Recently
I've been
enjoying

I guess
he's what
you'd call a
"drinking
buddy".

Going out and
drinking with
Mochizuki-san
on weekends.

There it
is.

It's pretty
hot in here...
I guess I'll
strip a bit.

Mochizuki-san
seems like the
type that gets
horny when
he's drunk.

It's really hot
when he strips
and starts
fanning himself.

This is another
thing that
I enjoy.

I can't help but
do this. I'm
a guy too,
after all.

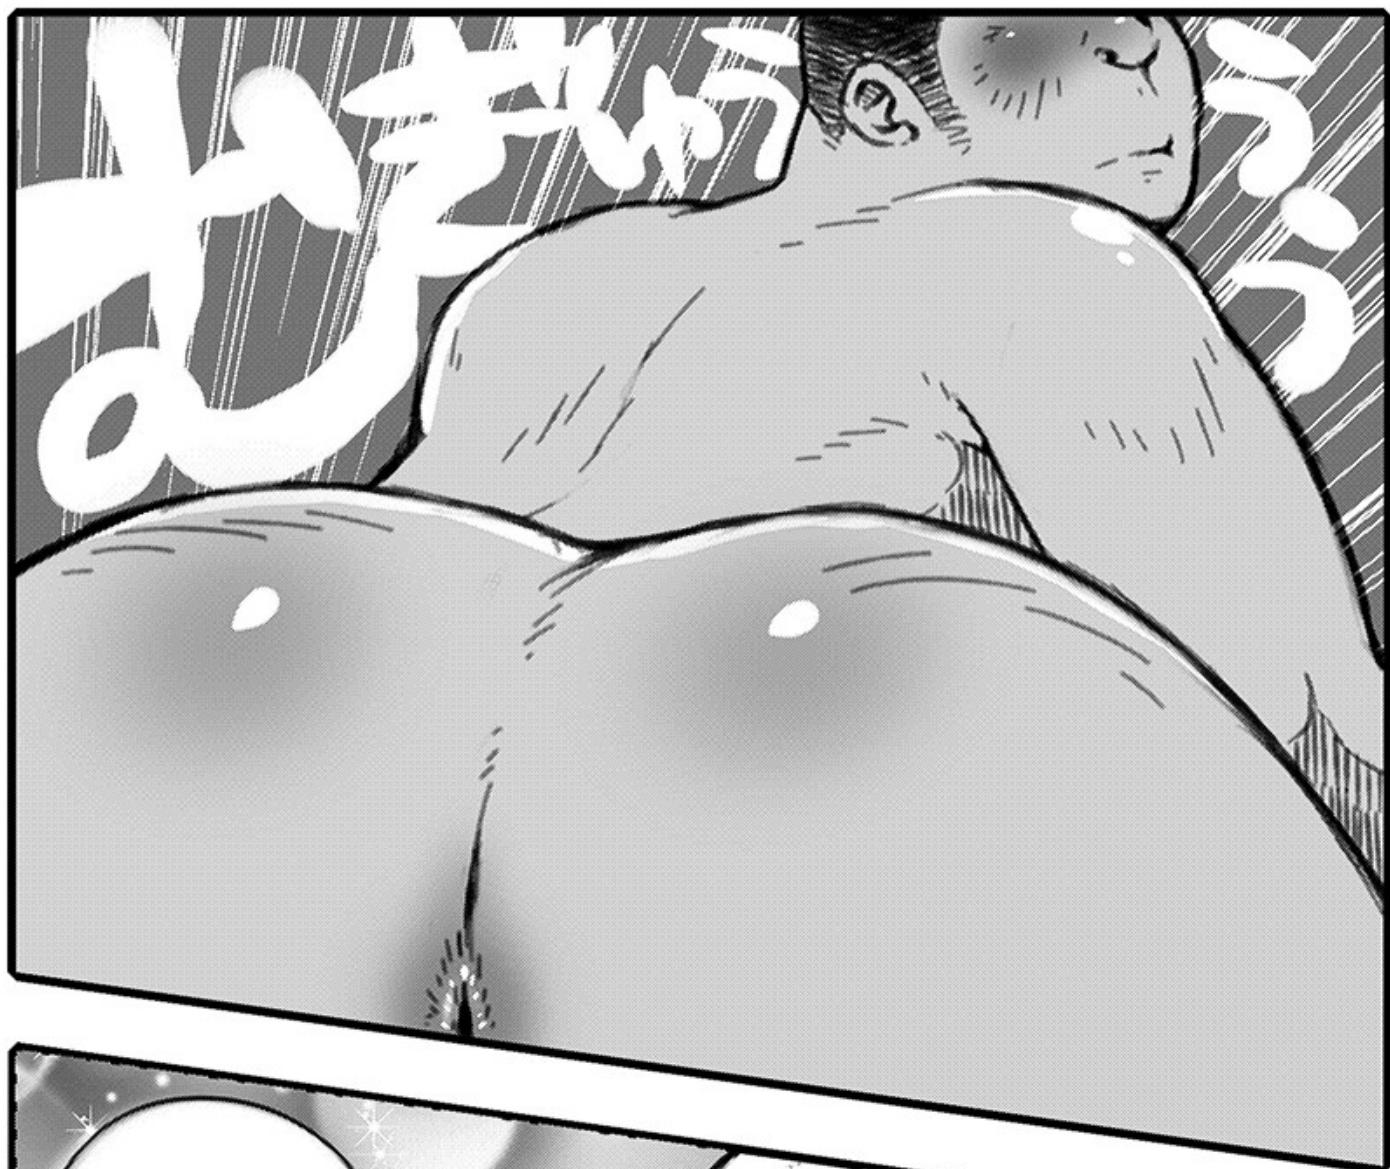

Aren't
we both?

