CELVARG 1

**A small
group
has split
off from**

**My
Lord**

**the Celvarg
a tribe
from the
Northern
Plains**

**so
last
night**

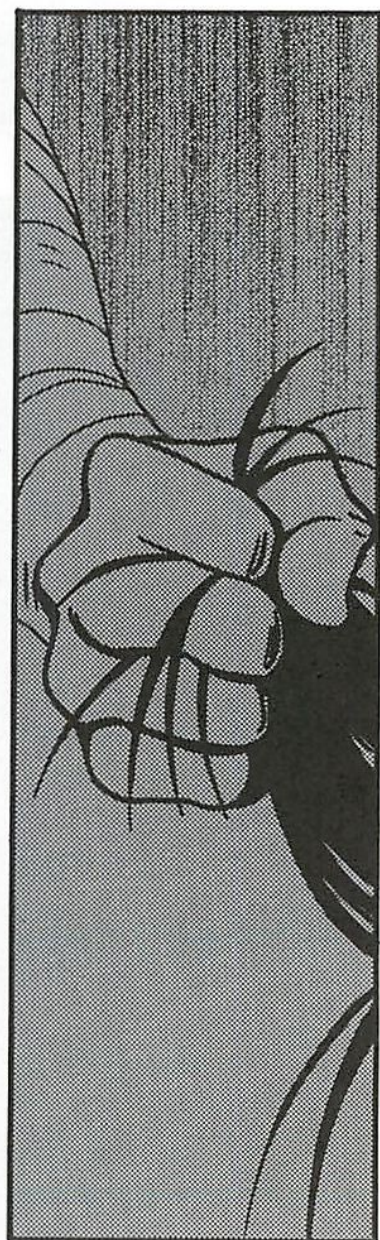

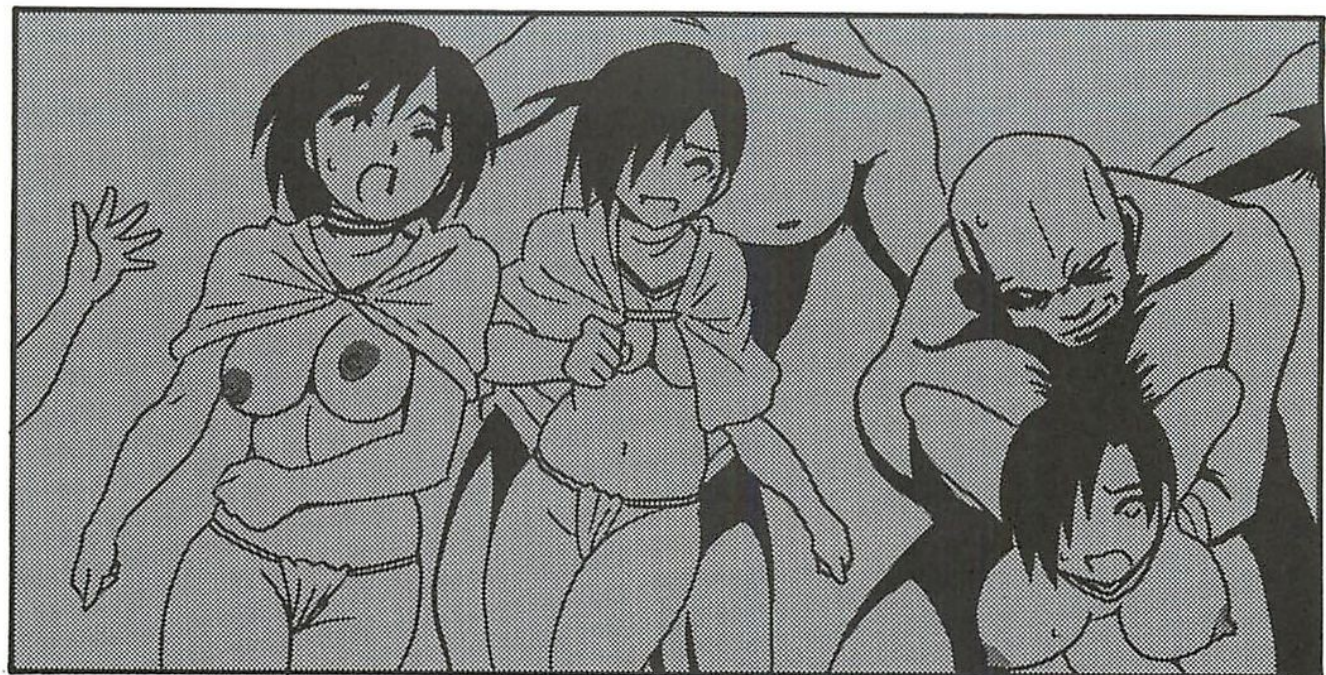

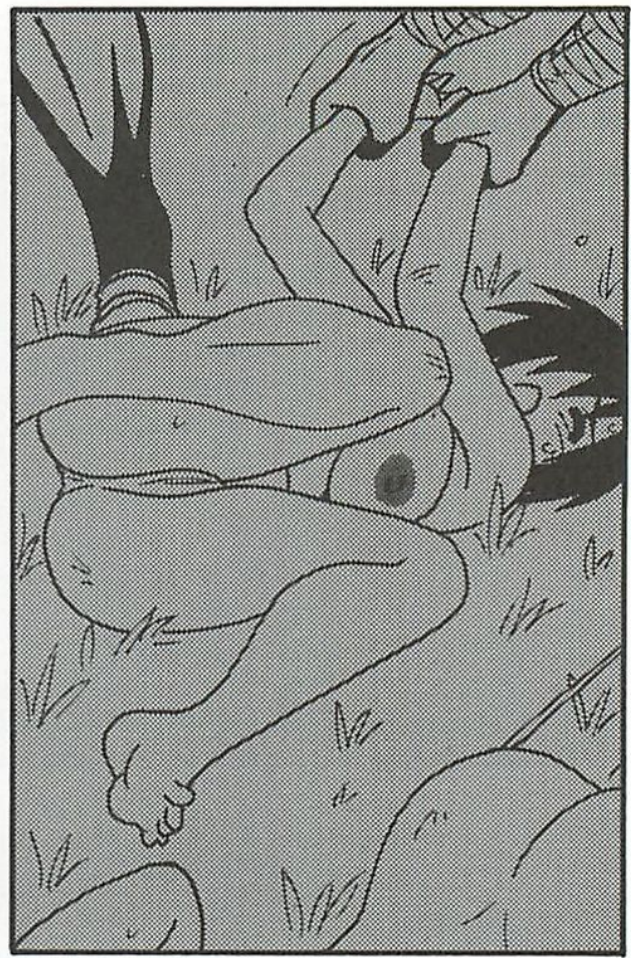

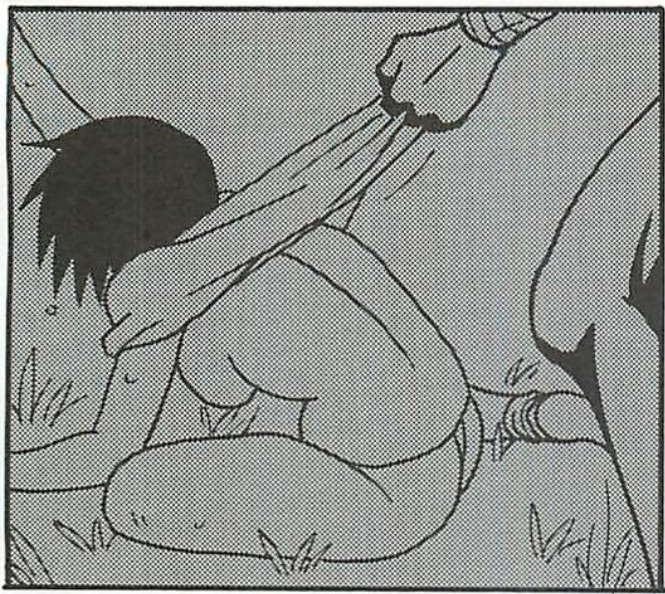

our men
went
hunting

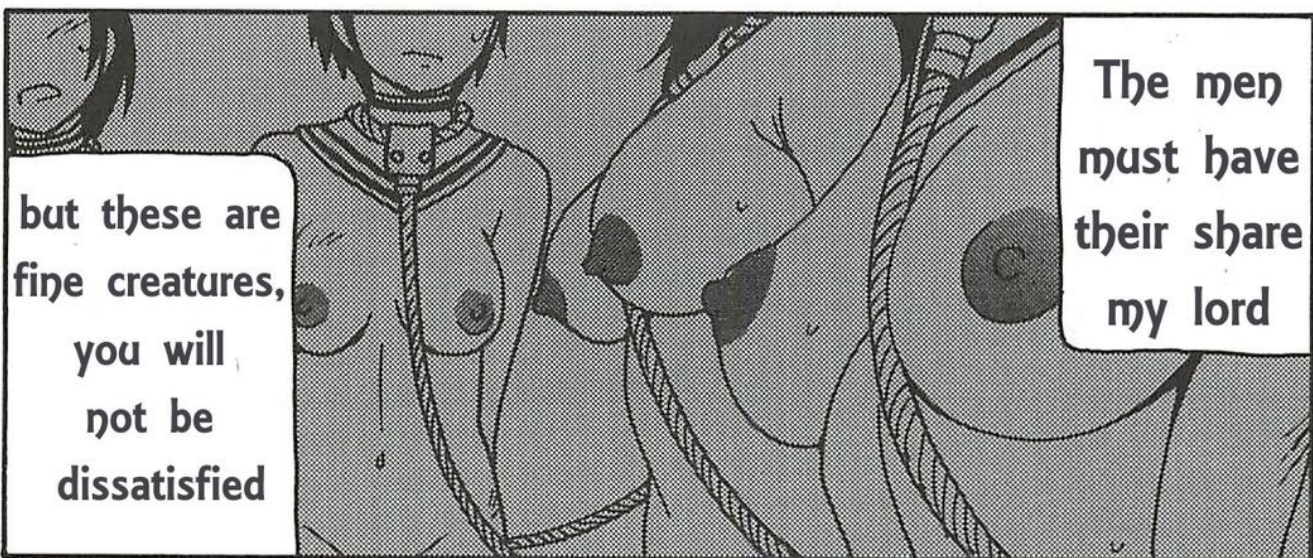

and three
of them
have been
saved for
you

On this
hunt we
caught
19 of their
sows

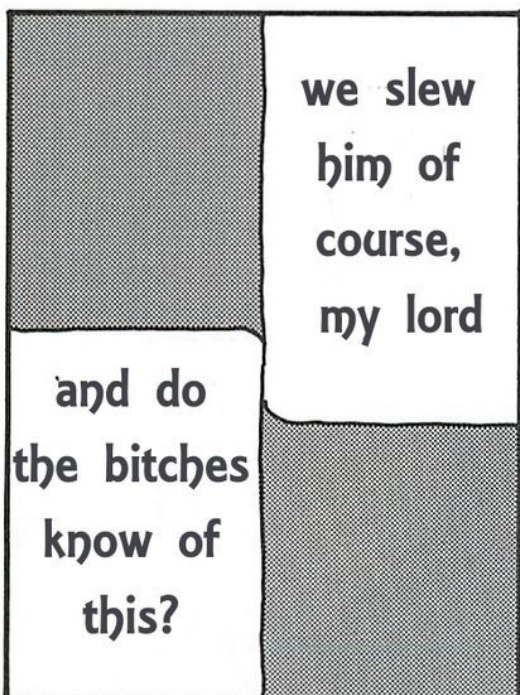

Why so
few...
hmm?

