

Year 20XX

In this country, the social status of
males has been considerably reduced
and it is worsening day by day

**Lots of messed up laws and
rules are being passed
like amazing fastballs.
This country has turned
into a wasteland stained
with a toxic juice of extreme
self-righteousness**

Yup, for men, this country is now considered
the most absurd country in the world

INTERESTING FACTOID:

-THE TITLES OF THE GIRLS ARE NAMED AFTER POSITIONS IN KENDO OR JUDO. THE ORDER OF PLAYERS IN A 5-MAN KENDO COMPETITION MATTERS AND EACH POSITION HAS A SPECIFIC ROLE OR PERSONALITY. WHILE IT DIFFERS UPON TEAM AND STRATEGY, THESE ARE THE GENERAL ROLES:

先鋒 (Senpou)- THE VANGUARD (OFTEN THE STRONGEST OR SECOND STRONGEST. EXPECTED TO GET A POINT.)

次鋒 (Jihou)- THE SECOND VANGUARD (EXPECTED TO KEEP THE FLOW OF THE GAME GOING, NOT PARTICULARLY STRONG)

中堅 (Chuukun)- CENTRAL BODY (CAN CHANGE THE GAME AROUND FOR THE BETTER IF THE PREVIOUS TWO LOSES)

副将 (Fukushou)- LIEUTENANT (SIMILAR TO SECOND VANGUARD, EXCEPT STRONGER. "SETS THE MOOD" FOR THE GENERAL)

大将 (Taishou)- GENERAL (LAST POINT. OFTEN STRONGEST PLAYER. EXPECTED TO GET THE FINISHING POINT)
