SECRET HABITS

REWRITE BY SUBVERSION

I wonder what Alex has been doing inside all this time? He usually spends his weekends out with his friends...

Alex...
You should
lock your
door...

!!

How
would you
like me to
fix some-
thing for
lunch,
now?

I'm
coming
in,
honey!

Mommy
doesn't
need to
see you
do this
...

And you're
not very
discreet
when you
do this, are
you, mom?

After all, its
not bad, is it?
My penis, I
mean. I'm
actually quite
proud of it.

You
don't need
to act so
prudish.

Really,
Mom?

I've lived alone with you in this house for seventeen years.

And I've noticed over that time that, despite your innocent appearance, you're actually quite lewd.

Don't deny it, mother. You often do this yourself, don't you?

I could focus on my studies, if I weren't busy dating girls all weekend. You've always said I should study more, haven't you?

Think about it. We could both enjoy ourselves without leaving the house.

Why ...

Don't we help each other out?

So I couldn't help but wonder ...

h
a

And
you could
finally stop
having to
masturbate.

I know
you don't
want to
love any
man but
Dad.

But we're
the same
flesh and
blood.

I
know you
secretly
crave
a lover.

I
know
that
you're
interested.

You
wouldn't
have to
please
yourself
anymore

Because
you'd
have me!

But why do it at all? Why not do something better?

You ...

Alex! Don't you get it? This is meant to be a private activity!

...You're not supposed to do this in front of your own mother! And you are not supposed to watch me when I do it!

I can tell by that look on your face, mom. A part of you does want this.

I have to cum, mom. I can't stop now.

I'm not like this Alex! We're mother and son!

Mom, look! I'm starting to rub it faster! Soon I'll have an orgasm.

It would be a shame if my efforts were wasted.

We can't do this together! Please, darling! Stop!

And even though you say you don't want to...

...You'll watch anyway.

Just watching
you, I couldn't
let you cum
without helping!

Oh, honey!
You're right
about me.
I'm a slut!

You're
swelling,
honey!
I want
you to fill
my mouth
with it,
okay?

mom.
That's
fair, right?

Mom! Your pussy is incredible! So pink and wet... I need to taste it...

Mommy needs to cum too.

But... It can't be helped.

Do it. Please...

Look at the inside, mom. You're so juicy. I told you that you'd enjoy this, didn't I?

Mommy needs this.

Your finger feels so good inside me!

OH MY GOD!

ALEX!

Use your penis.

No...

Will this be enough for you? Will my fingers do the job?

How does it feel?

Well?

A H H

Don't use such crude words! What we're doing is dirty enough already!

I'm fucking you!

What my little baby is doing to me!

I still can't believe ...

I'm putting it in you Mom!

I can feel

Ohh, I'm
cumming
just from
having your
semen inside!

Alex's father died when he was two. Since then, I had not dated anyone else, and I had not had sex. But Alex gave himself to me.
