GRADUATION CEREMONY

Thanks for every-thing!

Class Prez, good work!

Um... What's this?

Your teaching was a lot easier to understand than the real teachers-

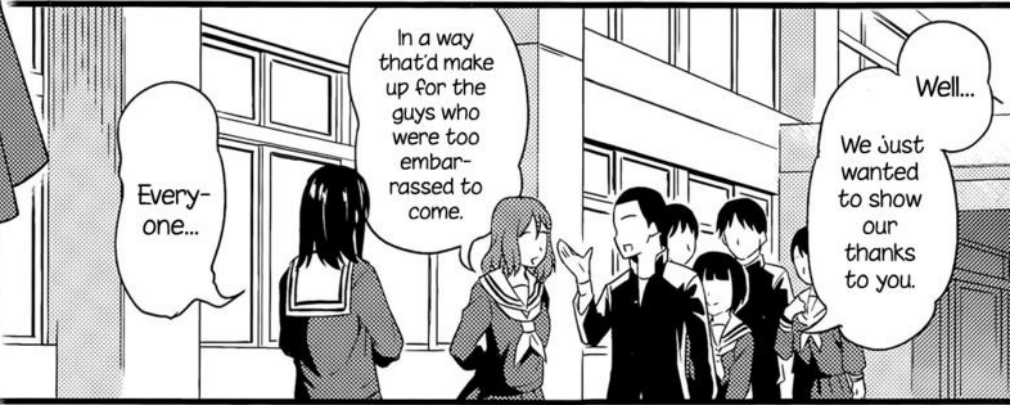

You know, you always helped us with our studies and every-thing.

You really looked after me.

And when I was being bullied...

Every-one...

In a way that'd make up for the guys who were too embarrassed to come.

