I was actually quite taken by this strap and was rather troubled over whether to obtain one for myself ...

It certainly would appear that way.

Matching straps!

...ha ha, looks like we were thinking the same thing!

4

Ah, but that's not all! This also happens to be the first instance of my receiving a present from you!

It truly makes me superbly elated!

Really? That's great!

I'm really happy to hear you say that ...

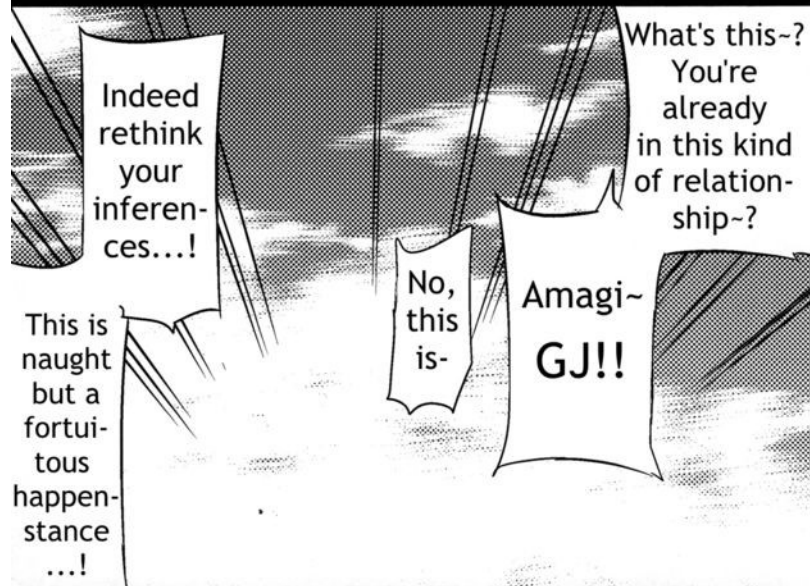

You
have my
deepest
gratitude,
Amagi-
kun

I shall
be sure to
treasure
it to the
utmost!

TL note: Misumi talks nothing like this

5

Indeed
rethink
your
inferen-
ces...!

This is
naught
but a
fortui-
tous
happen-
stance
...!

No,
this
is-

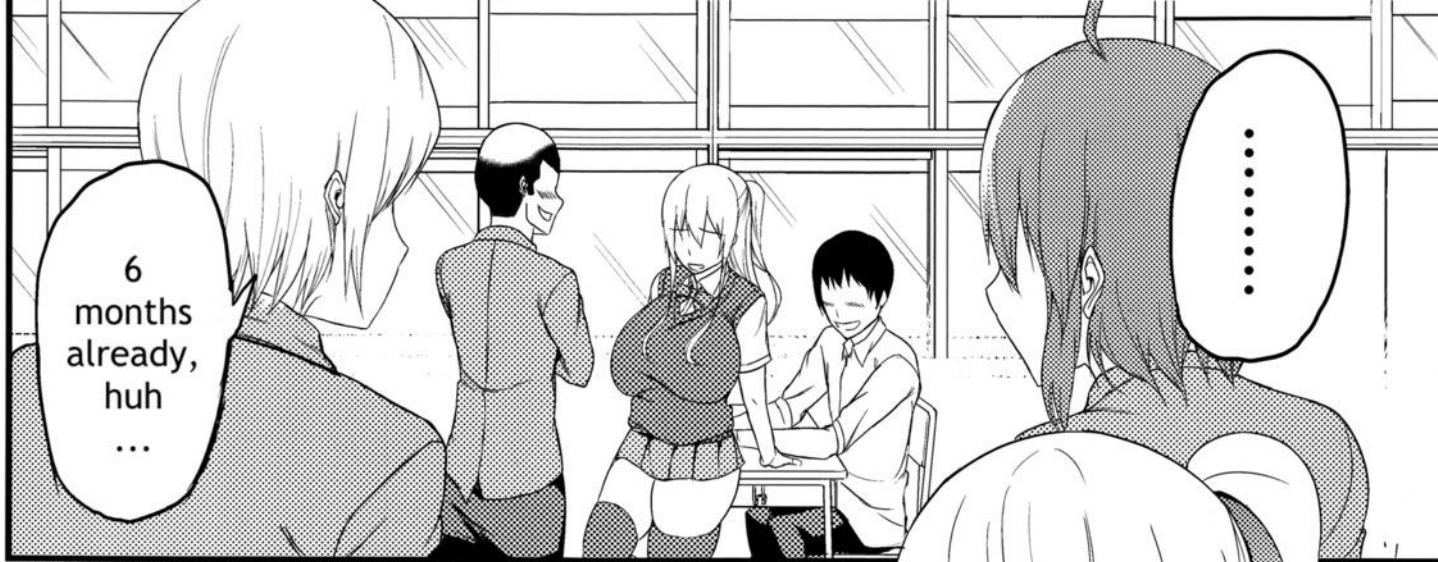

Amagi~
GJ!!

