

ボクらの失敗

BOKURA NO SIPPAI

Presented by Asuhiro

Almost.

That's enough for now.

Alright. Koishi...

It's still crazy embarrassing, I tell you~

But, you know~

So what's with that reaction?

You're exposing just a little bit of skin because you're not okay with modeling nude...

Look at this.

You're gradually getting bolder?

Don't you think...

Holy crap, I'm amazing!

You're right...

WHAT WAS SUPPOSED TO BE OUR FIRST TIME...
FAILED HORRIBLY.

THAT DAY

NO
MATTER
WHAT.

KOISHI
WOULD
NOT
EXPOSE
HER
BODY TO
ME

But
looks
like it's
actually
work-
ing!

I was
like,
"what
the hell
is this
girl
think-
ing"?

When you
asked me
to draw you
nude because
you wanted
to get used
to being
naked...

My
heart
starts
beating
fast...

And my
body gets
warm all
around.

And when
I think
about how
you're
actually
doing it
now...

That
I wanted
you to
draw me,
too.

When I
was
watching
you do it,
I always
thought...

Senpai...
It's
'cause
you're so
good at
sketch-
ing.

How I wanted to grope these beauties...

While I was sketching you...
I could only think of one thing:

This...
Feels kinda funny.

That so...

Do you like my boobies?
So...

Nh-

Hn...

Sh...

You're so soft,
Koishi.

Sh...

But your chest is just the way I like it: big.
You might be short...

Mm...

So, could we..?.

I wanna see what a titsjob is like...

...Hey.

Bring it on!

Oh my...

Senpai...

Your dick's so warm...

That's because your tits are really turning me on,

Koishi.

Wow...

Your cum... is all over me...

Thanks... for catching it all...

Hehe...

Come at me any-time.

You can move.

Senpai.

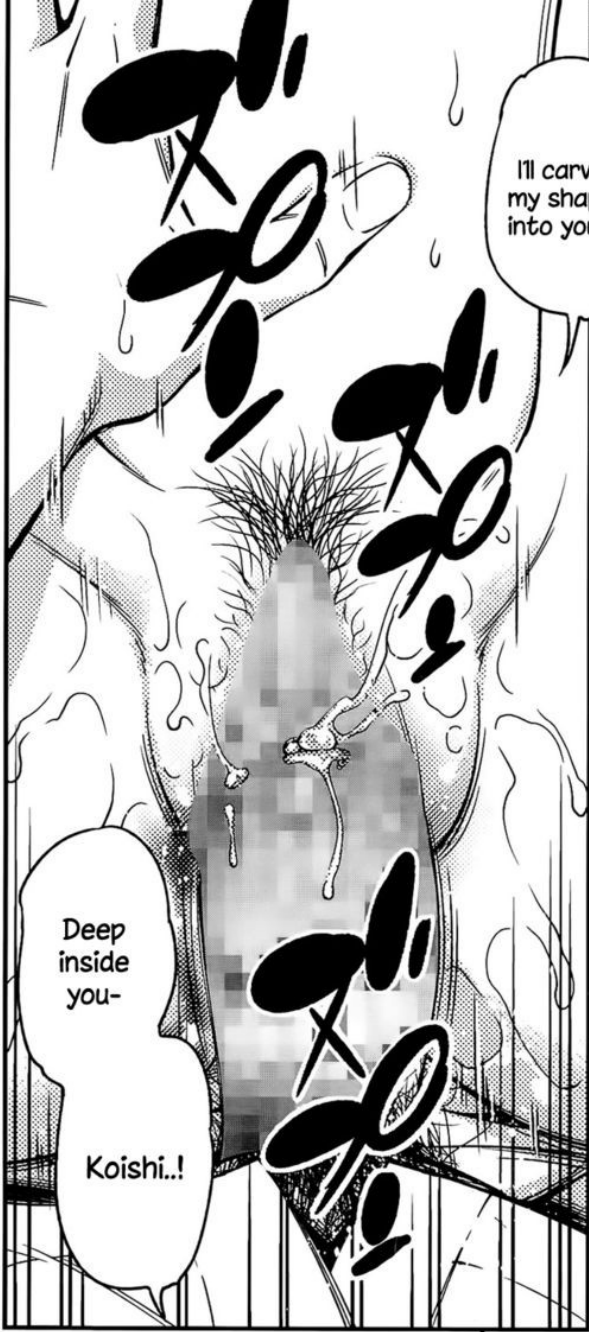

I can feel it in my stomach...

Yeah...

It's in... I'm inside you, Koishi...

I'll carve my shape into you...

Deep inside you-
Koishi..!

Sen...
pai-!

