

Did I do something wrong?

I said wait a sec!

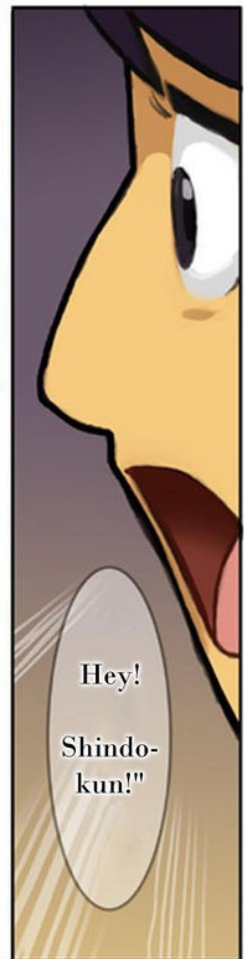

Shindo-kun---

Just wait a sec!

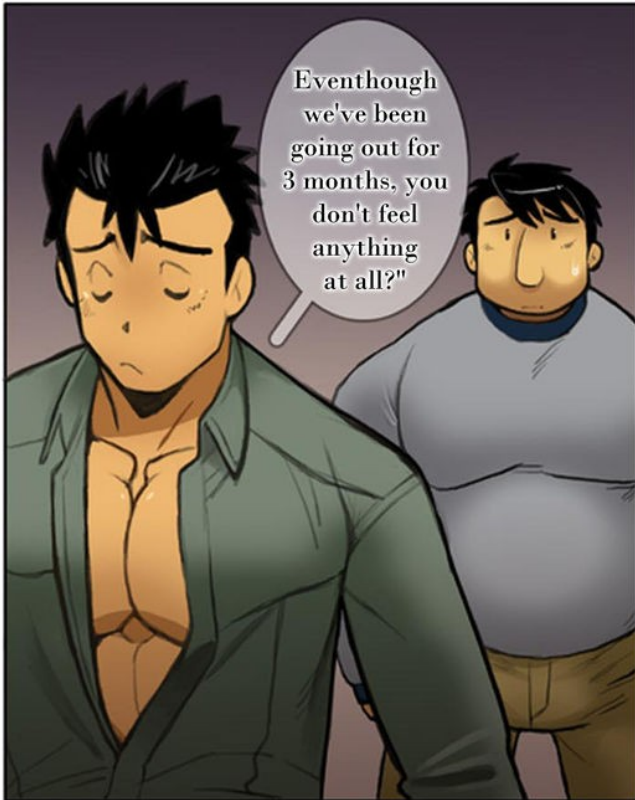

Jintarou...