What's this~?
You're
already
in this kind
of relation-
ship~?

Oh hoh!
Sakkii
and
Amagi
spotted!

What's
happ-
ening,
you two?

Amagi-kun ...

N-no!

Who would-
♥
-with
someone-
♥
like you
♥ ...!

You still haven't told everyone?

That we're going out?

With their crotches bulging ...

Look, this crowd has been eyeballing me for a while now ...

This skirt is more like a belt ...!

Even desperately trying to pull the hem down, my panties are in plain sight...!

Thanks for waiting

Oh no ... It's like I really am a pervert ...

uuh ... I feel ... weird ...

Their stares... are turning me on...

MI-SUMI ... !?

... A- ... Amagi ... kun...?

Good afternoon, Amagi-san

I can't deal with this ...!

I'm lea-
--

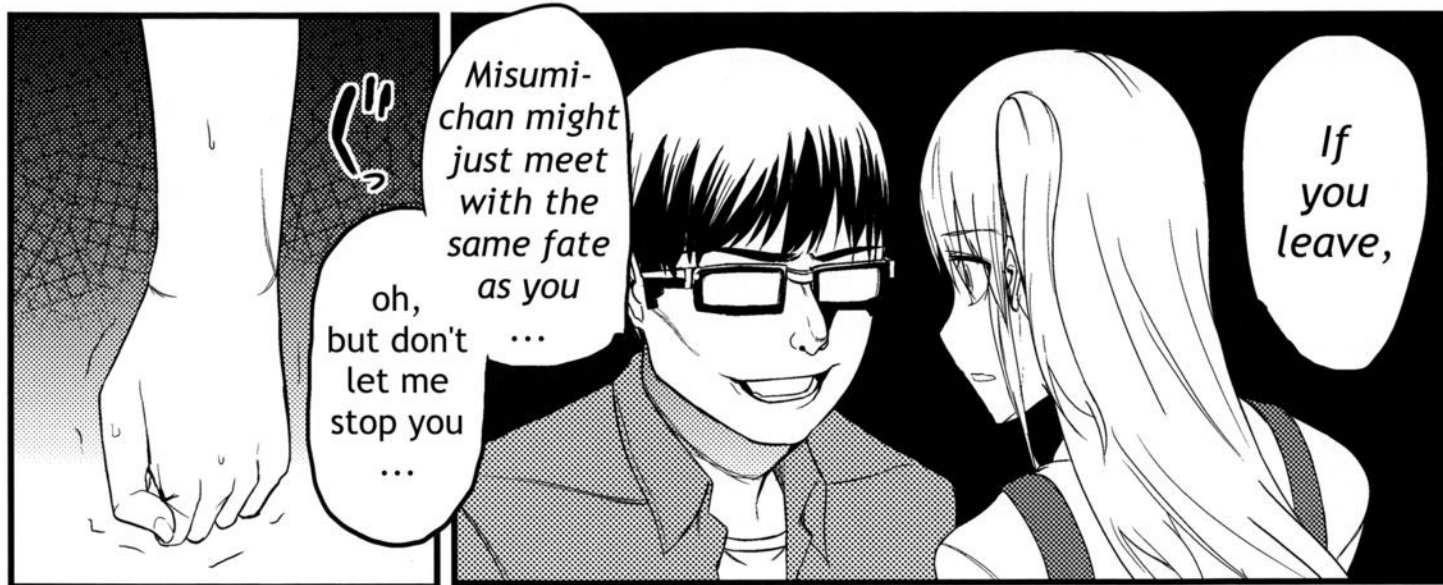

This is the worst ...

So I just happened to run into Misumi-san earlier, and I mentioned I was meeting you

She seemed eager to join so I brought her along. You don't mind, right? Right?