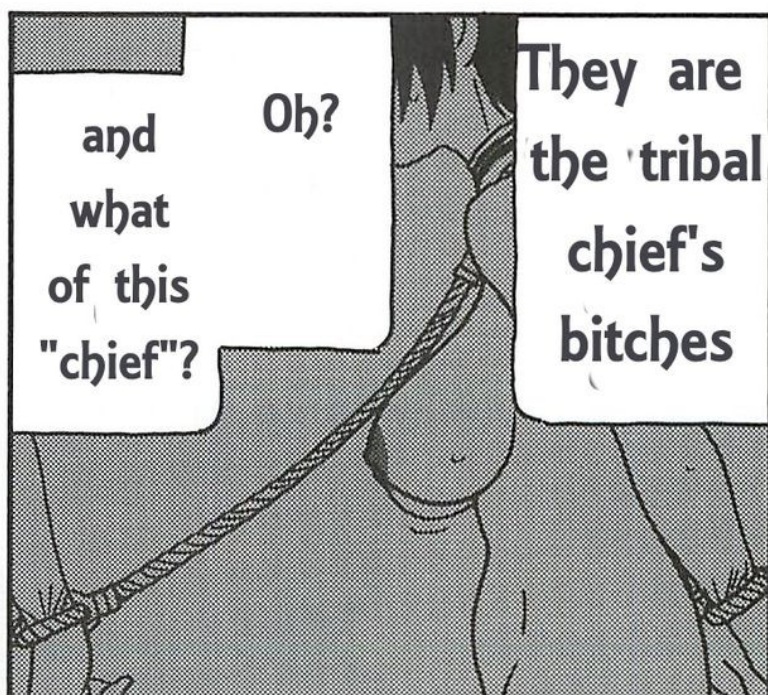

but these are
fine creatures,
you will
not be
dissatisfied

The men
must have
their share
my lord

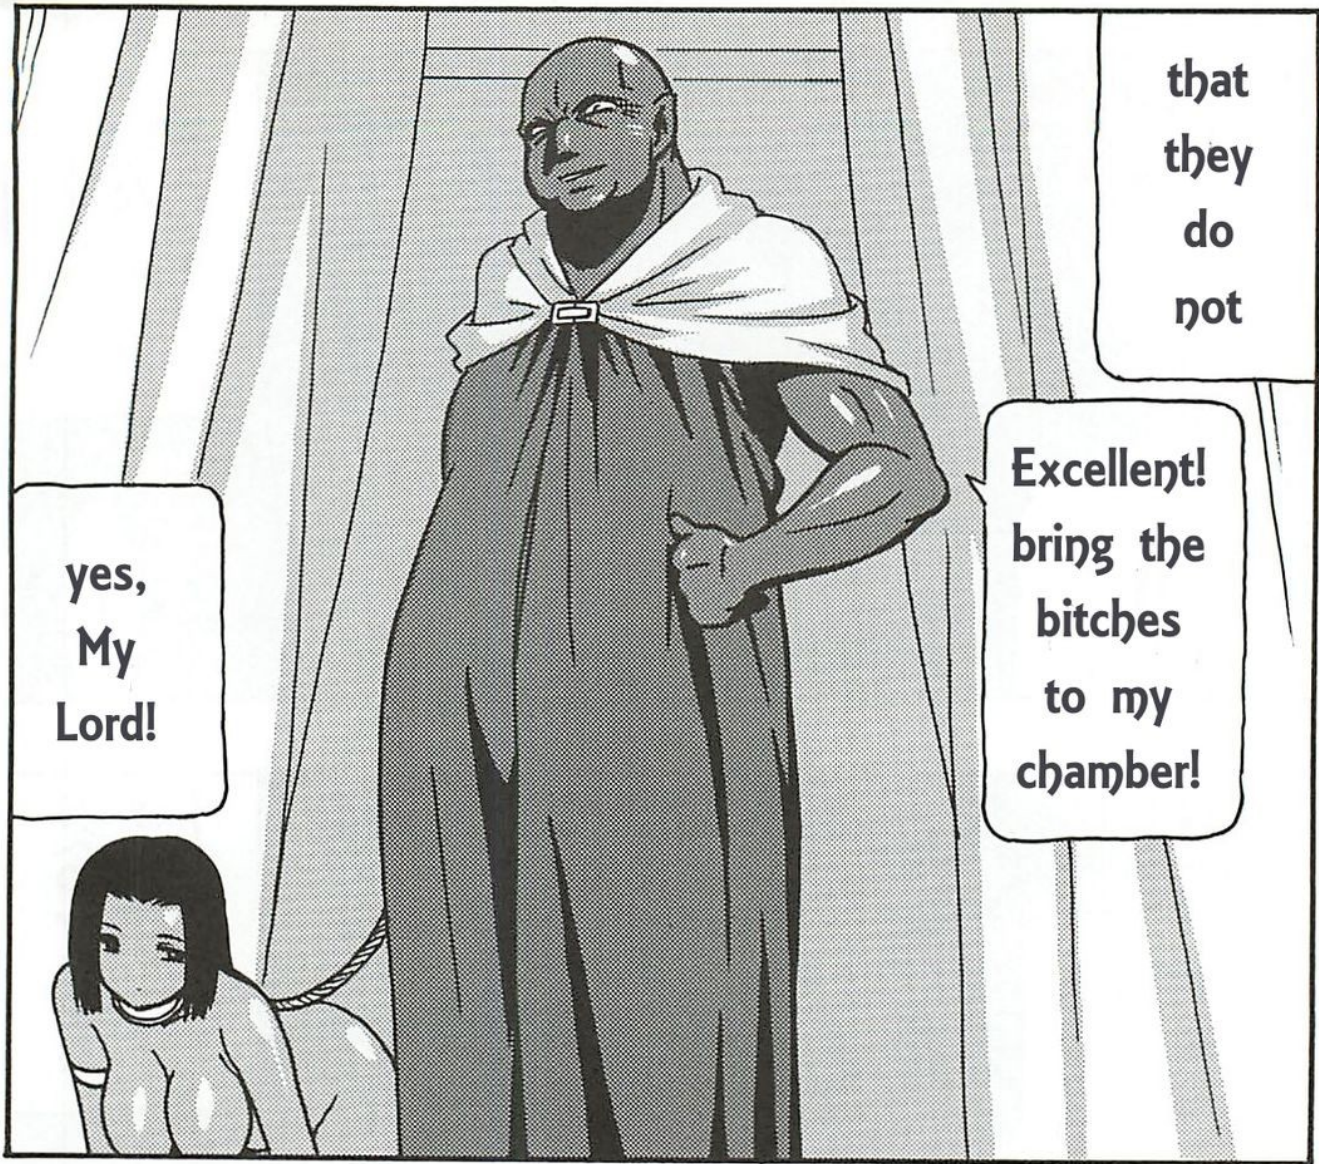

we slew
him of
course,
my lord

and do
the bitches
know of
this?

Oh?
and
what
of this
"chief"?

