

I-Im sorry.

I guess you don't like it...

So I just tried wearing it...

Y-yesterday, you called me cute, oniichan.

N-no... It's really cute...

I have a second request for you...

Um... There's something more...

R-really? I'm glad!

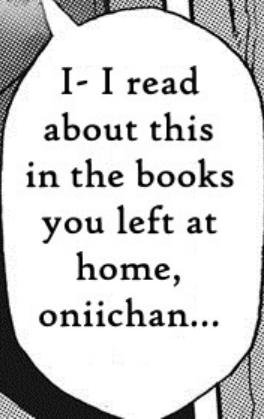

But about
you wanting to
have sex with me
as your second
request...
Just where did
you learn about
these things?

People rarely
