A black and white manga panel depicting a scene of sexual harassment. In the foreground, a young girl with dark hair in pigtails tied with bows is shown from the chest up. She has a distressed expression, with sweat drops on her face and large, prominent breasts. Two hands are reaching in from behind her, one resting on her upper back and the other on her buttocks. The hands belong to two men whose faces are partially visible at the top of the frame; they have thick eyebrows and are wearing headbands. Speech bubbles contain dialogue:

- Top left: "YOU MEAN YOU'RE 'CUMMING', RUI? MY DICK'S GONNA MAKE YOU CUM!"
- Top right: "Some-thing's coming.♡ It's surging up from deep within my body..."

Large stylized sound effects like "はん" (han) and "ぽん" (pon) are scattered around the scene, emphasizing the physical contact.

A black and white manga panel depicting a scene of sexual harassment. In the foreground, a young girl with dark hair in pigtails tied with ribbons, wearing a light-colored dress with a large bow at the collar, looks down with a distressed expression. She has sweat droplets on her face and chest. Behind her, a man's torso and arms are visible; he is wearing a dark tank top with Japanese characters and a wristwatch, and his hands are placed on the girl's buttocks. Two other men stand behind him, their faces partially obscured by speech bubbles. The background consists of vertical lines suggesting a wall or fence.

YOU MEAN YOU'RE "CUMMING", RUI? MY DICK'S GONNA MAKE YOU CUM!

Something's coming.♡ It's surging up from deep within my body...

If I experience something like this, I'll get addicted to sex! ♡

What? This is cumming!? Cumming is...♡ amashing!♡ I'm cumming! I'm cumming! ♡

Hey guys,

This is Jacob from FAKKU, I wanted to politely ask if you could stop releasing the MEME50 chapters. They will actually be released in a book early next year and we will be publishing it.

This is not a demand or anything you are free to do what you want, but we would appreciate it.

Support the artist! Meme50's Lust Alert, coming soon to FAKKU!
