

The human girls modified by this organization are named Maidens.

In the year 20XX, a mysterious organization going by the name of "Terrifying Girls" suddenly appeared.

As they attacked people, their numbers grew.

FUFU!
Yes, run away like chickens!

That's as far as you go!

However, humanity is not so easily defeated.

When equipped with the Orga Suit, Mitsurugi Seitarou can utilize the power of sexual gratification to release the Maidens enslaved by the "Terrifying Girls", a shady organization that threatens humanity's very existence!

**PREVIOUSLY ON
CLIMAX LIBERATOR ORGA!**

Last time, a powerful high level Maiden going by the name of Tiger Maiden appeared before him!

What lies in store for our hero, Orga?!

Orga managed to fend her off by the skin of his teeth! However, Tiger's true identity seems to be that of a girl Seitarou thought had died long ago, his childhood friend, Torasawa Mei!

Are
you that

away,
huh?

Hey!

Welcome
back,
Seitarou-
kun.

! About
Torasawa
Mei, I
mean.

Kobayashi

Orga Suit's developer
and the one responsible
for choosing Seitarou
as its wearer.

I need to
fight to
protect
everyone.

That's all...
I think
about.

She was
just my
childhood
friend,
nothing
more...

...No...
She's got
nothing to
do with
it...

But we can sort that out later.

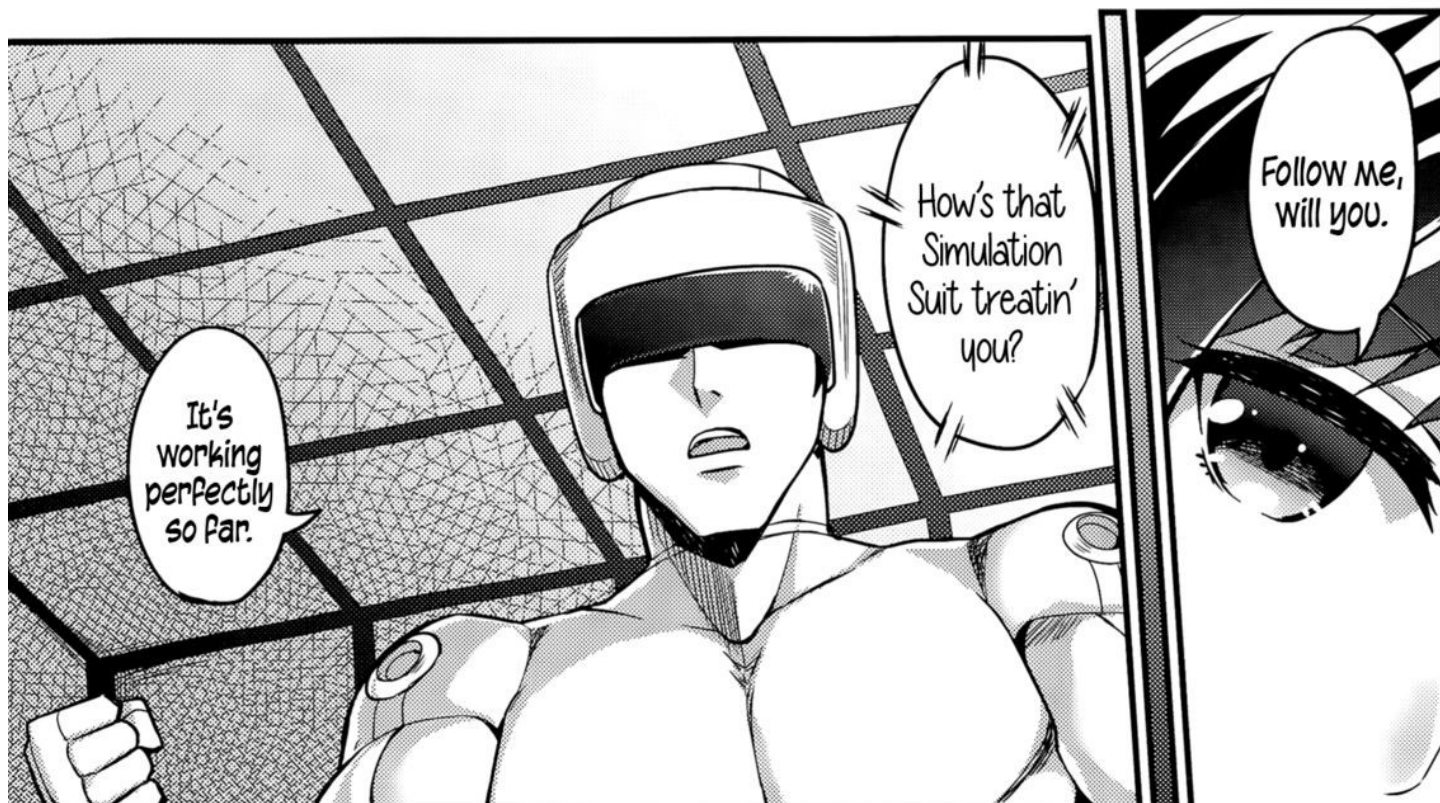

I feel like you need something else to get you ticking...

