At this school,
the male can become a king or a slave...

The story so far

The "Private Elfin Academy" was a breeding facility for elves, which were specified as endangered species. But as it turned out, the place was actually a harem school where humans and elves would fuck all day. Kamina was enjoying his life filled with sex, but a selfish high elf found out about his cheating, and...

Appearing Characters

Kamina

A four-eyed boy who is often mistaken for a goblin. Despite how he looks he has an unexpectedly large penis and aims to become an overlord. His flabby skin is packed with his dreams, hopes, ambitions and has monster stamina. He does not like marathons, though. In essence, he is a master of sex. He's just a man among men who wants to have sex and has more than enough stamina for it, you know. Having a whole, "shining brightest when he's making descendants!" sort of stamina. It's where he really feels alive.

Currently has two women in his nest.
People he admires are Kinugasa Sachio and Usami Sadayuki.

Sachet Isthmus

She's now even easier to handle than before. A gutsy elf that tries to have sex until the very end using her noble magical power and stamina, even while losing to cock. She used to have fans just because she was a high elf (past tense), but we don't mind because she has a clumsy, easy-to-handle personality!

Without her kneesocks she's completely white and hard to draw, so she made me realize the importance of knee socks.
Go knee socks! Knee socks are so sexy!
She's a high elf whose knee socks could be her main body.

Nicole

A slutty dark elf. We don't know if being a slut turned her into a dark elf or not. A stereotypical slut who's OK as long as she's having fun. She seems to have lower magical power, but I think it's enough to become pregnant. Magical power equals sexual power, and it's like gasoline for sluts. Since she's a walking sex organ, does she expend magical power just from walking? Who cares about that stuff. She's a slut who's just happy being a dark elf every day.

Her favorite food is the chilidog.

ARGH,
UNBELIEVABLE!

YOU
PHILANDERER!
SLEAZEBAG!
FOUR-EYED
BASTARD!

BUT HOW
COULD I
RESIST
...?

UGH...

GUH ...!

NEWSLETTER VOL.04

How do you do, I'm Fueta.

Yes, yes (I just thought of it now) this is my 4th book.

Just as the preview from the last volume said, it was a 3P with a high elf and a dark elf.
Did you see the supercilious high elf being fucked hard in her pussy?

The two elves had very clear personalities, so it was easy to draw.

Sachet's pride was still very important to her, so the question was how to break it!

I find noble elves half-crying irresistible.

I wanna do something even rougher to her...

Nicole's a devilish gal so she conspired with Kamina without any planning!

But then she jumped into Sachet who she was meant to bully, and experienced the thrill.

She just has no fear and doesn't know about protecting herself...

Don't you love how she's a gal and her reckless personality fits her so well?

The black elf was popular in the previous book as well...

making simple porn where dark elf = slut is really strong, isn't it?

It's easy to create stories for this hentai doujin,

and I've come up with several future stories already.

The next one should be another story about a brown elf.

But I can't just draw her or it'll be stale,

so it's required to include the white elf as well... go white!
