Due to a certain incident a year ago, the formerly orphaned boy started living for free under the roof of the village doctor, Hadzuki-sensei.

In order to avoid attacking the boy, she tries to put some distance between them.
Hadzuki-sensei enters her estrous period.
SENSEI, LOOK AT THE PRETTY IRISES!
JUST MAKE THEM LEAVE...

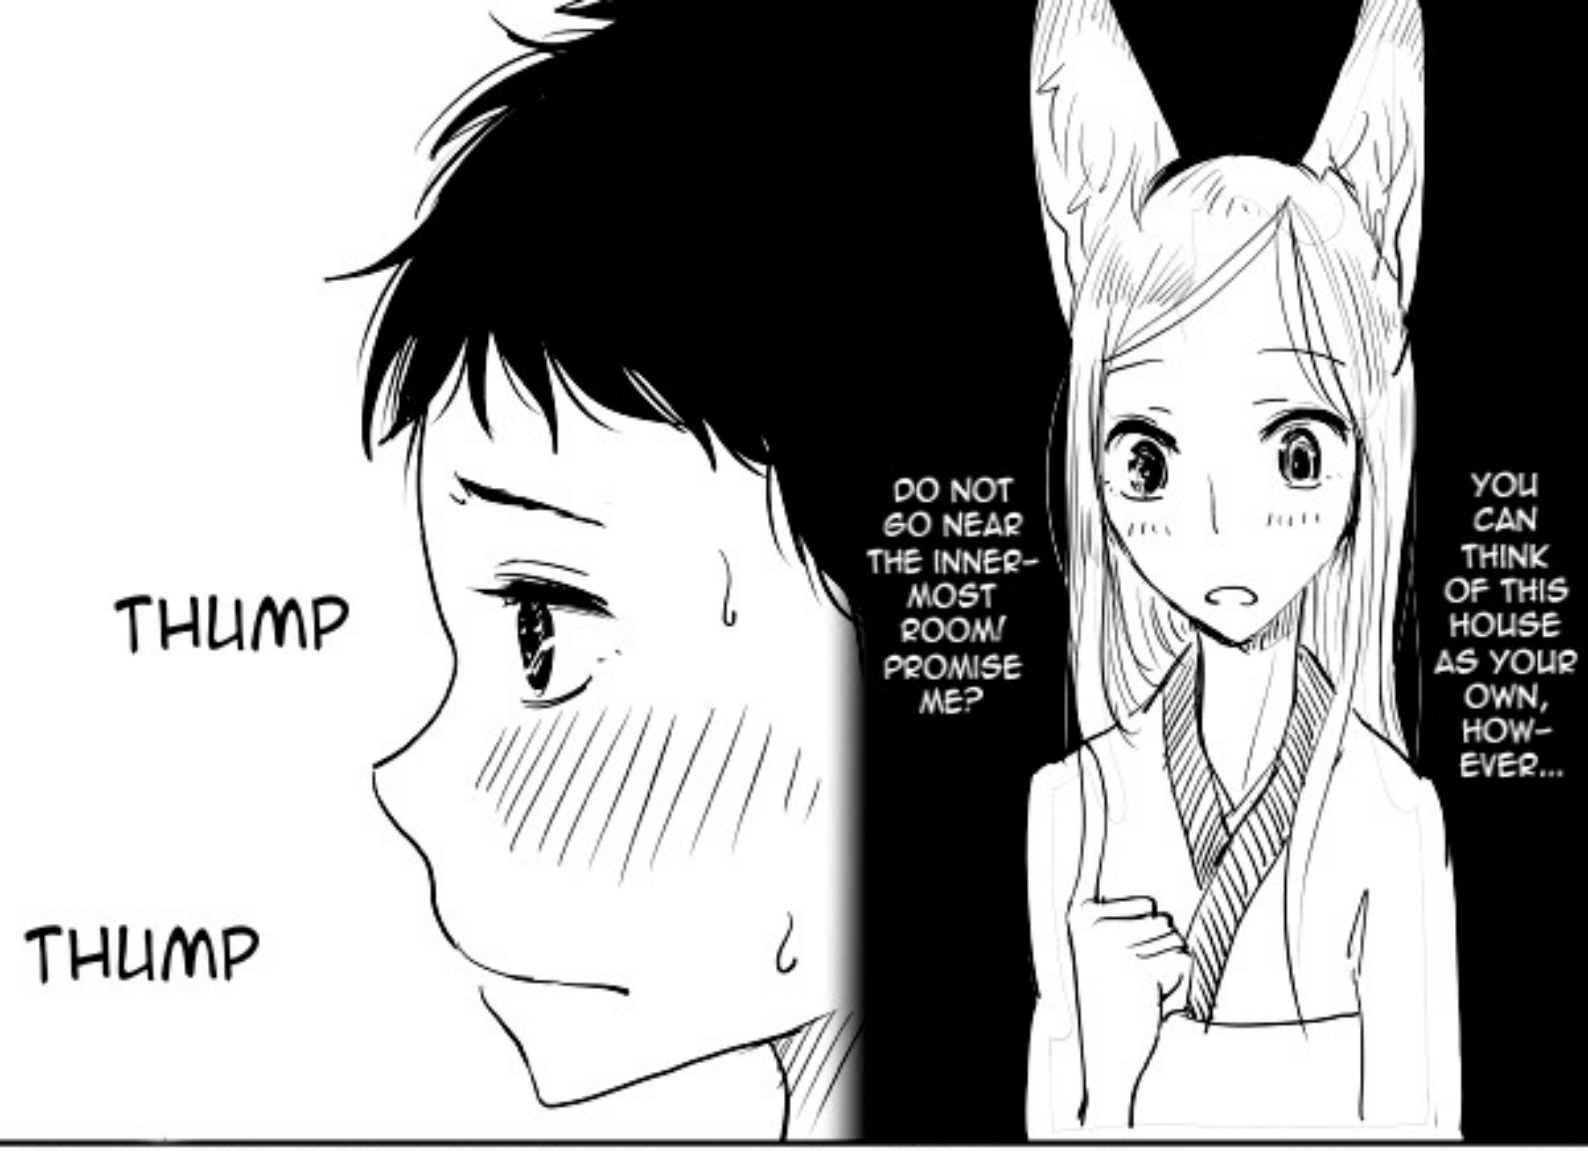
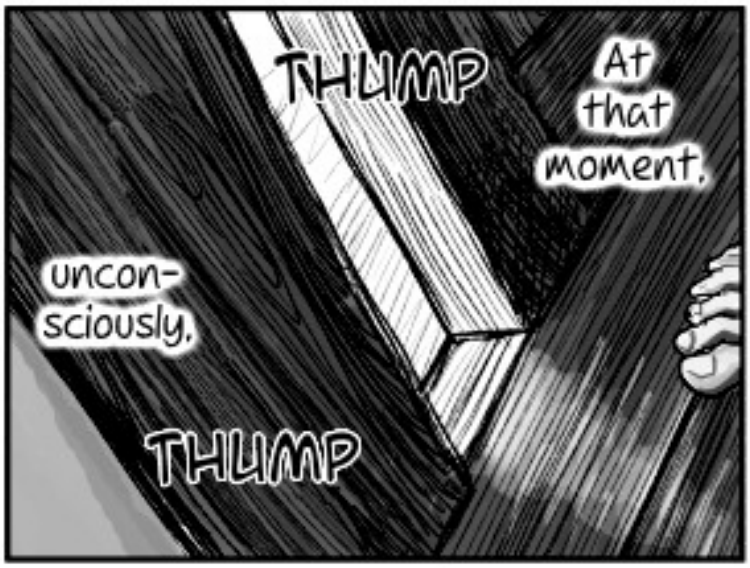
