輪廻地獄

Gang Rape Hell
in
Prison School

Ahh, of course also the students, who tend to be absent, are educated to enjoy their school life.

In our school there's no bullying, violence etc. Any bad behavior will be corrected, so everyone can enjoy their school life.

Umm... Our child became hikikomori because of the bullying, so...

That really gives us a piece of mind, I'll leave her in your hands

IF we find that Kari is being bullied, teachers will immediately address the one responsible, so don't need to worry.

In our school teachers are always watching. We aim to prevent all malicious acts, like bullying, caused by students.

In short, she got thrown into this school because she bullied you, and you stopped going to school.

She's... your classmate, again.

Aah, you're former classmates.

Why's Kumi-chan here?

Nh...

And we'll correct those kind of bad girls.

Even so, that's just too cruel...

Kumi-chan ...

All this happened to me because of you!

Let's study hard again tomorrow.

Today's lesson is over.

Every evening, my father comes into my room.

He will
always put
his thick penis
into my little
vagina...

even
though he
knows that
I don't
like it.

I have never felt good when doing this.

Father always says "It will feel good soon.", but...