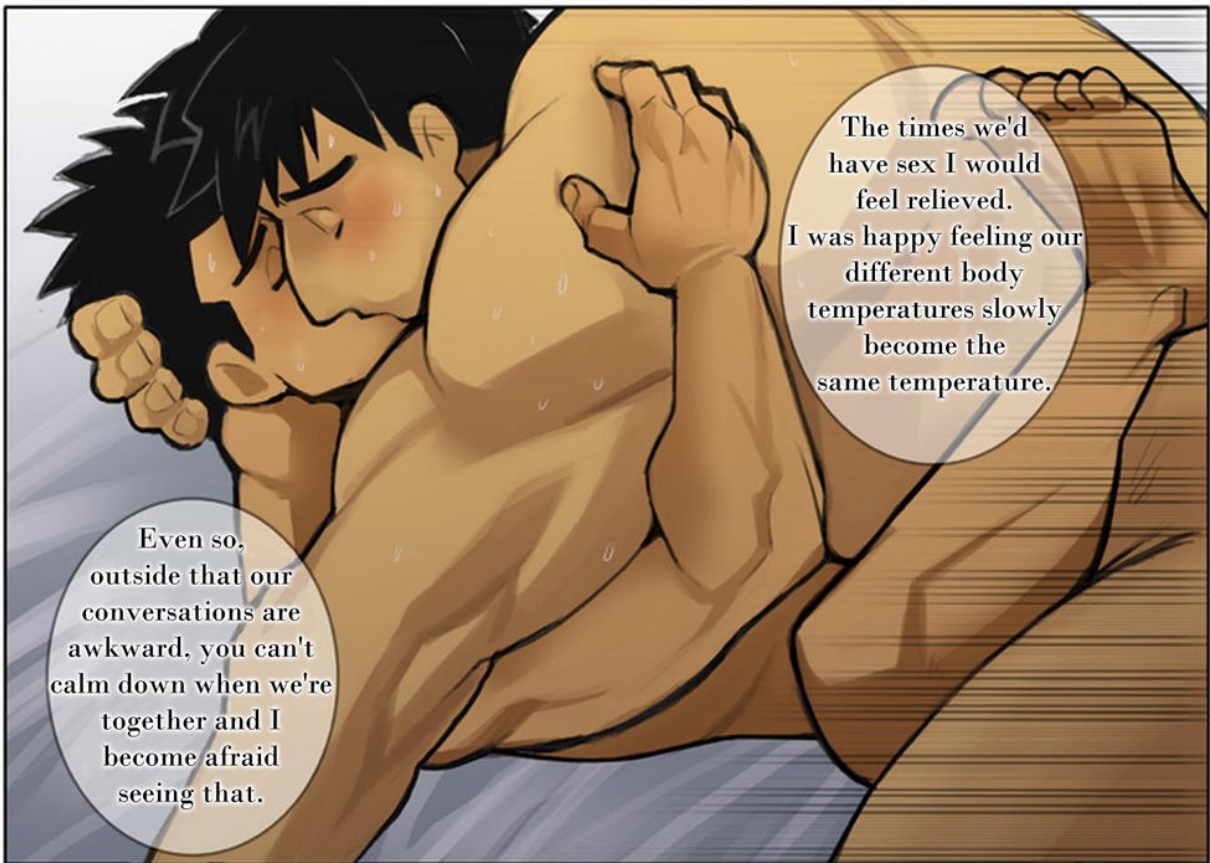

Do you really not know?"

Hey!

Shindo-kun!"

I can't  
bear it  
anymore,  
this  
is the  
end  
...

I  
really  
don't know  
what's  
wrong or  
what I  
should  
do.

Eventhough  
I'm not hated I...  
I'm an idiot so  
even if I think  
about it a lot  
I don't know.

"I see!  
That's what  
I did.

Since I'm bad at talking I selfishly thought it was fine seeing Shindo-kun happily talk away.

I'm sorry, I thought Shindo-kun was mad at me because I'm so thick.

I think I probably held an inferiority complex for Shindo-kun. That's why I was uneasy.

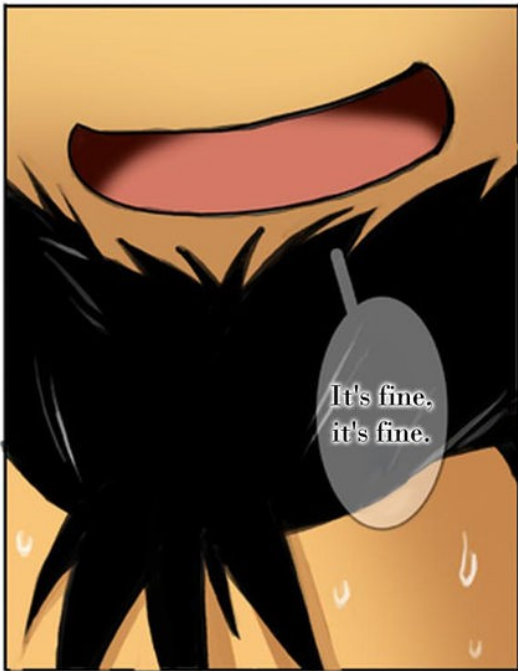

No, this is a bad excuse. It's actually an inferiority complex.