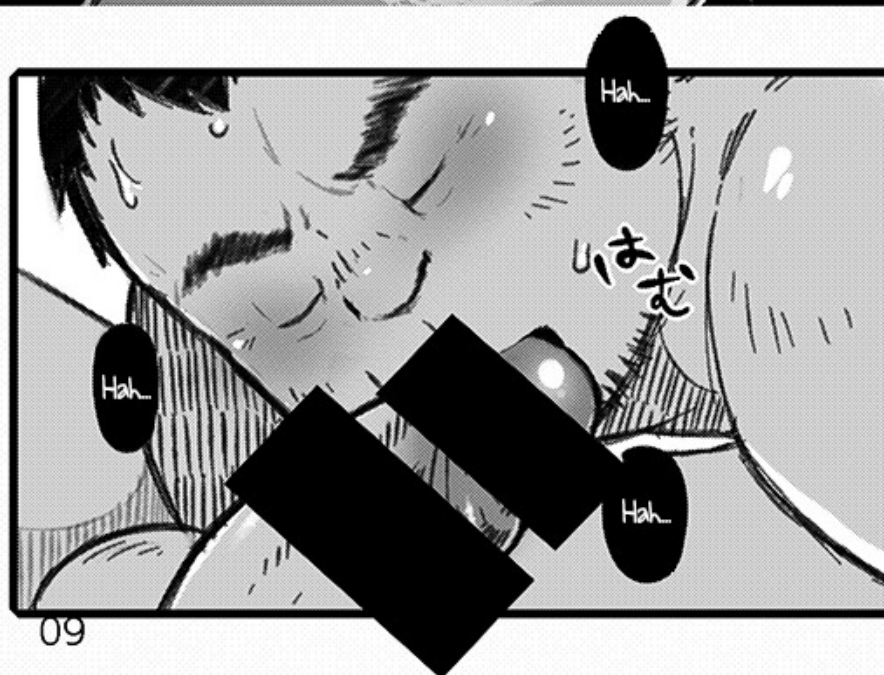

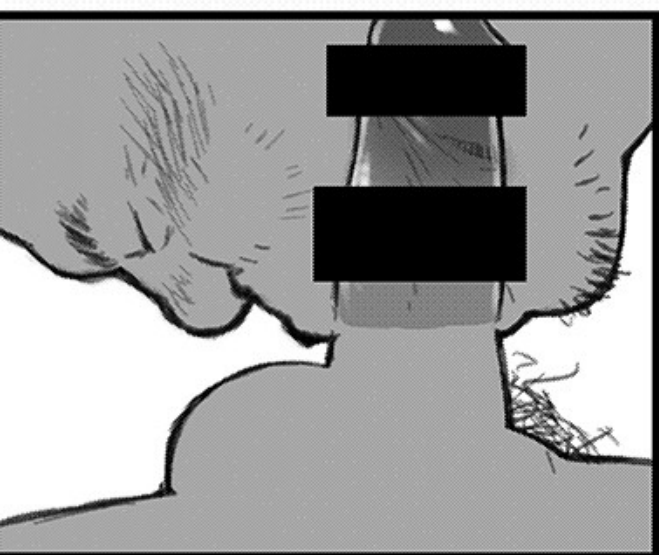

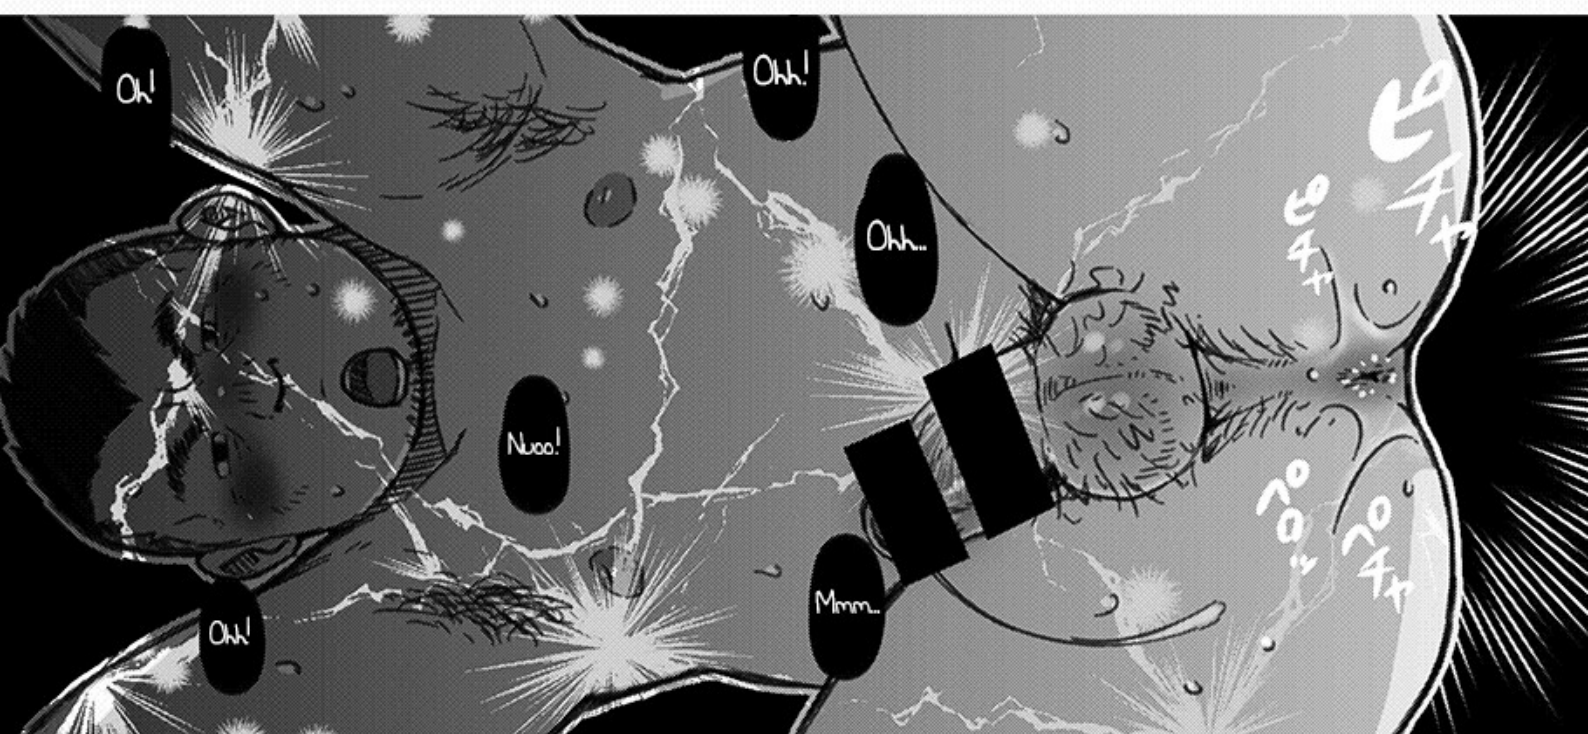

