Onii-
chan?

Every-
thing
belongs
to me...

Ku...

Ah...

カア...

カア...

TH...
THERE'S
NOTHING
WRONG.

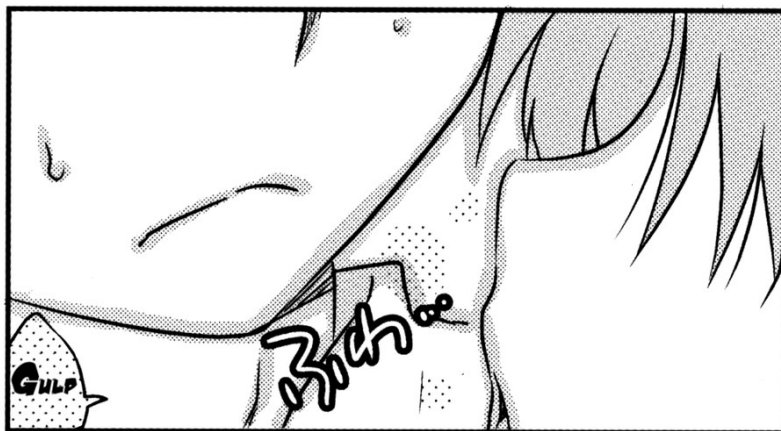

HAH!

Is
something
wrong?

Why
are you
staring
at my
face?

Did Yui do something wrong?

Yui's sweet fragrance.

The guilt and excitement from last night are overflowing my mind.

Ah, wait for me!

I ALREADY SAID THERE'S NOTHING WRONG!

I'M LEAVING FIRST.

Something seems suspicious about you lately Onii-chan.

Almost like you are avoiding me.

If Yui knew everything, we won't be able to go back to being normal siblings.

That, I already know.

From that day forth I could no longer control myself...

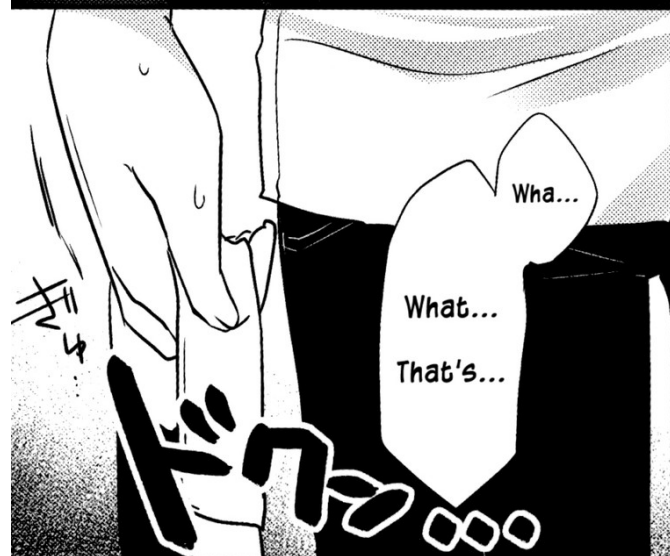

Yeah...

He asked me out.

What should I do...?

Someone confessed to you?

The main reason was that one week ago...

Wha...

What...
That's...

It's still too early for you to date someone.

No, it isn't.

Um...

THUMP
THUMP
THUMP

WHY AM I SO?

Something like... dating...

That guy...?

Are you possibly...?

...WHAT IS THIS?

Well...

I still
haven't
replied
to him.

Eh?

What do
you think
Onii-chan?

ERM...

We always
got along
as normal
siblings.

I never
really
thought
about it
'till now.

I always
thought
living
together
was
natural...

Onii-
chan?

MY
HEART FEELS
LIKE IT'S
SHATTERING
INTO PIECES

THE
ALWAYS
PURE...