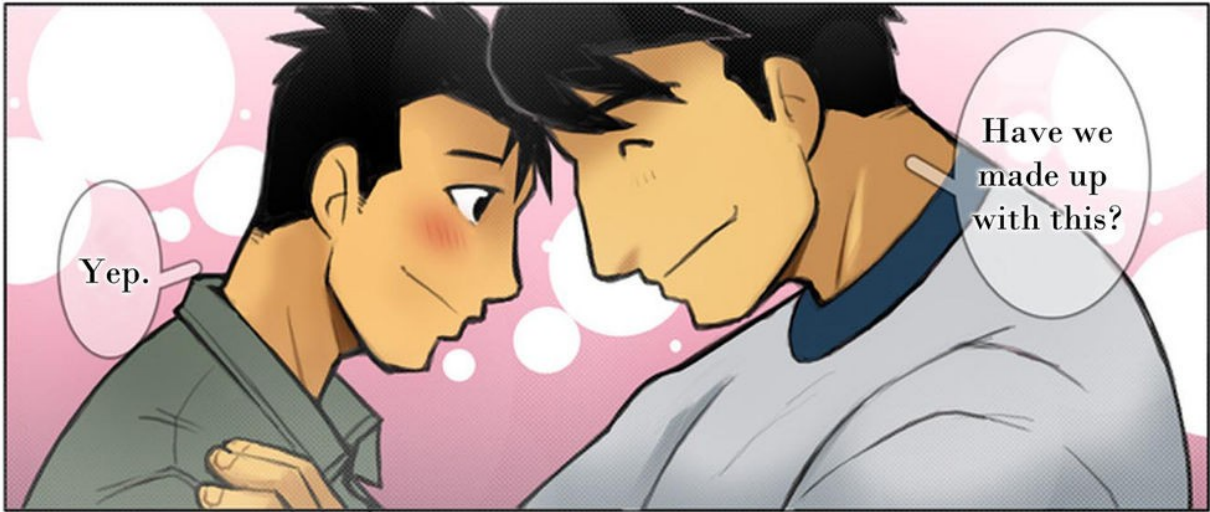

You have an attractive face and figure, you're bright, you also have sociable manners and you are liked by everyone.

Normally, no man wouldn't have a fragment of a feeling of being inferior.

You're perfectly doing my dream job as a dog trainer.

Yep.

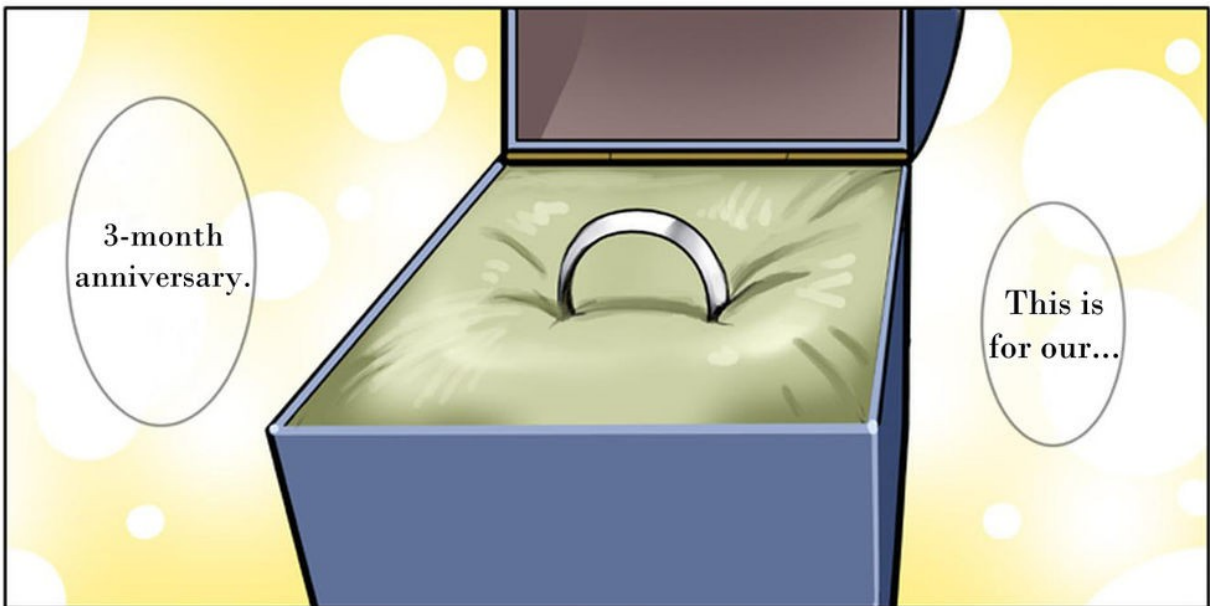

Have we made up with this?

