冬といえばお正月
お正月といえばはんとおこただー!と思って描こうとしたものの
去年もおとしもそんな漫画を描いたことに気付いて中止

ナギサちゃん

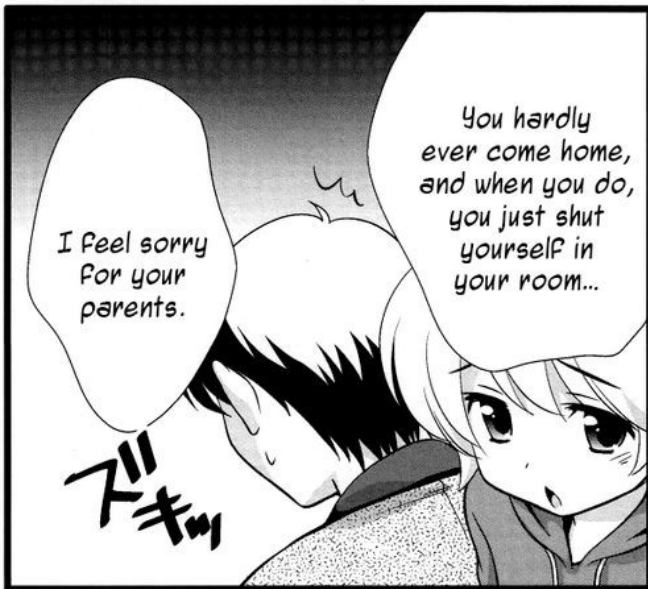

しいい

おとな

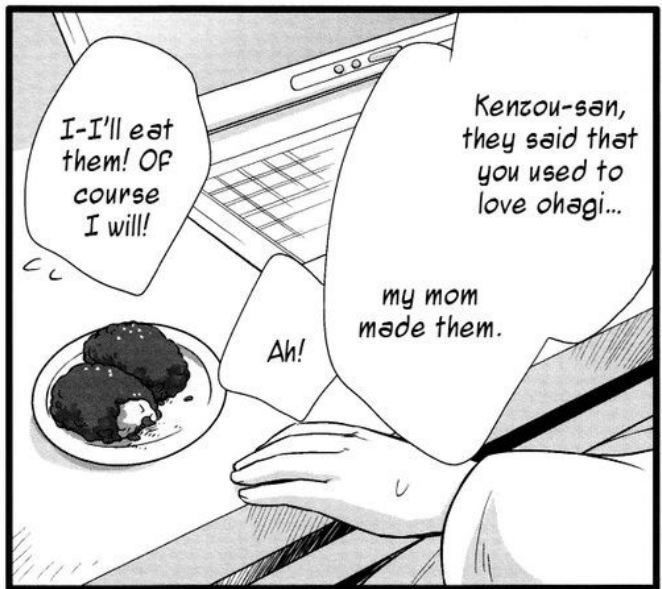

この本は「成人向」です。

I feel sorry for your parents.

You hardly ever come home, and when you do, you just shut yourself in your room...

I-I'll eat them! Of course I will!

Kenzou-san, they said that you used to love ohagi...

my mom made them.

Ah!

You used to be more interesting than this.

Phew.

I DON'T ENJOY BEING LIKE THIS EITHER,

YOU KNOW...?

Ah!