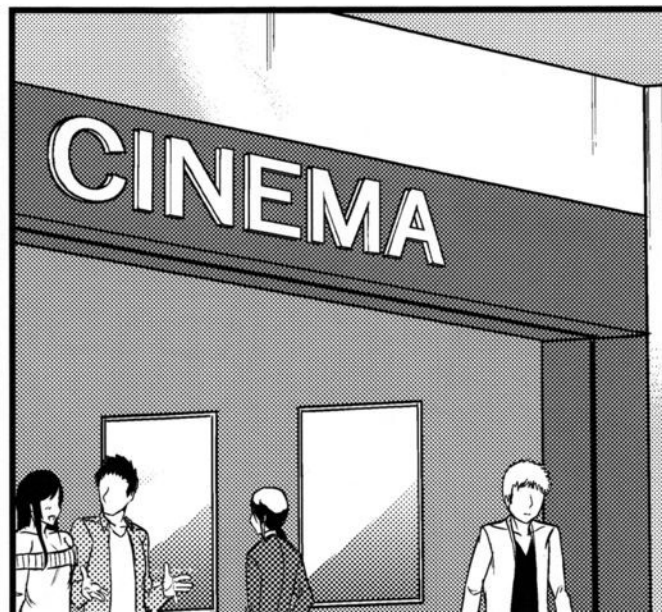

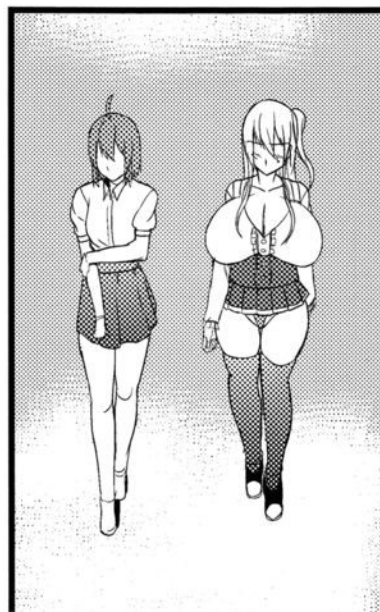

To be seen like this by Misumi, of all people ...

Misumi-chan might just meet with the same fate as you ...

oh, but don't let me stop you ...

If you leave,

... Shall we get going, then?

She
won't
even
make
eye
contact
...

...but I
couldn't
start a
conver-
sation
with Mi-
sumi at
all...

I don't know
if it's because
we've barely
talked lately,
or because
of this
outfit...

The strap
that I
gave you
...?

That's
just
how it
goes,
huh
...

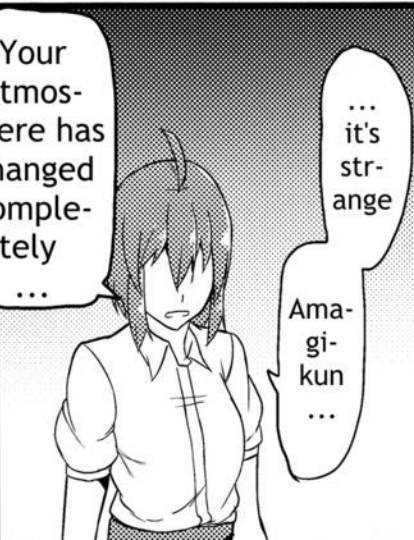

It's
not
surprising,
I guess
...

...
is that
...

Your at-
mos-
phere has
changed com-
pletely
...
and lately
you've
been wear-
ing nothing
but these
shameless
clothes
...

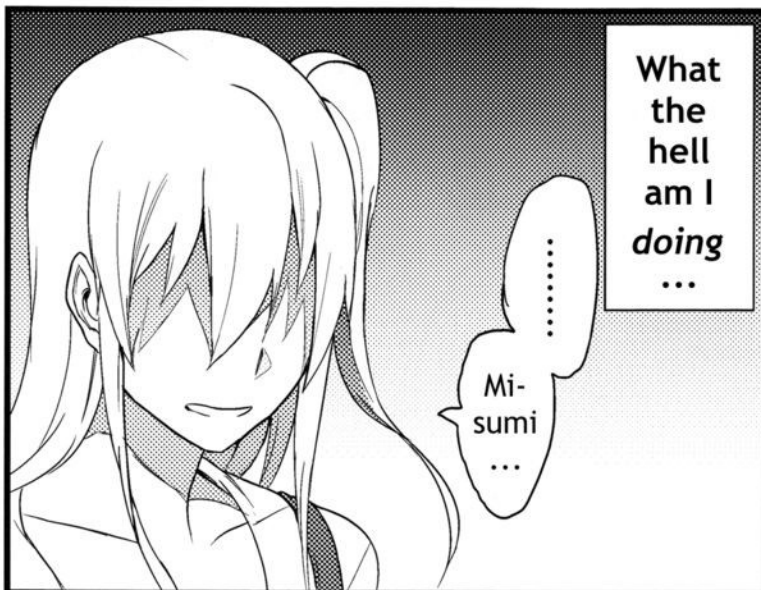

...
it's
strange
...
Ama-
gi-
kun
...