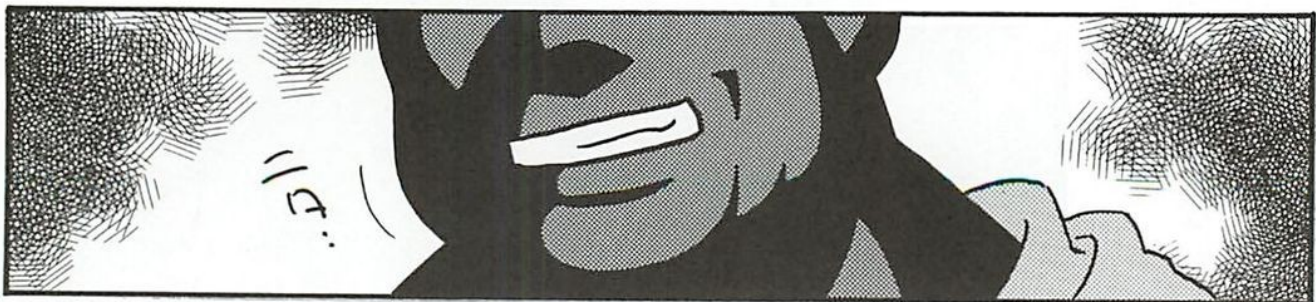

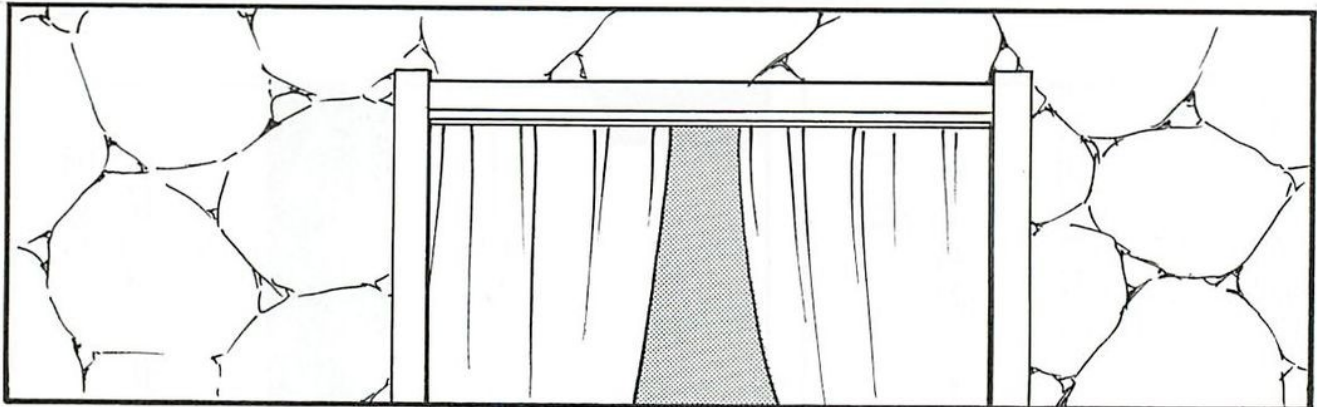

They are
the tribal
chief's
bitches

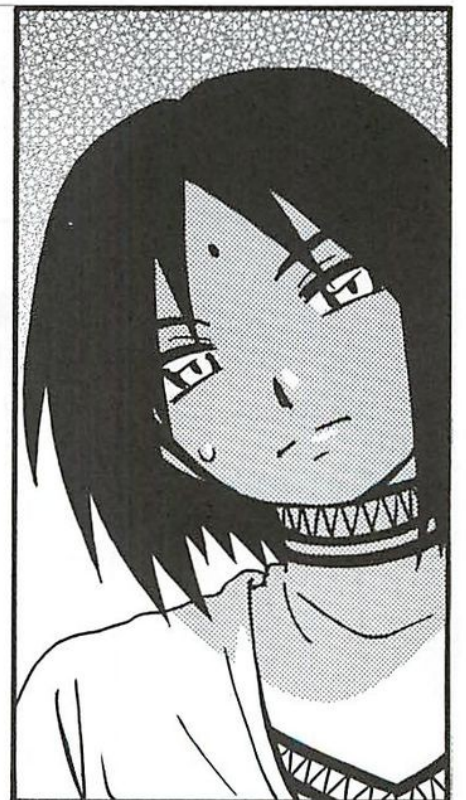

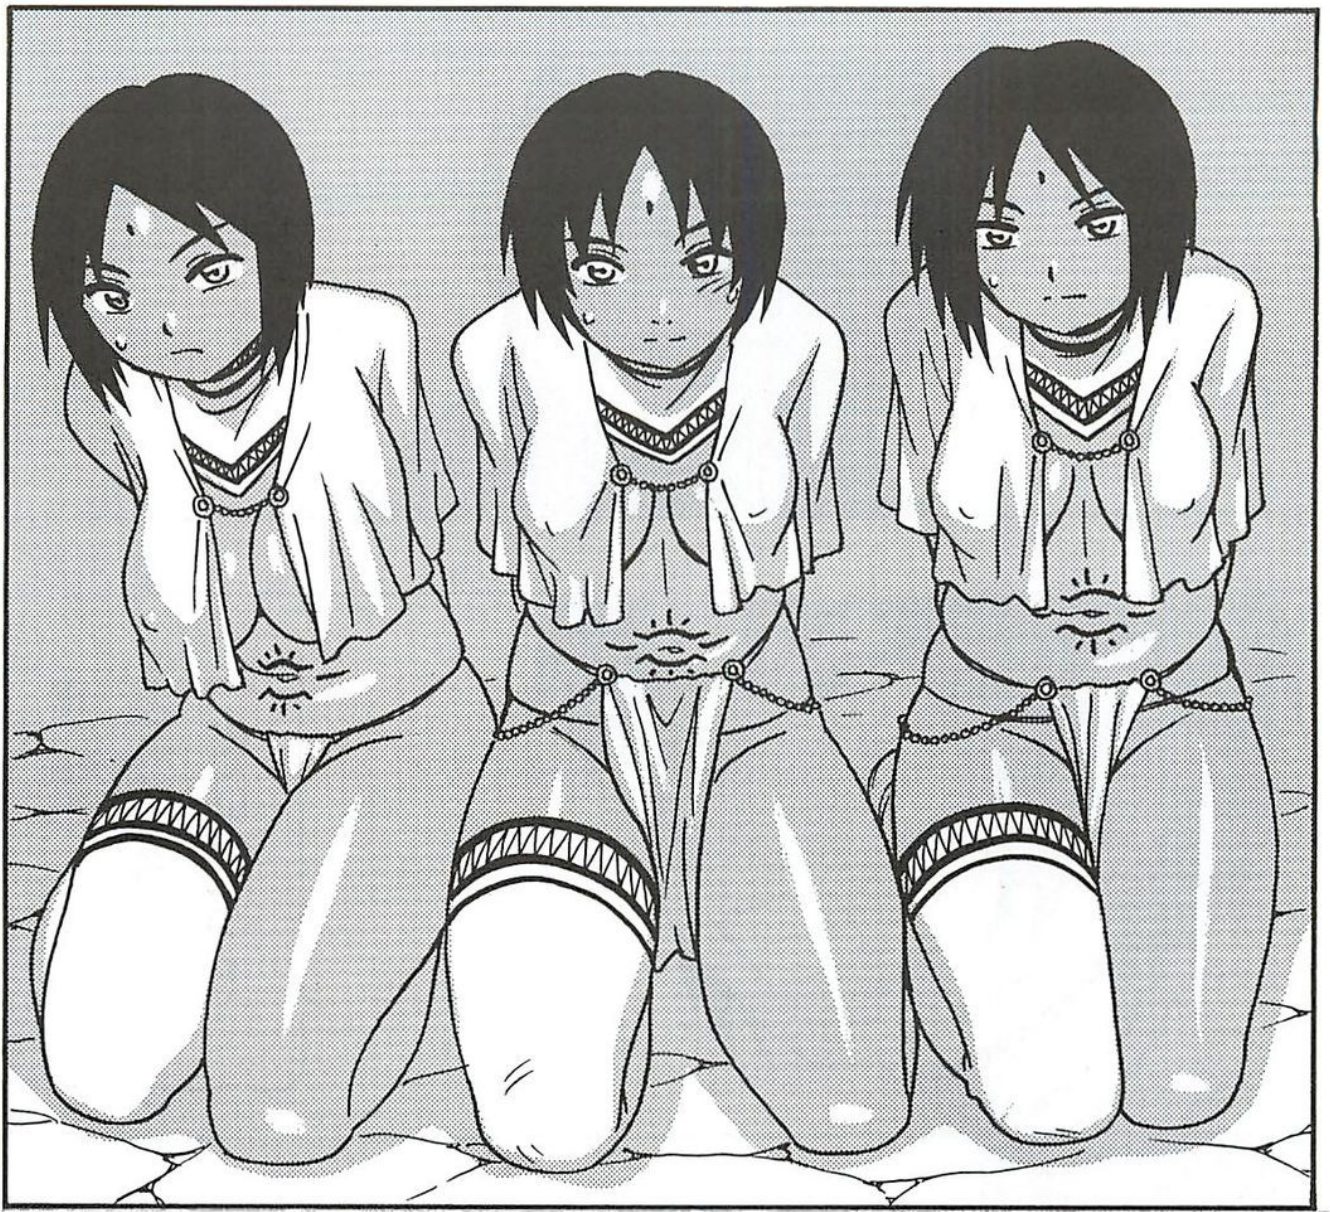

that
they
do
not

yes,
My
Lord!

Excellent!
bring the
bitches
to my
chamber!

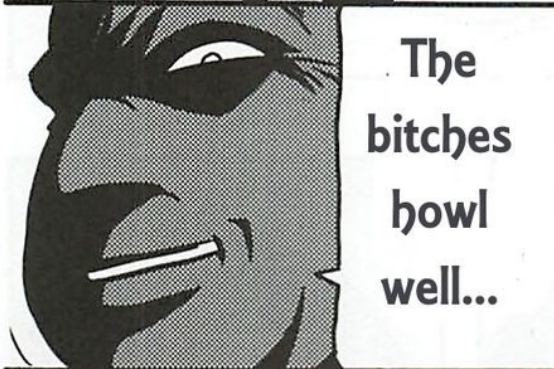

These
ARE fine
specimens

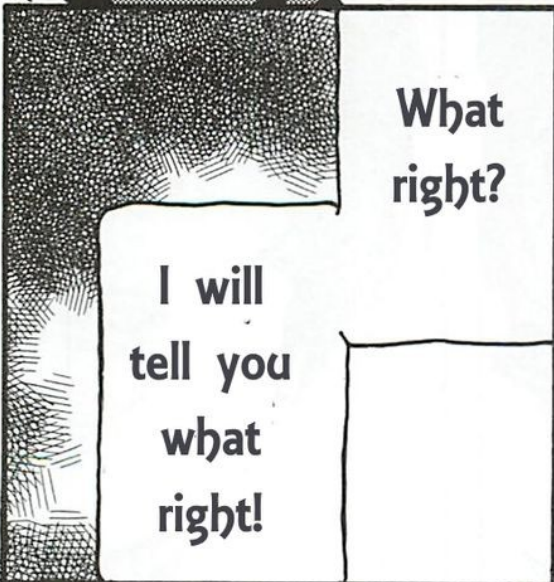

Ooh

BASTARD!
What is
the meaning
of this?!

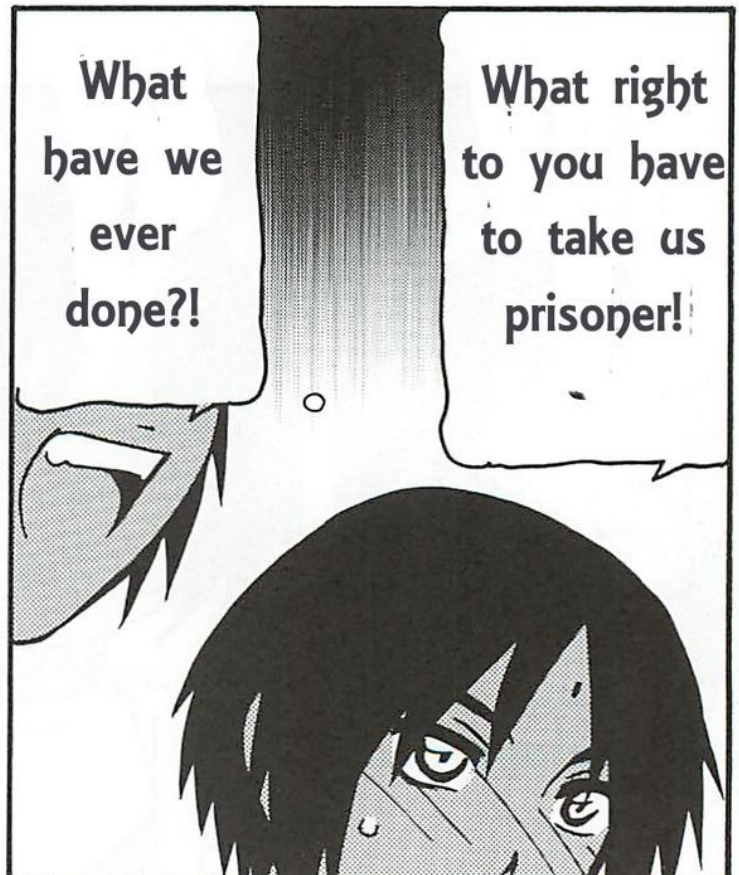

The
bitches
howl
well...

What
right?

I will
tell you
what
right!

What
have we
ever
done?!

What right
to you have
to take us
prisoner!

You should be honored to become my prized possessions

I have the right of my strength to do with you as I please

It is natural for the strong to rule over the weak

Ohhh?
Well then...

ton..

I would choose death rather than your "honor"!

Ridiculous! Who would be honored by a man as foul as you!

or about

I guess you don't care about the life of your chief. your old owner?

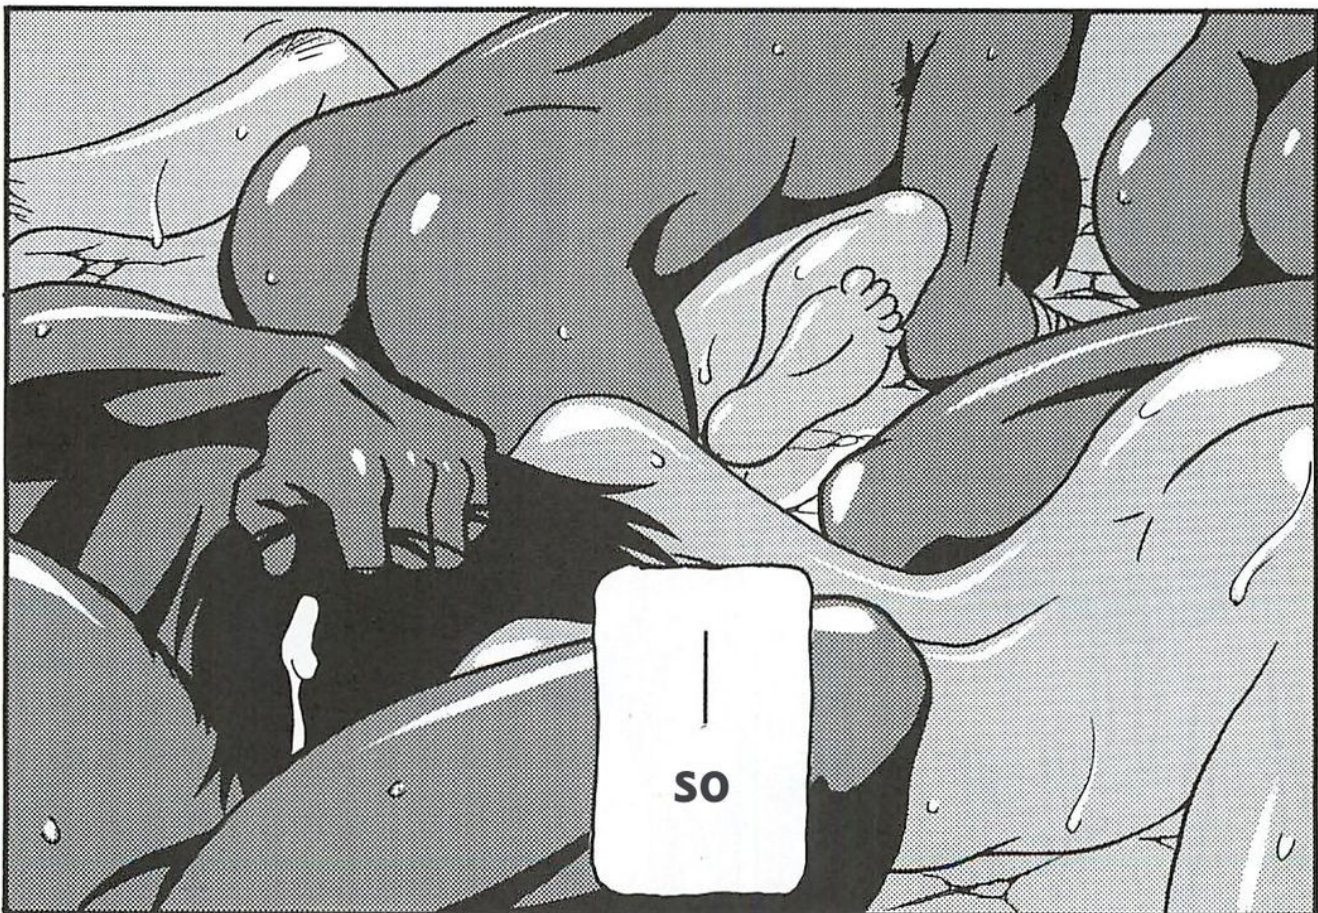

the other
sows of
your tribe?