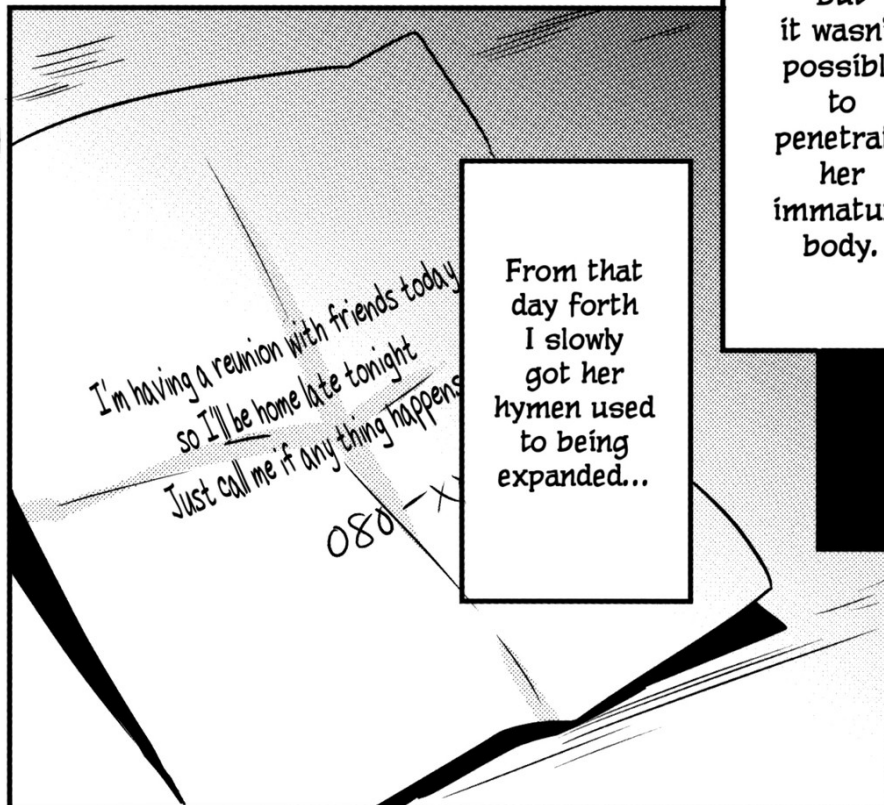

THE
ALWAYS
PRETTY...