Ehehe.

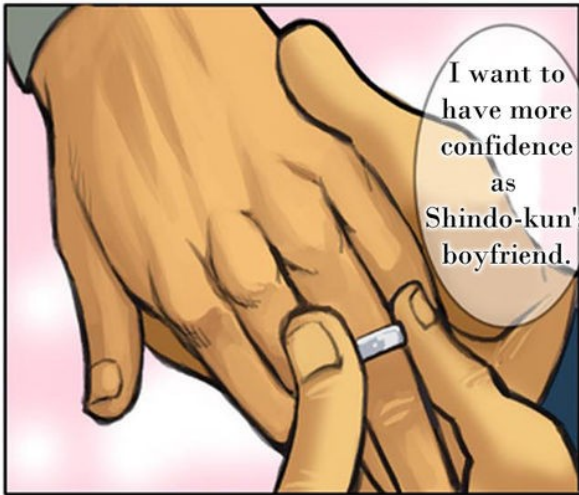

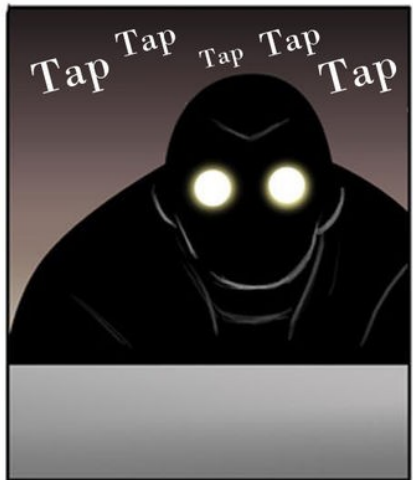

Oh yeah, I forgot. I was nervous to give you this today.

3-month anniversary.

This is for our...

Not again!  
No way!

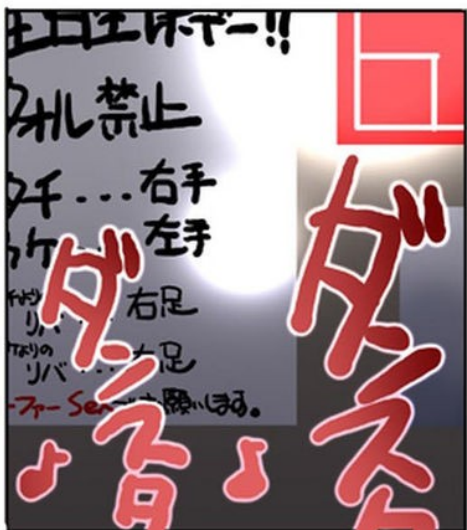

Katsushi 24 years old.  
Going home after being  
stood up last minute by a  
guy he met online under  
strict conditions.

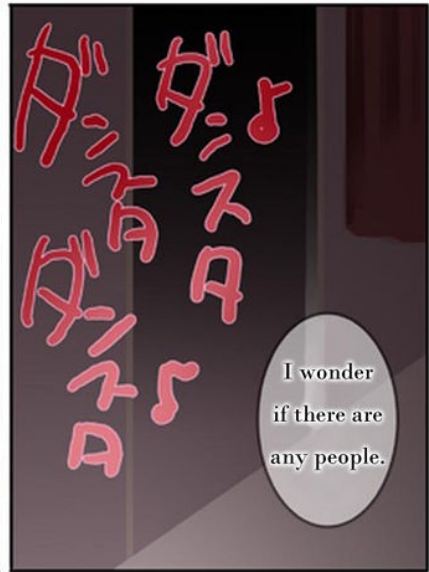

I can't  
get used  
to the noise  
no matter how  
many times  
I come.

No good!  
I'll go to the  
gay club.

I wonder if there are any people.

\*ignore\* ..