their
treatment
will be
decided

by
your
attitudes

SO

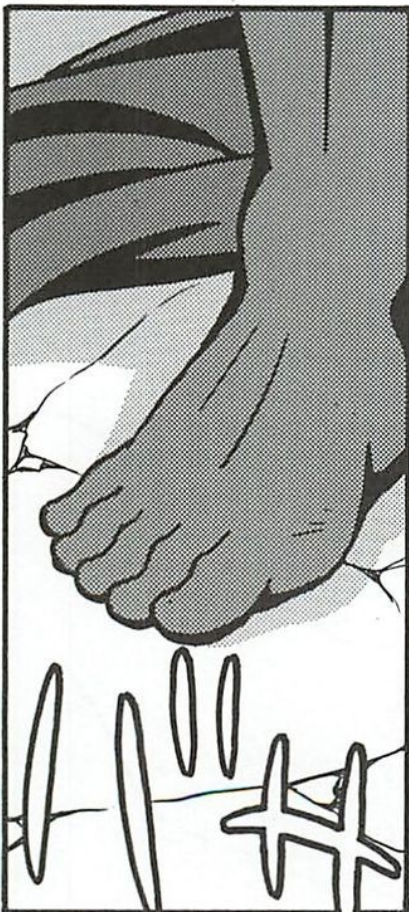

.....
grr

and
you
will
pleasure
me

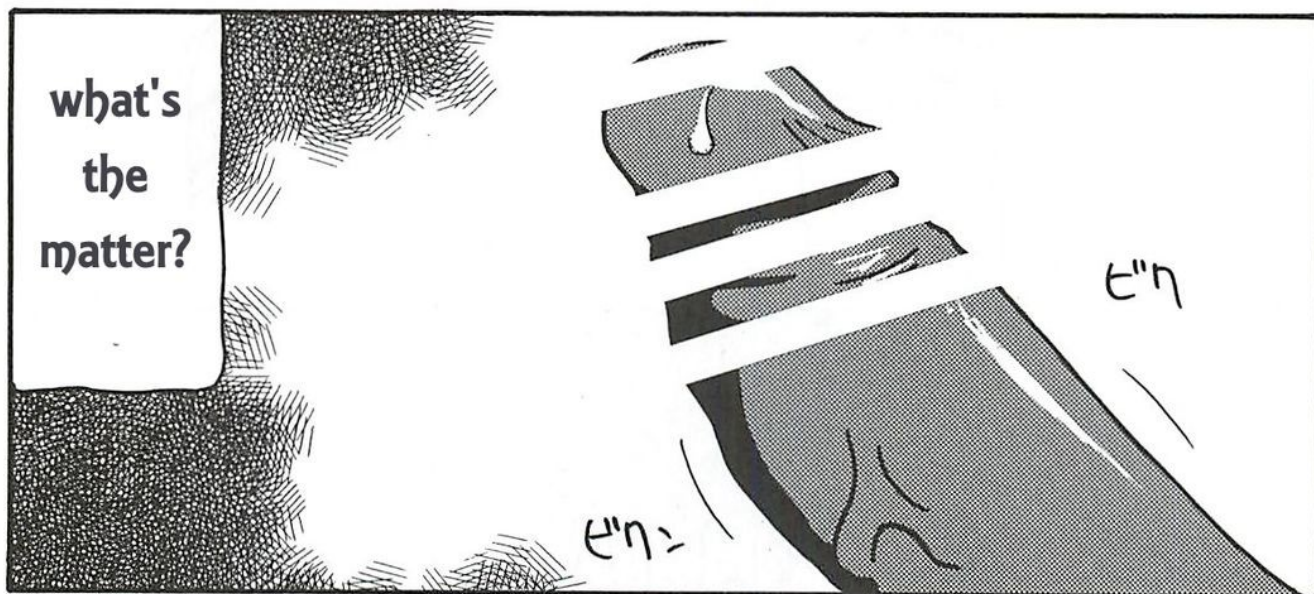

you
will
be my
pets

I will
say it
once
more

now
let us
begin

it seems
you finally
understand
your
place

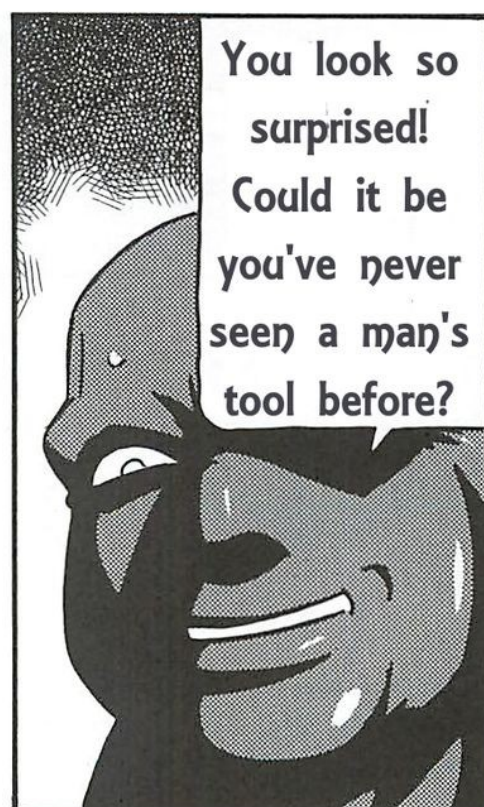

what's
the
matter?

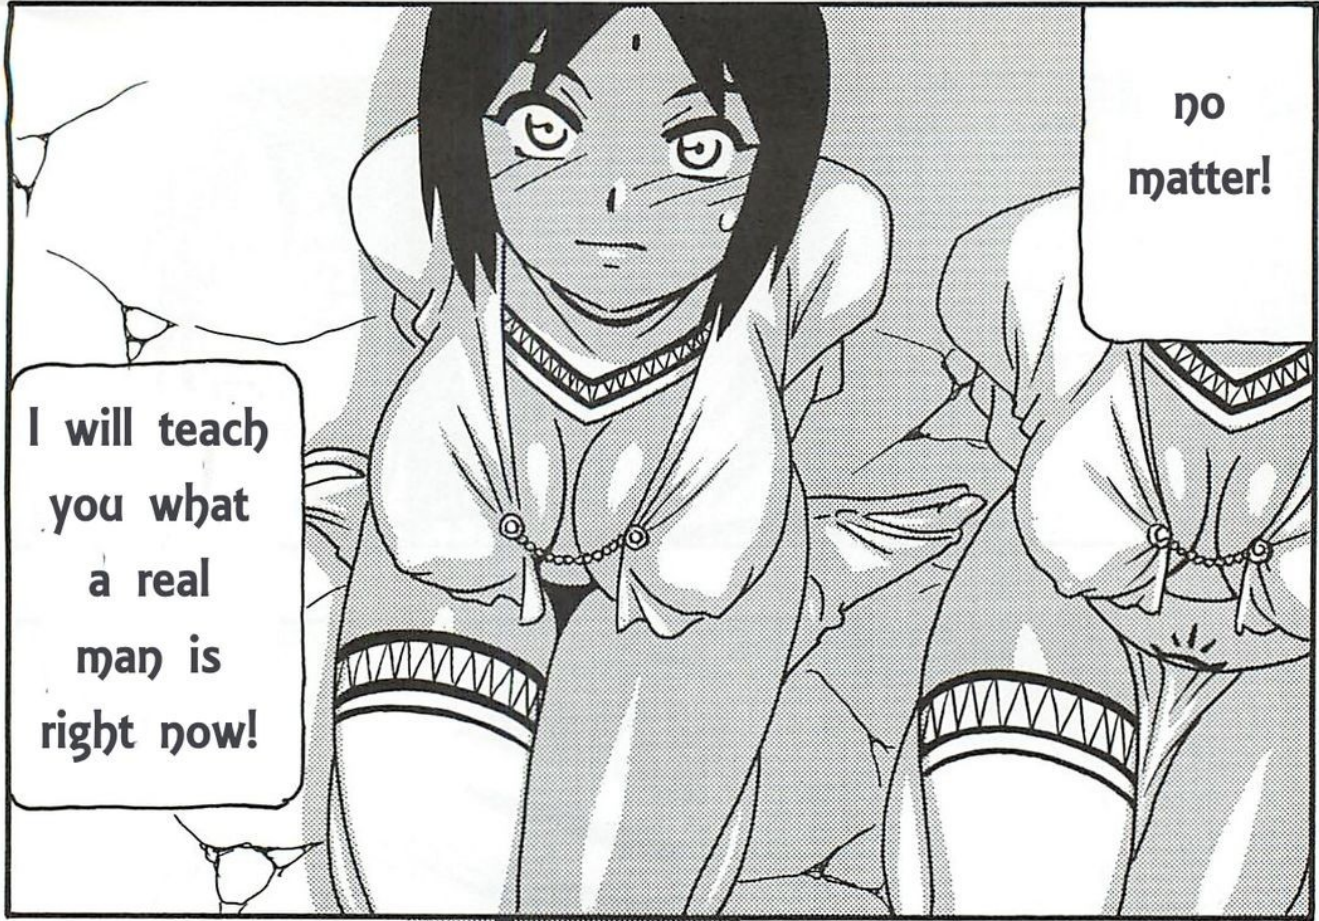

HOW
DARE
YOU
!

or is it just
that you've
only seen
the pathetic
little nubbin
of your old
master?

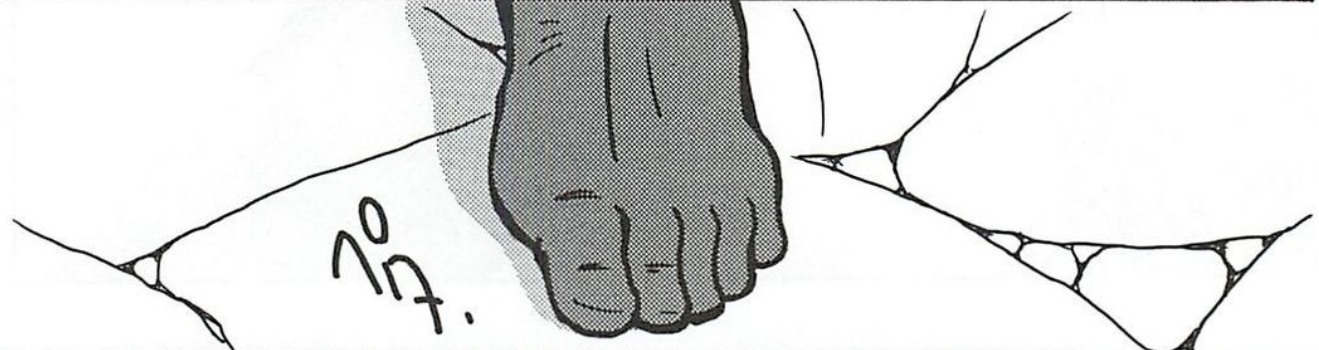

You look so
surprised!
Could it be
you've never
seen a man's
tool before?

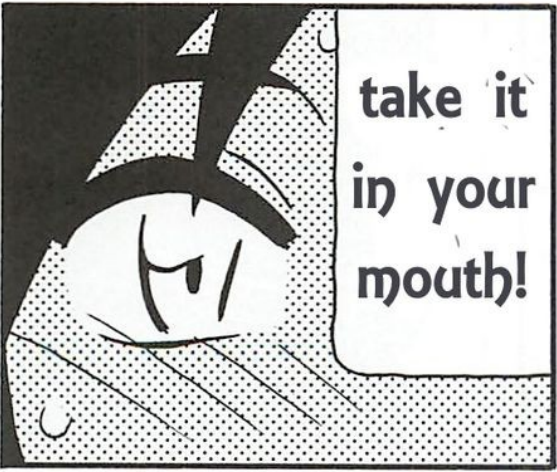

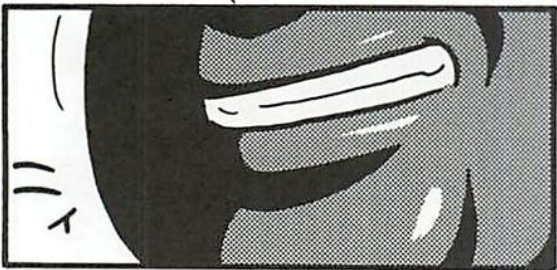

no matter!