I've had
it on ever
since,
why do
you ask
...?

Um,
yeah
it is
...

ah
...
yeah
...

I think
the movie's
about
to start,
shall we
...?

Mak-
ing
her
worry
...

Making
Misumi
cry like
that...

So thanks
for worry-
ing about
me

but
I'll be
fine,
Misumi

I have to
end it!
This rel-
ationship
with him
...!

I can't
let her
worry
about me
...!

Come to
think of it,
didn't Mi-
sumi and I
promise
to see a
movie
before...?

Having it
somehow ful-
filled like
this isn't
ideal, but
I'm still a
little happy
about it...

Today's the end. I'm not going along with you any more.

Go ahead and reveal everything to Misumi. I'll expose all of your evil deeds to the world.

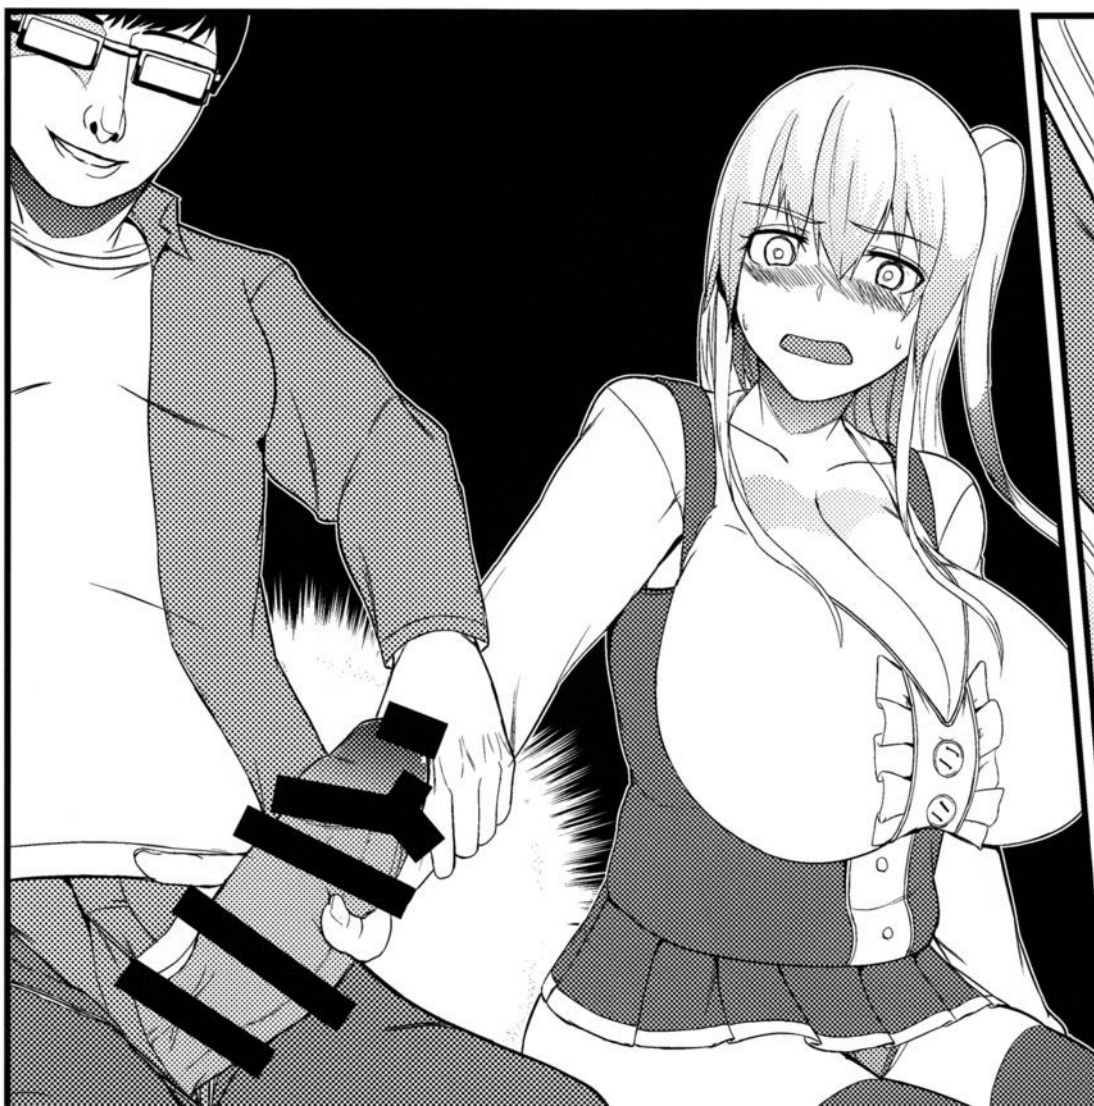

Shimotani

Kodama-chan... I think you've misunderstood...

If you even try to lay a finger on Misumi, I swear, I will never let you go-

That was just an excuse for you to do naughty things with me!

Wh-

What are yo-

This dick's exclusive cuttlefish stench that makes my womb quiver in anticipation...

The steady pulsing, the overflowing precum ...

This texture ...this shape... His dick ...!!

The stiff, vigorous penis that's violated my womb over and over...

You've barely touched my cock yet you're entranced ...

What happened to all that bravado just now, hm?

sto- ...

!What the hell am I thinking about...! Come back to your senses...!

I decided... To not throw away my manhood ... So...

And since today's a date, I've been saving it up for you all week! ...

don't say it ...

shut up ...

You wore such sexy clothes for me, I just can't tame my raging wookie!

