Hello Takeshi Matsu here!

Thank you for picking up "Hey old man!!"
For starters here's a picture of Tatsuki that
couldn't make it into the finished work.

While he gives off the image
of being a carefree child
during rugby he
becomes a demon
incarnate.
Youth really
is a splendid thing
isn't it.

Without further
ado please enjoy

Ah, hey...

Ah, Kou-chan
welcome home!

I've already told you so many times that you undress in the bathroom!

Well I was just about to go hop in the shower after working out this time.

Hm? Oh

Y-you! I've already told walking around naked is against the rules!

Awww, but I'm all sweaty and sticky after working out so I want to take them off right then!

Agh! Enough already just go shower already!

Yes sir~!

It's been about a half a year since my older brother basically forced me into looking after his nephew.

I miss back when I lived alone.

Sheesh now I'm even more exhausted...

Huh!?

You've got two rooms at your place right?
It's close to his university so let him live off you.

And since he's gotten into the school through rugby I'm especially worried if he's eating right.

Also like a certain someone he enjoys staying out late at nights.

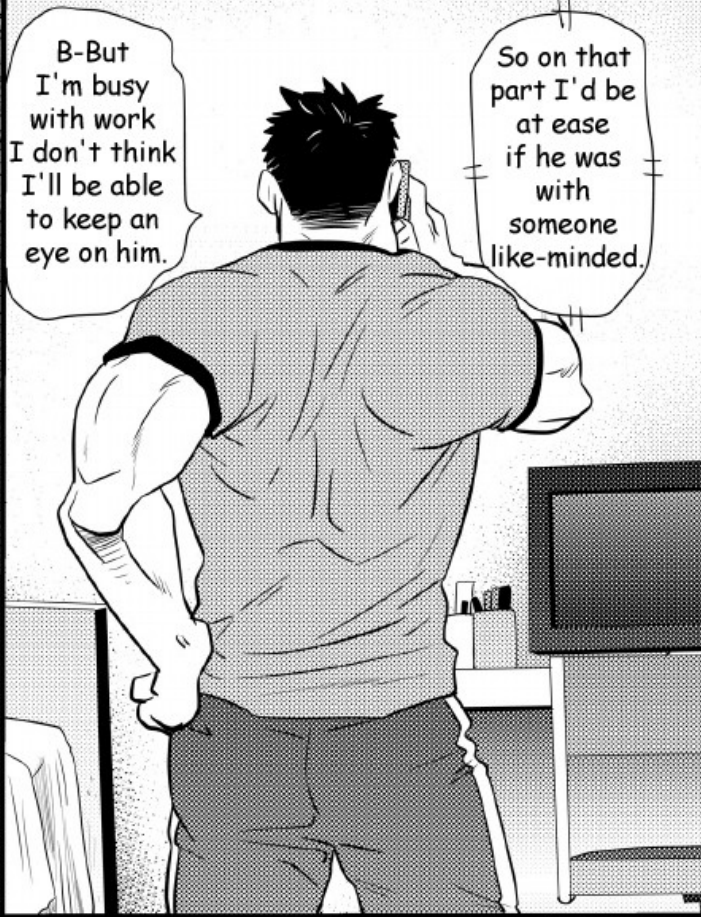

It's super expensive living alone in an apartment for 2 years.

.....

Don't worry about it, besides he's always been more attached to you anyways. So much that you would think you were is father! Hahaha

I'll send a bit over to cover his rent so I'm counting on you! *click*

B-But I'm busy with work I don't think I'll be able to keep an eye on him.

So on that part I'd be at ease if he was with someone like-minded.

We got along so well that my brother who was his Dad was jealous.

Wow!
No way!

Well it's true we did get along when Tatsuki was younger.

Here you go.

I won't lie that I wasn't lonely but my life was carefree despite it up until now.

Because of this I've managed to remain single without a girlfriend past my 40s.

Besides I'm just a boring man who enjoys living by himself.