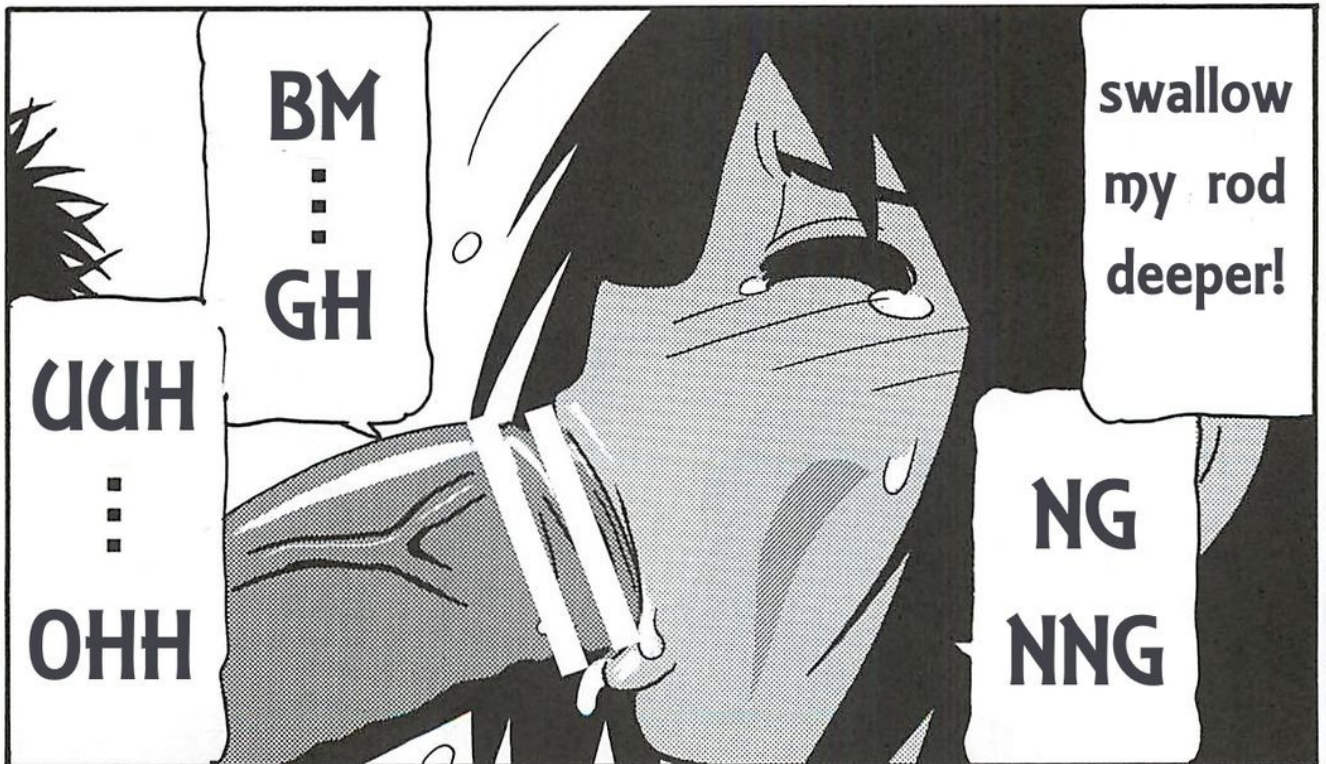

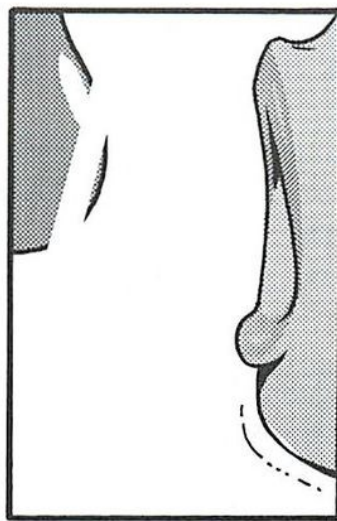

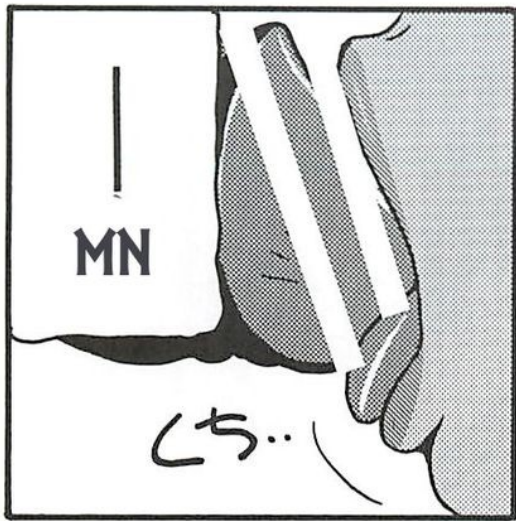

I will teach you what a real man is right now!

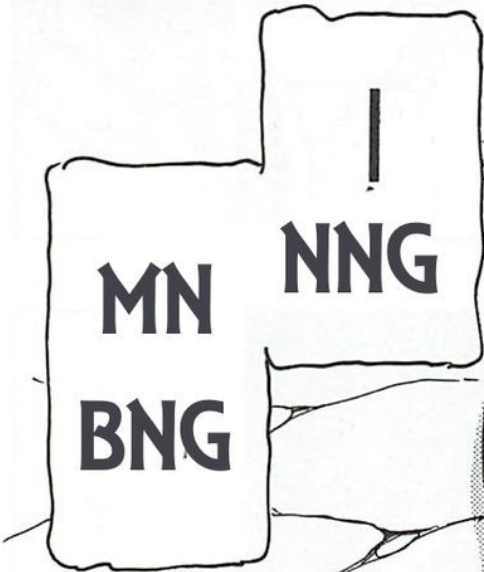

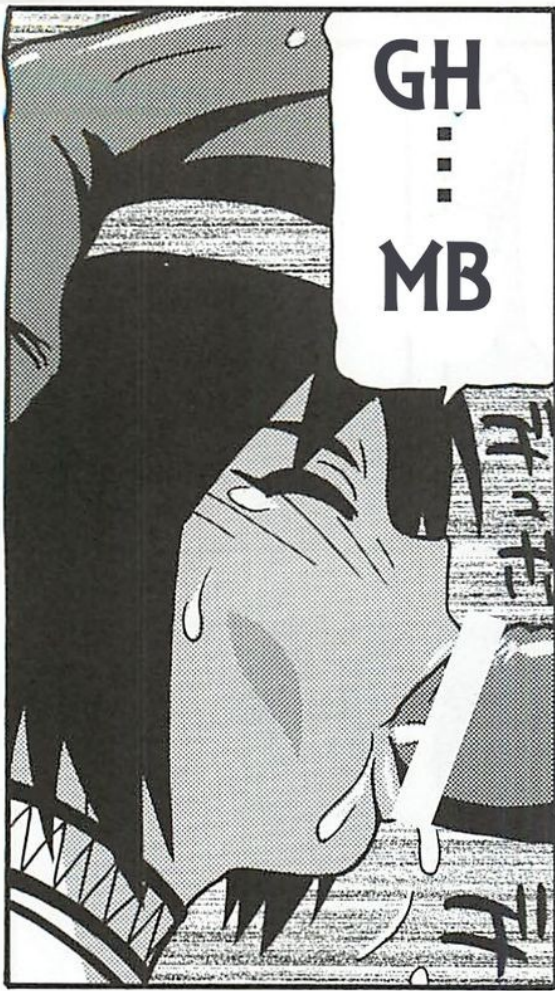

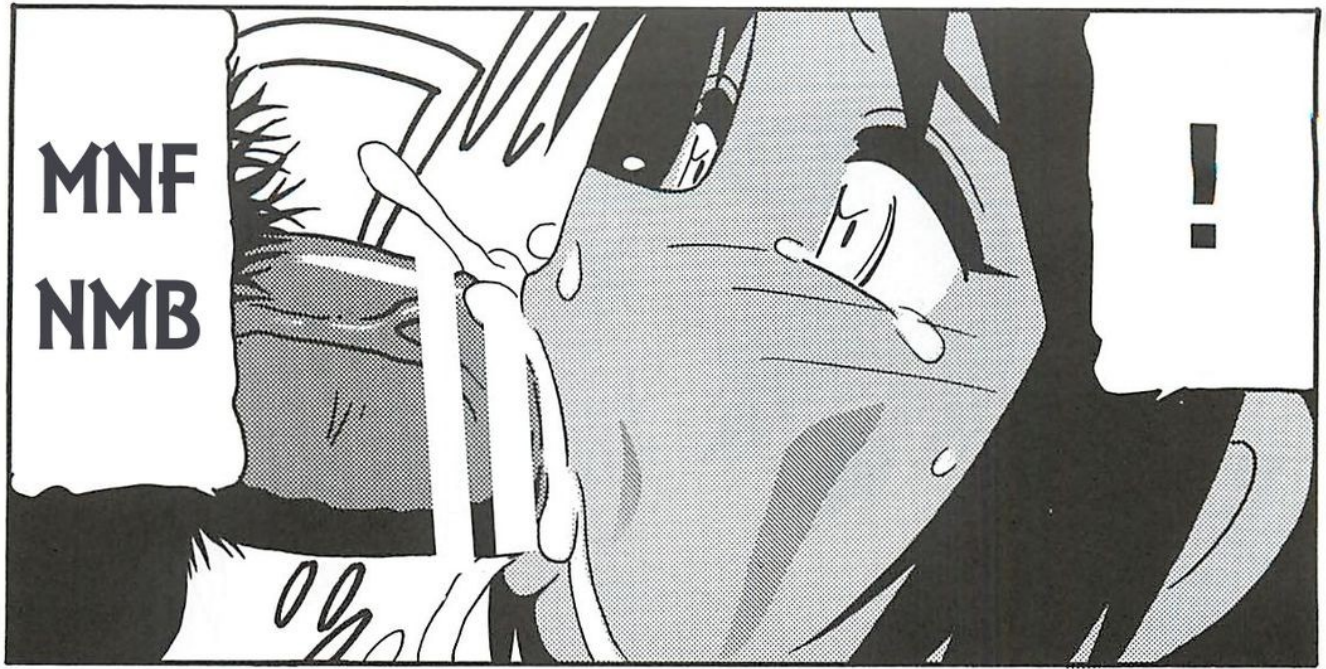

no.

