August 23th

Tomorrow is my older boyfriend's birthday.  
So after school, I'm gonna go to his house to celebrate.

I do want to celebrate, I do, but I'd rather not go to his house too often...

The truth is, every time I visit him, he wants me to put on these  
crazy outfits and then do weird things to me. I hate it.

Ah, he's a little bit eccentric... In, like, a pervy way?

Like, he's very quick to get overexcited.

I kinda... wish he'd be a little more normal.

Usually, I tend to shut him down, but if I keep refusing him every day,  
he starts making this really sad face, and I really hate seeing him like that...

...So!

Since tomorrow is his birthday, I'll do whatever he says!! \ ( = ' ▽ ' = ) /

...Is what I planned!!

Wish me luck!!!!!!

You'll wear whatever I want?!

Huh?!

Thank you so much, Moka! This is the best birthday ever!

Oh, but,

only for today!

As long as it's within reason...

...So,

you won't say no to any costume?

Eeep!

Even sexy ones?!

Ack

...Maybe I should stop him while I still can...?

I'm glad I prepared a bunch of 'em in case this day might come~!

どきどき

Uuh... Don't praise me so much...

Slightly erotic idol cosplay!

What do you mean, "slightly"?! Everything's showing!

T-There's something stuck to me...

They're all adorable!! You look good in anything, huh-  
Now let's do stwpp besides just putting you in a costume!

S Master!

Oh, wait! It's way too cute... I wanna keep you as a pet.

Bunny animal toy cosplay!

Oh, poop... We just started and this is already super embarrassing!

Something-something-land OK cosplay!

This one looks kinda old, I hope it didn't belong to an ex...  
It is cute though...

For now, just try on a bunch of costumes for me.

Starting with the classics, school swimsuit with backpack!

A young wife reading "Hatsukoi Ribbon" to her husband while giving him a handjob.

Loli Tankoubon

you want to rape her so bad you can't help it, right?

Well... I guess this is better than having him ogle me non-stop...

In reality...

...Does he read these kinds of books very often...? I wonder...

は、

Aah! Megu!

I can't take any more!

Under the desk, in her own room...

Now he's playing a porn game...

...Why's he making me change every time, anyway...?

I thought he would just make me wear his favourite outfit and then have sex with me...

So what's the point of making me change into this?!

But he's not even looking at me...!

Oh, crap!  
This is so hot!  
Ah... CUM-MING!

Ah!

I said I'd only do this today, remember?

would you wear this for me?

Hey, if I took you to the beach...

Bummer. Well, it's getting dark, want me to take you home?

They say I can't stay over.

Will you?!

Do you have any nice clothes I can borrow??

Take your pick. I still have lots of outfits in my closet.

Okay, then...

August 22th

Today was my boyfriend's birthday! ♡♡♡  
He ate all the cookies I baked for him and said they were delicious!  
I'm so glad~~!! \ (= ' ▽ '=) /

My clothes got dirty, so he let me borrow his Y-Shirt.

It smells soooooooooo nice! It's nuts!  
The smell of his shirt right after having sex! It's nuts!

Am I a pervert...? Maybe he's rubbing off on me... ( ; v ; )

Oh, but cosplaying is embarrassing, so don't want to do it anymore. ♡♡

If I were to do it again...  
it would probably be on his birthday next year. ♡
