Original Girls Love Comic

Maika-senpai and I work together.

We're both girls, but we're secretly going out.

That was my plan, but...

so I was going to buy a limited edition accessory from her favorite brand and give it to her on her birthday.

She's always helping me out. I wanted to thank her,

I tried my best, but it was closed yesterday...

123...

I didn't think we'd have to do overtime this week.

The plan was for me to visit the store on my way home.

Hm?

まのん

It's cute how she's being so fussy about my birthday. ♡

But I wanted to give you something for your birthday today...

Hm...

Oh, that's what happened.

Thank you, your feelings are enough for me.

I don't really care about birthdays, so don't worry.

Or rather, I'm more excited about our date next week! ♡

Ah!  
Senpai-

Just can't fool you, can I, Aoi-chan.

gulp

mn...  
♡

I held back since we'd be doing it so much over the weekend, but-

How can I resist if you tempt me like that?

mn...  
♡

ah!

So cute!

You came from just having your boobs touched, didn't you, Aoi-chan?

the end

Hello there, this is Mira.

I wanted to draw a lot of boobs,  
so I tried drawing the office ladies from  
"Copy Room Play" again. (Comitia February 2014)

It is a sequel, but both books are all about the sex, so nothing really  
happens. Feel free to read this without reading the prequel.

I was really planning on ending it here,  
but my hand went and churned out another draft on its own,  
so there's nothing I can do about it.  
Blame it on Maika-senpai's endless sex drive.

It didn't end with just nipples.

(TL note) Dorayaki is like an ice cream sandwich except the ice cream is bean paste and the cookie is pancake.

No, it's tasty.

It's from a famous store in my neighborhood...

You don't like the dorayaki?

?

No, I was thinking about...

so don't think about work when we're together, okay?

We were finally able to get a break,

What if I stimulate your cl\*t on top of it, like a three-point technique?

After confirming that your cl\*t gets aroused when when your nipples become sensitive...

ゴクン

モグモグ

Your cl\*t...

I'm sorry. I have no idea what you're talking about.

Wouldn't that be an amazing sight?

**Yeah, that's right!!**  
Making you feel good is my purpose in life!

Now she's biting back!

Is that all you think about?

Why are you thinking about something so indecent during afternoon tea?

I love you, Aoi-chan. ♡

mmm

Mm

Geez.

Maika-senpai...

And she's so straight-laced at work,

I really don't have a choice, do I?

I really

love you, Aoi.

This again...

I'll do anything.

Really? Anything you want in particular?

I'll let you have some time, then.

...Oh?

Tell me. ♡

N-No, I'm not!

I said I'm not!!

So, you're thinking about it.

Senpai's tongue is so soft and warm...

It feels so good!

Ah... Ah ♥ N-No, you don't...

You want it, don't you. Your pussy's sucking me in. ♥

And it's throbbing, inside and out.
