We're just middle schoolers too, that kind of thing is...

After that the team had a huge success in the match, and so, the legend of the manager Anko was confirmed.

We've gotta be starters in the next game!!

**The goddess manager who made the baseball club a success**

That made the team results skyrocket, to the point they didn't lose a single match in the whole third year.

It was said among the regulars that the manager Anko had sex with them before a match, which made the club receive more and more freshmen each year.
