

I thought a
thrown away
toy had less
value than a
bought one.

That's why it didn't matter if I
broke one and threw it away...

WHAT HAZABA, YOU DIDN'T GO OUT AND EAT WITH EVERYONE ELSE?

I SEE ...

NO, I'M RUNNING LOW ON MONEY THIS MONTH SO I GOT A PACKED LUNCH FROM THE CONVIENCE STORE AHEAD OF TIME.

I had been avoiding being alone with him ever since that trip.

Was what happened a dream or reality? That pleasure I felt was so amazing I couldn't get it out of my mind.

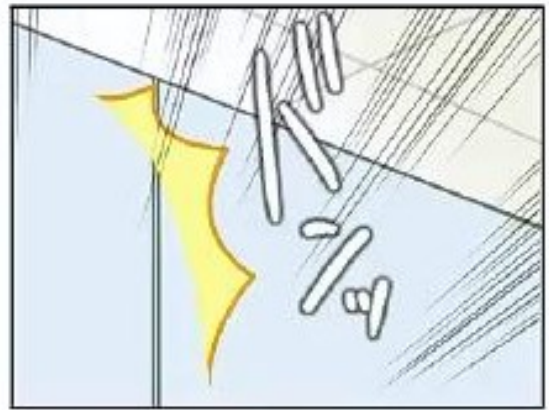

He's looking?

I bet
that what
happened on
that night
was real!

I picked
up a toy.

After that day every chance I could find I had Hazaba suck me off.

