What are you saying!

He slept with you yesterday! Today's my turn!

Onii-chan, Heyo, hey sleep with Yuzu~~~
♡

It turned out that I ended up in a relationship with both my little sister and cousin

If I were to say how it turned out...

Together... I got it! Let's sleep together, the three of us! ...how's that sound? Then,

Ee-eeh?

Pick which one of us you'll sleep with tonight!!

Wait a sec!

Is it no good?

Doesn't onii-chan prefer being with Yuzu?

Eh~ I guess you're right, but~~

That is to say... it looks like my sleepless nights will continue into a sleepless summer.

...works for me.

Yay~

Ah ♡ That's fine~ ♡

EH!
Seriously?!

The End

Thank you for reading this till the end.
How was 「Together with YuzuMatsu」 ?
There are parts where it diverges from the game, but if
you were able to enjoy it, I'm happy.
I hope you'll enjoy these two from here on out as well.