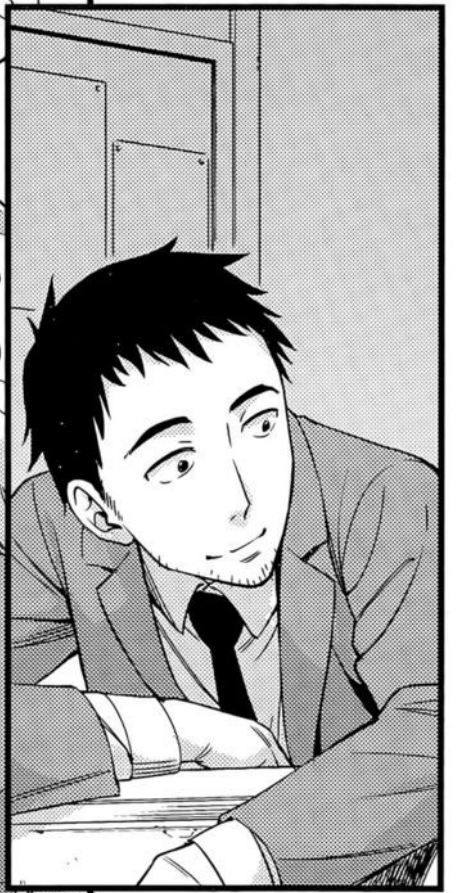

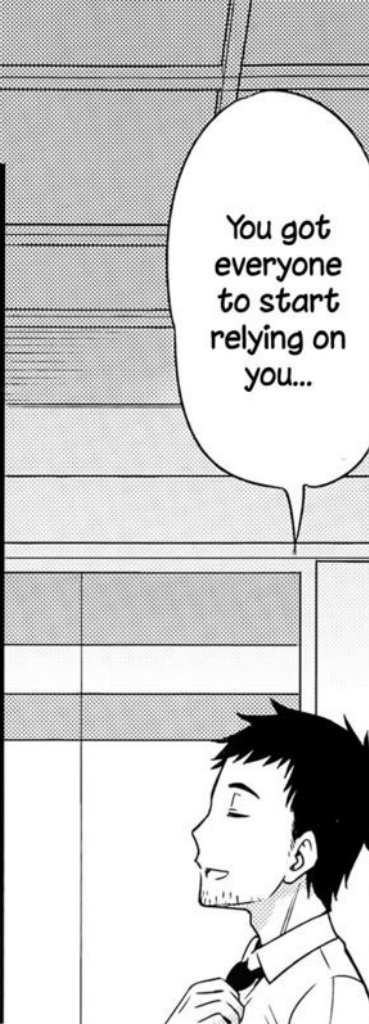

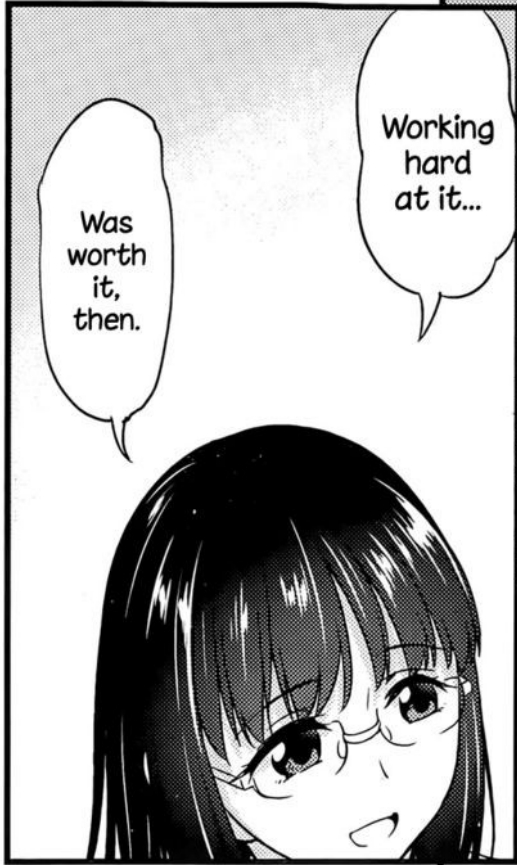

Well... We just wanted to show our thanks to you.

Don't make me cry...

Geez...