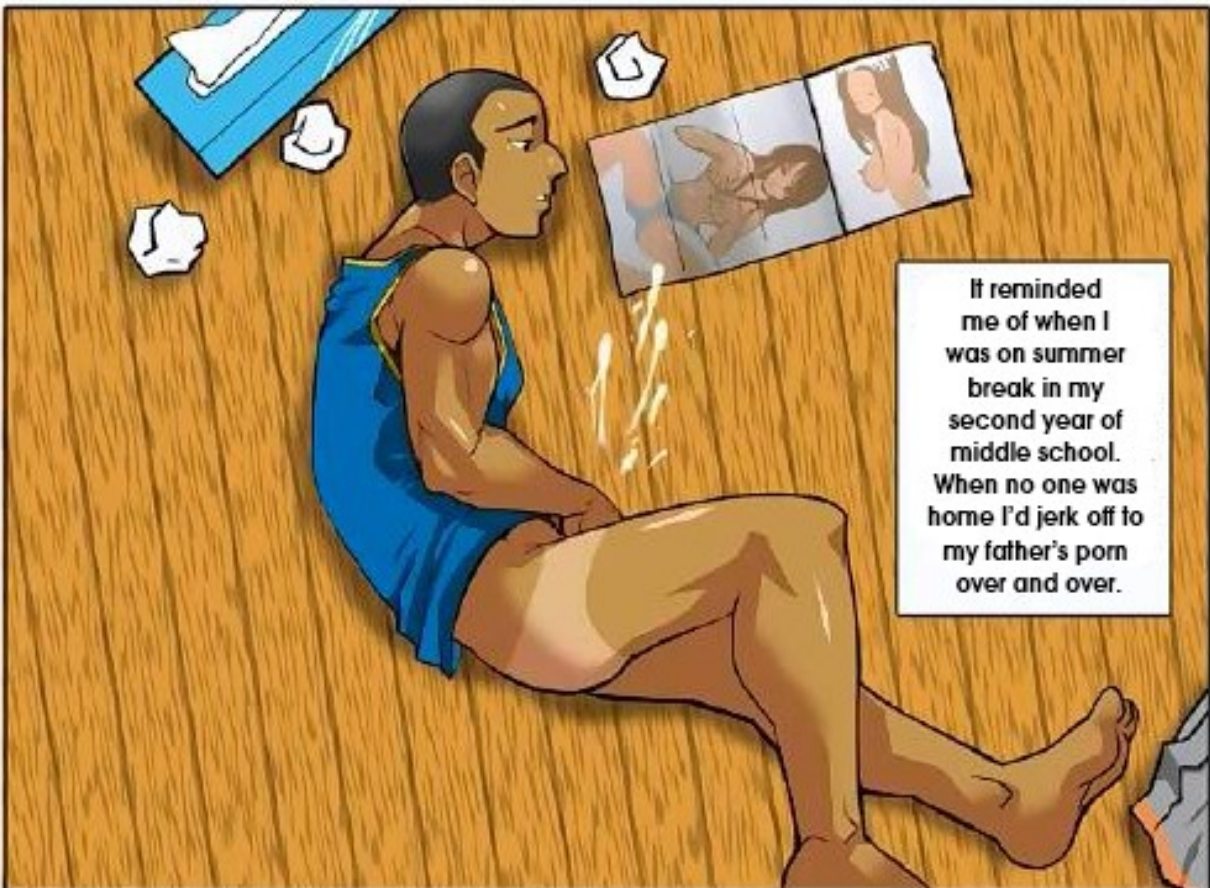

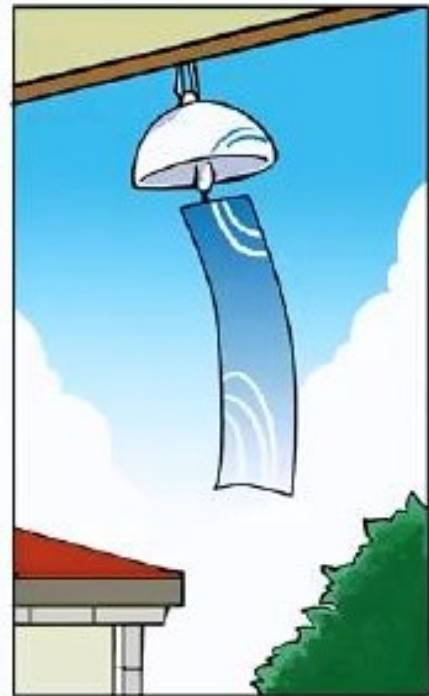

During lunch break or overtime, that same toilet.

Because it was at my company, because he was subordinate because he was a man, all of these abnormal conditions only aroused me even further.

It was more convenient then spending my money on an expensive woman.

It was as if I was a middle schooler who had just learned how to jerk off.

It reminded me of when I was on summer break in my second year of middle school. When no one was home I'd jerk off to my father's porn over and over.

Normally I acted
my part as the
good boss, the
good husband,
the good father.

But in hiding
I used my
subordinate as
an outlet for my
sexual desires.

But eventually
I became
used to this act
and the thrill
of it all began
to fade.

With the excuse
"feeling guilty"
that I told myself
I justified fully
ending this
relationship I
had all together.

At first it was
everyday then
it went to three
times a week and
now its at around
once or maybe
twice a month.

EVERYONE LISTEN
UP I'D LIKE TO
INTRODUCE
SOMEONE WHO
WILL BE WORKING
WITH US NOW.

But
then one
day...

YOKOMA-KUN
GO ON AND
INTRODUCE
YOURSELF.

I'M YOKOMA
ATSUSHI
I'M STILL
WORKING OUT MY
CAREER PATH BUT
I LOOK FORWARD
TO WORKING
WITH YOU.

HIS PREVIOUS
COMPANY WENT
BANKRUPT DUE
TO THE RECESSION
SO LET'S GET HIM
RIGHT TO WORK
FOR US.

LIKELIKE, I HOPE I CAN HELP YOU OUT PROPERLY.

WELL I LOOK FORWARD TO WORKING WITH YOU THEN BOSS!

There wasn't any nice way of putting it it really was just a way of getting rid of a nuisance now...

I know you might be upset that you can't be with me anymore but I have a family Hazaba.

IT'S MY FIRST TIME HAVING SOMEONE WATCH ME SO IT'S MAKING ME BLUSH...

Since he was busy helping him out he didn't have time to be around me.

AH!

DID EVERYONE
ALREADY GO
OUT FOR
LUNCH?

HUH?

One
month
later.

IT'S WAY
BEFORE
PAYDAY
BUT EVERYONE
STILL HAS
PLENTY OF
MONEY...

THAT'S
A BIG
WALLET
...

I JUST
FORGOT
MY
WALLET
...

KATASE-KUN
IS DOING SOME
ERRANDS BUT
EVERYONE ELSE
IS GOING TO THE
NEW PASTA SHOP
DOWN THE STREET
FOR LUNCH.

YEAH,
WITH
YOKOMA
-KUN TOO.

HAZABA-KUN
WENT WITH
EVERYONE TO
THE PASTA
SHOP TOO?

IT SEEMS LIKE HE'S SMILING A LOT MORE.

HM?

RECENTLY HAZABA-KUN SEEMS MUCH MORE CHEERFUL DON'T YOU THINK?

YOKOMA-KUN IS SUCH A BRIGHT PERSON IT SEEMS LIKE HE'S TREATING HAZABA-KUN AS A LITTLE BROTHER.

MAYBE IT'S FROM ALL THE CONFIDENCE HE GOT FROM TEACHING YOKOMA-KUN THE ROPES?

I-I SEE ...

THOSE TO MUST GET ALONG REALLY WELL!

It's just what I wanted right? With this I'll end up never doing things like that again.

Then why am I always looking at him?

I never knew.

Did he always have that kind of smile?

That's right
back then
our eyes
used to
meet often
during work.

I used to
always
have his
face in my
mind.

I see...
He isn't
looking
at me
anymore
....

Nowadays we
don't not only
never look at
each other I
hardly ever see
anything but
from the
side...

Isn't
that
for the
best?

Am I feeling
that moment
of regret when
I see someone
else pick up
a toy I threw
away?

That is how
I started
to feel as I
stood there
wondering

Hazaba Noboru

This is Hazaba when he was in his second year of high school. He probably was in the soccer club. He's supposedly a good kid but I made him the most hated out of my cast (haha) I see him as a reserved honor student. His parents are very busy so he lives with his relatives so because of that he doesn't smile often. Due to his sexual disposition he doesn't have any close friends to open up to. He's the focus of this Moonlight series
