Fuck me, I never thought we'd get this out. I got off easy though, I just translated it, I didn't have to go through the hell that the editors and redrawers did. Well it's done now, so enjoy some great, sloppy, Fukuyama Naoto drawn sex.

Shoku

Lead Editor

Had it done in a perfect fashion. Then we decided to switch raws. Hell ensues. I'm gonna have nightmares from this. It's still a great work nonetheless, so I hope you enjoyed it.

Back into the fray, boys~ not a bad way to shake the dust off.. enjoy that syrupy sweet vanil! Back to the grind- luckily the new Android Apartment album is amazing bgm. Cheers, boys.
