and this hypnosis doesn't just make them *do* things..

I can do things like control their emotions and make them horny

this is amazing!

a young girl's skin sure feels nice..

it's really firm and supple

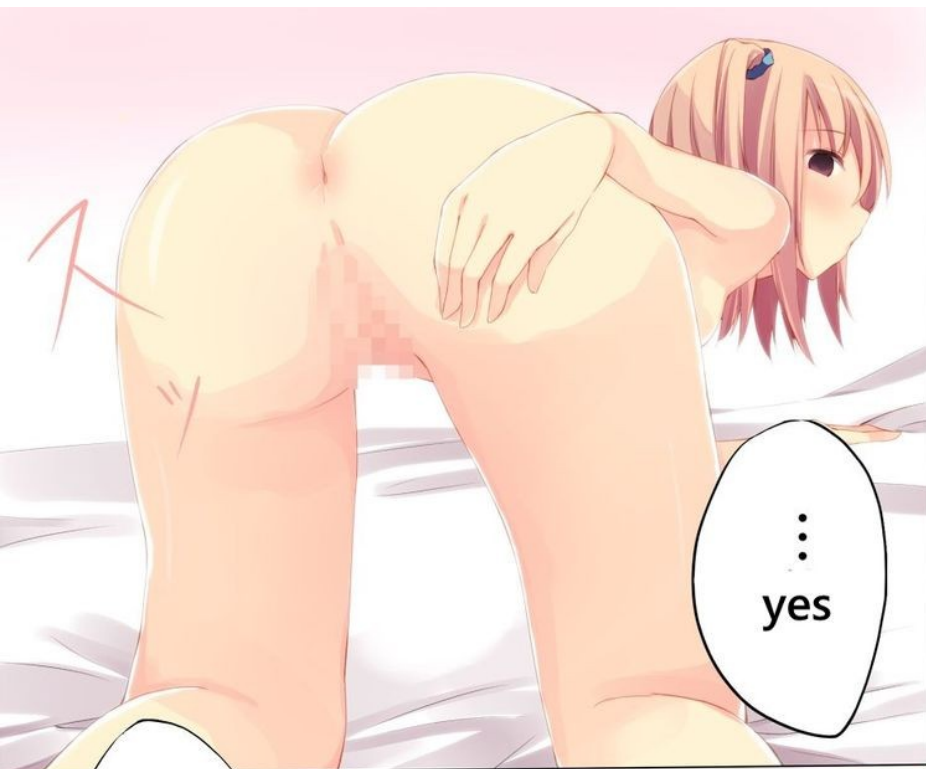

My name is Utsugi Morio I've had nothing but crappy jobs since I was a student.

Most stuff like that is either lame or a hassle but this Hypnosis Set was different from the rest

One day I found a "Hypnosis Kit" on a shady website, and I ordered it

That's the same school that I went to...

I think I'll go back there...

for old time's sake