I can't bear seeing your poor performance as of late, so I've come up with something that might help you.

are all it takes to make a person strong.

HMM...

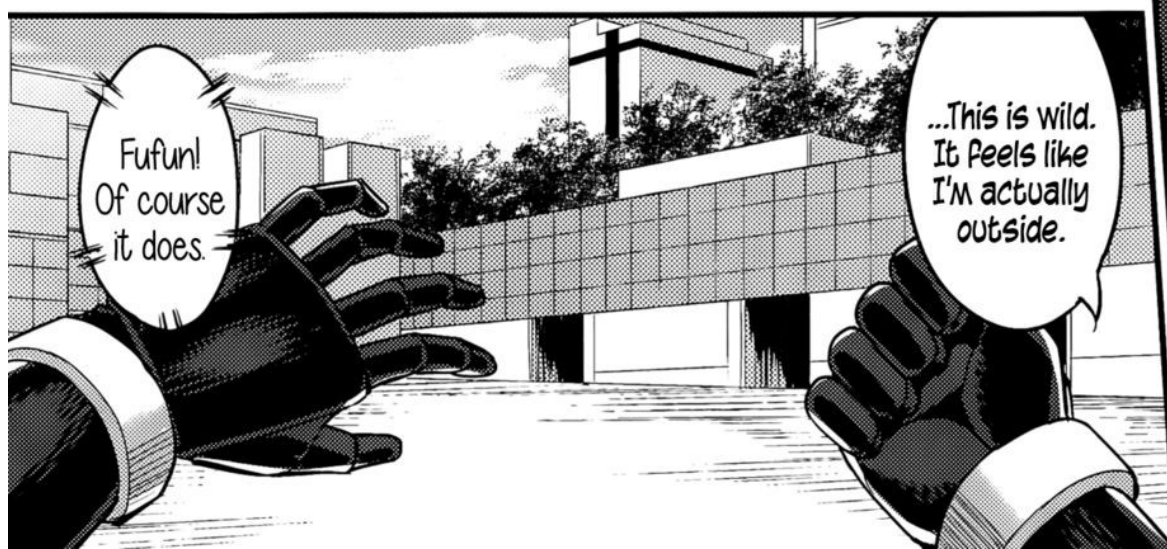

See, me, I don't think a purpose and a sense of duty

It's working perfectly so far.

How's that Simulation Suit treatin' you?

Follow Me, will you.

Fufun! Of course it does.

...This is wild. It feels like I'm actually outside.

So
I'll have
to help
him in
person.

I'll spare you
the technical
mumbo-jumbo,
but that room
can reproduce
a bunch of
different
places.

I'm gonna
have you
fight a mock
battle in
there.

But if I told
him that, he'd
go easy on me,
so I'll keep it
to myself.

I'm
sending in
the robot
now.

I'm
ready.

Under-
stood.

Your
opponent
will be a
robot, so
don't be
afraid to
beat it
up like
normal.

Well,
the robot's
undergoing
maintenance
right now,
actually.

Uh!

This Maiden...
No, this robot...

is strong

Gh...!

Maiden for use in simulations.

I fiddled with the specs a bit just for you.

I'm stronger, and you're weaker.

A robot is capable of this much power...?!

Fufufu... Gotcha, Orga.

Gh...!

I wonder how long you can last.

I'm gonna see you at your most pathetic,

What are you planning to do...?!

cumming like a miserable retch.

How unsightly, Orga.

You're completely paralyzed.

FUFUFU!

Gh!

Maybe 'cause they are.

They feel just like the real thing...!

It's too late to save that girl.

we're beasts that attack humans.

Maidens are no longer girls,

Gah

A weakling
like you is
powerless to
stop us...

S-Shut
up...

She's

ster!

Isn't it sad?

one you
love!

that, you're

This panel shows a girl with long dark hair and large breasts, smiling and blushing. She is wearing a dark top. A robot with a white chest and a visor is visible in the background. There are sound effects like 'Nk!' and 'Hk!' around them.

Good, we're all counting on you.

Well, now that I've helped Seitarou-kun get back on his feet,

...Damn, am I jealous.

I know, right?

If I didn't know any better, I'd say it was real...

By the way, that robot was very realistic.

We've begun repairing her and upgrading her device.

The damage to her body was negligible.

...How is Tiger Maiden's condition?

We have confirmed that her last battle did indeed have a negative effect on her brainwashing.

So we're re-installing her, along with another program.

**PREVIOUSLY ON
CLIMAX LIBERATOR ORGA!**

Mitsurugi Seitarou, wielder of the "Orga Suit" and protector against the Maidens sent by the evil organization "Terrifying Girls"!

Orga, Seitarou, was confronted by the mysterious Tiger Maiden, whose identity was revealed to be none other than that of his childhood friend, Torasawa Mei!

CLIMAX LIBERATOR

The shock of that realization caused Seitarou to waver in his battles, so in response, the developer of the Orga Suit, Kobayashi, took the role of the villain while training him to rekindle his fighting spirit.

After casting his hesitation aside, our hero is fully committed to saving Mei!
