- SAKURA**

Hello and nice to meet you, I'm Sakura Romako.

Thank you very much for picking up 'Big Masochist Red Hot Edition'.
Having the afterward as the first page is a great offensive lineup.
In soccer terms, it's like trying to win with a suspicious, surprise lineup of eight forwards (1-1-8).
First, please read this at the end.

Thought the original plan for 'Big M' was one compilation and an extra edition...
It became separated by just one variable,
and while scheduling I rejected the contents of the one I had worked out in a hurry.
While originally I established the star of the extra content to be the tights and not the big masochist,
I wouldn't dare make a book without her face and breasts (and naked, too).

Though I wanted a story in the book after this one where Big M makes a mess in her little brothers' room while playing a game and wearing a sexy leotard, there basically wasn't enough time.

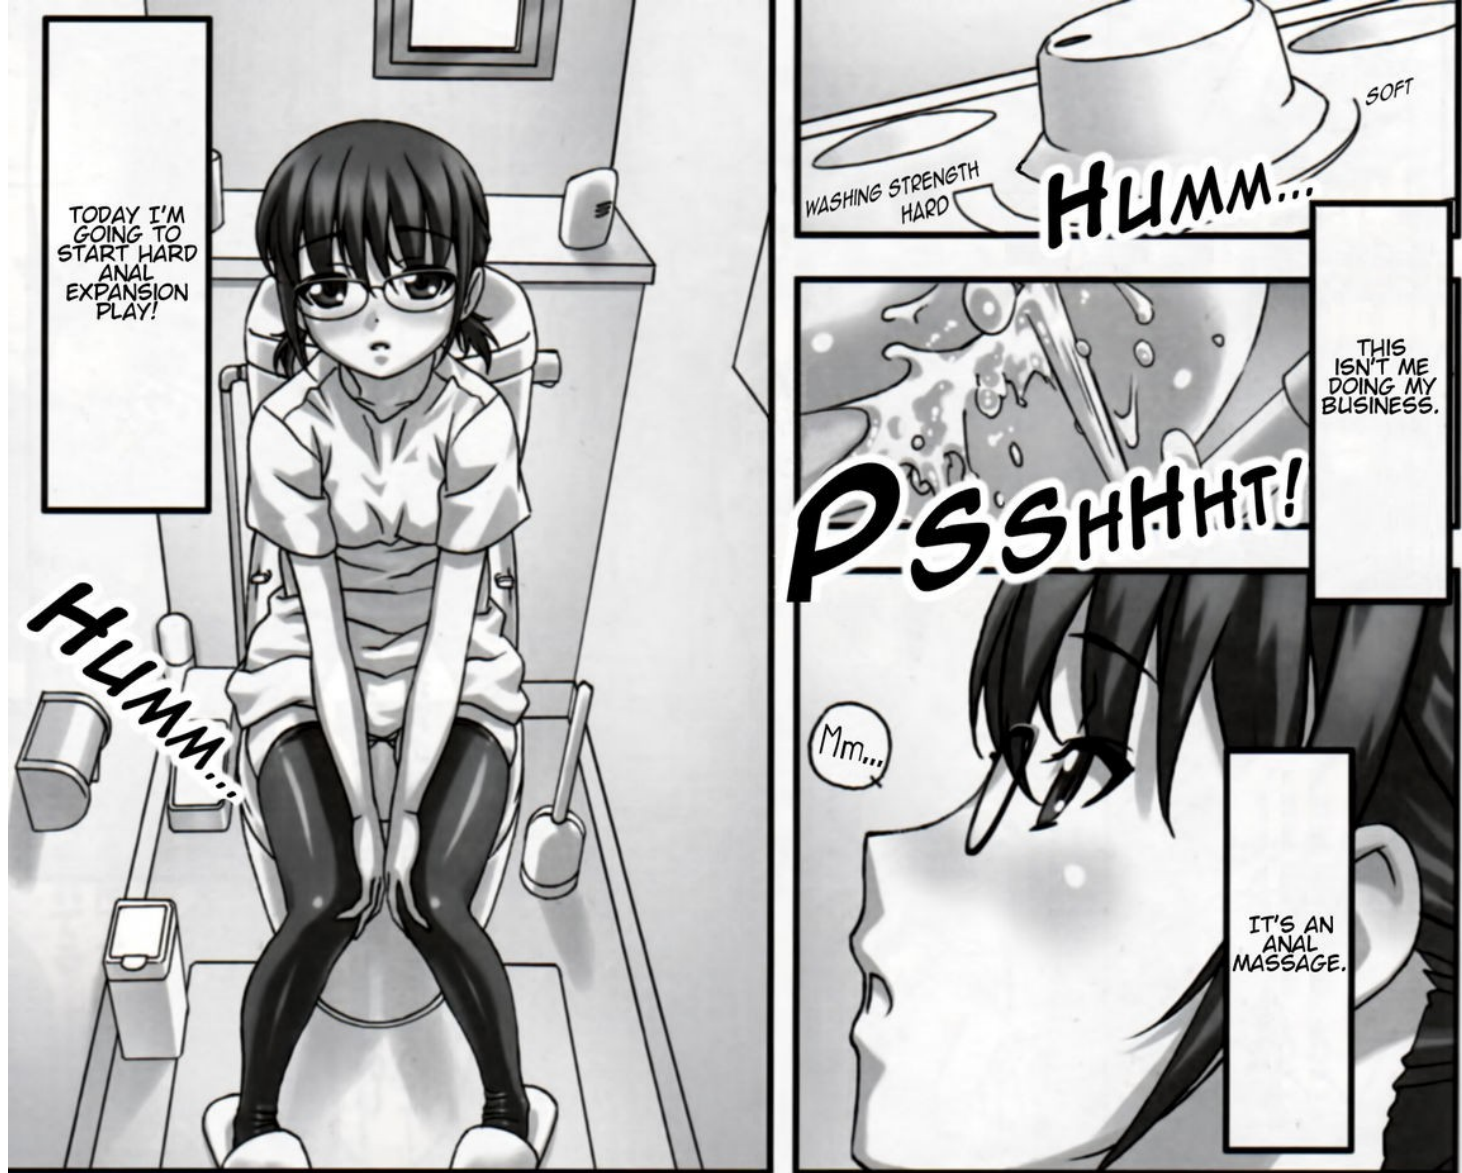

By the way, because the candles Big M uses aren't low-temperature candles for S&M, but from a dollar store, they are very hot.

The anal massage goes lotion & little finger → index finger → thumb → index and middle finger.
Though I meant to draw all of it, it might be abrupt. (This book is more abrupt in places than just that...)
When she was expanding her ass, I hesitated about including a condom, and somehow didn't draw it.

Thank you very much for bearing with me until the very end.
And please stop by to visit if you see me somewhere.

Well then, see you around~
