

Then you're gonna be my boyfriend, okay~♪

You like me too, right?

But you're going back to America, aren't you...?!

I am...

Yeah...

I really like you, Keita.

Definitely come back to Japan...

I'll...

So, let's promise!

In that case-!

I bet she's grown up to be a real beauty...

I mean, she was pretty even as a kid...

I didn't think I'd ever get to meet her again...

...It's been ten years since then, huh.

And...
When I come back, we'll...

Yeah right, that's not possible...

And what if she's still in love with...

I'm
back~!

Keita!

Milly?!

Back..?

Wel-

But Keita, I realized it was you at a glance, you know?

Is that so...

Well of course! I did grow up from a girl into a lady, after all!

You sure have changed, haven't you...

Don't underestimate me~

I could find you even up from the skies, Keita~!

No~!

You're looking really grown-up!

...Have I really changed that little?

?
Then how did you...

This is..

No!

Sight-seeing?

But enough of that, I have somewhere I want to go!

That was enough huh...

YEAH, I GOT CARRIED AWAY AND GOT ALL HYPED LIKE AN IDIOT.

Right, it's just around the corner, isn't it?!

AAH...

Ri-

For-

For Comiket, I guess~

Keita...

Wait...

It's this late already?!

...Keita?

THIS IS JUST HOW THINGS GO IN REAL LIFE...

?

I'll be waiting outside, okay?!

Why now all of a sudden?!

We've already got a ton of stuff to carry, so let's go home for now.

...

Wow, I'm such a dick...

Uh-

Um, Keita... I...

Take a good rest, okay?

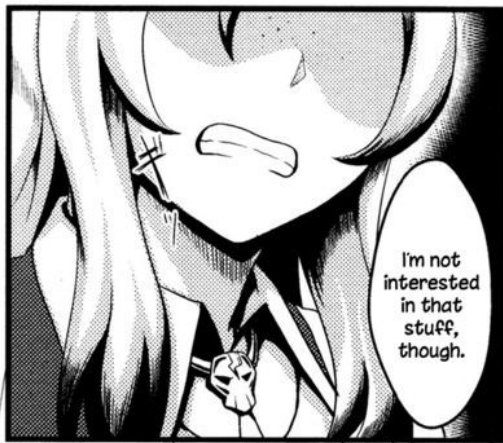

Your luggage is already waiting in your room.

Okay... Thanks...

IN THE FIRST PLACE, IT'S A PROMISE FROM 10 YEARS AGO. IT'S NORMAL NOT TO REMEMBER STUFF LIKE THAT.

I'm not interested in that stuff, though.

It looks like it'll grab everyone's attention, at least.

I think it's fine.

NO MATTER HOW YOU LOOK AT IT, THAT'S WAY TOO EXTREME!

Look at me properly!

Milly..?

Keita...

That's because..!

I thought we could have fun together again...

But then you just start acting cold to me out of nowhere!

I was really happy to meet you again and see you were still the same kind Keita you used to be..!

I know, if you compare it to guys in your country, it's not...

But I'm actually quite bothered by it, you he...

Hyou hwon't hah ho wohhy ahouth hat~

If you do it that hard right off the bat, I'll..!

And you don't have to talk with my thing in your mouth...

Yeah...

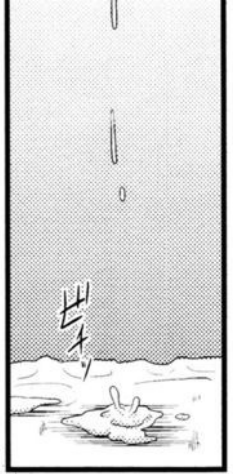

You don't know... So you have no experience?

But I think yours is plenty big, Keita~

I don't know about other guys...

Keep going, okay?

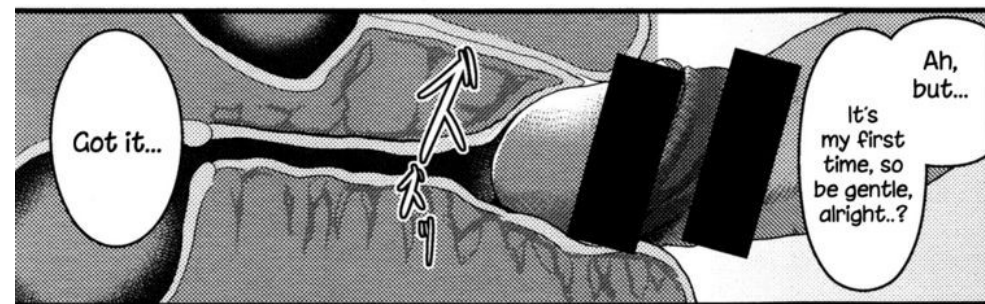

I've already gotten wet enough...

Yeah...

クチ

Is it really fine..?

Got it...

Ah, but...

It's my first time, so be gentle, alright..?