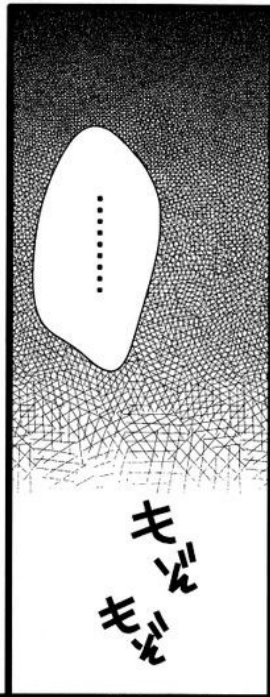

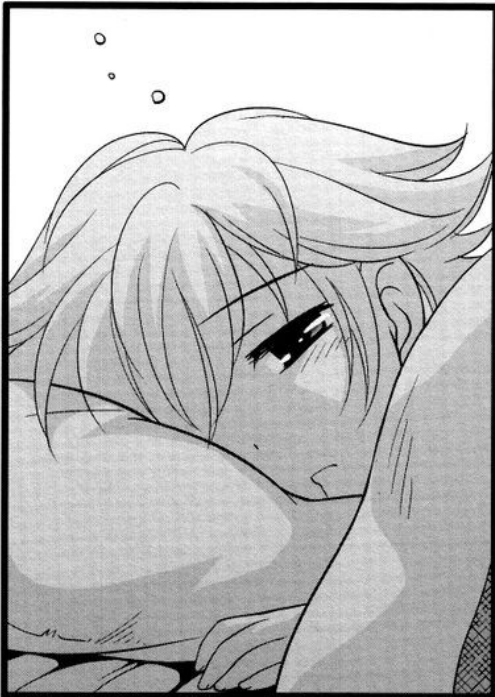

Don't cry, Kenzou-san!

...

AH...
BUT...

It's not my fault.

I haven't done it in a while!

ひびく

Kenzou-san, you're masturbating!

Keep your voice down!

You're masturbating!

What are you doing?

No,

sh...

t-this is um...

Ah!

I SEE...

SO HE'S REACHED AN AGE WHERE HE KNOWS ABOUT THIS STUFF, HUH?

I-I get it, so be quiet!

Hey...

Wow!

I'd love to see you ejaculate, Kentou-san! Show it to me!

わんわん

Ohh...!

わん

...

わん

わん

わん

Muhhh...

Should I help you?

Don't touch me!

は!!

It's taking a while for you to cum, isn't it?

It's because this isn't the ideal situation...

That's...!

Here, you can touch them!

C'mon!

!?

Ah, I know!

Wanna see my boobs?

お尻

Ahhh...

!

Wahh!

Wah!

Wah!

Ken-...

Ken-...

Haa!

Are you feeling a bit better now?

y-yeah...

Kenzou-san!
Kenzou-san!

アッアッアッ

.....

アッアッアッ

I feel so guilty...

It's because you didn't wipe it right away...

Huh?

Kenzou-san,

My boob's tingling...

IS THIS OKAY!?

Liar!

let go of me!

it's just that I've been busy and haven't had a chance to let it out...

No, this is...

It's because you like boobs, isn't it? I'm going to stroke it!

IT'S JUST A PROGRESSION FROM WHAT WE USED TO DO AS KIDS. YEAH...WHEN WE WERE KIDS, WE USED TO SHOW EACH OTHER HOW WE MASTURBATE!

So I'm still safe! Sa-...

Can I lick it?

Kenzou-san,

Safe...?

Um,
you shouldn't really be doing things like this...

I saw this in a book.
I'll do it to you, Kenzou-san.

WAH!
Your dick just twitched!

Mmm!

Is this good?

y-
yeah...

My jaw's going to get sore.

What if I rub you like this...?

I still don't really get how to do it...
I know!

Kenzou-san, since you like boobs...
Ahh!

Ahh...
Does this feel good?

Ha,
that feels funny...

Mmm...

Hey...
stop that!

That's amazing
Kenzou-san!
You've cummed
again!

.....
I might
need to
cum even
more...

What!?

HYA
HHH
H!

カッ
カッ
カッ
カッ
カッ

カッ
カッ
A-
anyway!

T-that's
a long time
for me,
you know!

.....

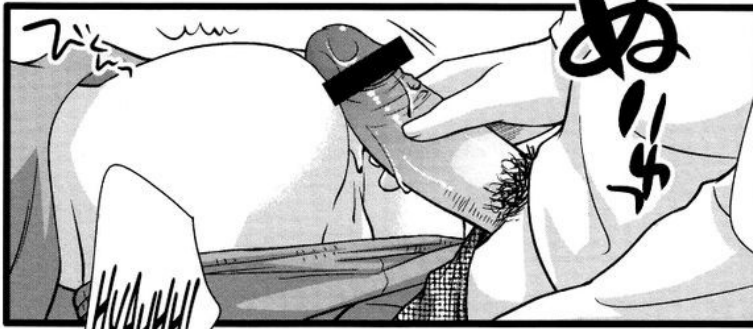

How long
were you
holding it
in for?