I already decided when I saw Mi-sumi's crying face...

You've really changed, Kodama-chan ...

Begging for it yourself, then cumming as soon as I slip it in ...

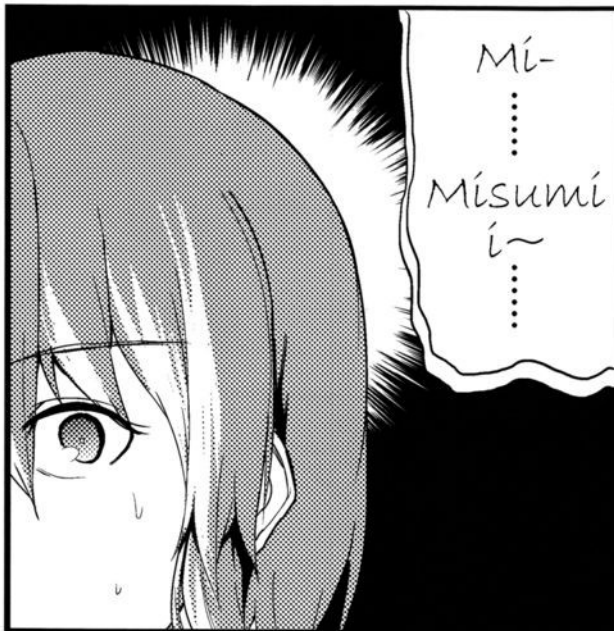

How have
you been
since then

Feeling any
better?

I was still
worried
about you
so I left
early...

When Shimotani whispers my name into my ear... my heart starts racing...

When he treats me as if... I'm his... his lover ...

This is... weird ...

Ko-dama-chan, I'm coming inside ...

Catch it all with your uterus, okay?

Even Misumi's smile never made me feel so...

It's too weird ... I'm so elated ...

It's no good ... I'm ...

I'LL CUM COMING I'M CUM COMING

SHIMOTANI RUNN !!

With
this much

A note on pronouns for anyone who cares

Skip this if you already know your Japanese pronouns

If you're somewhat familiar with Japanese, you should be aware there are a bunch of ways to say "me." Those relevant here are; 私 - わたし - watashi is the standard, but men only really use it in formal situations, and especially not high school boys. Most women and girls use this.

俺 - オレ - ore is masculine and dominant.

For most of these books, Kodama-chan uses ORE to refer to "him"self. However, on page 19, she starts to say WATA- but quickly corrects himself so he can be more manly about begging for dick. However, from this point on she always uses WATASHI for her internal and external dialogues. It also slips out while she's screaming on page 8. This is of course a major mental turning point for Kodama-chan, but I have no idea how to translate it.

Love, pinluc