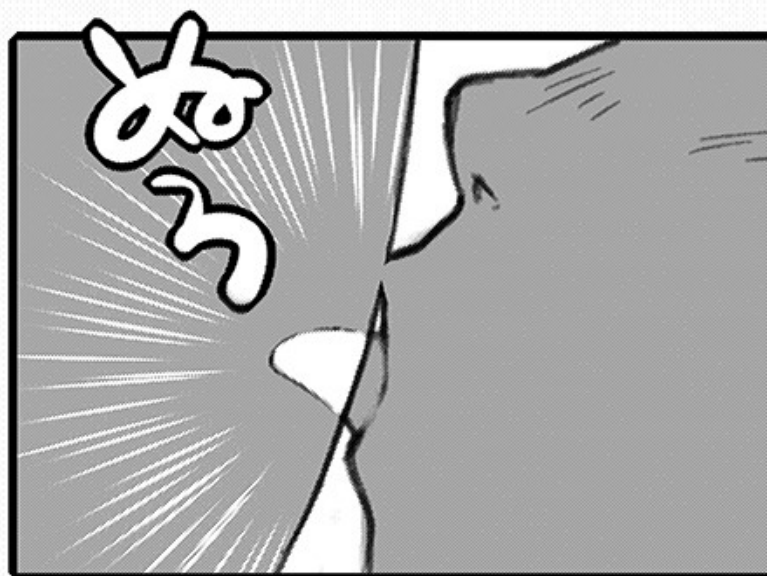

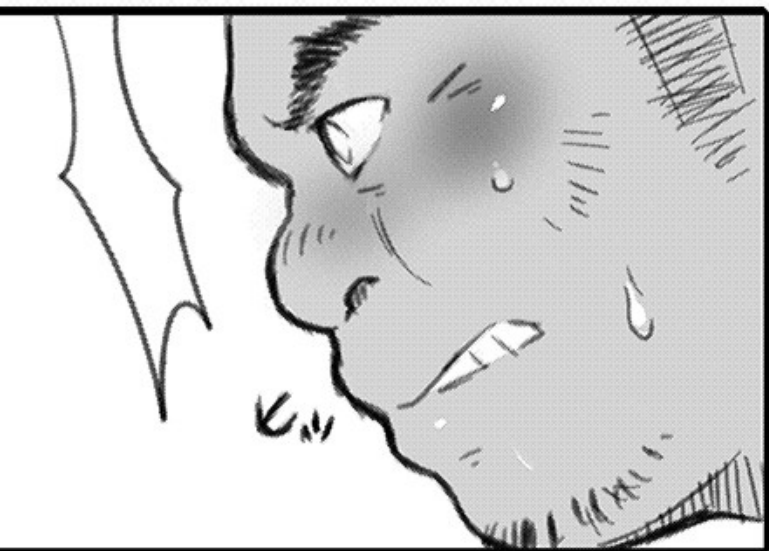

Y-You
pervert...

Give me
the usual.