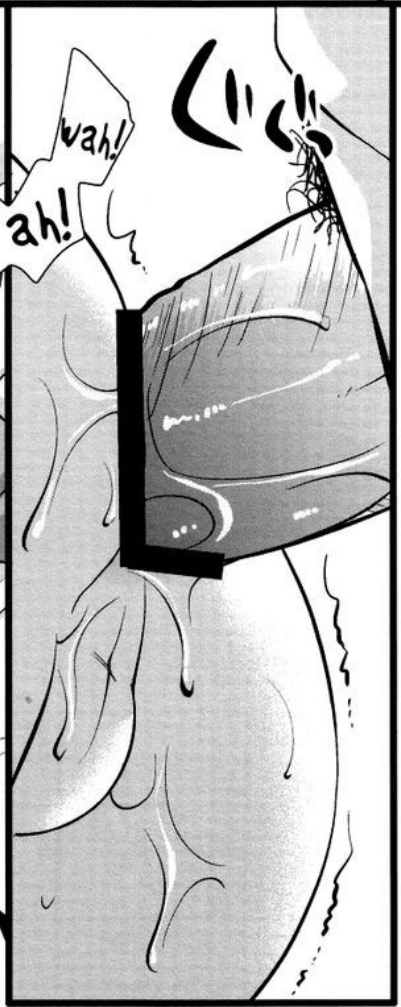

About a
week.

Huh?

You were
the one who
seduced me,
alright?

IF you... touch my boobs again...
won't it make you cum?

Ken-...
Mmm!

FUU!

Ugh!

Your dick's getting even bigger than before...?