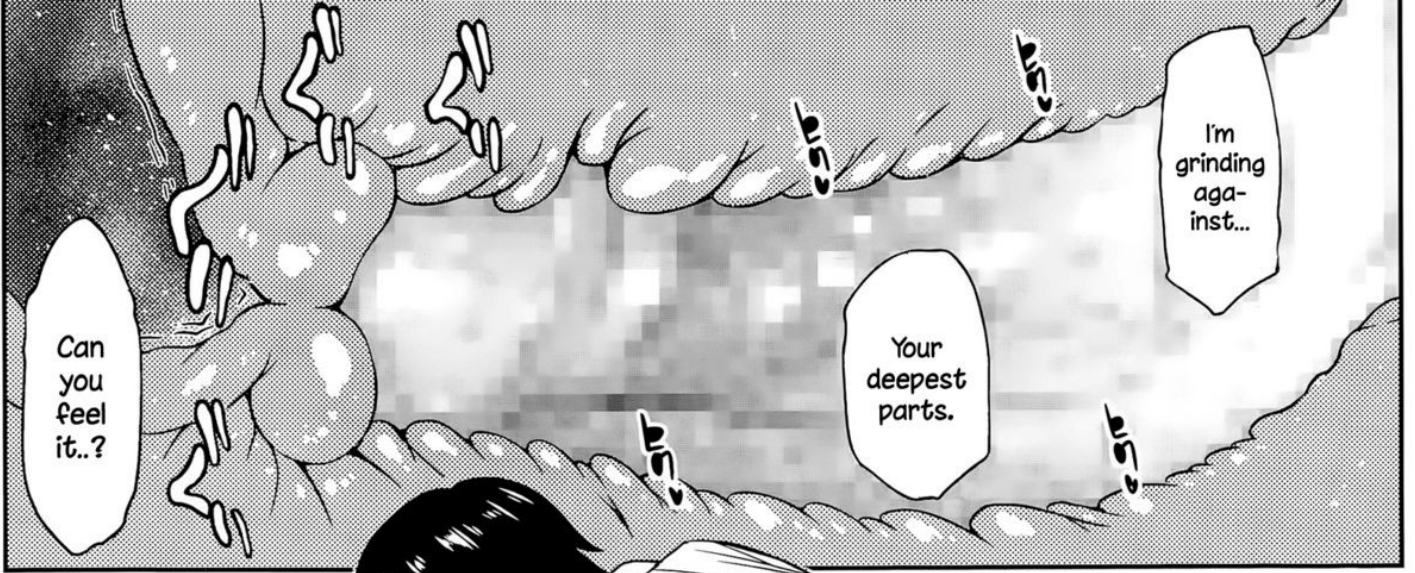

Let me feel you more...

Hah...

Ha-

Yeah...

I'm grinding against...

Your deepest parts.

Can you feel it..?

YO- You're deep..!

This is so goo...

Your weak spot's pretty deep in...

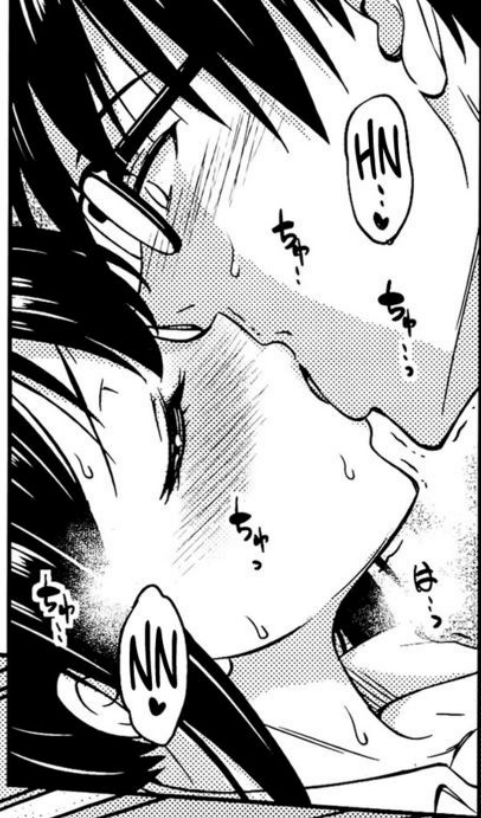

Isn't it... Koishi-?

For me, nude modeling for you was the number one target, and we still haven't done that.

Mm~

Is there a point in me still drawing you?

Hey.

ON ANOTHER DAY...

It'll leave me feeling awkward if we don't do it, you know what I mean?

Hey!

ボウラの失敗 (END)

So, how do you want me to pose?

I don't mind...

That's how it is.

Is that how it works..?

If you decide that, Koishi.
