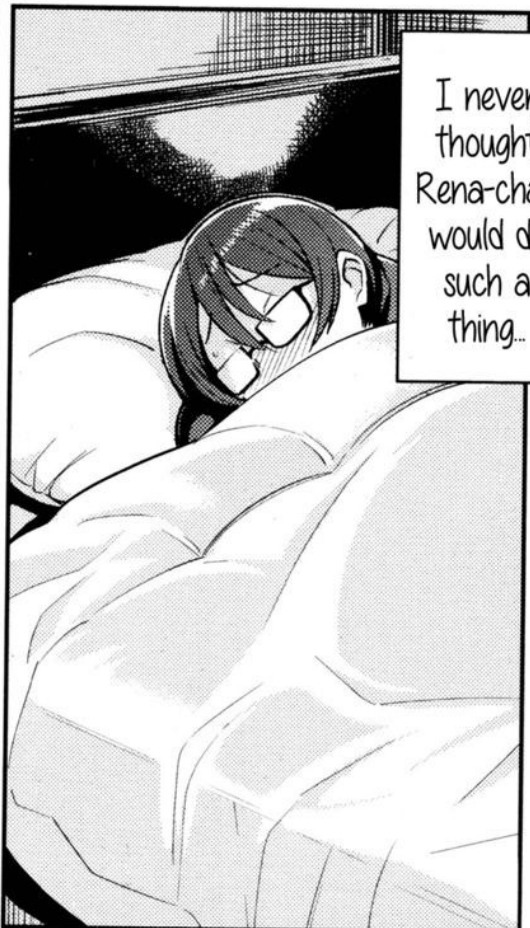

I... I couldn't possibly!

With a teacher, no less...

Having sex...

I never thought Rena-chan would do such a thing...

cut! cut!

They must have started having sex again.

It's those sounds again...

but my fingers have a will of their own...

I know this is wrong...

I'm cumming...!

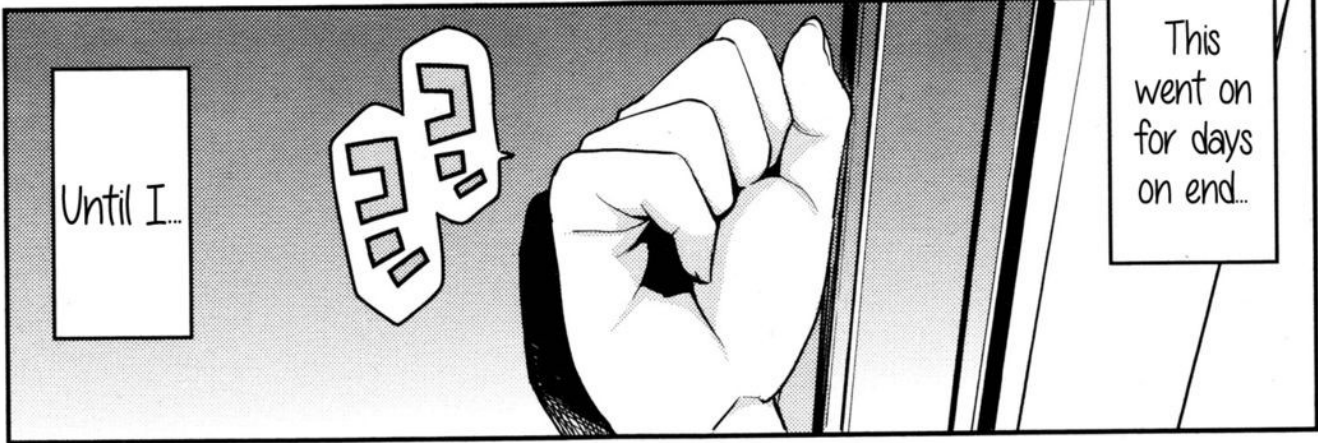

Ah!
♡

I would eavesdrop them with a finger digging into my lower half, indulged in masturbation.

On the following days, while the sounds of her creaking bed and their faint moans could be heard through the wall..

