HEY... WHAT'S UP?

Good morning/afternoon/evening, I'm toka.

Thank you for downloading.

The content is quite sudden, but how was it?

Every time I draw what I want to draw, it always ends up in a familiar pattern. (sweat)

Dialogues are also difficult after all. Thinking about it after being done with it, there's been less dialogues due to some reasons.

I'm sorry for those who like the dialogues!

I still haven't understood how to use the tools and I still struggled a lot with them.

Really can't get used to Clip Studio Paint. (>_<)

Thinking about joining a size fetish circle for this year's summer C90(?) Comiket.

Thank you very much!!

お兄ちゃん♥
凄い夢見たんだ
聞きたい??

おはこんばんにちは、tokaです。
DLありがとうございます。
内容は鋭いですが、どうだったでしょうか？
自分が描きたいものを描いていたら凄いことになってしまった毎度おなじみパターンです(汗)
やっぱり台詞難しいです。考えに考えた末に
いろいろあって台詞が少なくなっていました。
台詞好きな方すみません！
ツールの使い方もよくわかっておらず
いつものように苦戦してしまいました。
クリップペイントスタジオ慣れません(>_<)
今年の夏コミC90?にはサイズもので
初参加を考えています。
よろしく願いいたします！！