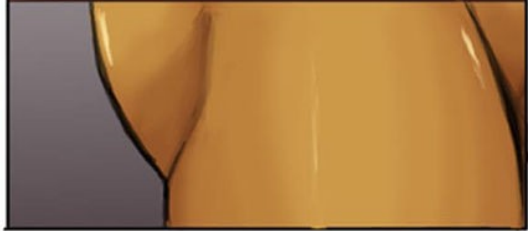

Ah, someone new came.

I only just looked. You're not exactly what I hoped for either. Don't take me lightly, you uppity greenhorn!

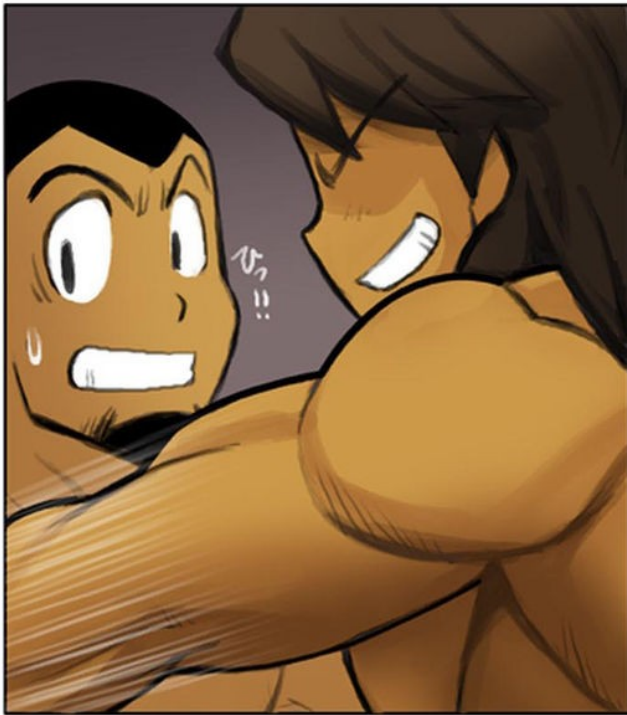

Woah, nice.  
His body build  
also looks huge.  
I wonder what  
his face is like.  
It would be nice  
if he were a top.  
I'd be ok with a sexy  
bottom too though.

Ah- nope, nope.  
His build is good,  
but his hairstyle  
is kinda..  
'Cause I can't let  
go of my condition  
for a short styled  
crew cut.

