

I think I became an idiot from masturbating too much....!!

雪雨こん YUKIU CON PRESENTS まんがでわかる 精飲勉強法 Study Method With SEMEN -Comic Edition-

Sensei... I...

I had heard she was a bit of a weirdo, but she actually seems like a really nice girl, and she's cute, too. Thank goodness~

Let's start by reviewing the parts you had trouble with in the last test.

Sensei ...

And since she's in the seventh grade, her classes aren't hard. I might have gotten the pick of the litter as a tutor.

Ask me anything.

What is it?

Oh, thank you...

Sensei, I brought you some tea.

Good work

Huh?

この後とんでもない事態に!?(ページをめくるとなってる素晴らしい)

She is a weirdo after all...

C-Chiho-chan...? It's just an expression... Are you listening?

Huuuh?! I don't wanna drink nail dirt...

カチカチ

Oh! It's no trouble at all.

We're really lucky to have someone who goes to a good university like you in the neighbourhood.

I'm sorry for asking you to do this in such short notice.

!?

Welp, she's all yours~

Onoho... My girl really isn't the sharpest tool in the shed. How I wish she'd boil the dirt from under your fingernails and drink it\*, Sensei.

\*TL Note: Same thing as taking a page out of someone's book.

If it'll make me smarter... It's better than nail dirt...

But if it's semen, then I think... I can do it.

ホソソ

semen?

Why

Huh?

I wasn't expecting this...

Y-You were serious?

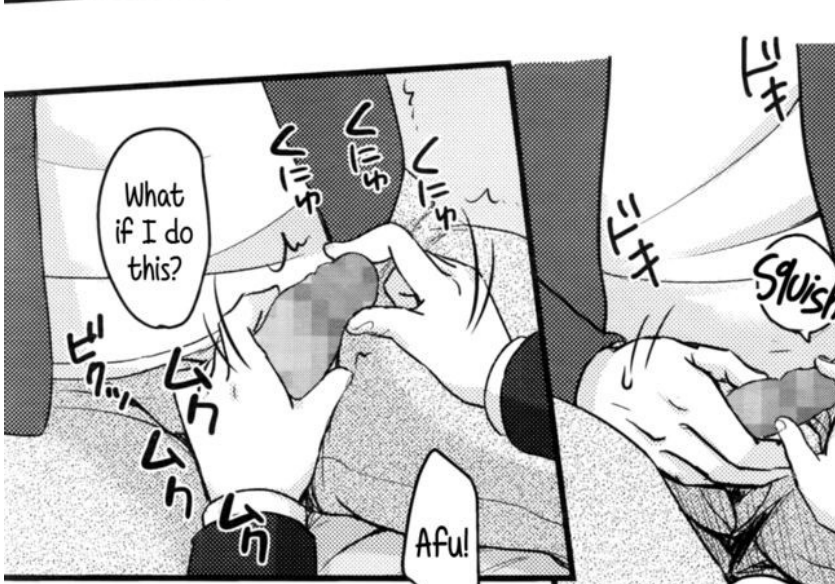

Pull out your penis, please!

Ah! Even you're treating me like I'm an idiot, Sensei?!

Umm... Do you know what semen is?

What if I do this?

Afu!

Squish

But if she's the one who initiates it, then it's fine, right?!!

It got hard! Cool~!

So you know about this stuff already...

This is called a boner, right?

It's not hard, huh?

Of course not, we haven't done-

You really shouldn't worry so much about masturbation.

I see. Smart people are impressively resilient~

Once in a while.

Sensei, do you masturbate a lot too?

Not yet, thank-fully...

Are you gonna cum?

Like this? Does this feel good?

Try holding that narrower part tightly and playing with it.

Yeah, that's it... It feels great!

Uuh!

Pya?!

Ei!

I wonder what it feels like for guys...

Will he cum if I use my mouth?

Ah!  
You're touching yourself too?

Yeah!  
I just couldn't help it!

Yeah,  
it's bad to hold it in.  
Carry on, then~

I thought, maybe you'd cum faster dish way!  
I saw this in a book!

Chiho-chan?!  
You're doing it with your mouth?!

What?! Really...?

Like they say, it's not medicine if it tastes good, right...?

It's bitter and tastes awful, but I feel like I've gotten a bit smarter~

Let's both do our best to get your grades up, Chiho-chan!

Just tell me if you need help with anything again.

フツフツ...

But don't hold back from masturbating when you're alone.

So good!

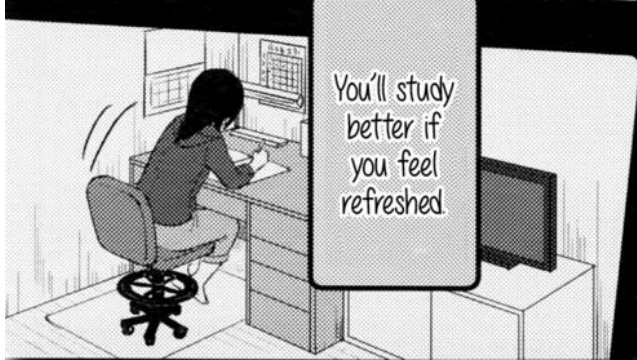

Every week from now on, I'll let you drink my semen before tutoring you, okay?

Chiho-chan!

That's great!

You'll study better if you feel refreshed.

Look! Look!

And then... I want you to cum inside.