Well,

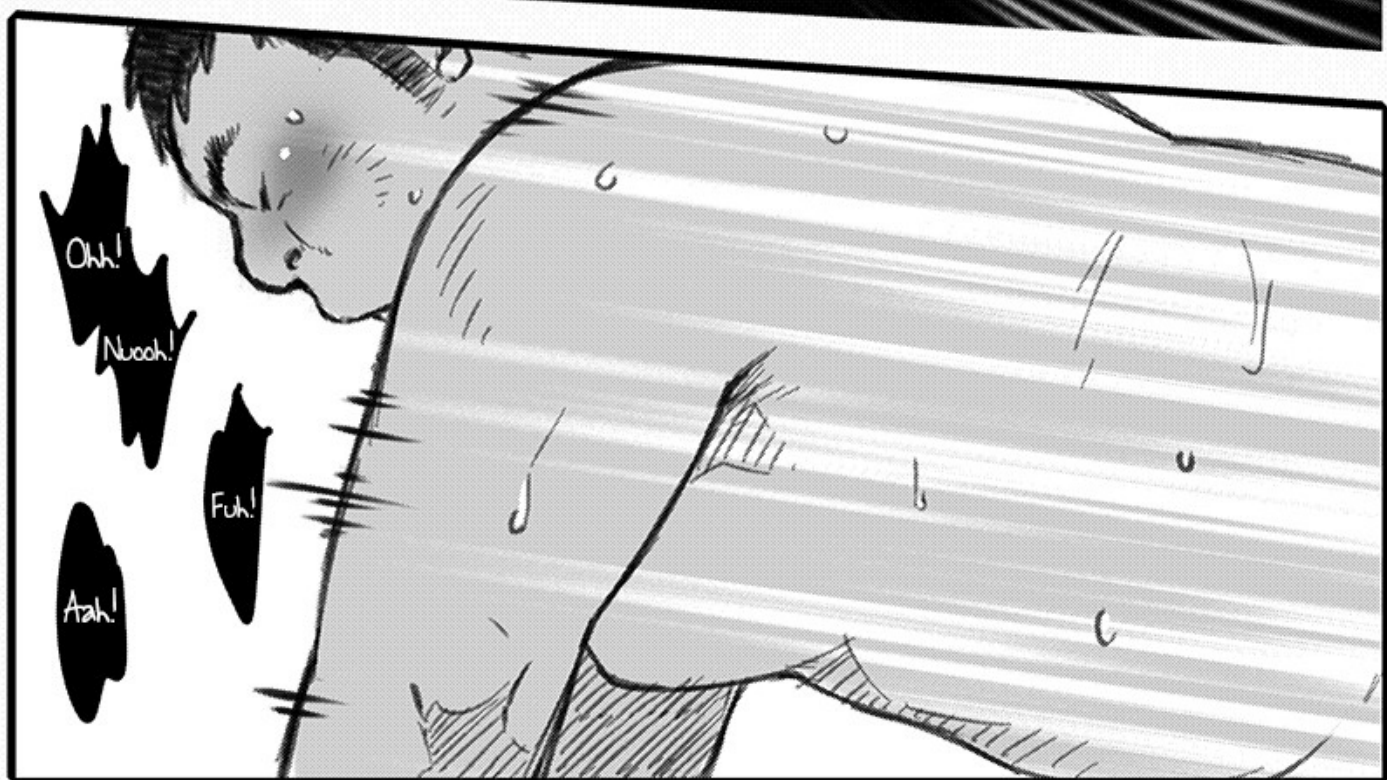

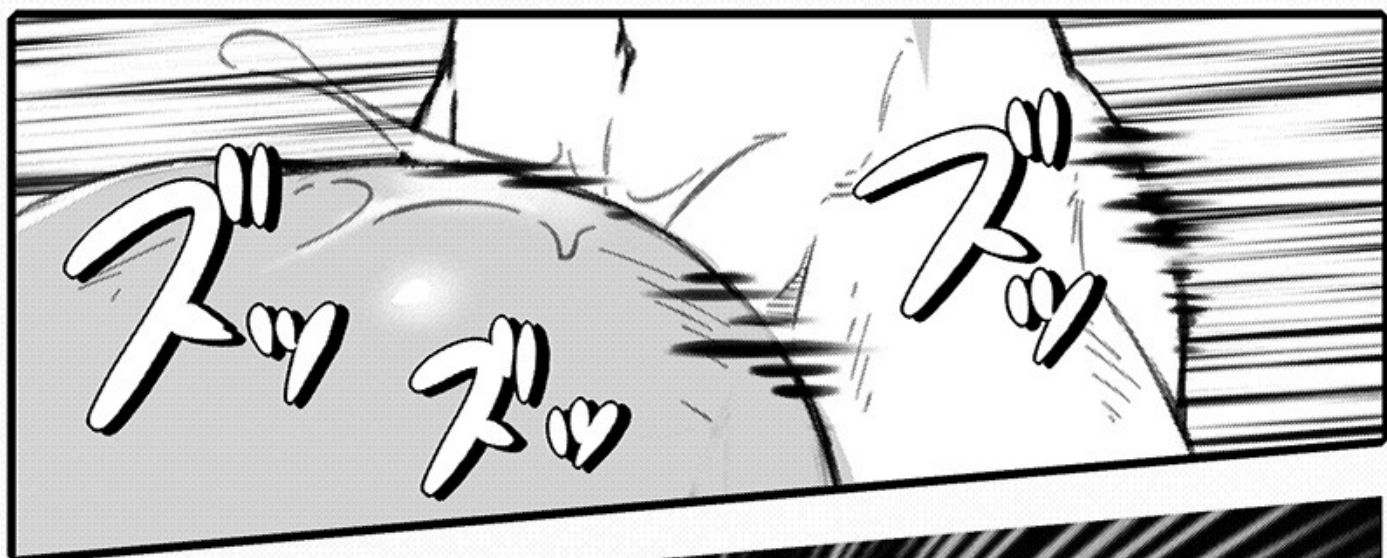