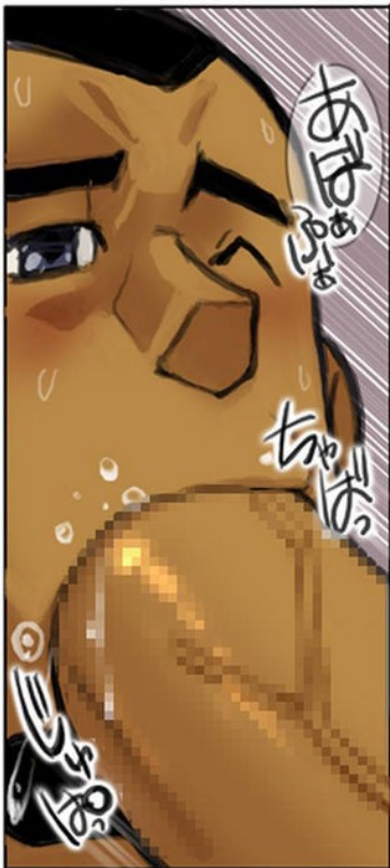

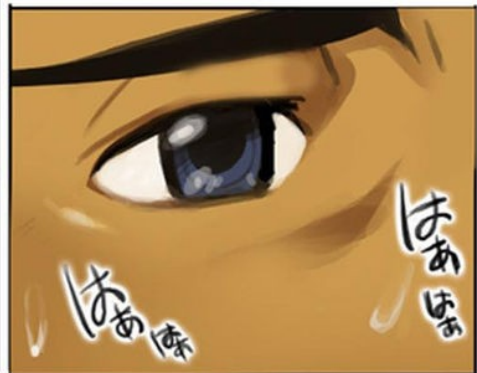

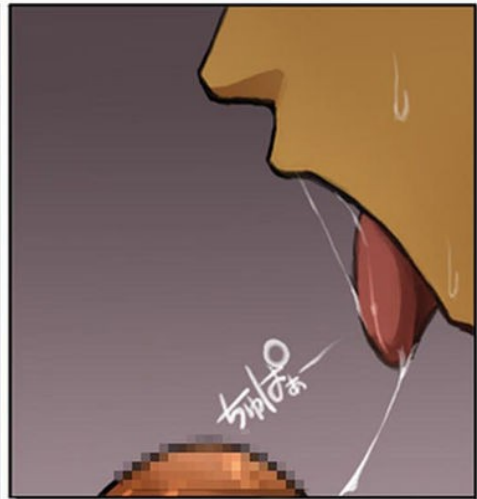

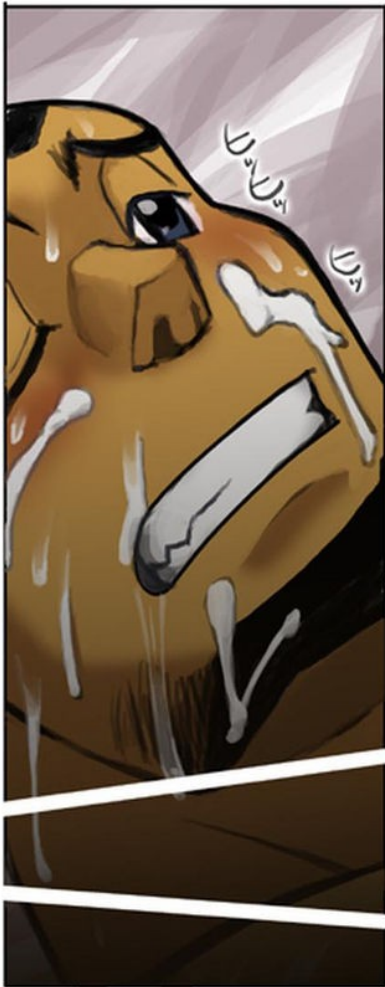

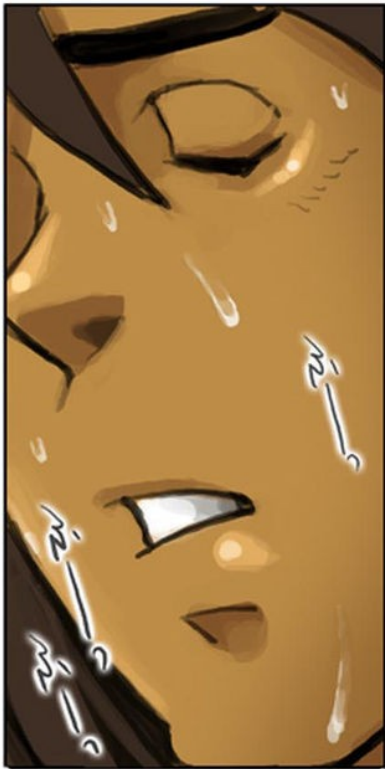

Heheh, don't go feeling good all by yourself. Do it for me too.

Make me feel good and make it nice and wet so it can slide in easier.

He's speaking in regular Japanese. I wonder if he's a tourist.

Th-that's coarse.

Ah- that' was good. Our compatibility is good, that of your hole and me. Let's do it again after we recover.

Uhm, no.

You checked me out just now, didn't you? Like my build, my appearance and my hair.

That was my conviction as well.

There have been a lot lately. People who stick to their conditions and worry too much about risk. Because they put off their feelings or their compatibility when they actually meet for example they become unable to have a relationship except for shallow ones.

It's ok, it's ok. I don't mind.

I didn't intend to bully you though.

Sorry, sorry. I said it in a unpleasant way.

Because I've taken an interest to you. And I didn't like setting conditions and being rejected.

Hm? Oh, you mean the language?

Ehehe. Sure, but won't it be a long distance relationship that way?

Won't you try going out with me? It's fine even if it's just to try at first.