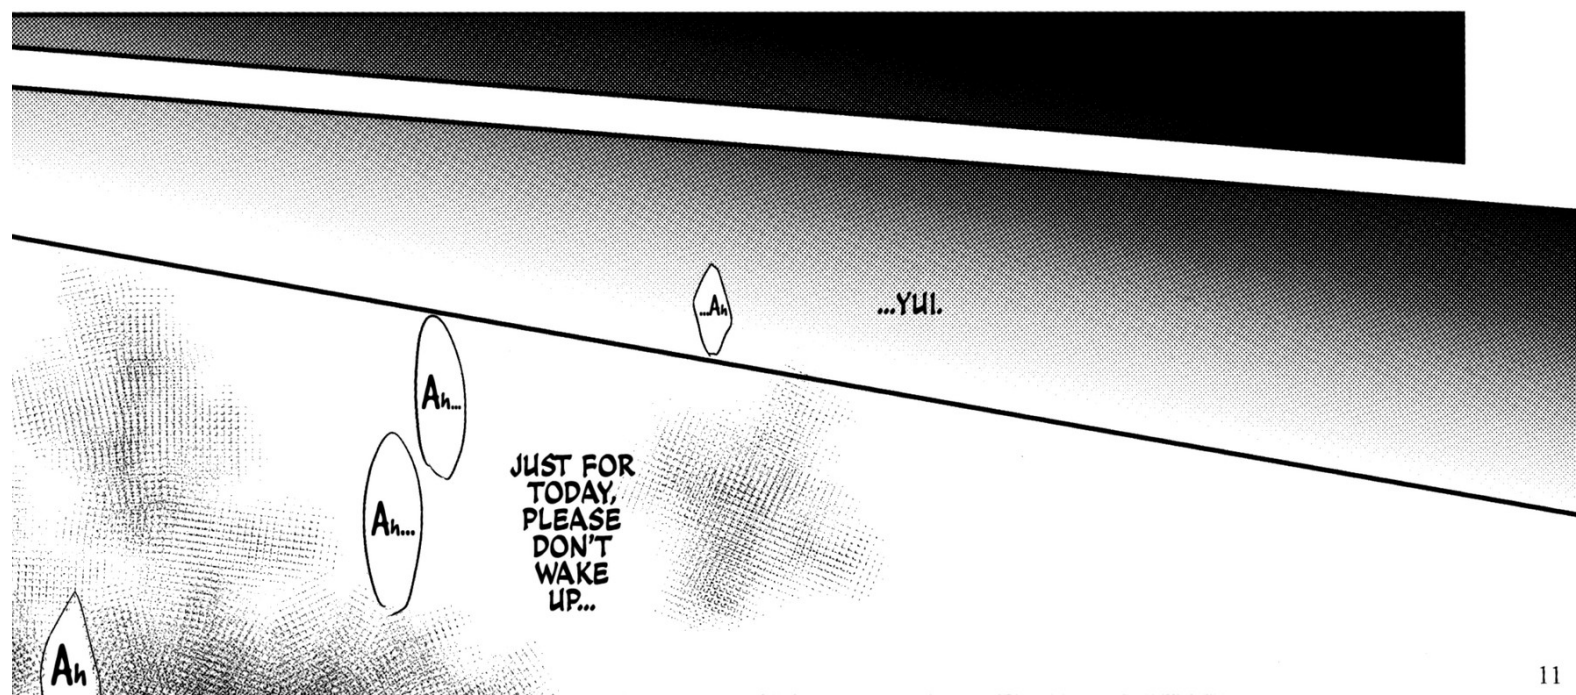

ALWAYS...
YUI... WHO
ALWAYS
BELONGED
TO ME.

UNCONSCIOUSLY
I THOUGHT
THAT WOULD
NEVER CHANGE.

RATHER
THAN
LETTING
HER BE
TAKEN BY
ANOTHER
MAN...

BUT...

A story
I read
in a
romance
novel.

In the
beginning...

It really
just was on
a whim.

-sister side-

If I said
someone
confessed
to me...

The two
realized
each
other's
feelings
from
this and
became
lovers.

The heroine lied
to the boy she
loved...

Saying she'd
been confessed
to...

To see his
reaction.

Something
as simple
as an "oh"...

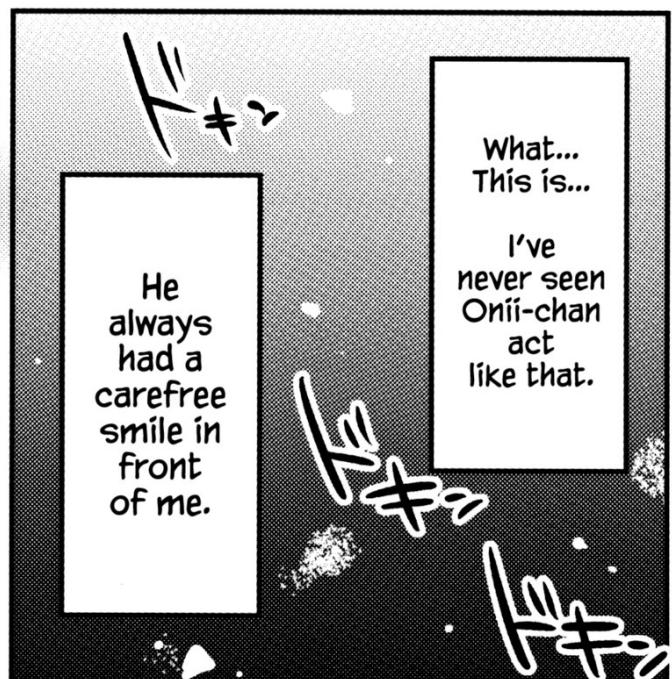

I'd feel
a little
lonely...

sigh

What
would
Onii-
chan's
reaction
be?