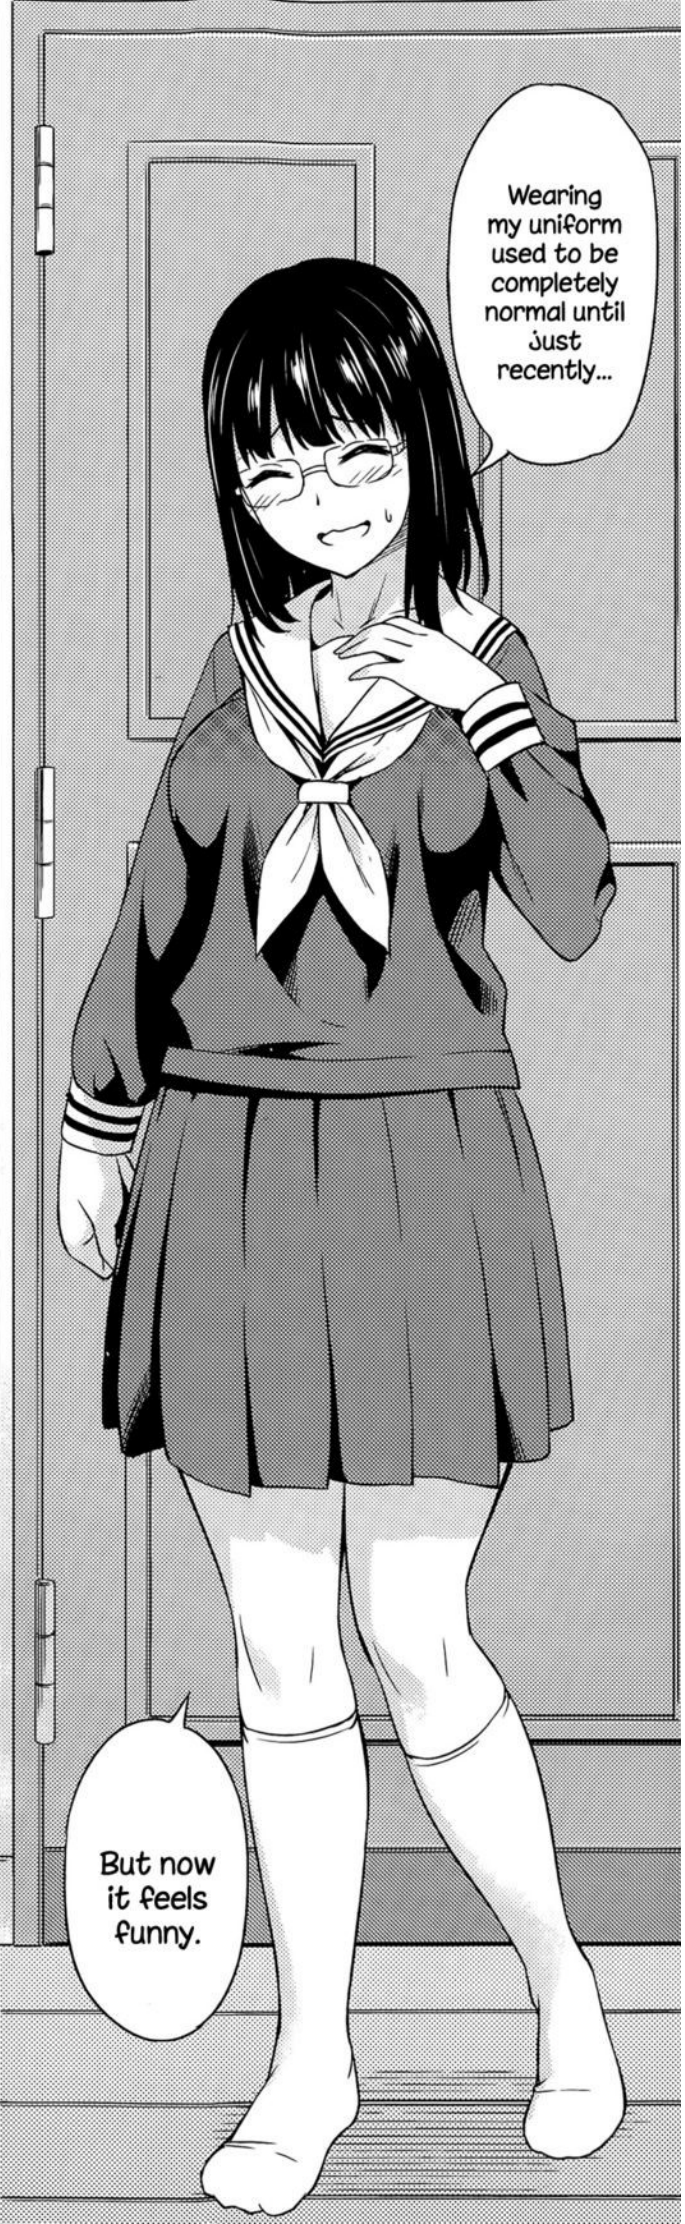

Hey,
you were
the one
who
suggested
this~

Doing it
in these
clothes,
I mean.

Wearing
my uniform
used to be
completely
normal until
just
recently...

But now
it feels
funny.

Against weird laws and unspoken rules of the world.

This is my modest way of rebelling...

It was in this uniform that I fell in love with you, Sensei.

That's because...

Well...

Ye-
Yeah...

It's like... we're doing something naughty at school.

Ah...

Do you have any idea how many times I fantasized about doing lewd stuff to you?

Give it a wild guess, Kado-kura.

This really does set the mood alright.

I always thought they were huge...

But I didn't expect them to be this big...

You wouldn't want to stand out too much, after all.

Hn...

I see... Well, I guess that makes sense.

So I wear a smaller bra to keep them hidden.

I'm a little bothered by their size...

Um...

There's something I'd like to try first...

Could I... put it in already?

Kado-kura...

I've never...

Cummed this hard before...

Fufu...

I practiced really hard...

For this day...

You sure have...

Nn...

Haa-

Oh...

Oh...

That's it...

Kado-kura...

The results of my hard work...

I'll show you-

Suck it that hard...

If you-

Large stylized sound effects, including a prominent 'NO!' at the bottom left.

Of course..!

I'll...
give you
my all!

I'll...

Fill
you
up!

Large stylized sound effects, including 'SHING' and 'BOOM' repeated multiple times.

All kinds of stuff I'd like us to do together.

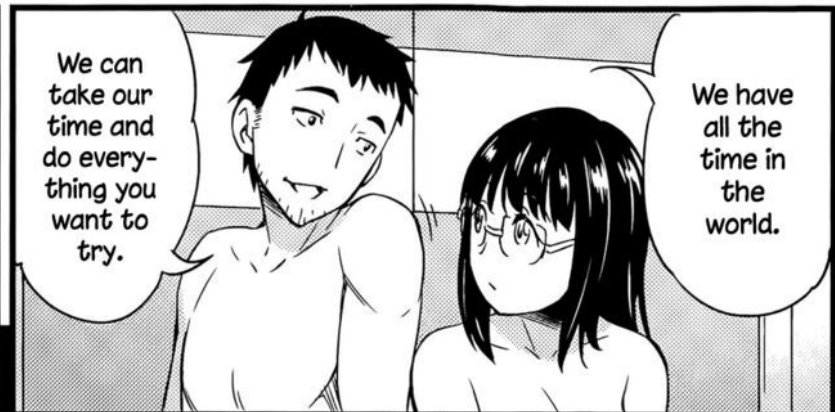

I can see that there's...

Now that we've done it...

Mm?

Well then...

We can take our time and do everything you want to try.

We have all the time in the world.

Let's start...
By cuddling a little.

Oh, and I'd love to hear some sweet pillow talk~♡
Forget it!