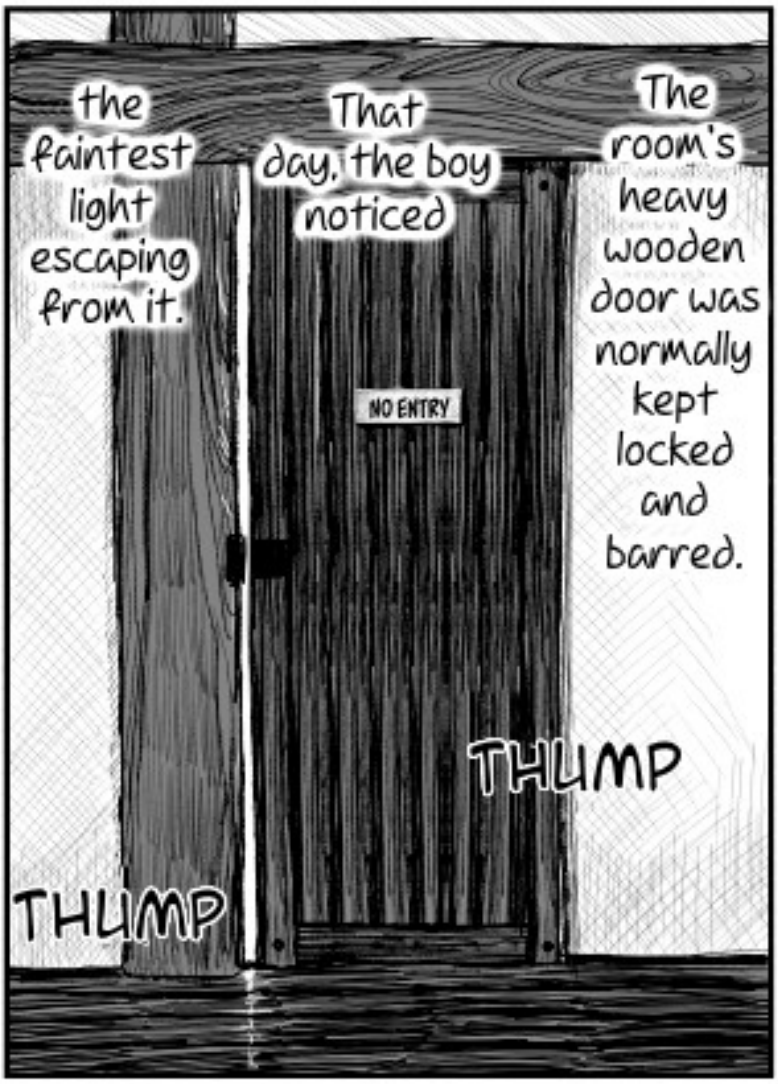
Oddly, having secluded herself in the inner-most room, sensei did not emerge for half a day.







Hadzuki sensei,

had decided
to avoid attacking anyone again.
in order
approaching her estrus.
to face her lust
all by herself.

in that very room.

納戸を改装した四畳半。
普段は使われることはないが、
発情期間中の先生の性欲が
暴走しそうになると籠ってまる一日ほど
こもりっきりになる。そこら中ひっかき傷