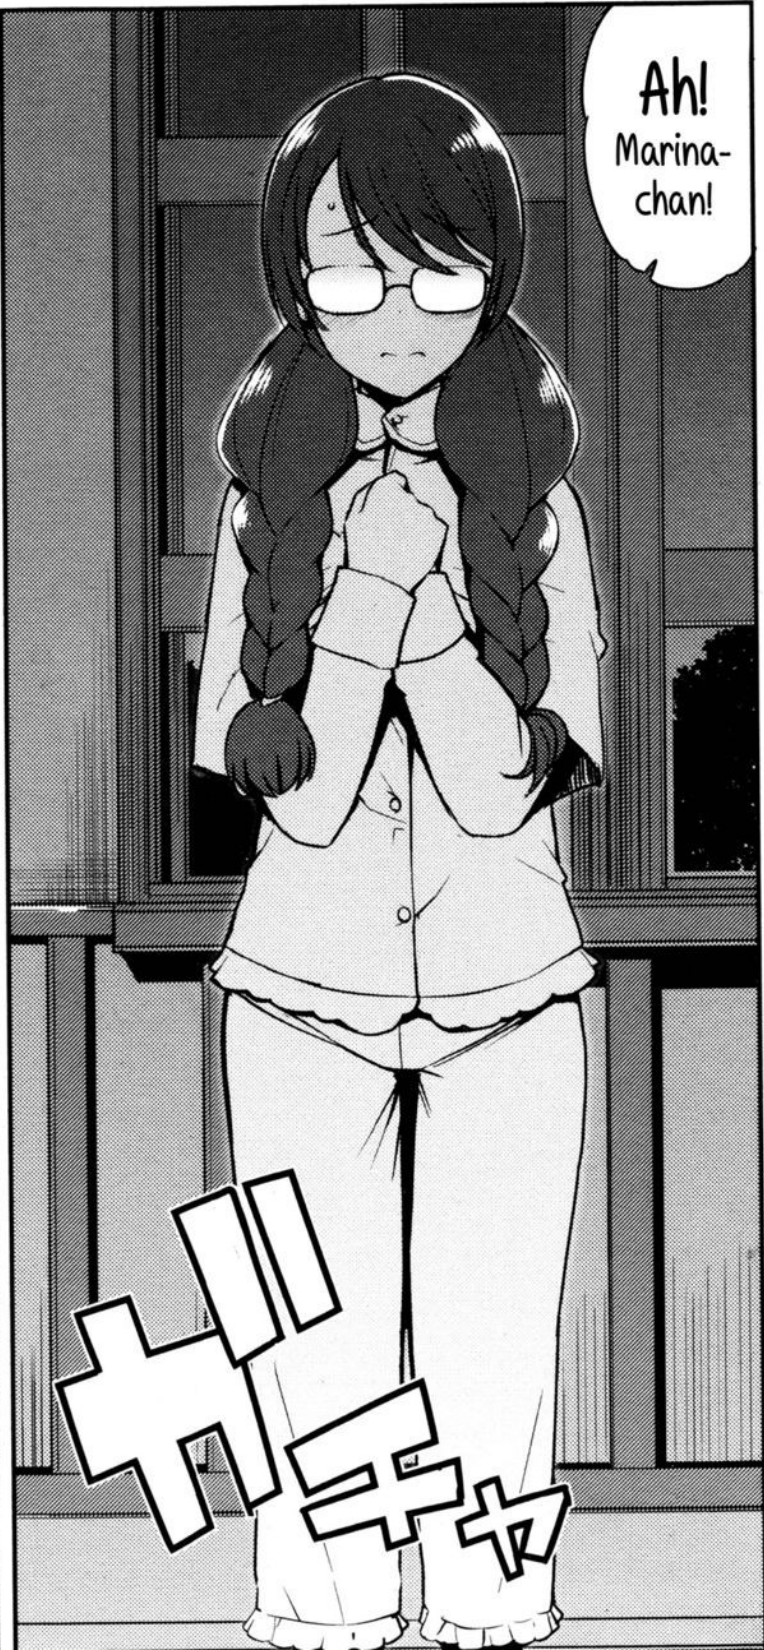

Until I...

This went on for days on end..

Sorry~ Were we making too much noise?

Or maybe...