I feel
like
it'd be
casual.

I couldn't
tell him it
was a lie.

Haa
...

Haa
...

Haa
...

...
It's
hot...!

It has
to be
Onii-
chan's...
that,
right?

rub

The
thing
that's
poking
me...

Even though
I'm scared...

I can only
continue to
pretend I'm
asleep...

She's
going to
wake up
if I
continue
...

Uuhhh
...

Still
...

I never
thought
it'd turn
out like
this.

Onii-chan
...Why?

I wonder,
what's your
expression
right now?

This
is...

Can't
get in
...

...I'm
scared
...

...My head feels hot.

Ah... I fell asleep.

Onii-chan is doing H-things with my body.

And as usual...

For ... Sex ...

Yui ...

He's preparing ...

Chu ...

SQUISH
SQUASH

Onii-chan...

It's more aggressive than usual ...

Splish
Splosh

Notice
due to the pain
...

Yui...
What if
she
wakes
up...

What
kind of
expression
would
she have...

Sigh...

Even if
she's in
a deep
sleep...

Her
hymen...

Sigh...

If I
penetrate
it she
will
definitely
...

...Yui.

If you
don't like
this...

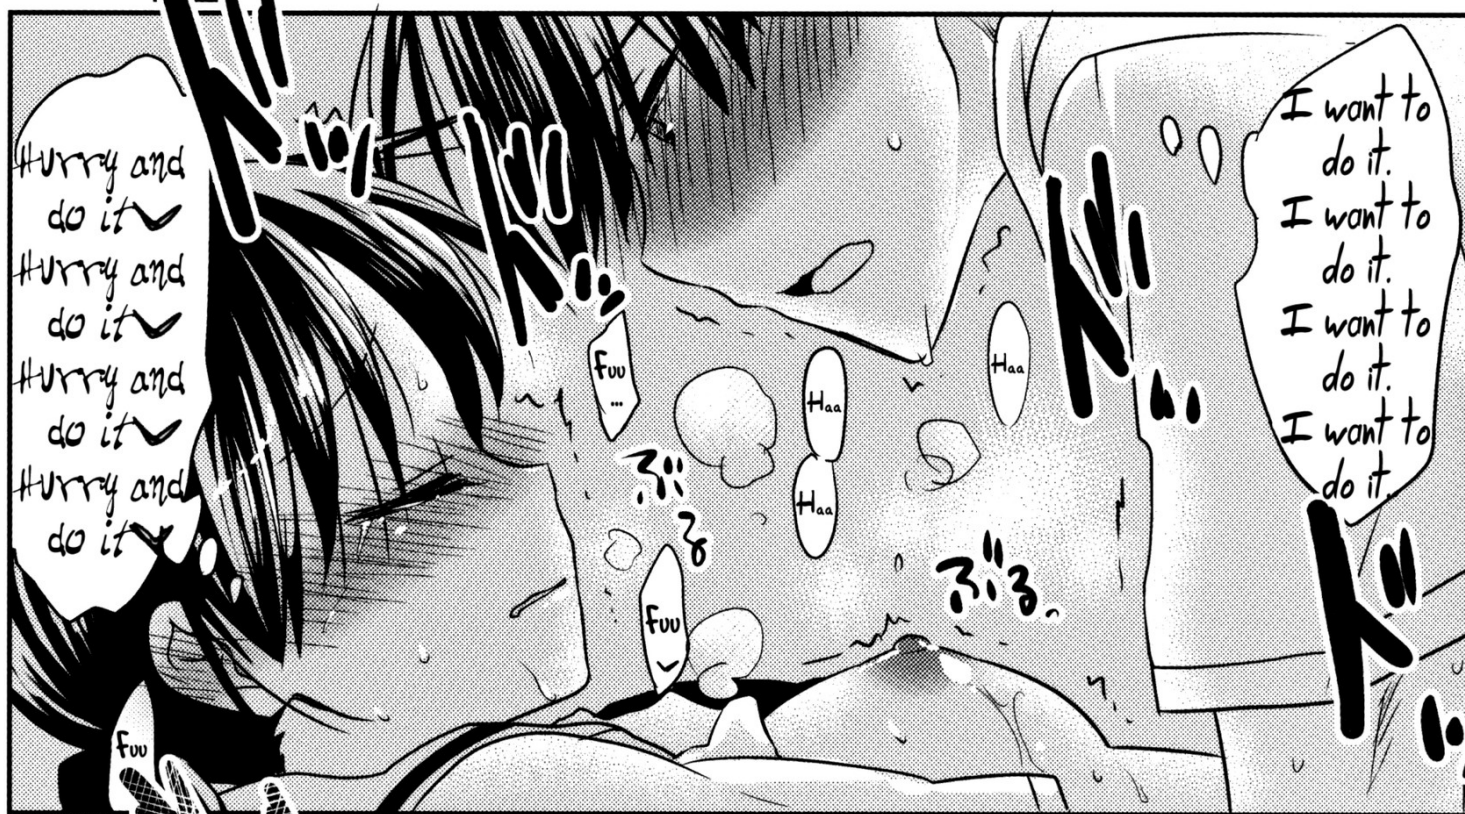

Open your
eyes.

Don't