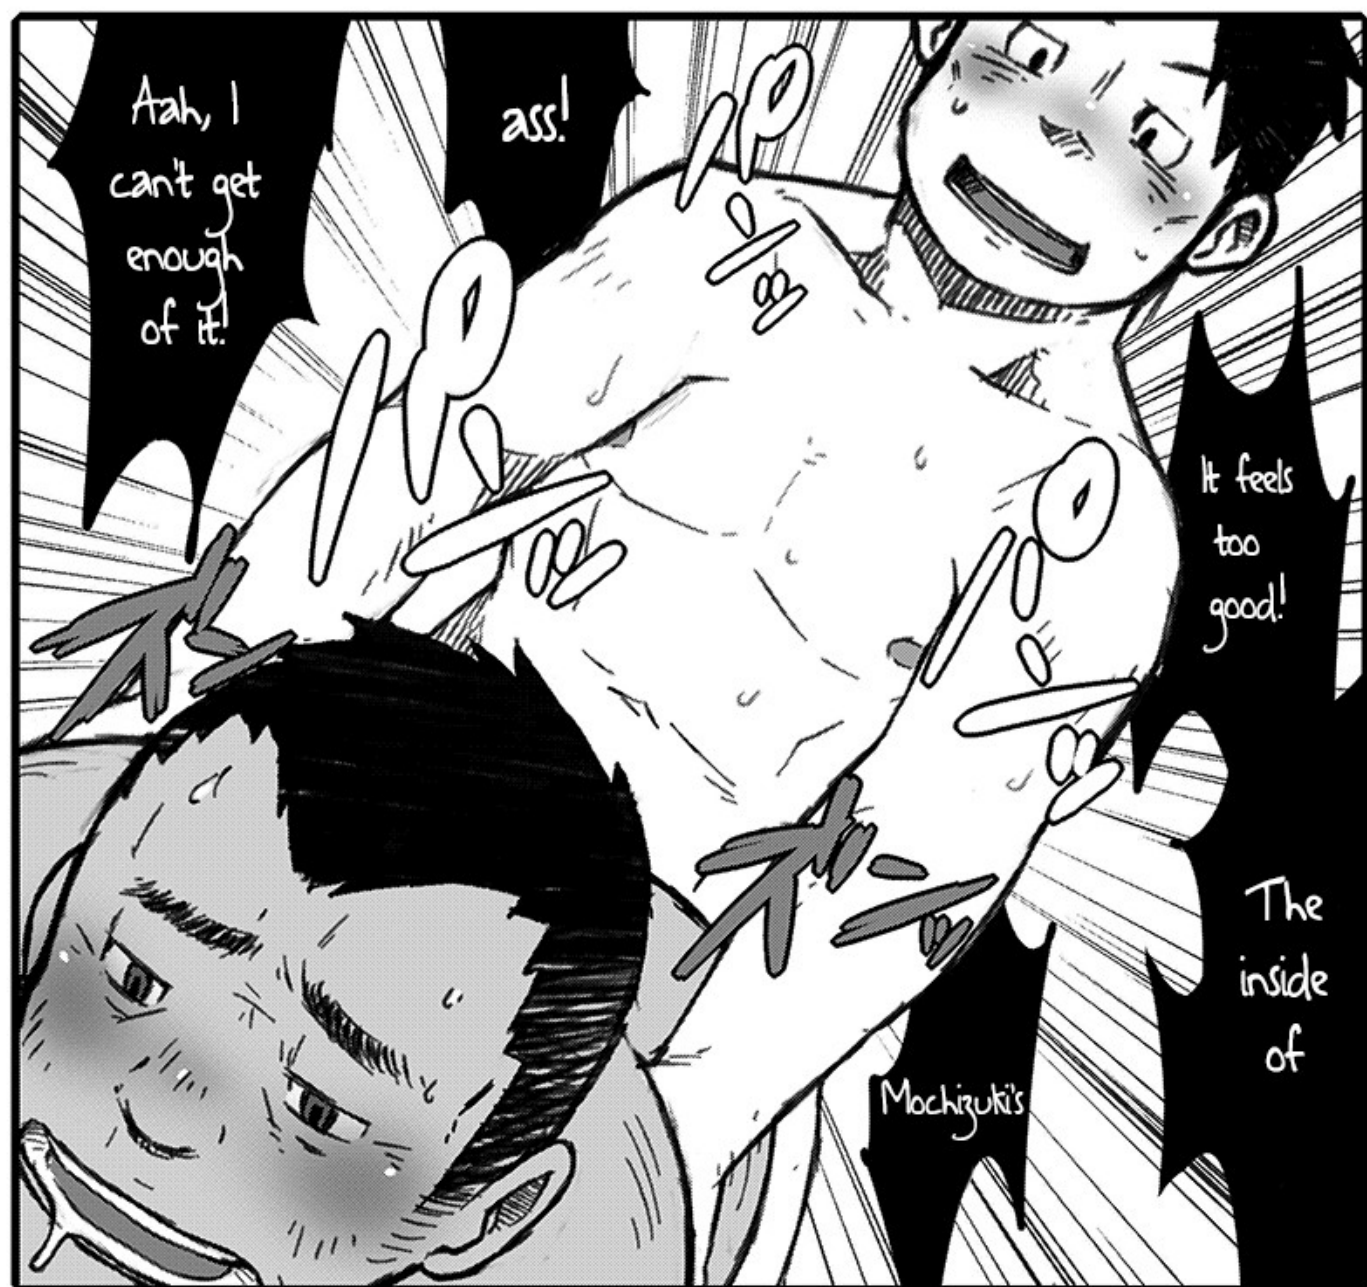

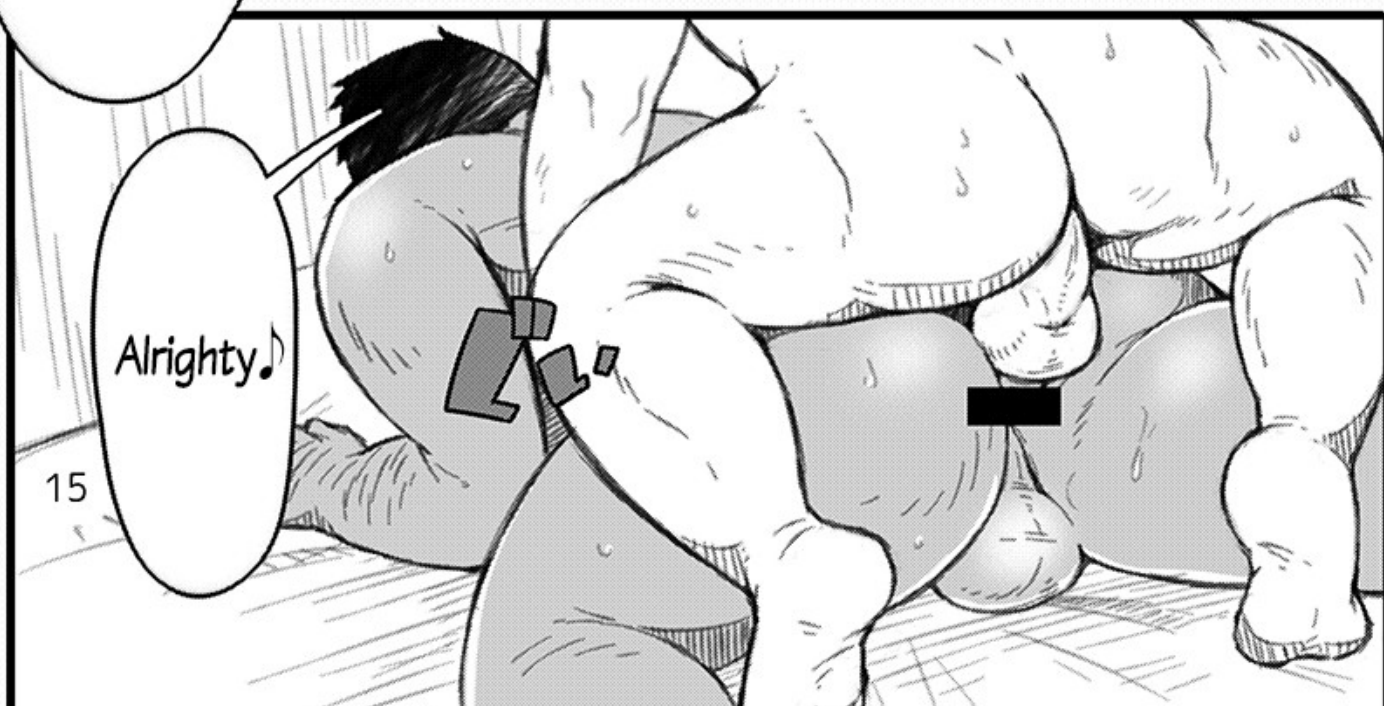

