W-When I start Peeling good...

is it supposed to start Peeling like I'm going to pee?

IT'S MUCH WIDER THAN A TOILET, SO IT SHOULD BE EASIER, RIGHT?

Comments: I like a couple of the stories in this tank, but I don't know if I'll do the whole thing. I used the magazine raws because it was a higher resolution and looked better to me.

I've been working on translating a game for the past week or two, so I haven't been doing manga. I'm about a quarter of the way done, if I had to guess. I'll probably do a chapter here and there as I get sick of staring at straight text all day.
