Does it feel *that* good having me stroke your cock...
With my panties wrapped around it?

fufufu
You're... So hard...

Yeah... It feels... Really good...!

Ah...! Did I hurt you?

UWA...!

No... It's just...

We're... Umm... Just getting started!

Oh... Umm... That not good!

I... Uhh... Ended up cumming...

Ah
Look at you thrusting your dick as I move my hand.

Agh
You're such a... little perv... Koharu.

I can tell you're having a hard time playing the older sister role. You don't have to force yourself just to have sex with me...

But why did you go through the trouble of making that smart-phone app?

But I want to...!

So you have to call me Big Sis, you hear...?

It's not Chiaki... We're in the middle of the "Older Sister Experience" right now.

Chi... Chiaki...? Wrong...!

Got the chance to be your "Older Sister" the entire time during the "Older Sister Experience for a Week".

I barely had any when it was finally my turn...

Oh... I guess you're right...

And that's why, Koharu...

Chiaki... I mean... Big Sis...!

To become one...!

Even I want to be called... "Big Sis" by you, Shuntarou.

Until you've... satisfied your Big Sis...

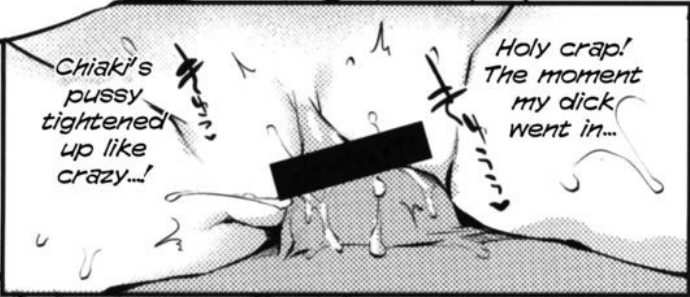

You're not allowed to cum...

You... Hear...?

Oh my god!

Big... Sis...?

Chiaki's pussy tightened up like crazy...!

Holy crap! The moment my dick went in...

Just from putting my dick in...?

Could it be... That you came...

That's kinda hard to do...
When you're squeezing this hard around my cock!

Hey... Listen to what your Big Sis is saying...!

Hold... On... A sec!
Stop thrusting... Your hips!

Shun... Shunta-rouuuu!

There's no way I can hold myself back...!

Stop! They're really... Sensitive right now...!
Hey! Who said you can grab my breasts...!?

Be the one... Taking the lead...!

You big dummy...! I'm the Big Sis right now...! I'm supposed to...

I CAME JUST A SECOND AGO....