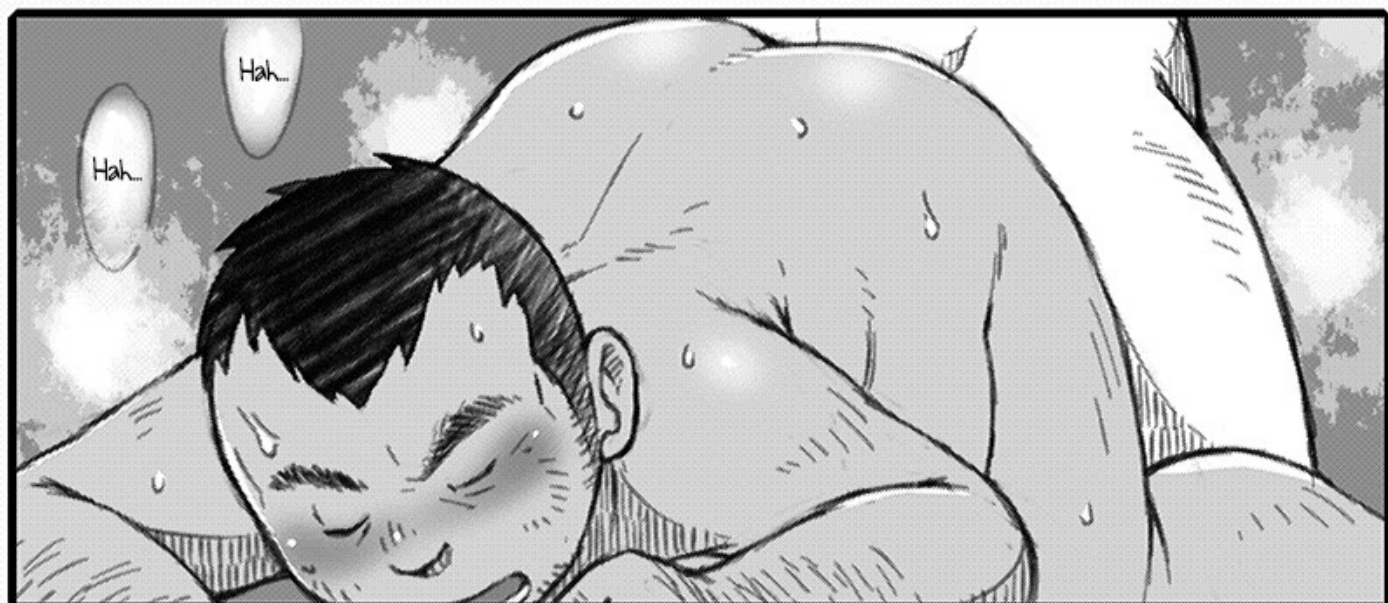

I'm able to look
at his ass
better, which in
turn gets me
turned on more,
so I'm fine
with this.