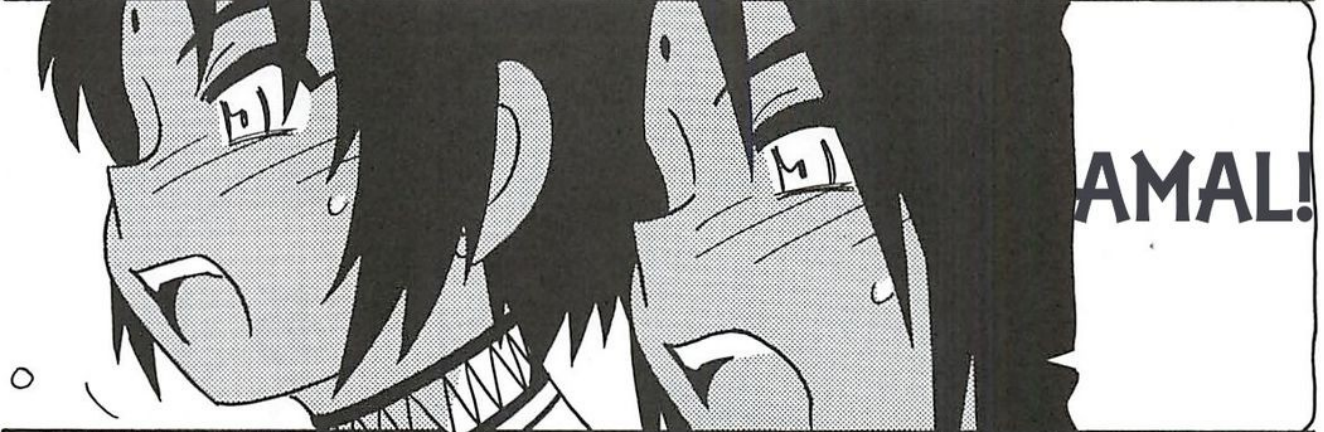

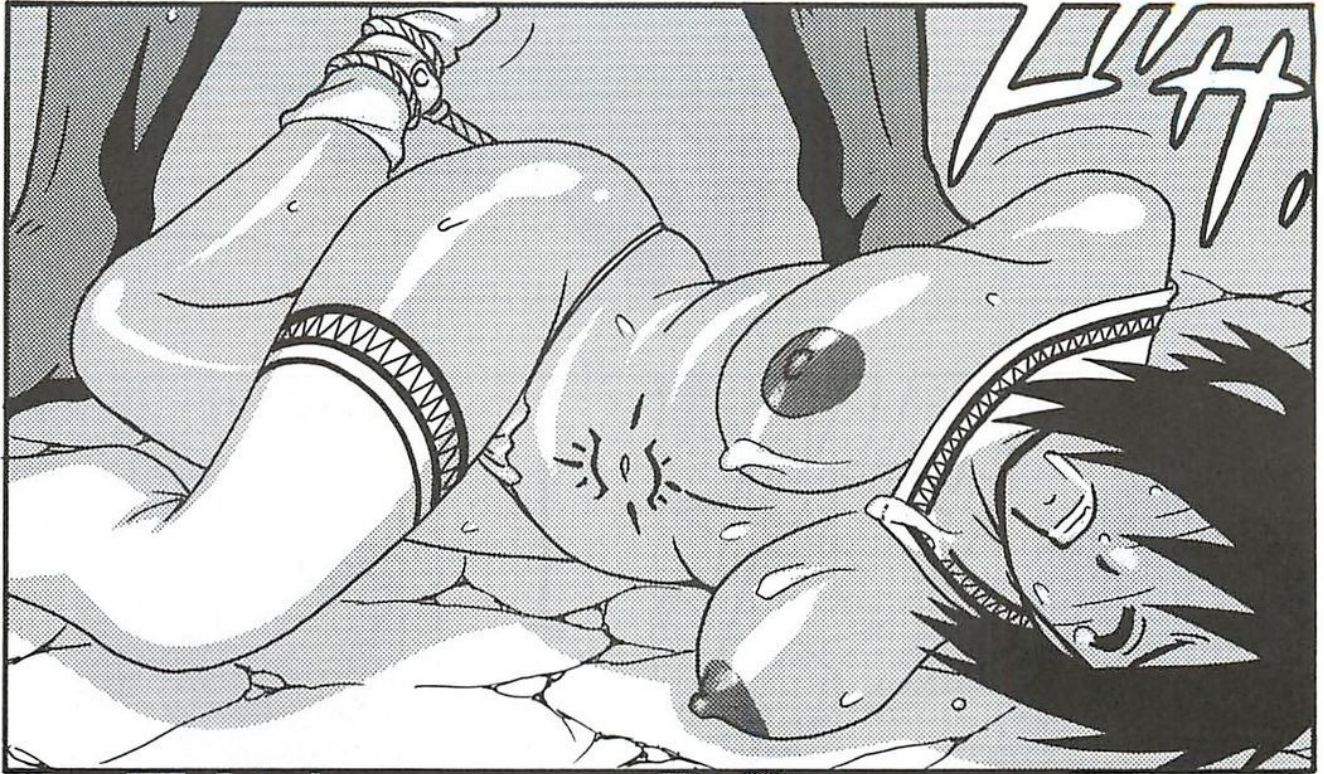

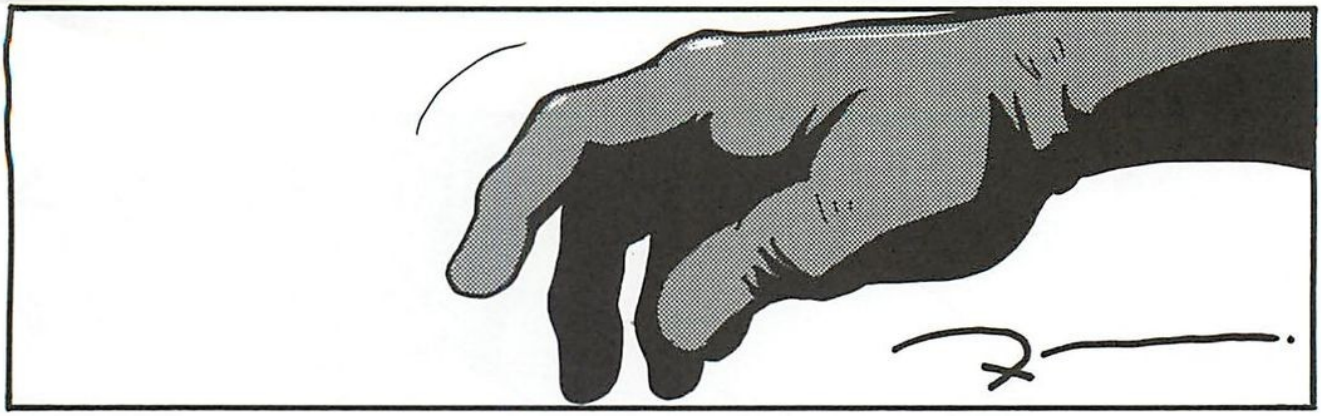

take it in your mouth!

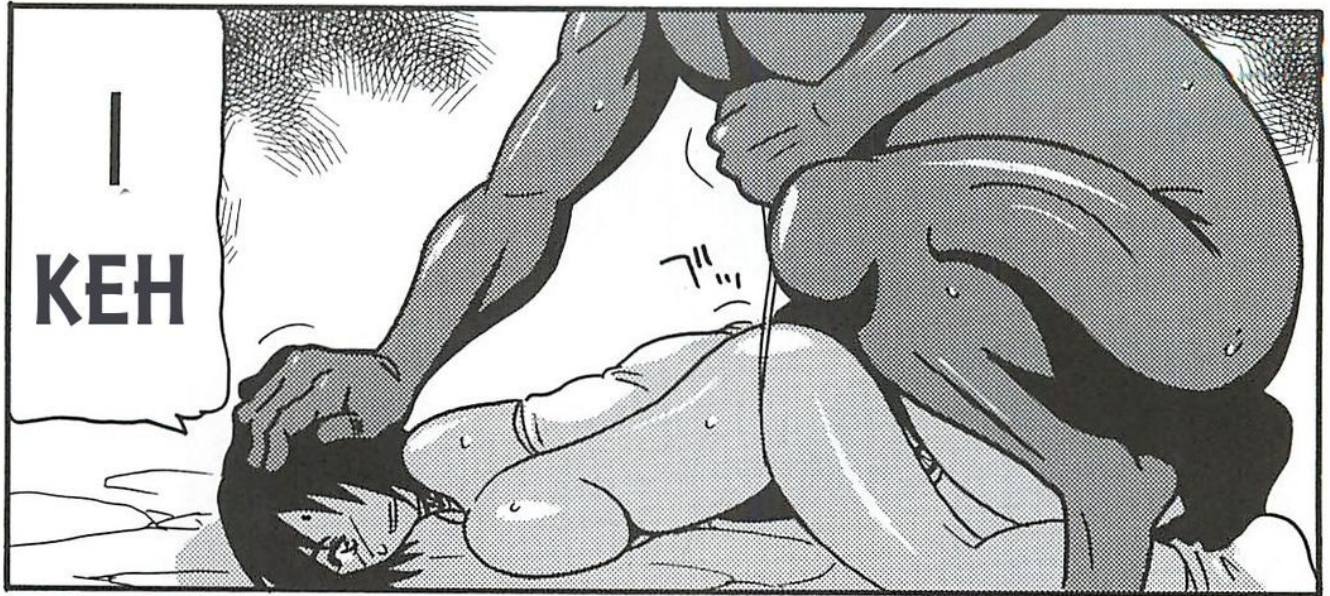

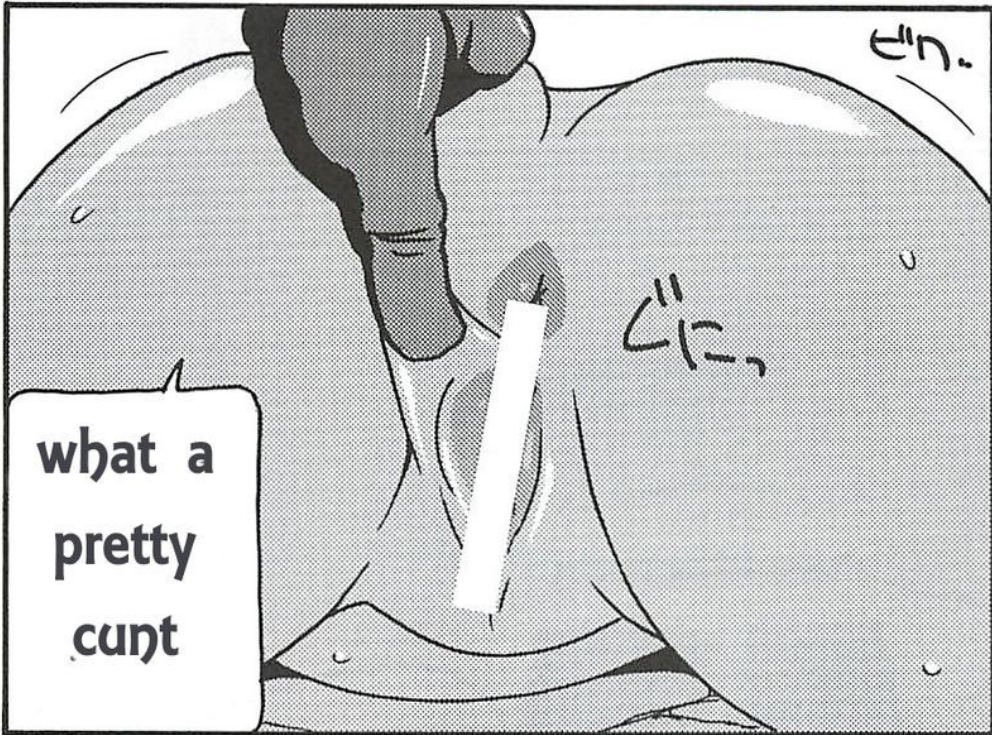

—
KEH

what a
pretty
cunt

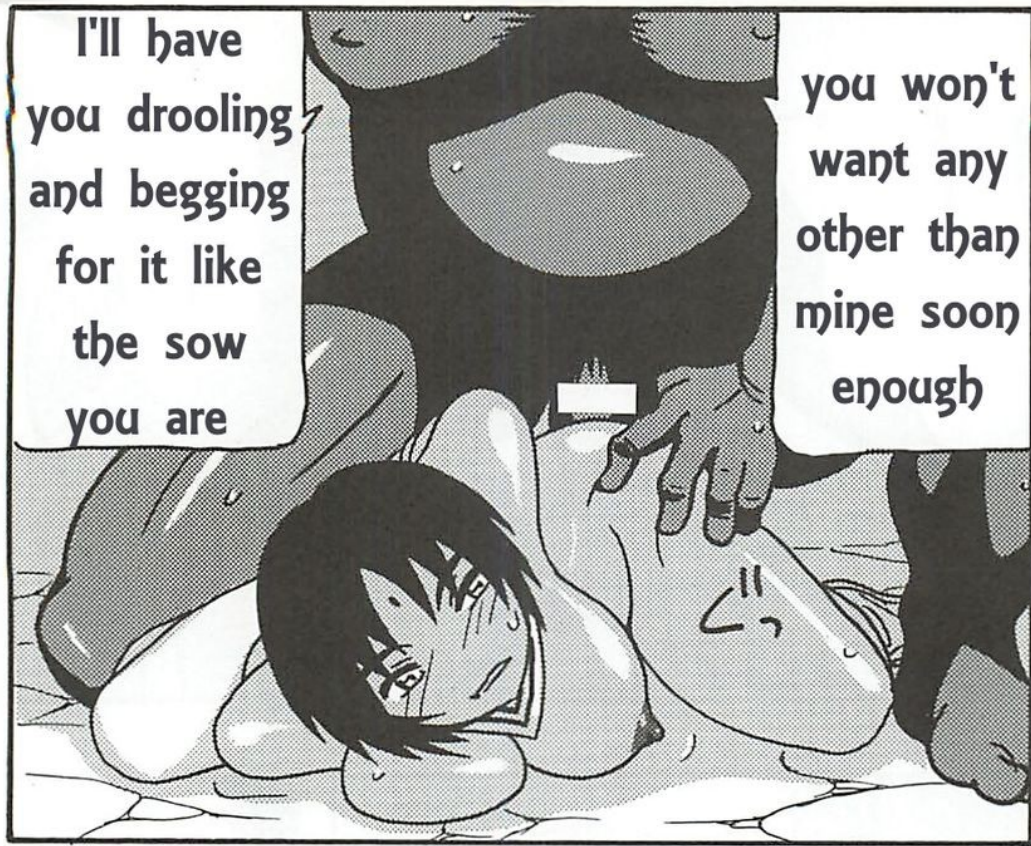

mmm

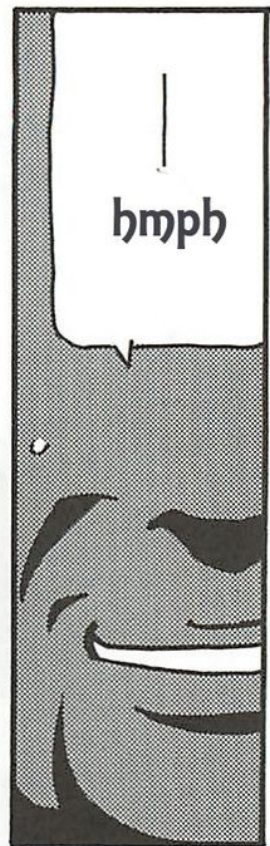

—
KKH
!

