Yaaay!  
It's the  
summer break,  
the summer  
break!!

No way,  
it's too  
hot!

Onii-chan,  
let's race  
to the station  
like this!

Hey,  
Takahiro.  
Stop running  
all the time.

No, it's  
not really  
that.

Did you  
always  
like summer  
that much?

Why  
are you in  
such  
high spirits  
anyway.

I will use this summer break to train onii-chan into a healthy human being.

But isn't it interesting to spend time in a place that you rarely visit?

My big brother has an illness.

Mm, I suppose.

An illness that causes him to have sex with anyone, anywhere.

Is it really that much fun, going to grandpa's place.

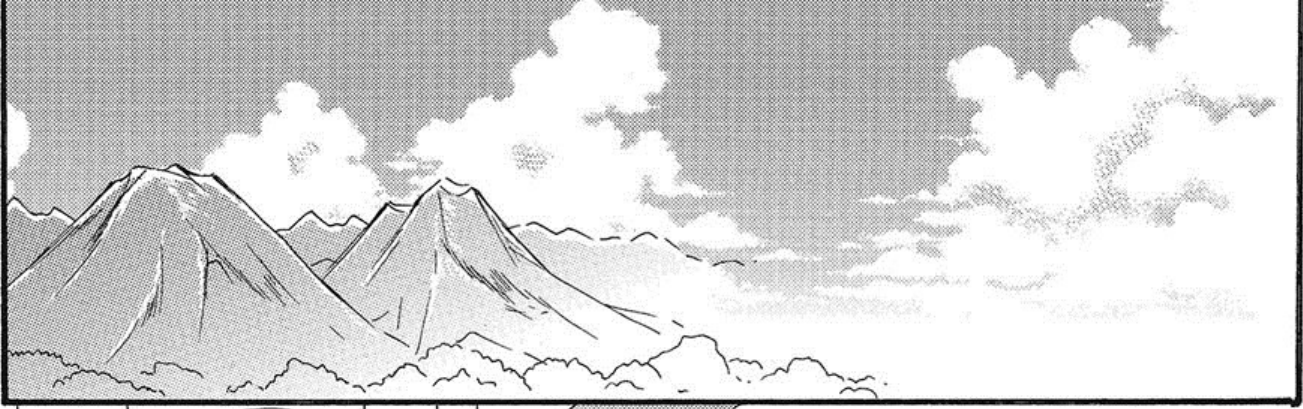

It does seem kinda interesting.

The healthy air of the countryside will help fix onii-chan...

A summer romance with a rough man from the countryside...  
♥

How is grandpa doing?

Makoto-chan, it's been a while~ ♡

We're all doing great.

He~y, big bro, Takahiro-chan!

B-big bro.

Huh? Did you grow taller than me?

It's true, you're bigger than Takahiro now.

You think so?

Y-  
Yeah,  
I was...

Were you  
a good boy  
like I asked  
you to be?

Yeah,  
we're  
coming!

Leave  
your bags  
behind, and  
let's go  
to the river!!

Alright,  
that's a  
good  
boy!

You guys,  
don't go  
too deep.

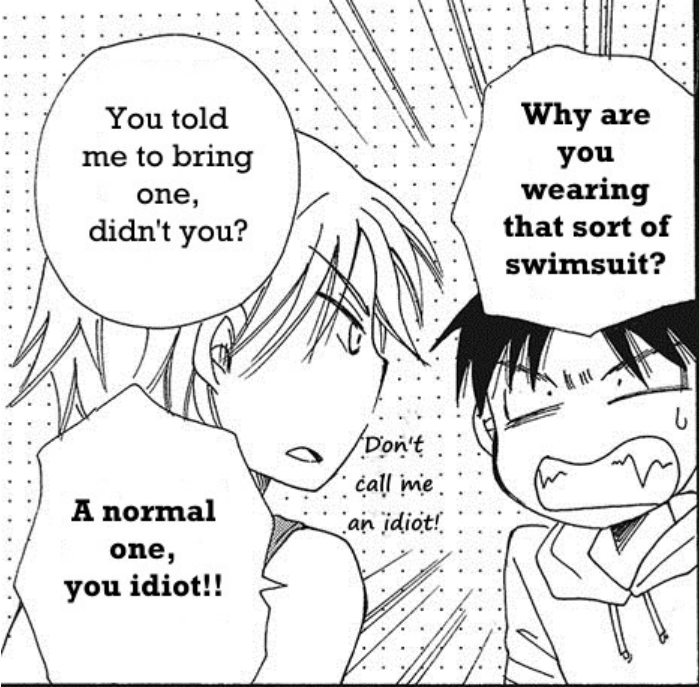

Ah  
Onii-  
cha...

You don't  
find this  
sort of  
place in  
a city!

Wow,  
it's so  
beautiful!

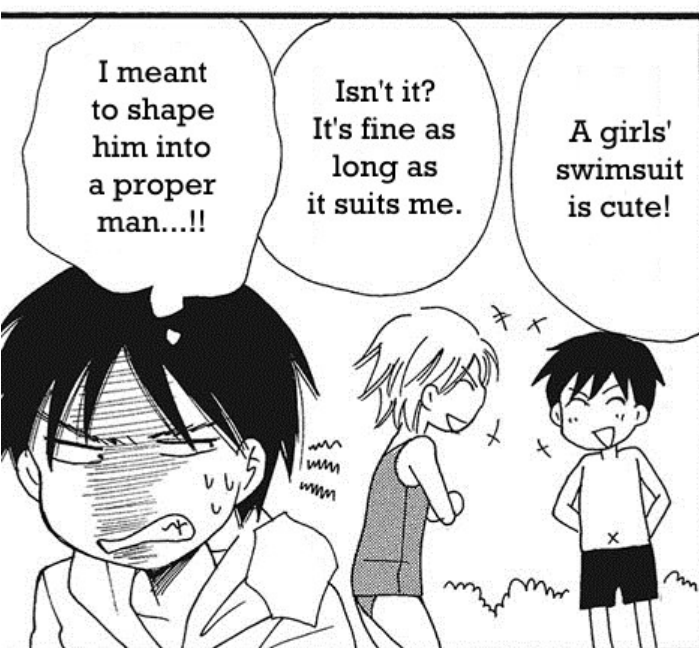

You told me to bring one, didn't you?

Why are you wearing that sort of swimsuit?

A normal one, you idiot!!

Don't call me an idiot!

I meant to shape him into a proper man...!!

Isn't it? It's fine as long as it suits me.

A girls' swimsuit is cute!

The riverbed is slippery after all.

Brother, you idiot !!

It wouldn't surprise me if you wore that even as an adult, onii-chan.

That's why I have to use this chance to wear it.

What are you even saying?

It's only a matter of time before this stops looking good on me.

75462

Guess I have to give you a reward then.

I did it by myself, just like you told me to do, big bro.

I see.

It peeled all the way back.

Let's play watermelon splitting.

But while we're here, I might as well enjoy it to the fullest.

Sure, I'll do it!
