Pan Pan

Could you shut that thing already?

Listen...

You're the one who bought it for me, Kazuki.

Yeah, I suppose!

Yeah! ★

Sure, but there's a time and a place.

And what way is that to address your big brother?!

...I'm putting it in...

Have you been buying me loads of presents lately 'cause you wanted to have sex with me?

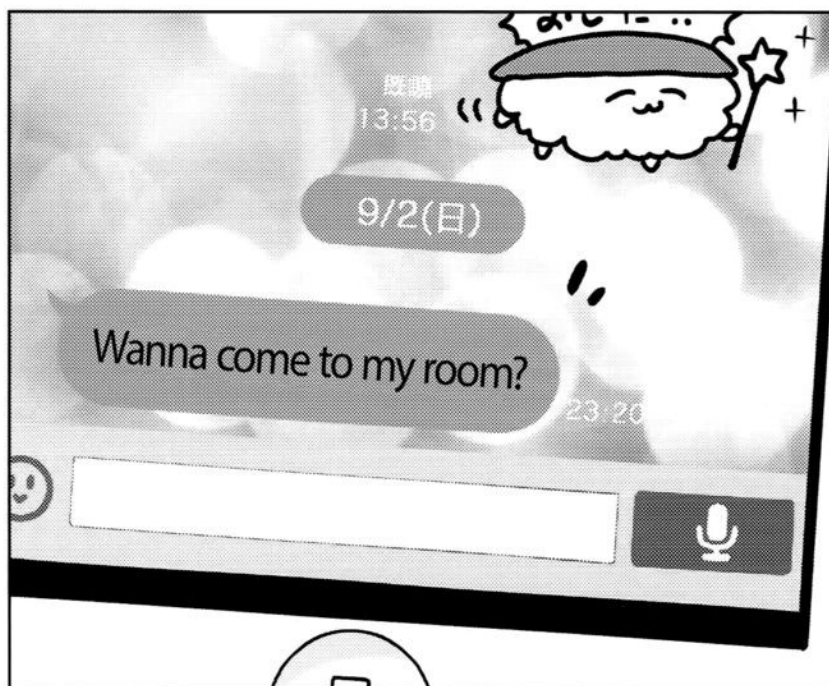

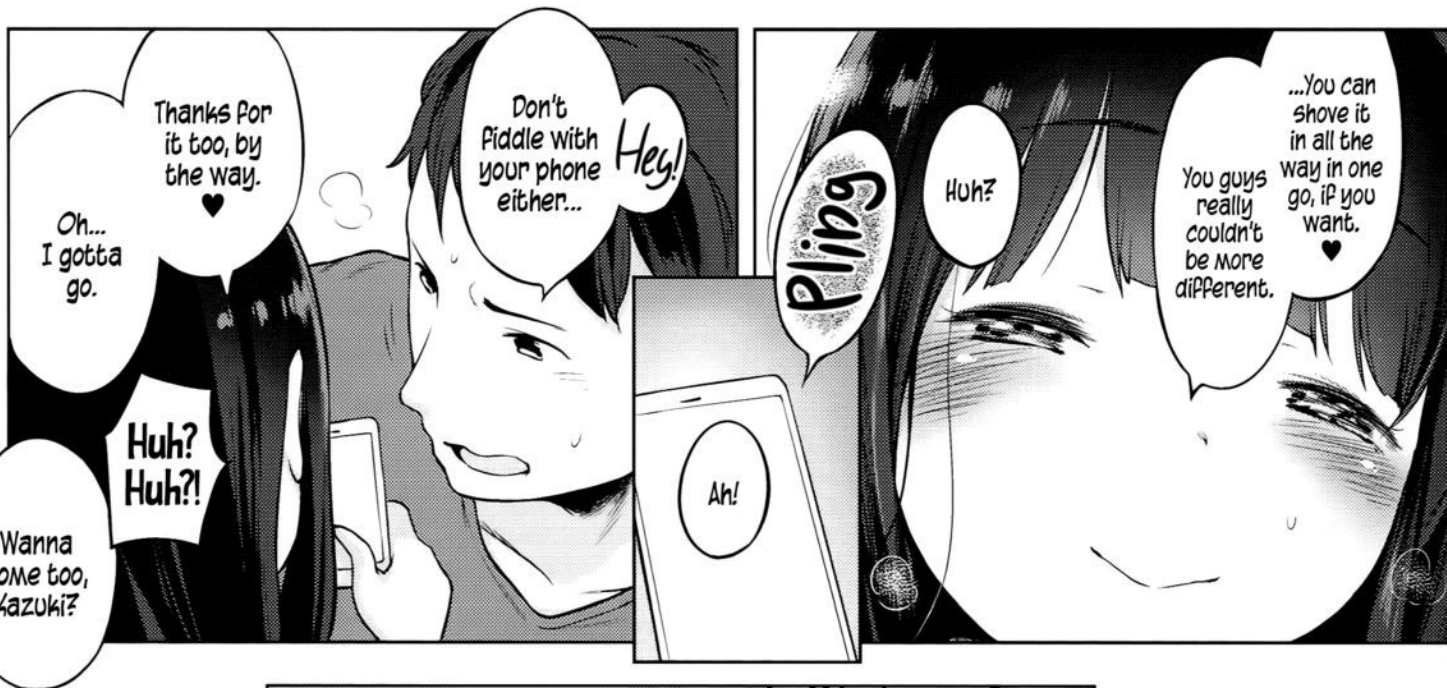

Hey.

Weirdo.

I was just kidding. I wanted to make you mad.

Bullseye? Are you angry?

Ah...?

You gotta be kidding Me...

Kazuki's the only late bloomer here, huh? ♥

Nah.

You don't mind, do you, Onii-chan?

I'm good, thanks...

C'mon, don't just stand there, join it.

What, are you paying her phone bills too? You get enough for that out of your part-time?

Uh...!

Oh? It's still hard. ♥

Ah...!

I've never seen your dick before. I think it's bigger than mine.

What are you, a virgin?  
Look who's all excited. Getting hard again over a kiss?

Ooh!

Nh!  
Nph!

So now it's my fault?

But! If I ignored you, you'd get mad!

Oh, I'm mad, alright.

Yeah, that's right.

H-hey, don't go and tell him....!

Go on and put it in.

Screw it. Here.

We were just about to have sex for the first time, when you called, Onii-chan.

Onii-chan's  
sloppy

They're  
yours,

want.
