Little Nurse★

My name is Anna and I'm part of a family of three with my sister and my dad who is a doctor.

My biggest secret is that I am a little nurse ♡

There's something I keep as a secret from everyone

かき...

I work in secret as a nurse to treat a rare disease that afflicts to my dad

Every night I have to squeeze lots of a white slimy thing from dad's penis.

Is hard to apply the treatment but

Thank you, Anna ♡

I feel better now. All thanks to you.

Now let's enjoy ourselves together.

It's such a pity that I have to keep this a secret from my beloved Rena onee-chan.

Anna, you're daddy's cute little nurse.

Dad always praise me a lot. That's why I'm fine with this.

Yes ♡

Waah ♡

Anna

I have an amazing gift for you.

It's a huge hospital!

You work here, dad?

It's Hirai

Sorry for the delay

It's a nurse uniform ♡♡

It looks good on you
Now come with me

that Rena
has
devoted
herself
to us
(patients)
since a few
years ago?

Look,
because
of that

now we
can even
touch her
little
womb.

Did
you
know
...

I wonder if
this is the
result of
all the
drugs we
have used
on her

In her
tits
too

Look

Even though Rena hasn't had her first period yet she is already lactating.

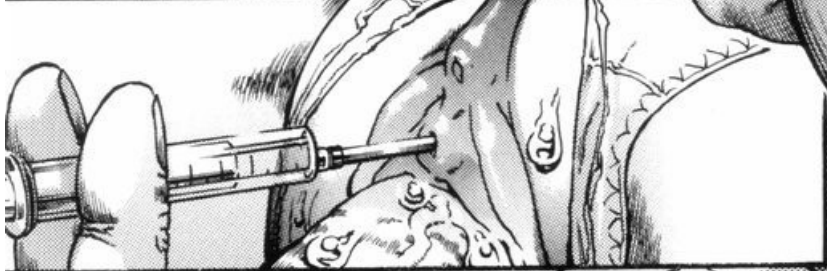

Even though I'm crushing her developing tits

Amazing!

Rena-chan is capable of cumming even when feeling pain

Give me all
your white
slimy thing
♡

Give
it to
me
♡

It
feels
good
♡

feels
good!
♡

AH

You
were
just
jealous
of your
little
sister.

not true.

that's...

Do
you
get it
now?

You
didn't
want to
protect
Anna.

Dad will have to educate you.

You've been a bad girl

Today is special!

We were like the
toys from the
patients, rubbing
our insides...

My eyes were
rolling around,
just like a doll's

And at the same
time Renna
onee-chan was
making animal-like
sounds that I've
never heard before

I got dizzy and I fell asleep in the middle of the treatment.

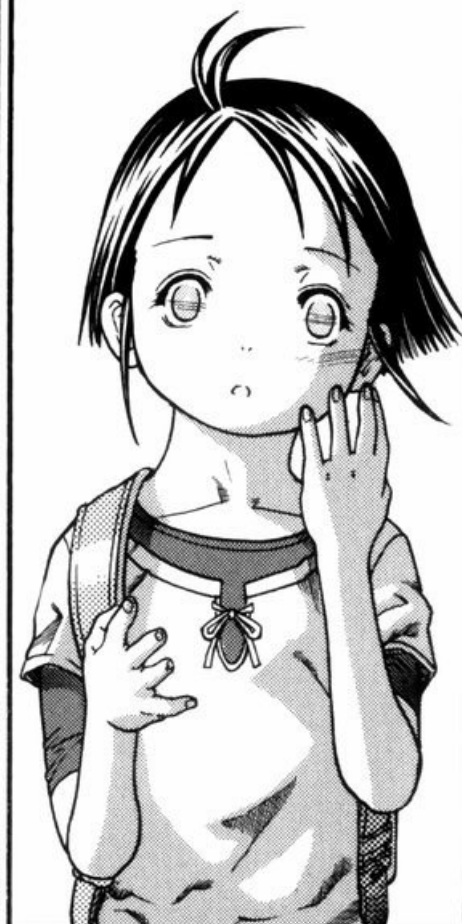

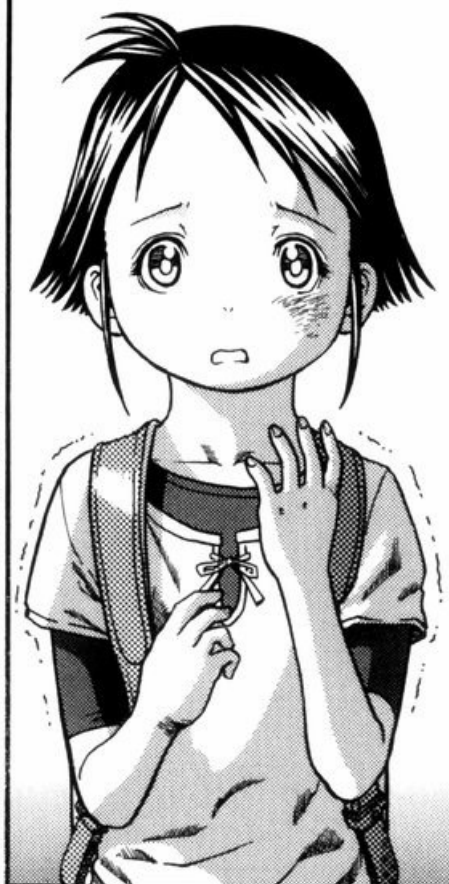

I did my very best but

When I woke up I was in bed at home.

SLAP

Ueeee

And then
a lot of
secrets
stopped
being
secrets.

One year
later,
onee-
chan's
belly got
bigger y
rounder

Onee-
chan and
I are
secret
nurses

Thank you very much to Dr_Demento who helped me to correct a lot of mistakes I did in my original translations!

Now that I have someone helping me to not be too much of a potato I expect to translate the rest of the Ashika's works that I translated to spanish.

Look forward to it!