You must
not even
have felt
your old
owners' twig

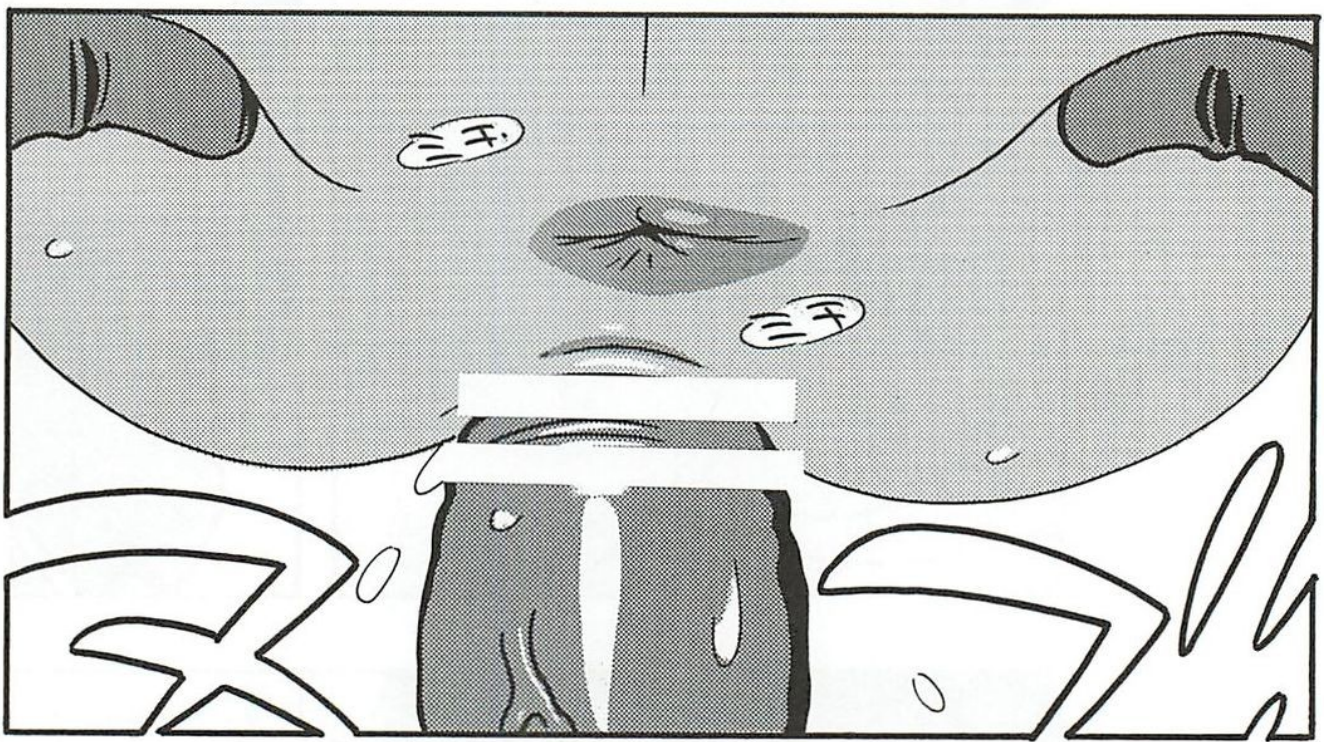

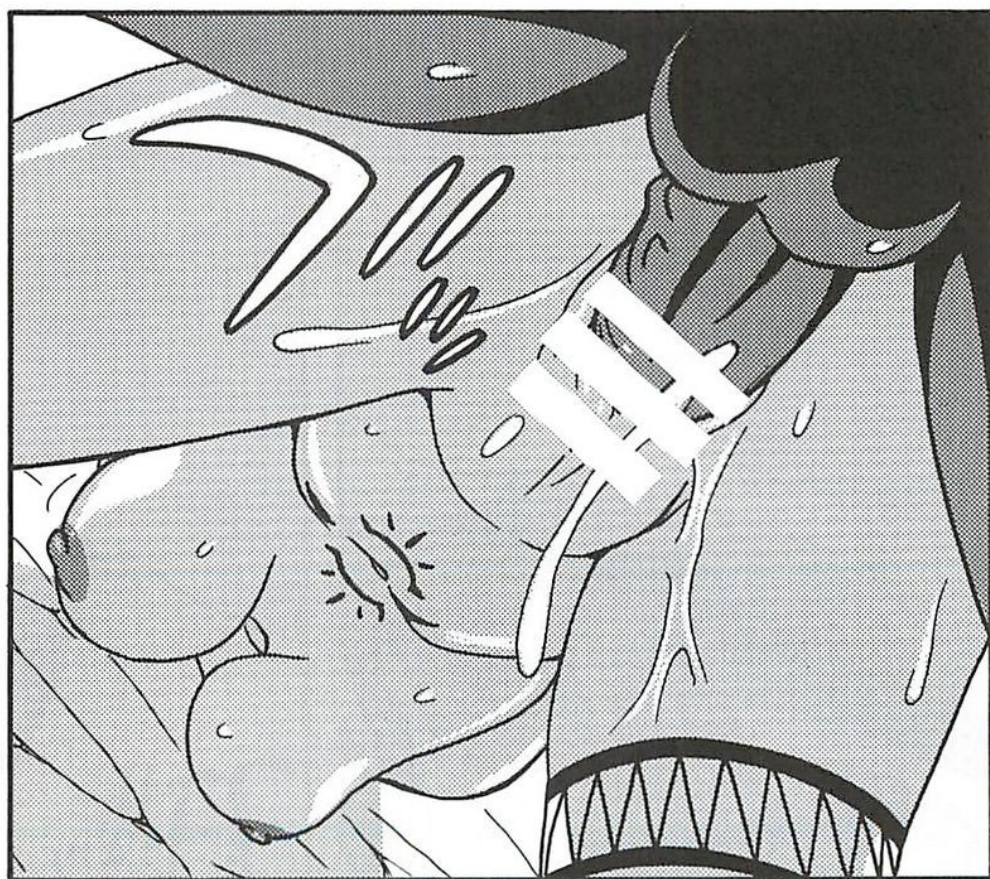

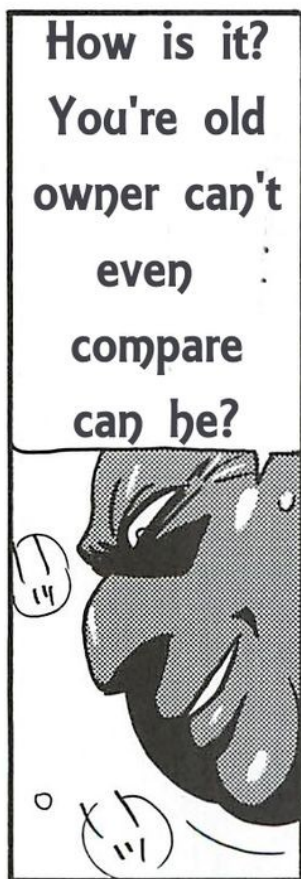

I'll have you drooling and begging for it like the sow you are

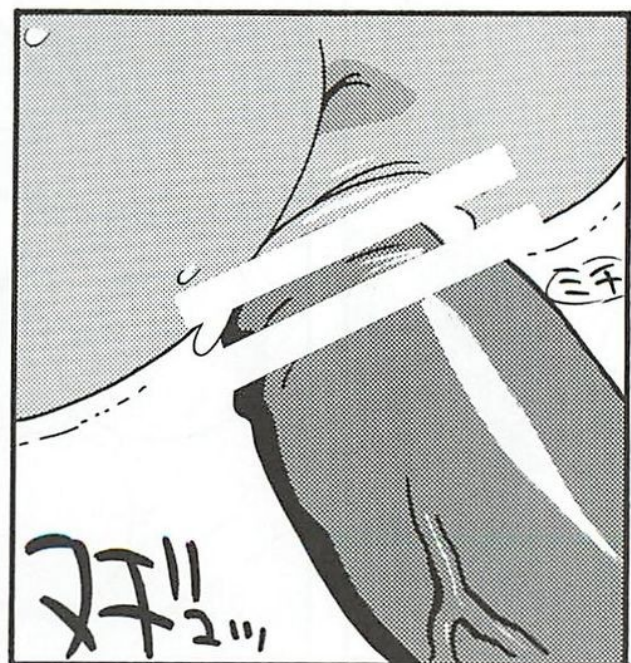

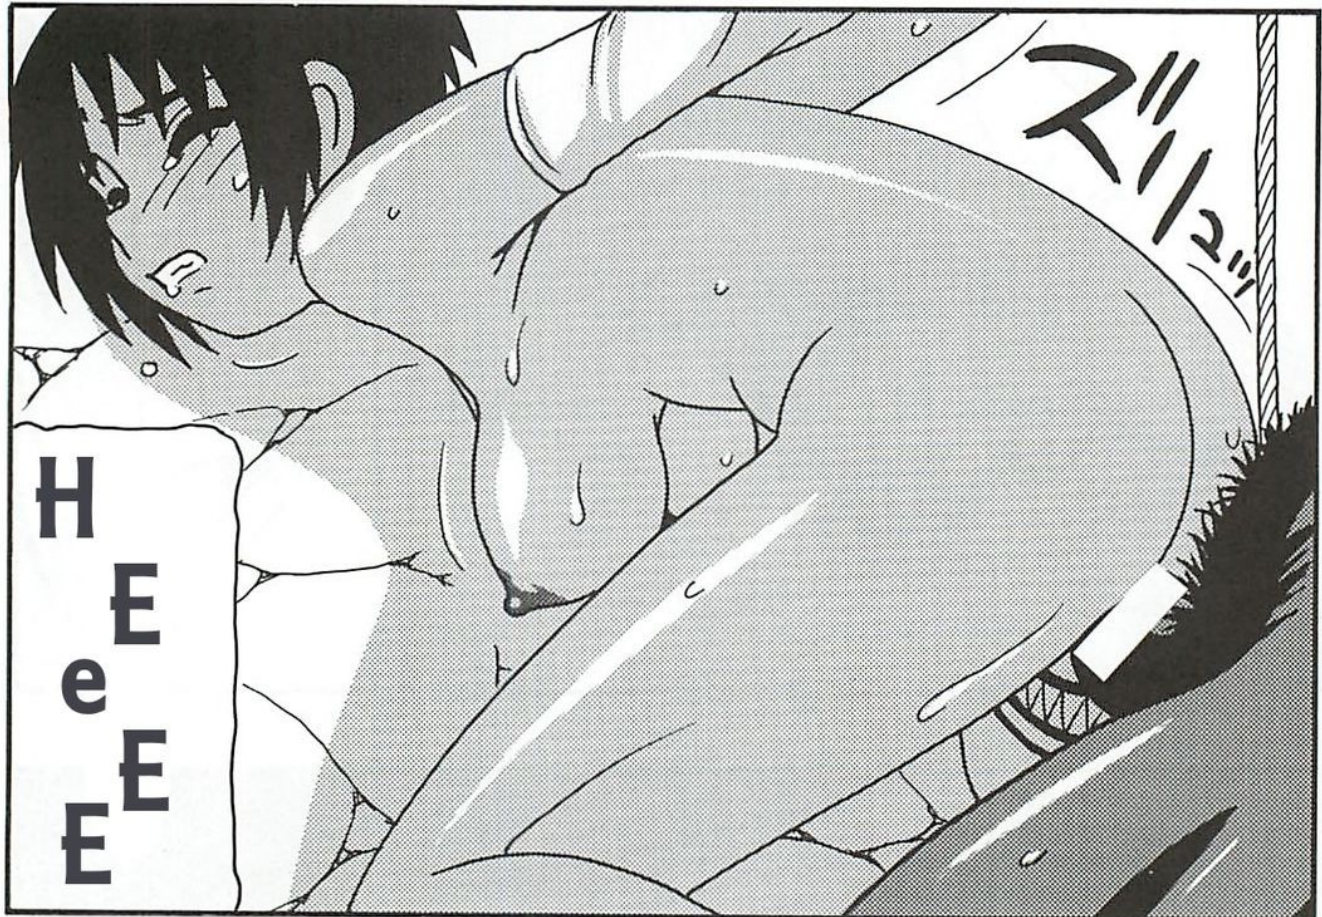

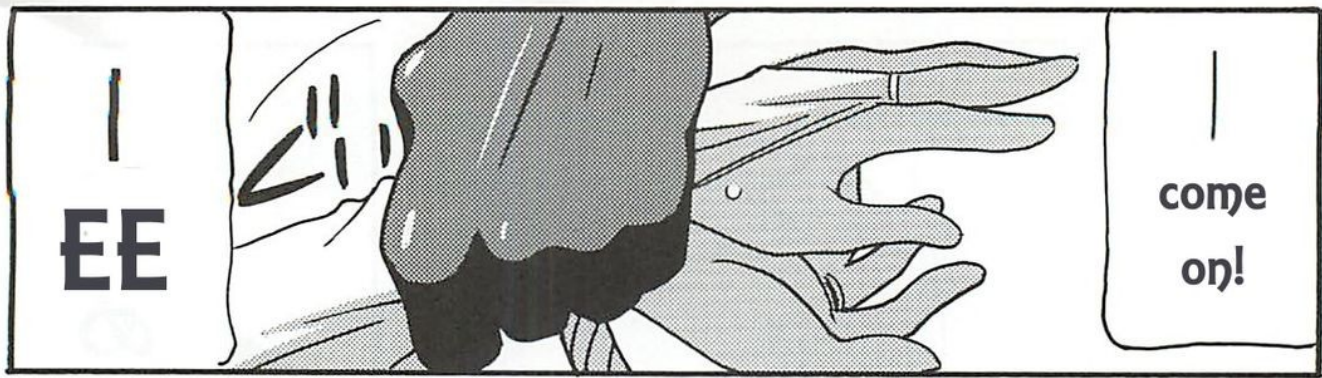

you won't want any other than mine soon enough

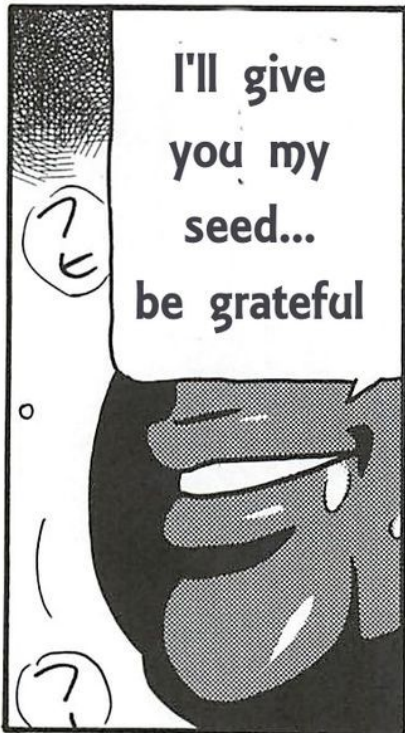

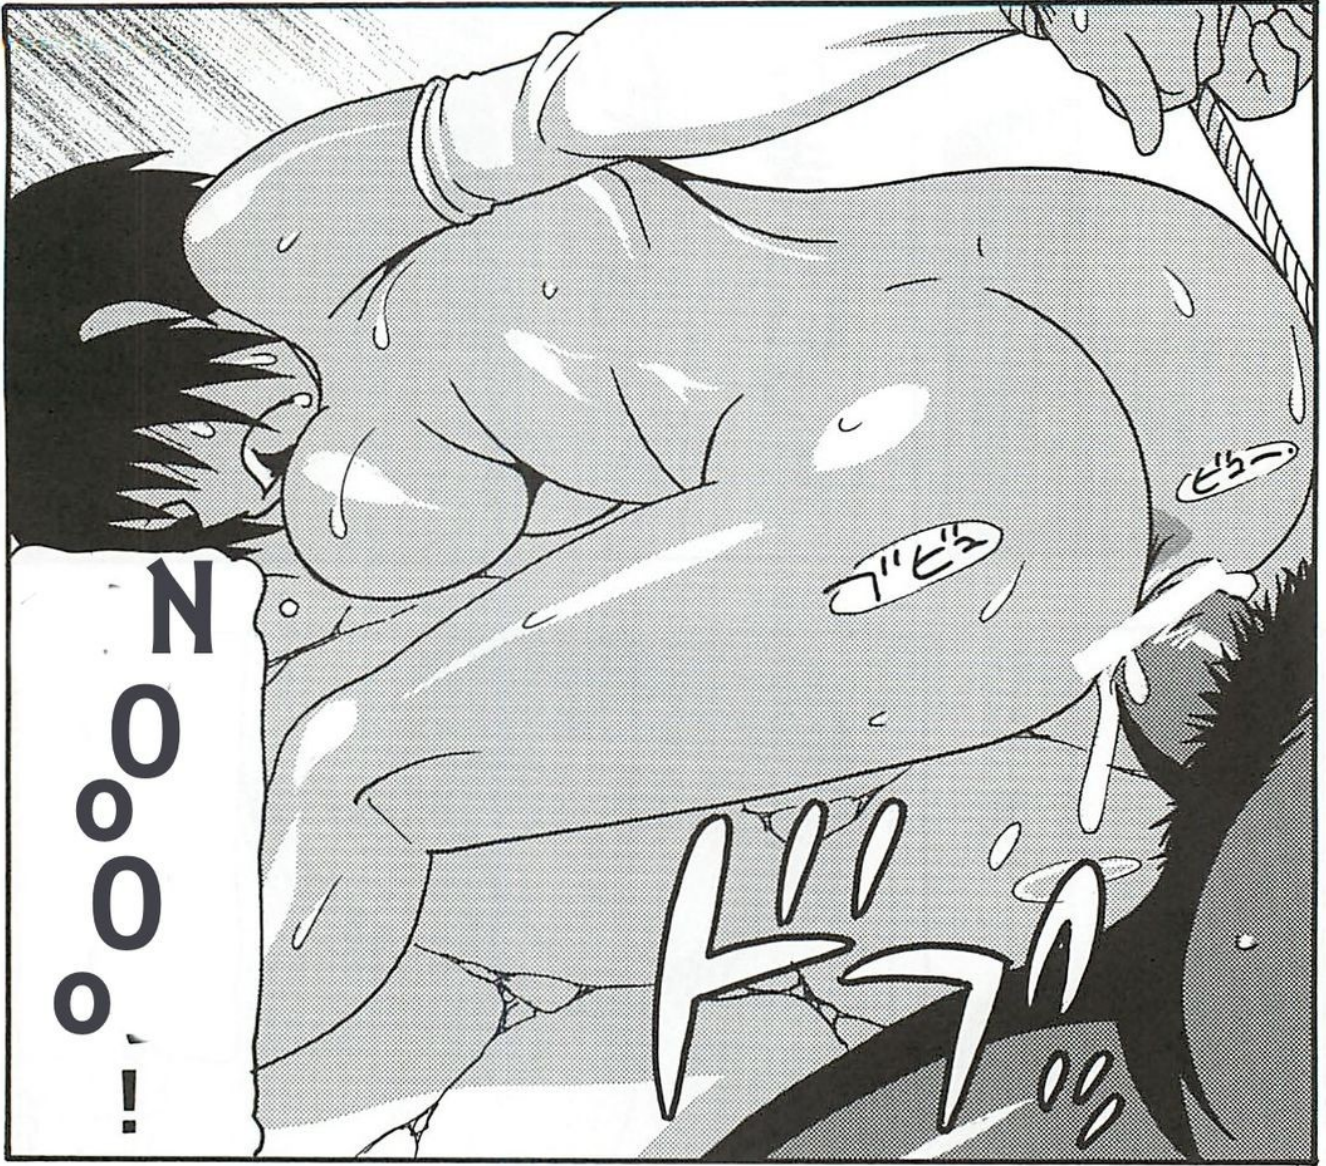

hmp

