 "Exogenous Zone Sensitivity Control,"
 "Body Restraints,"

I look forward to working with you, Meguro-sempai ♡

That being said, from now on, I'll start "*training*" everyone in the Track and Field team relentlessly, so...

My, my. Stop barking like that, and take a look at this.

Just what do you mean, you're our ruler!? Did you take advantage of sensei's weakness and force her to do those sort of terrible things against her will!?!?
