

Beなんとか Presents 「住めば都」

in the
furthest,
and slightly
most
spacious
stall,

in the
bathroom
next to
the multi-
purpose
room,

At the
far end of
the hallway
on the third
floor of the
old school
building,

is a
frighteningly
deserted place
on school
grounds.

after school,
when there are
no students
or teachers
to be found,
particularly on
Thursdays when
there are no
club activities,

立って半畳、
寝て一畳。
セックスするなら
1.5倍(相手は子供なので)。
どこで子供と
セックスするか。
それが問題だ。

ぎし...

Ehehe...
We're the
same height,
Sensei.

Home is Where You Make It

たとえ仮初めの棲み家でも、
そこで愛が育まれるのなら
それは紛れもなく“愛の巣”だ。
ラブラブハードコア20P!!

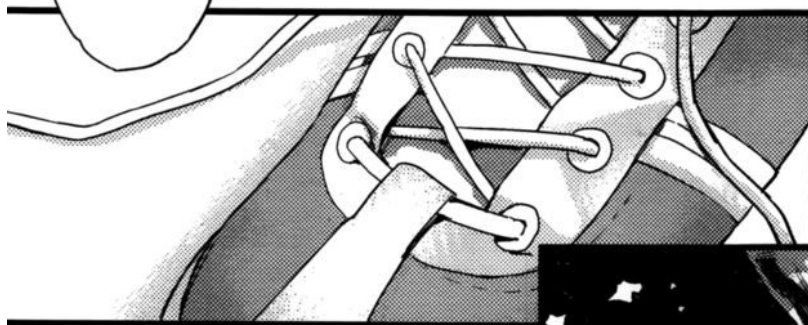

Every week,
during this very
limited time-frame,
the both of us
make love in this
empty stall that
doesn't even
have a mat.

But
with a bit
of ingenuity,
we made it
work.

A side-benefit of being a teacher is that you have an excuse to meet with an elementary schooler.

Thanks to my profession, I've managed to avoid trouble many times.

Just taking the girl for a walk was enough to cause a scandal.

But unfortunately, this country of ours does not allow free love between adults and elementary schoolers.

I still live with my parents.

Lil bro Me Dad

She's too young to stay out late, so I can't take her very far.

I got no car.

Bitter!

So where in the hell can I take her so that I can give her slightly adult lessons?

There was a moment when I wanted to thank God for this fateful encounter, but then I thought...

Turns out, she was quite a precocious kid, so she wasn't too opposed to taking things to a sexual level. In fact, you could say she encouraged it.

Sensei,
your cock
stinks so
bad!

Well, today
was another
blistering day!
I was sweating
balls around
my balls!

I'm willing
to bet there
aren't many
grade schoolers
who can suck an
unwashed dick
with a smile on
their face.

Nh!

Nh!

That's it!
Lick up all of
my precum!

How
about you
clean up my
stinky dick
with your
mouth like
you always
do?

Okay!

In this season, as the setting sun shines through the window, it gets unbearably hot.

We could open up the window to get some air, but then there's a chance one of the staff might come close it.

However, there is a drawback for this clandestine meeting-room.

If we don't take the proper measures, we're likely to have a heatstroke.

I think a little break is in order. Is orange juice okay?

So for a little while, my dates with this elementary schooler become a no shirt, no pants, no nothing affair.

Down the hatch~!

Yeah!

One day,
I want to
make her
gulp down
the real
thing.

Rehydrating is
very important.
Plus quasi-
watersports
are hot as
hell.

There is
one other
drawback...

Sensei,
not so
rough...

Aah! Yes!!
I love this smooth
pussy that feels like
it has no bumps!!
I can't get enough
of this subtle
stimulation....!!

Even if there's no one around, having loud sex is out of the question.

Sound!

You came so much... ♡

Fhoooh...

We've actually been whispering this whole time.

Turn your back to me and bend over.

Hah

Because of the hot air in this confined space, I can taste her usually highly scarce child nectar to my heart's content!

You did cum a lot, Sensei.

Aww, it got pushed back out.

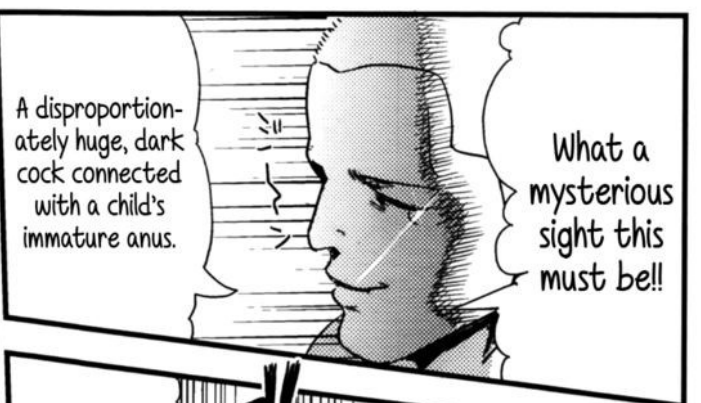

Fuuh~!!
Such a rich flavour!
The seasoning is exquisite!

How extravagant it is to replenish the salts I lost by drinking a little girl's sweat straight from her body...!!

You're gonna pump me up!

Heh~!

If you say that-!

Hng

Waaah!

Sensei! Sensei!! It feels so warm inside my tummy!

Ah~!

Maybe today's the day you orgasm from your shithole for the first time!

Tu... Turn down the volume a bit...

Gh

Aah...
I came like
a broken
dam...

I think I
can make it
until next
week now.

うわうわ

Hah

Hah

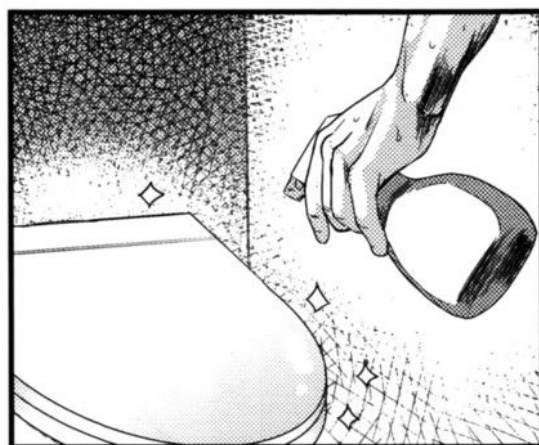

うわ...♡

Well...
In this country,
publicly dating a
child is difficult,
to say the
least.

Uh

Lastly, we
wash each
other and
that's that!!

Can't we
do it in a
soft bed
once in a
while?

Making
love like
this is
weird.

End

うわ...