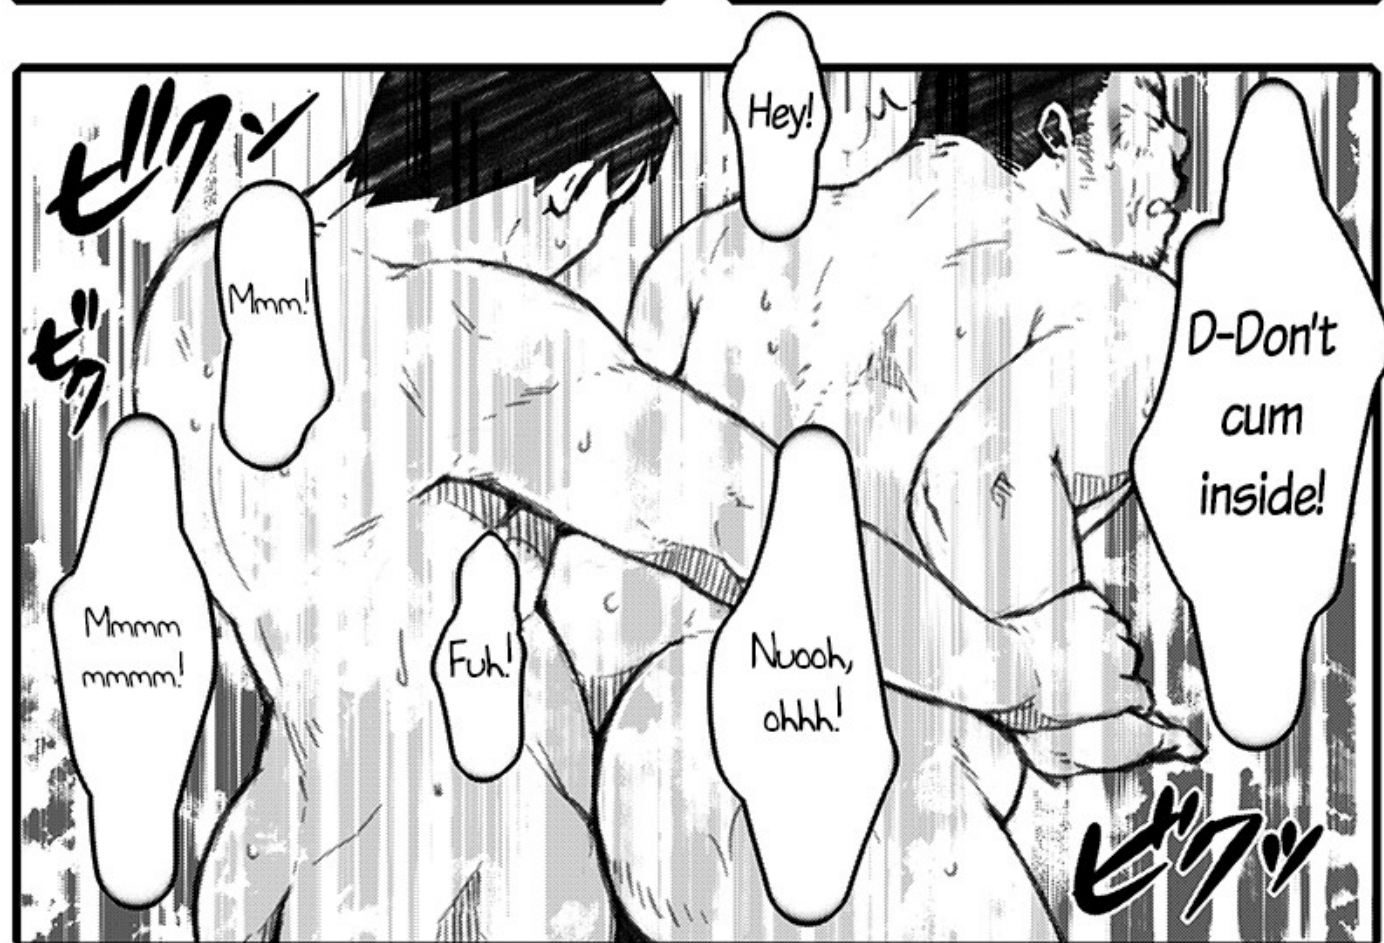

Mochizuki-san
likes to take
it from behind
so he doesn't
have to show
his face, or
at least that's
what he told me.

(He almost sounds serious...)

I-if I get pregnant, you better take responsibility!

AFTERWORD

Thanks for buying this book!

I just wanted to draw a lot of DILF asses (^O^)

The title sounds like an RPG move, but I like that kind of stuff...

The last book I published was "*Somersault **ck!!*".

Originally I wanted to make a story about doing it in a hotel, and make the title a pun, like "*Getting Hot at the Hotel*"...

But maybe I'll have that chance another time.

Well, that's just a dad joke, anyway!

Also, I named him Mochizuki because "moon" is slang for "showing your ass" in English.

I want to eat mochi out of Mochizuki's ass. Well, see ya!