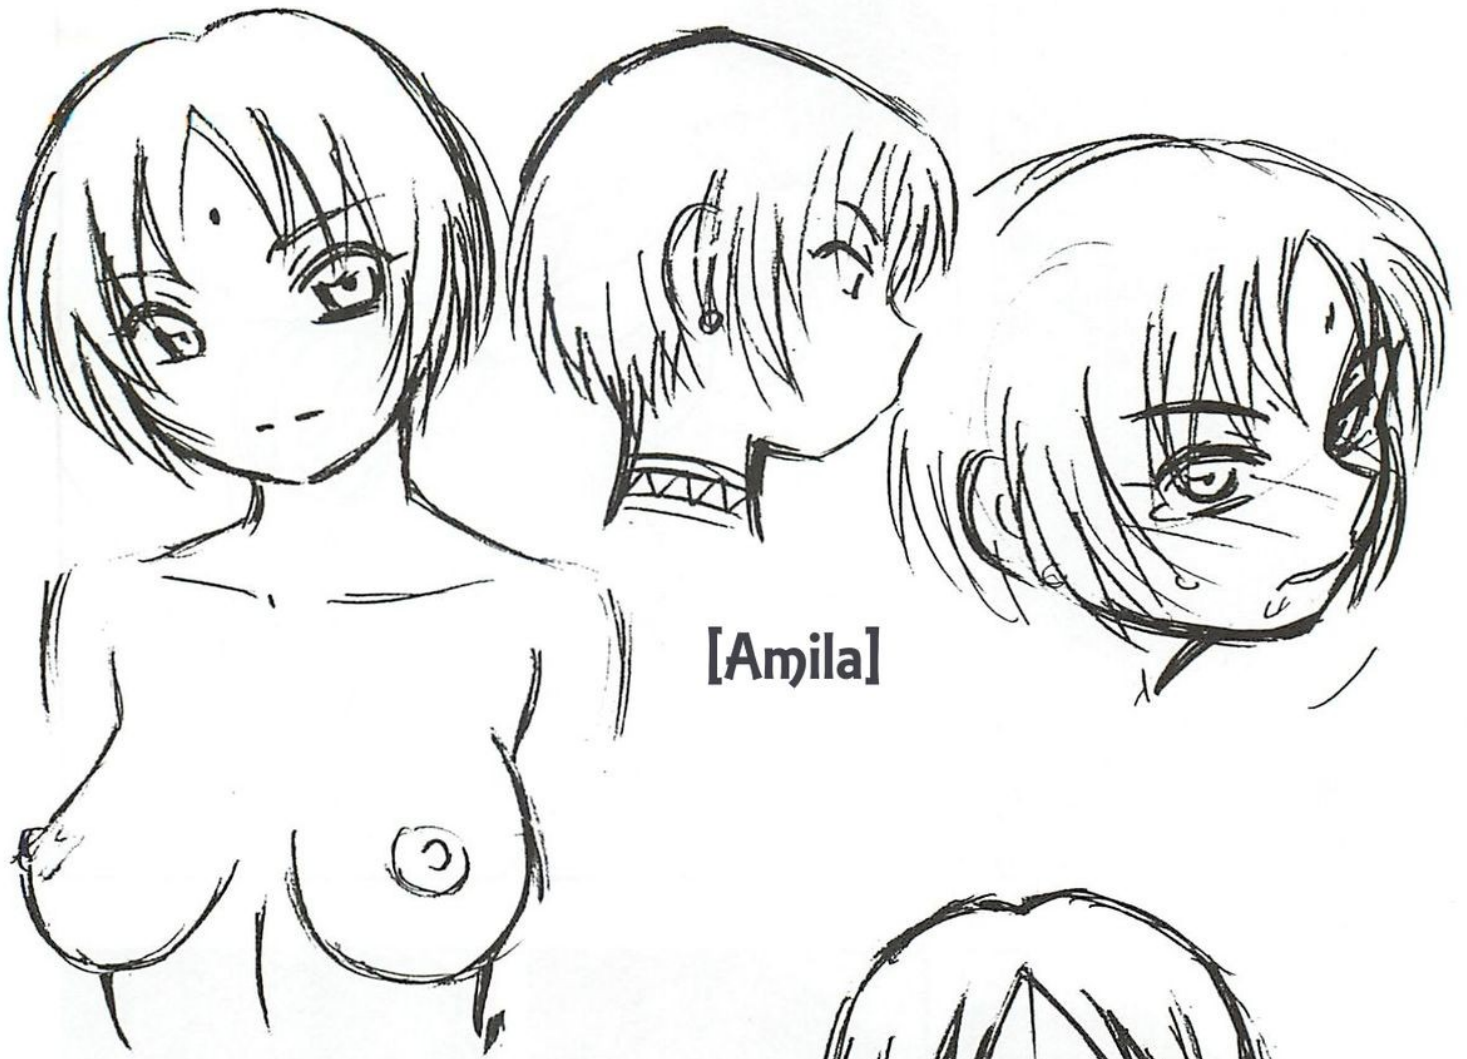

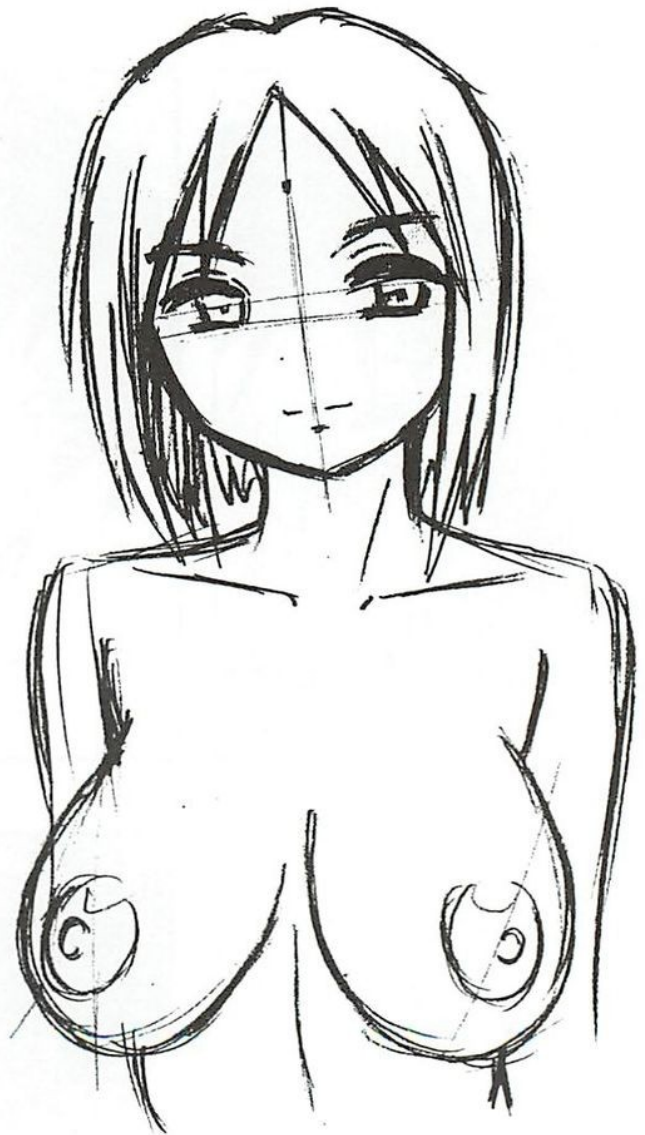

to be continued...

Your standard thanks from the original author, etc.

The fat guy apparently is from another fantasy work by O.R.I called "DOOLY" it's not on this site though, I checked, believe me O.R.I is one of my favorite artists. Most of his stuff is pretty much "normal" though, so I was REALLY happy to find this story with some dark skinned tribal women. There's not nearly enough tribal tatoos on this website.