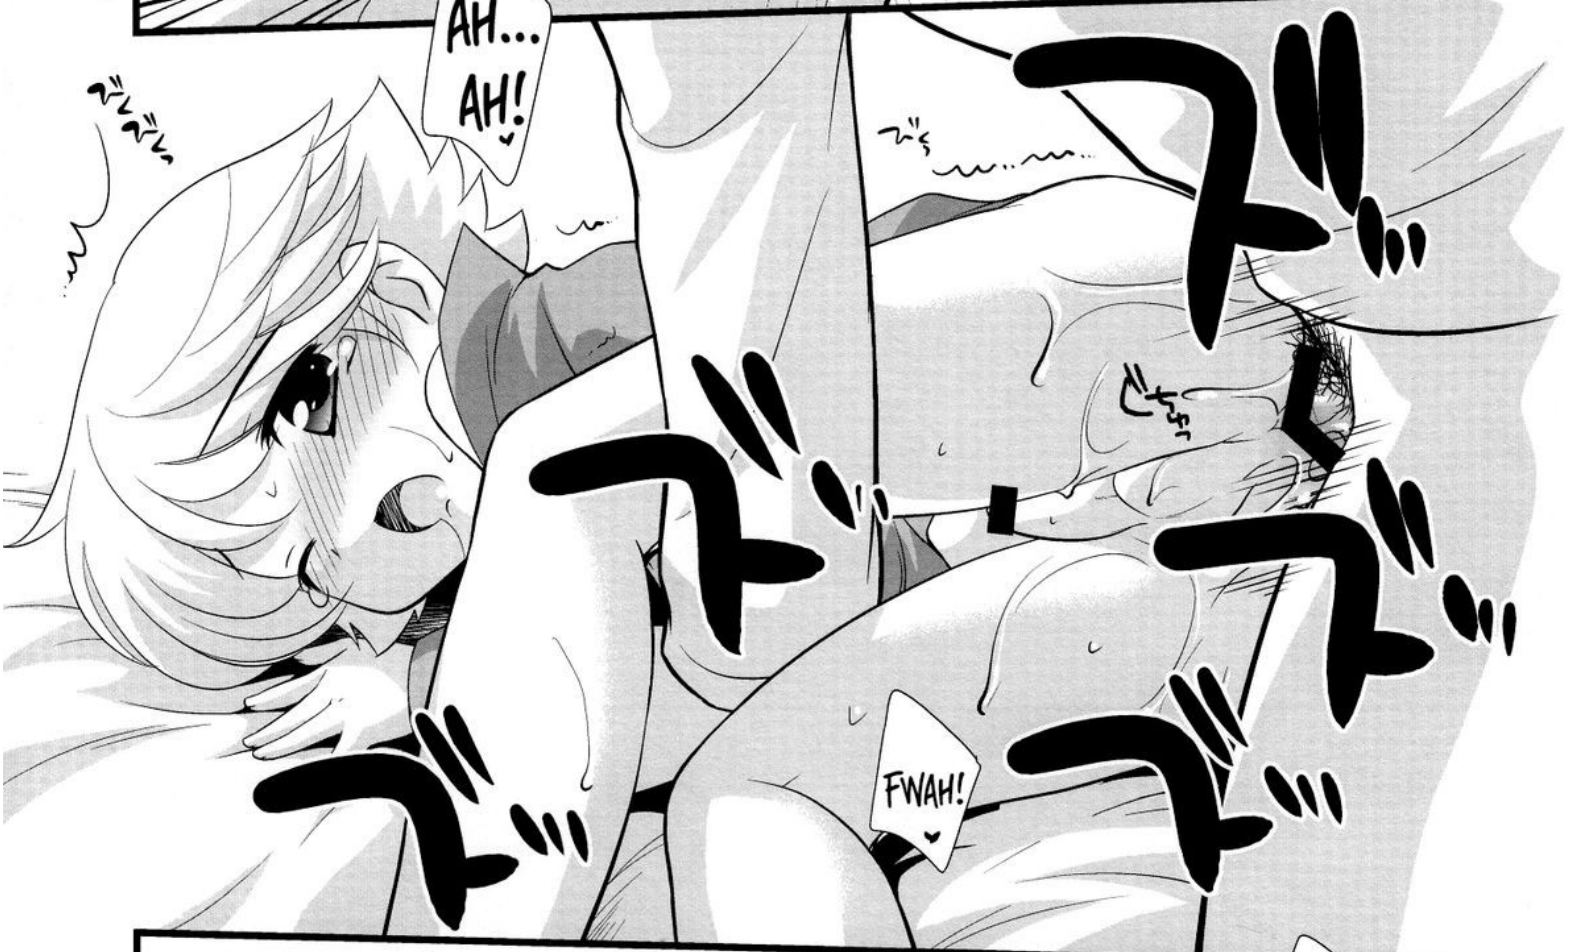

チリチリ

But...

AH!

I should be able to last a bit longer this time.

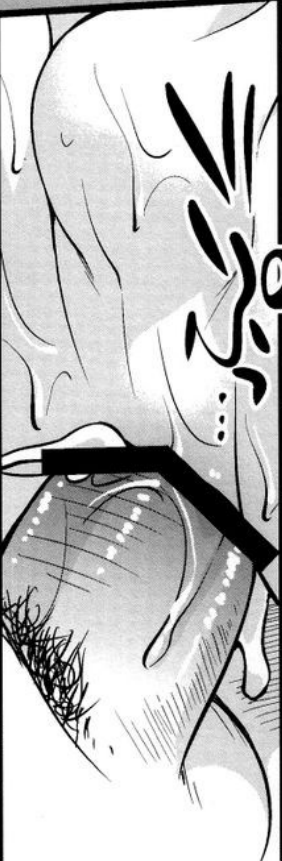

AHH!

No... not like that!

I'm gonna...

Ah, it doesn't matter anymore.

Will you finish your work in time?

Kenzou-san,

*kinako!

Look.

*roasted soybean flour.

I'll lose my job, but staying close to your parents counts as taking care of them, right?

We'll be having sex every day!