tell
me...

She
was
always!?

She's
trembling
...!

Releasing
inside
her...

Moving
so
roughly.

She
was
just a
virgin.

But
now I'm
so deep
inside
her.

No
matter
how I
look
at it.

She
came
so
many
times.

But she's
not opening
her eyes...

HGN...!!

...Nyah!

But I don't
really mind
getting
pregnant
with Onii-
chan's
baby...♥

Aah

Aah

He's
ejacu-
lating
...

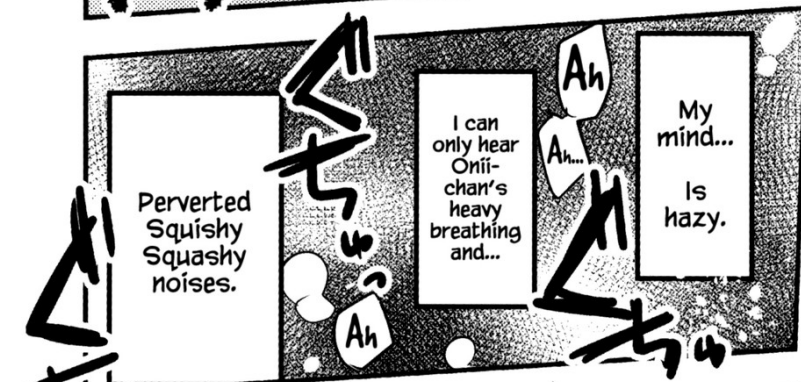

Inside
me.

Onii-
chan's
semen
...♥

No...
We
can't...
We
are
siblings!♥

I can
only hear
Onii-
chan's
heavy
breathing
and...

My
mind...
Is
hazy.

Ah

Ah

Ah...

It's
like the
nerves
in my
body are
about to
be taken
away...

I can
feel the
friction
in my
stomach.

How
good this
feels...

Even though her insides are melting like this...
She still continues to squeeze...

Her erotic body continues to tremble...

Yui...
Continues to climax non-stop.

Yui...
I'm about to cum.
You can open your eyes now.

I want to hear more...!

Yui's erotic voice...
Cumming voice...
More...

Aah

Saying
this
now...

Tonight
too...

I'll
