

That you've been pouting a lot lately.

Koharu.

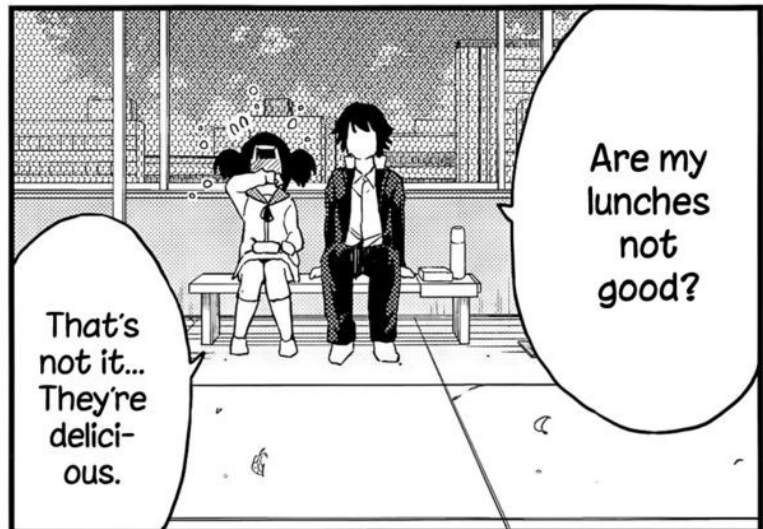

Also, you've got rice stuck on your cheek.

I've noticed...

Then, what is it..?

That's not it... They're delicious.

Are my lunches not good?

You've made tasty lunches for me every day...

Noboru...

In other words, you haven't changed at all!
 Weren't you just as soft back when we were kids?
 No, but...

It is! This is a serious crime!
 And you're saying that's my fault?

Why did I start going out with that idiot...

Haa...

ミヨオ
オオオ

And he's always been tactless like that.

Well, we've known each other forever...

ニ!

Noboru's such a jerk!

And the fact that my chest hasn't changed at all pisses me off even more!

Ahh, right~

My collar-bones are hidden by my fat...

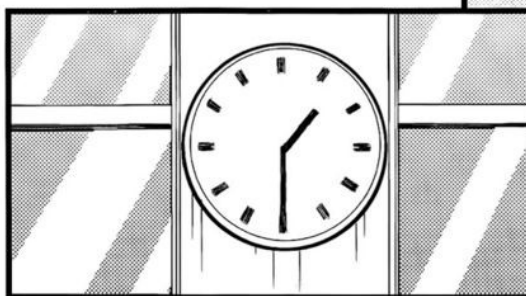

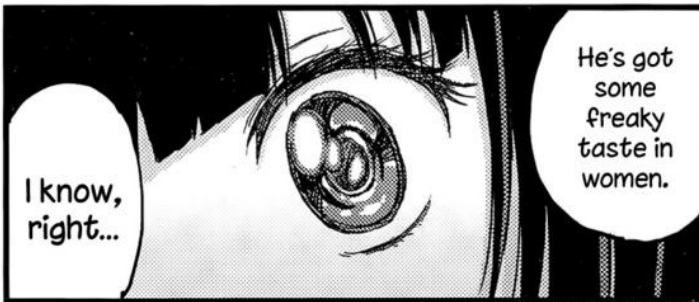

I've... gotten this plump already...

The gap between my thighs is disappearing...

My tummy is this round...

If this keeps up, I'll be taking a lifelong trip to Fat City..!

You're really acting weird, you know?

Did something happen, Koharu?

No, but...

Geez!
So, did you have some business here..?

.....

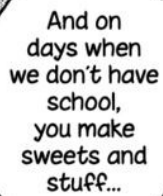

Koharu...
You're too easily manipulated...

What are you talking about now..?

Uh...

And on days when we don't have school, you make sweets and stuff...

Noboru, you're always making lunches for me...

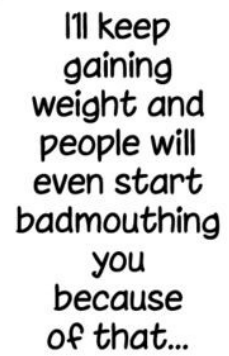

They're all great, and I love them, but...

I can't be your girlfriend anymore, Noboru.

I don't want that to happen...

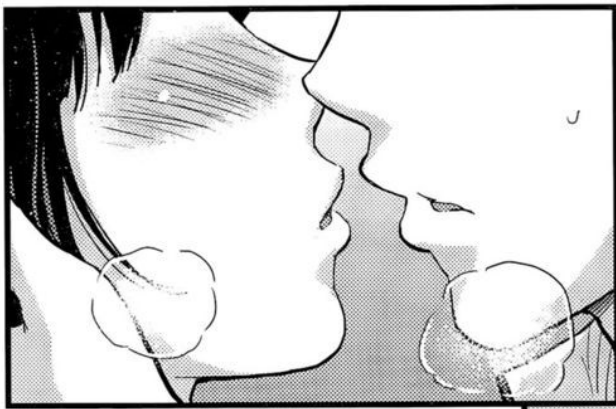

I'll keep gaining weight and people will even start badmouthing you because of that...