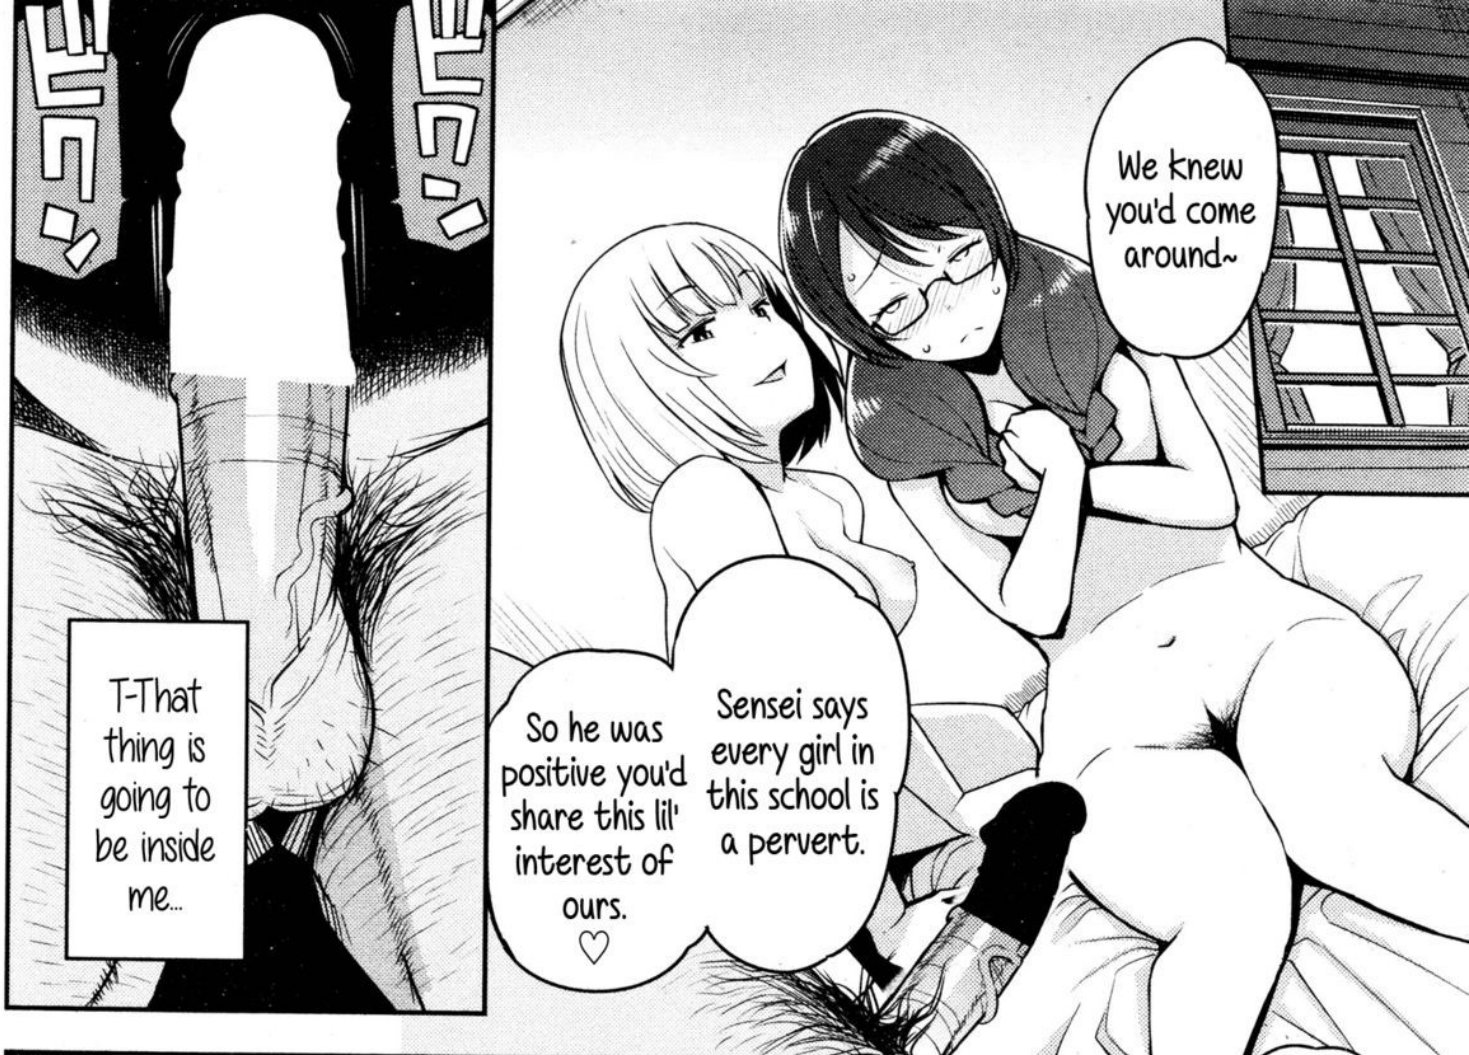

Ah! Marina-chan!

You came because you wanted to join us

and be fucked out of your mind?

We knew you'd come around~

T-That thing is going to be inside me...

So he was positive you'd share this lil' interest of ours.
♡

Sensei says every girl in this school is a pervert.

So cute! It's all pink~!