Yay!

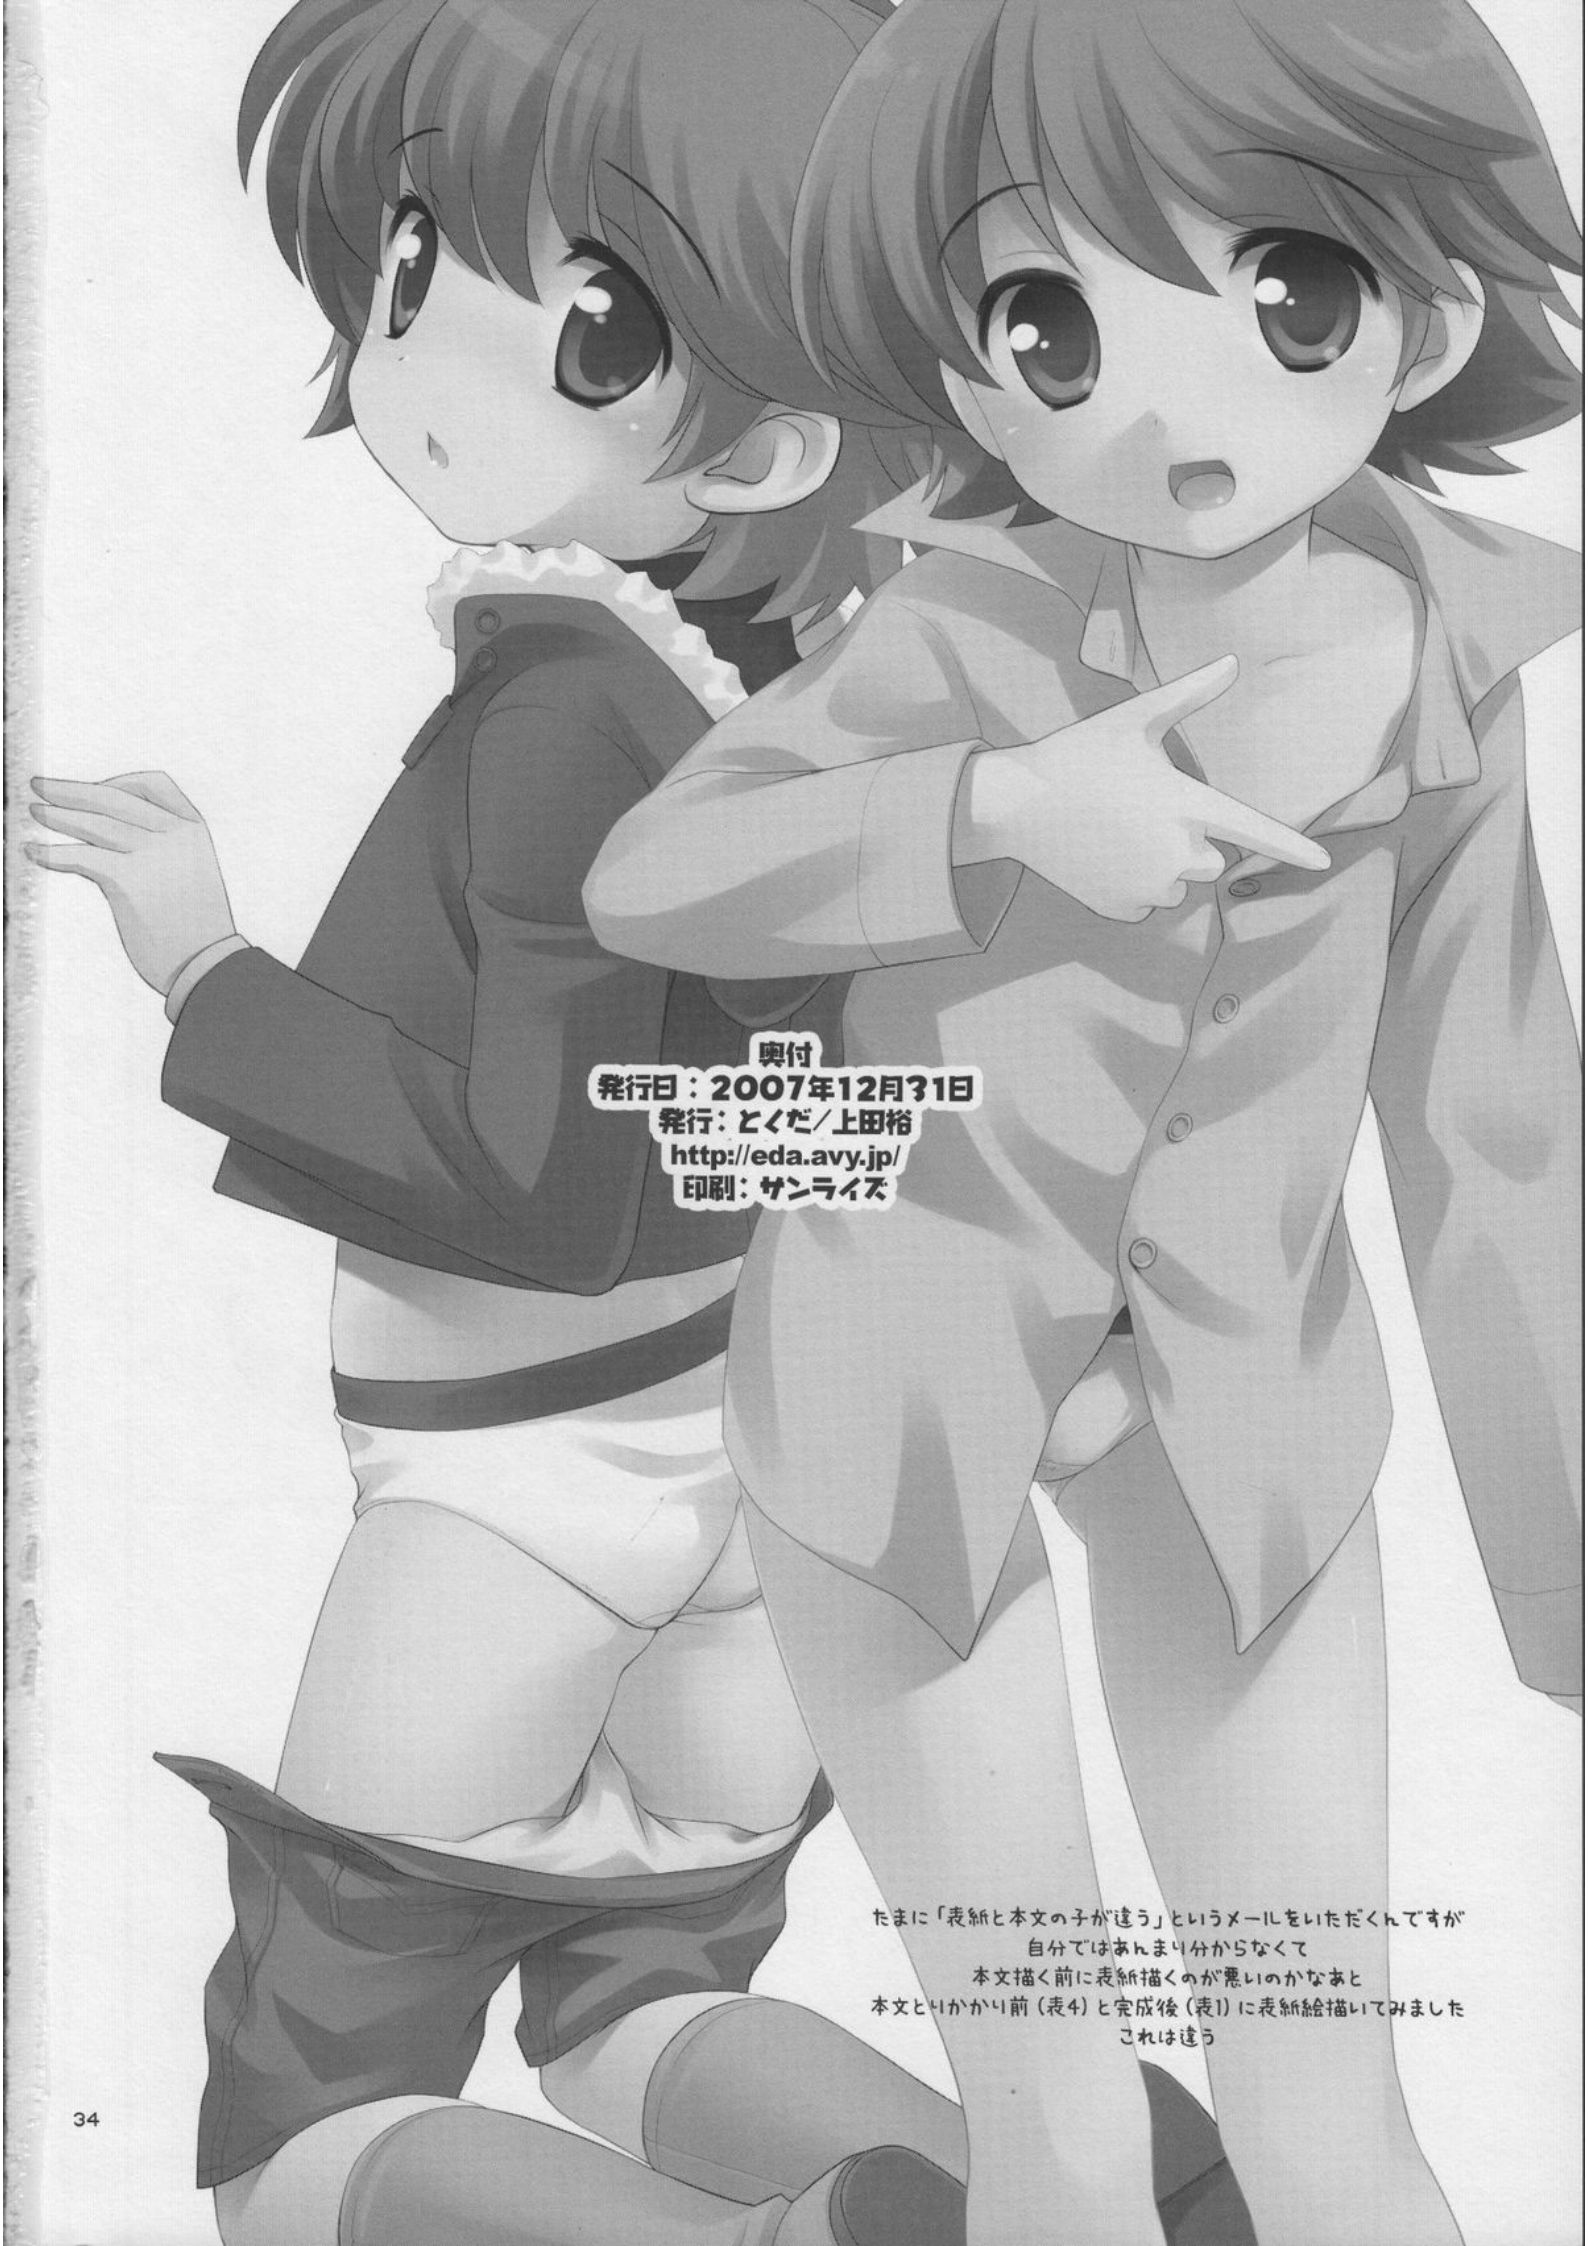

Really!?

I'm going to quit my job and move back home.

Hahaha!

You've returned to being the old KENZOU-SAN!

I'm gonna live an idle life!

たまに「表紙と本文の子が違う」というメールをいただくんですが
自分ではあんまり分からなくて
本文描く前に表紙描くのが悪いのかなあと
本文とイカかり前(表4)と完成後(表1)に表紙絵描いてみました
これは違う