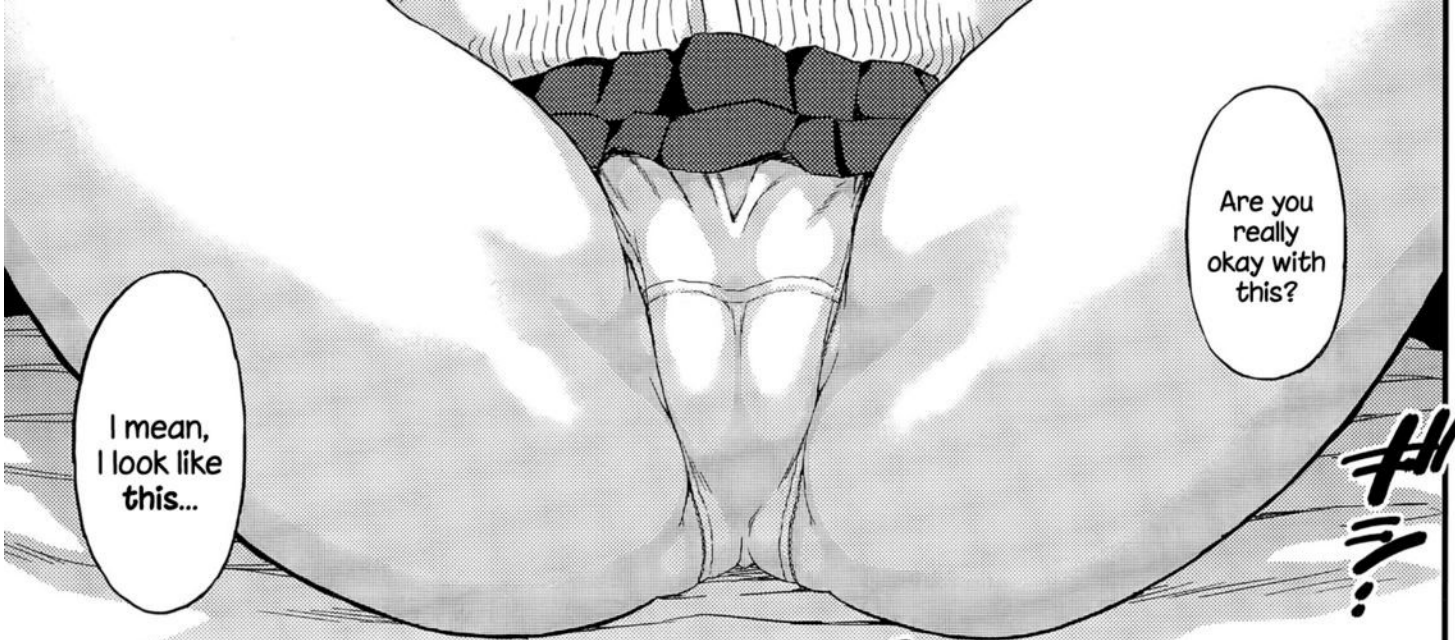

You know you shouldn't worry about stuff like that.

Did someone say something to you..?

I mean, I look like this...

Are you really okay with this?

If you like it, then I guess being chubby is fine...

I'd do that even if you didn't ask me.

Just look! In these modest clothes, your soft butt's boldness shines through!

Don't you get it~?

I don't get it!

Stop that~!

Your butt looks the best like this, Koharu~

Eeh...

Your buttocks sure are squishy...

AHN

Only you have something this wonderful, Koharu!

AH

Are clearly there.

The marks left by your panties...

Ahn~

This refined plumpness...

I think I'm already chubby enough...

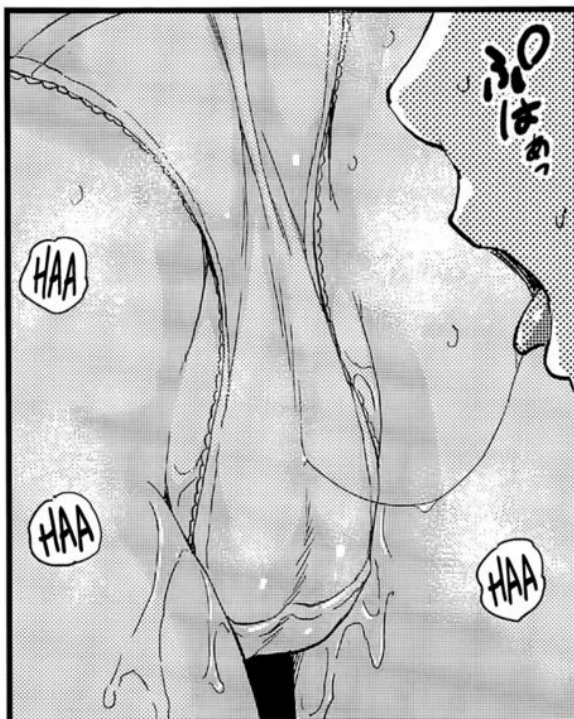

What's that supposed to mean-

Gyuu

But this feeling of being "halfway there" is surprisingly nice-

You've only begun to get plump...

Gyuu

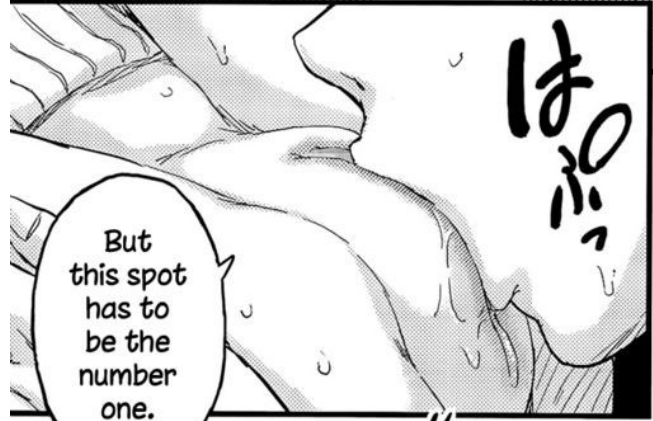

No way~

It's like they're ripe for the picking.

Your round thighs are also so soft...

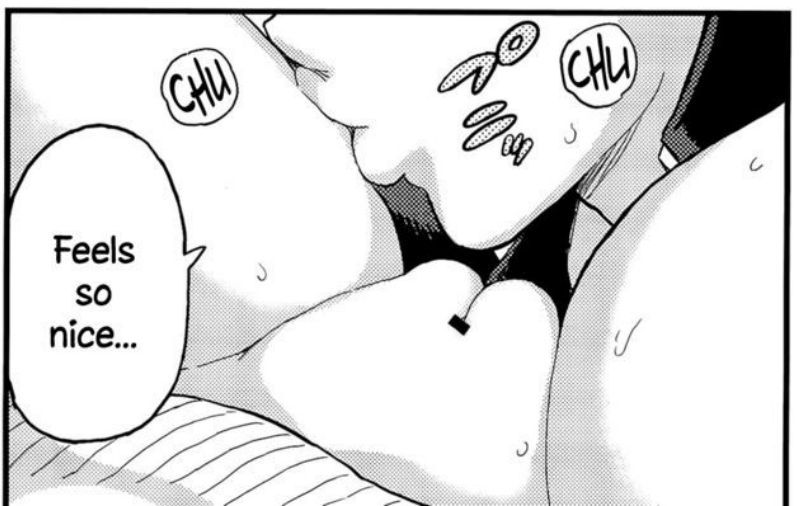

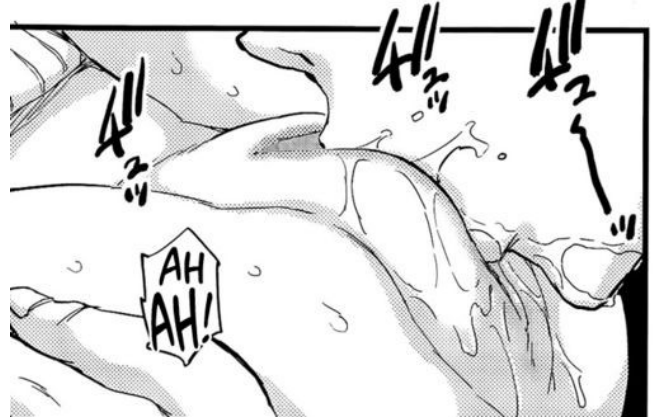

But this spot has to be the number one.

This damp sensation...

Don't! Directly...

Feels so nice...

AHN

You really are a perv...!

Your butt feels too good...!

Oohh... This is it!

Ahn~
Then let's get right down to it!

YAHN

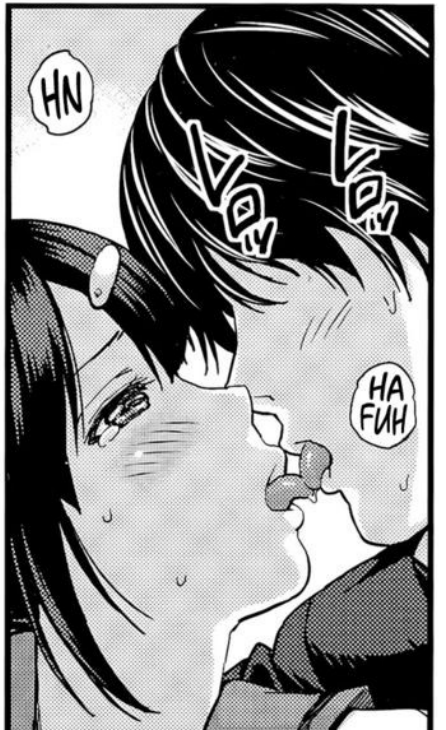

I'm already addicted to this...!

KOHARU SAID THAT

Oh shut up!

I can't help it if I like it!

You're so perverted yourself that I don't want to hear you calling me a perv, Koharu~

You really didn't want to let me go yesterday, and it was a whole lotta trouble, you hear~?

What do you think?

Ah- That rolled egg's my masterpiece.

I'm digging in~!

UWAA!
